## '65 IS "THE YEAR OF THE NEW U"

BY Dick Call

The air over Middle Tennessee State University is electrified with Homecoming festivities and the tremendous spirit that has cul-

minated since we have taken on the added status of being a University. It is, indeed, fitting that this Homecoming be dedicated to this new feeling of togetherness and

captivated by a theme that exemplifies a beginning that will surely go down as one of the most memorable years in our short but fruitful history. As the theme, "This Year of the New U" suggests we are launching on an exciting new adventure which has and will carry us to greater things in the future. It is with this happy anticipation, then, that we enter the final stages of Homecoming preparation.

### Parade

The Homecoming parade will begin to lineup around 9:30, Saturday morning and should be ready to roll by 9:45. The floats and cars that are involved should check at the A.S.B. office in the Student Union Building for their position in the parade. At 10:00, the parade will leave from in front of the Memorial Gym. From there, it will proceed south down Tennessee Boulevard, turn right at Main Street, and continue on down to make one circuit around the Square. At this point, the parade will break up; and the judges will make their decisions for prize winners. This year's prizes have increased to \$50 for first place float, \$25 for second, and \$15 for third. The first and second best decorated cars and dormitories will receive \$15 and \$10 respectively. Organizers of the parade and Homecoming activities are Roger Brandon, parade marshal, and his assistants, Larry Gregory, Robert Freeman, Jim Sutton and Allan Walton.

### Alumni Activity

Between parade and game time, the alumni will have a Homecoming buffet. Reservations should be made ahead of time. Admission will be \$2, and the place is the Tennessee Room, Student Union Building. Serving begins at 11:00 a.m. and closes at 12:30 p.m.

### Homecoming Game

Pre-game ceremonies will include the awarding of the prizes to the best floats, cars and dorms,

and the welcoming of the Homecoming Queen and her court. Announcements and introductions will follow the national anthem, and the

## A Homecoming History

In the fall of 1925 graduates began returning to this institution on a homecoming basis. It was in this year that the institution became Middle Tennessee State Teachers College and it celebrated its first homecoming.

There was no football queen until 1934 when Mary Adams and "Bill" Westzel were designated football sponsors.

Frances Nicholson was crowned "Queen of Love and Beauty" in 1935.

The first homecoming parade was organized in 1939. As a result of a gasoline shortage in 1942, a walking parade with horse-drawn vehicles was seen proudly circling the public square.

Football was suspended during the war years 1942-45.

Middle Tennessee State University boasts approximately 8,000 graduates scattered around the globe. Many return to the campus for class reunions and view the startling progress made by their alma mater.

Homecoming was formerly a project of the senior class. It is now planned and promoted by the Associated Student Body.

Homecoming is a time of tense excitement and zealous school spirit for students.

It is a sentimental time for alumni as they reflect upon the happy days spent on this campus.

Captain Roger Smith, an alumnus of the class of 1941, composed the following poem on the battle lines somewhere in the South Pacific.

The poem appeared in the SIDELINES September 28, 1943.

"All that I have left is memories of these days

When we had fun in so many different ways;

I only hope that others at some future date

May enjoy themselves as I did at Tennessee State.

## 117 Are In Student Teaching

One hundred and seventeen MTSU students are doing their student teaching in 33 participating elementary and secondary schools during the fall semester, according to Dr. Joe E. Nunley, director of student teaching.

The student teachers are each working under the supervision of a regular classroom teacher on a daily schedule in the community in which they teach. Participation in school and community affairs is an essential part of their program. Student teaching lasts for eight weeks with weekly seminars

on campus and regular visits by a supervising teacher from MTSU.

## UT Staff Coming Nov. 12 To Explain Graduate Program

There will be a group of staff members from the University of Tennessee on campus November 12 to furnish information on U.T.'s Graduate Program. They may be interviewed from 8:30 until 11:30 a.m. in Room 119 of the New Administration Bldg. on this date.

## THE STUDENT'S VIEW

By Paul Womack

The citizens of New York City elected a new mayor last Tuesday, choosing their first Republican mayor since 1945. John V. Lindsay was elected over Tammany Hall Democrat Abraham Beame and the attempts of Goldwater Conservative William Buckley.

Lindsay has represented Manhattan's "silk-stocking" district in the House of Representatives since 1958. He was first elected with a 10,000 vote margin in 1958. He survived the Kennedy sweep in 1960, was re-elected in 1962, and led Johnson in the voting last year. Since first entering Congress, Lindsay has been noted as a maverick because of his refusal to go along with the Republican Party leadership due to his liberal leanings. It may suffice to say that Lindsay's voting record, according to the highly liberal Americans for Democratic Action, was much better than the Tennessee Democrats, with the exception of Congressman Richard Fulton of Nashville (from records before the current Congress began its first session). For such reasons as this, and the fact that he shunned the Republican candidate for President last year, Lindsay was not too highly regarded by the right-wing faction of his party. Consequently, Buckley injected himself into the campaign to show that there was a conservative element still active in New York and the country. There was fear that Buckley's move would help defeat Lindsay, especially in a city with a Democratic registration of three and one-half to one over the Republicans.

The Democratic candidate was Abraham Beame. Beame won the nomination last summer over Mayor Robert Wagner's personal choice, Paul Serevane. It is doubtful that Beame would have won the nomination had there been but one reform Democrat in the race rather than three; however, this was not the case. More involved, also, was a fight for Democratic Party leadership within the state. Senator Robert Kennedy is, of course, making a determined bid to wrest the leadership position from the Wagner type faction; and his hopes dwelt in Beame. Kennedy may have had some success in this area when Beame won the nomination; but New York City rejected Kennedy's candidate and politically speaking, rejected Kennedy, President Johnson, and Hubert Humphrey, all who had given support to Beame, primarily because of party loyalty rather than conviction.

The implications of this election are far-reaching. It shows that the best bet with the Republican Party lies in the liberal wing if any recuperation from last year's fiasco is to be made. The effort by Buckley was pathetic and reminiscent of a similar pathetic effort on the national scene last year. Although Republican candidates were defeated in New Jersey and Virginia, party leadership must recognize this fact. It may be added, also, that the best brains in the Republican Party belong to the so-called liberals; and these brains should be utilized. Lindsay has been vaulted into the national scene as being presidential timber; and, although, we can make no adequate judgment of his qualifications in this respect, we can watch for his development.

For people in the South, Lindsay

## Wakeley Lauds Student Spirit

On October 30, M.T.S.U. became the Number 1 Team in the O.V.C. (many students were surprised to hear that we weren't all along). This was accomplished by two groups. The first, of course, was the team who played their best game yet.

The other group was the students who went to Clarksville to support their team. I'm sure the team never forgot that their supporters were there. I have heard so many people say that we cheer only because we're always winning. I hope those people were at this game. I heard and saw the best support and spirit I've ever seen when were TEN points behind. And then Teddy started "bombing..." — The crowd went wild. "Satisfaction is beating the A & P."

Larry Richardson, the President of A.P.S.C.'s Student Body, called me to talk about the game and made this statement, "... (M.T.S.U.) students out-cheered us, your band out-played ours, and you MUST have the best team in the O.V.C. Good Luck."

I hope to be able to get the film of the game to show to the Student Body after Homecoming!

## Editor Praises MTSU After Visit

Harry L. Hamilton, editor of the TRI-COUNTY NEWS, Sevierville, used his lead editorial in a recent edition describing his second visit to the MTSU campus to witness the Raiders and the Moccasins of the University of Chattanooga in action.

"It was almost like 'Old Home Week' to visit MTSU," said Hamilton, who saw many of his friends from East Tennessee. In addition to Terry Sweeney, assistant Blue Raider coach, and Gary Whaley and Jack Armstrong, graduate coaching assistants, Hamilton had the opportunity of seeing football squad Captain Keith Atchley, Bill Robertson, and Herbert Owenby perform on the gridiron. He also saw Don Ward, prospective footballer for next season, and several other Sevier countians enrolled here. Many of the "Home-town folks" made the trip to see the MTSU-UC game.

Mr. Hamilton described the attractiveness of the buildings and complimented the student body of over 5,400. He continued by saying that the "Band Day" on campus was different from the one of two years ago. "The girl who led the Chattanooga City High School winning band in 1963 is now leading the 'Band of Blue.' She still does a professionally perfect job."

"The weather was perfect, the Raiders won a great victory, and the former Smokey Bears performed admirably," the TRI-COUNTY editor concluded.

BUCHANAN PLAYERS Douglas Vaughn and Rebecca Salisbury are shown rehearsing "The Taming of the Shrew" to be presented Nov. 17, 18, and 19.

field will be cleared for kick-off.

During the half-time performance, the Queen, attendants and their escorts will be introduced. In order of appearance, they are Miss Jane Norris, social science major, Freshman attendant, daughter of Mr. and Mrs. Olen E. Norris of Chattanooga, escorted by Wendell Rowland, Secretary of Freshman Affairs; Miss Pat Fowler, elementary education major, daughter of Mr. and Mrs. James W. Fowler of Knoxville, escorted by Stan Hardison, Sophomore Class vice-president; Miss Lou Baker, biology major, daughter of Mrs. C. R. McGhee of Gallatin, escorted by Tom Foster, Junior Class president; and Miss Sue McCuiston, biology major, daughter of Macon H. McCuiston of Nashville, escorted by Tim Shannon, Senior Class president. Reigning 1965 Homecoming Queen, Miss Linda Faye Duke, a sociology major from Old Hickory and daughter of Mr. and Mrs. L. C. Duke, will be escorted on to the field by Bert Wakeley, President of the MTSU Student Body.

Other half-time activities will include a performance by the celebrated Band of Blue.

Immediately following the game, there will be a dance in the Tennessee Room for Alumni and Faculty.

## Ruby Hill Fund

During the Homecoming game, ASB officials will "Pass the Bucket" throughout the stadium to collect donations for the Ruby Diane Hill Fund. Miss Hill, the girl seriously injured during the cannon firing at our October 16 game, will receive all money collected at this time to apply to medical bills.

The Student Body has voiced the opinion that they wanted to do something for Miss Hill, and all contributions will be their way of helping. A goal of \$3,000 has been set.

## Homecoming Dance

The official Homecoming dance will be held Saturday night in the Tennessee Room from 8:00 until 12:00 p.m. Music will be by Carl Garvin of Nashville. The dance is free to all MTSU students and alumni attending. There will be a photographer from Delbridge Studios present for any who want to preserve Homecoming 1965. During the dance, Queen Linda will be crowned, climaxing the end of a most unforgettable day.

ALPHA KAPPA PSI, a new professional business fraternity at MTSU, initiated the following members at a recent banquet: Seated, left to right, Johnny Simmons, Robert Bryan, Harold Marsh, Cleve Smith, Larry Crawley and Johnny Gross. Standing are Houston McCandless, Dorris B. Fann, B. V. Lawson, Jr., Robert A. Yeargin, Michael Flanagan, Jr., Tommy Patterson, and Terry Brown.

THE REMAINING NEW INITIATES include, seated, left to right: Larry Wilson, Charles Priddy, Charles Gibson, David J. Rhodes, Donald E. Williams, and Donald L. Patterson. offers hope. For those of us caught between a Buckley-Goldwater Republican Party and an anachronistic Democratic Party more concerned with winning elections than pursuing policies that will benefit the people, there may be an opportunity to join a Republican Party with a liberal slant; or, maybe the Democratic Party will take notice and revise itself. There are some indications that this is being attempted, although Tennessee lacks potential in this area. Perhaps there are just a few of us caught in this position, especially since the Goldwater conservatism is extremely popular. Nevertheless, Lindsay may have an effect of creating a party with the potentials of statesmanship rather than one of dubious politics. Tammany Hall and the machine was defeated. We now must see if any benefit can come from it.

\*\*\*

After the above was written, Julian Hurst, a state Republican leader, undertook to minimize Lindsay's prominence within the party due to his victory in New York. Mr. Hurst is a representative of the conservative element within the party, and this writer hopes that not all leaders of the Republican Party will follow his lead. That element was defeated by 15 million votes in 1964. Would they care for a 30 million vote defeat in 1968?

## Social Committee Recognized For Its Efforts

Few people are aware of the fact that someone is responsible for the carrying out of fun nights and the weekend movies. Few give a thought as to who advertises for the proposed activities, who takes care

of the function while it is going on, and who cleans up after each ASB-sponsored fun night and movie.

A group of students composing

the ASB Social Committee assumes the entire burden of responsibility to maintain student activities on our campus. The committee meets bi-weekly to discuss the combos that will play for your enjoyment at fun night. Also, at the meetings, plans are made as to how to advertise the activities planned for the week and what the respective members will be doing at the fun night or movie. These students sometimes give up an entire weekend for their fellow students.

This year's ASB Social Committee members are: Gracie Aiken, Mary Jo Gill, Linda Richardson, Dow Murphy, Jeff Creek, Mike Crosswhite, George Atwood, and Jim Allen. They are earning recognition.

## Home Ec. Club Hosts State Meeting

The Home Economics Club recently hosted the State Executive meeting of the Tennessee Home Economics Association - College Chapter Section.

Approximately 40 people were present representing 14 colleges and universities in Tennessee. The executive council meeting opened the weekend's activities, which were held at the MTSU Home Living Center. At this meeting plans were made for the year's state activities, and these plans were presented at the Saturday morning meeting for approval. Beth Bond, state president, gave a report on her trip to National AHEA Convention in Atlantic City. Also plans were made for workshops to be held later in the school year. Ideas discussed concerned better membership, programs, and communication.

# Freshmen Star In 28-24 Win At Murray

"We won by just this much", Dr. Homer Pittard described the 28-24 victory over Murray Saturday by holding up two fingers representing Gary Draper's seizure of one of Charlie Forrest's passes from the finger tips of John Watson in the end zone with 20 seconds to play.

The same gesture illustrated the successful game-winning clinch by Toby Wood of a fourth down heave by Teddy Morris as MTSU trailed 24-21 with nine minutes left in the fourth quarter.

Charlie Forrest didn't get there "fust" (MTSU had scored on a five yard run by Morris and a pass to Ownby before the Thor-oughbreds got out the starting gate, but from there on Forrest was there with the "mostest". He hit 25 of 42 passes (15 to Johnny Watson for a school record of 209 yards). Included in these aeriels were a 22 yard touchdown strike to Wilson and another 29 heave to Watson. Watson also caught a two-point conversion pass, OVC Commissioner Art Geupe described Watson's effort as the greatest he had ever seen.

For the third straight week the Raiders barely stayed undefeated. Just as in the Austin Peay game of a week ago they had to come from behind late in the fourth quarter and then throttle a savage

passing attack to win.

### TWO RECORDS FALL

The Raider receivers, without the services of Jerry Smith, broke the school season's passing record when Morris hit receivers for 216 yards on 14-out-of-29 efforts. This brought the total to 1,650 yards for the season. Terry Bailey had established the previous record in 1963 with 1,540 yards. Paul Barnett also broke a school record with his 24th PAT placement kick.

Larry Matthews scored the third Raider touchdown from the one yard line after a 69 yard drive.

On first downs Murray had a 21 to 19 edge. However the Raider ground game was vastly superior to the 'Breds. Raider runners Hlodan, Matthews, Robertson and Morris wound up with 204 yards to a minus 13 for Murray. Murray intercepted three Morris passes. The Raiders had difficulty with penalties by losing 115 yards to 17 for Murray.

### FRESHMAN SHINES

Gary Draper was named as the outstanding player of the day. He made 12 tackles, broke up two key passes and made the brilliant game-saving interception. Pat Morrison, another freshman, substituting for the injured Smith, caught an important pass on the last touchdown drive. Pat Morrison, a freshman defensive end, substituting for broken-handed Watts, was the man who stopped a fourth quarter drive. He chased Forrest 24 yards back to the 50 yard line on a third down and five situation.

The whole of the MTSU defensive line played magnificently as the nationally number three ranked Raiders went for their eleventh consecutive win.

Austin Peay continued to breathe down the Raiders neck in the OVC drive as they beat a good ETSU team in Johnson City 21-7. Eastern Kentucky defeated Tennessee Tech by two touchdowns to ease a little of the Thanksgiving game pres-

sure. Either Tech or Austin Peay will drop out of the race as the two powers meet this week as the Raiders engage ETSU on Jones Field in the homecoming contest.

## Intramural News

By Paul Clinard

Intramural activity got under way the first of October with the FLAG FOOTBALL program initiating the years' slate of scheduled activities. The football season is almost half over with the INSIGNIFICANTS leading the race and CIRCLE K, BLUE ANGELS, and the WILD-CATS still trying to push the pig-skin over the goal to catch up. With the teams as evenly matched as they are, there have been a few heated games with still more in sight for the future. The games are played each afternoon at 3:15 p.m. and 4:15 p.m. except Fridays. Spectators are invited and requested to attend these games to cheer your favorite team on to victory. The Hole-in One tournament was also an event that was played during this month. All male and female students and faculty members were invited to participate in this event. The turnout was over 250 students and faculty members participating in each of the two days that the event was held. The results are listed below in male, female, and faculty members in the order of first, second, and third places with their distances from the hole.

### KEITH ATCHLEY DEFENSIVE PLAYER OF WEEK IN OVC

Keith Atchley, a 195-pound middle guard, was voted defensive player of the week for his performance against Austin Peay.

For the afternoon the senior from Sevierville made 12 individual tackles and four assists, as the Raider defense held the savage Austin Peay running game to only 140 yards on the ground.

More important than Atchley's tackles and assists was the way he fixed the Raider defense that not only stopped the Gobs but pushed them steadily backward when Murphy's men were down and had to have the pigskin. Keith and his bandits got our offense the pigskin when we had to have it. The result was VICTORY!

### CROSS COUNTRY ACTION

In the past two weeks MTSU Cross Country team has been quite active in finishing second in two tournaments — the Union Invitational and the TIAC.

In the October 30 meet at Cookeville the Raiders finished with 42 points behind winner Tennessee Tech.

The best time turned in by a Raider was Paul Anderson who finished fifth with a time of 21:41. The Raiders' second best time was posted by Jim Whitehead of 21:48.

The Raider runners have steadily improved their times through the season, and it could be that the Raider runner will cause a great deal of trouble at the OVC Cross Country Meet-November 20 at Morehead.

The Raiders close out their season with a home meet against ETSU. This meet will be held Saturday, November 13, at the VA Hospital. Starting time will be 10:30 a.m.

### RICE BOWL

Last week MTSU campus was visited by a group of very important people — namely the Grantland Rice Bowl Committee. It is this committee that chooses the teams that will play in the Grantland Rice Bowl.

At the present the four top contenders for the Rice Bowl are Tennessee A&I, Ball State, Austin Peay, and, of course, MTSU.

It is very possible that the winner of the OVC will play Tennessee A&I. Also, in case anyone is wondering, Ball State is located in Muncie, Indiana, and has an enrollment of 8,500. This Ball State team has scored a lot of points, and they are big.

Already advance ticket sales have gone over 1,000, where last year they reached only 1,900. For students the ASB will be selling Rice Bowl tickets for one dollar during the month of November in the ASB office.

### THIS AND THAT

The "T" Club has given \$25 to Ruby Hill, the girl injured by the cannon during the Western Kentucky football game.

## Raiders Host Bucs Sat For Homecoming

ETSU invades Jones Field Saturday as this year's homecoming opponent for MTSU and brings to Murfreesboro a football team that was pre-season rated as a strong contender for the OVC Championship.

To backup this claim of a championship contender, the Bucs will field a big, fast football team. Their strongest weapon is their running game led by tailback Dave Hollzclaw and fullback Benny Lemon. To set this striking force into action, the Bucs go with Walter Wolfe at quarterback. Wolfe depends mostly on his ability to run with the pigskin to decisive defense. Although Wolfe is no great passer, he receives like 235-pound end Wayne Woff and speedy Wingback Johnny McCurry and his pass is an ever present weapon.

Up front both offensively and defensively ETSU has more weight than anyone else in the OVC. To

open holes for Buc runner, ETSU looks to guard Jim Anderson (235), tackles Ron Knicley (235) and Art Cantrell (220). To stop enemy ball carriers the Bucs have Ed Gann (240), Leroy Gray (235) and Bill Pury (240).

Although the won-loss record of the Bucs is not the best, the ability to win football games is

still there. They would like nothing better than to beat the Raiders at their homecoming.

But being that this is homecoming for MTSU and the stands will be full of old grads, and not to mention that Murphy's men would like very much to preserve their high national ratings—ETSU could be in for a rough afternoon.

## FFA Pres. Enrolled

The SIDELINES pays tribute to MTSU freshman, Billy Joe Wiley. Billy, an animal science major who is president of the Future Farmers of America, will be in Chicago in November as an official delegate of the National Four-H Club convention from Tennessee.

He is the son of Mr. and Mrs. Frank Wiley and a graduate of Fayetteville High School. At Fayetteville, Billy played football four years, served as an officer in his junior and senior class, was named a 4-H All Star, received the State Farmer degree in Future Farmer work and was named president of the senior Four-H Club and secretary of the Future Farmer chapter.
