Spring sports are now underway with baseball heading the list. A full schedule of events have been lined up in base-ball, track, tennis and golf. The Raiders baseball team placed second in both the OVC and VSAC last year and have returned many of the members from last year's roster.

Track to be Full Scale

Track is being introduced on a full scale basis for the first time since prior to the war. Last year track was intro-duced and staged on a small scale. This year track is holding a great deal of interest and finds itself right along beside

Coach Joe Black Hayes has been well pleased with the work of freshman Marvin Jennett. Jennett is perhaps the most outstanding individual on the team, and specializes on the high jump. Jennett did 6'2" in high school and should improve on that mark this year. Along with Jennett Coach Hayes pointed to Charlie Smith, George Haley, George Frost, James Boyde and Billy Dotson as being promising track men.

Tennis Returns

Bad weather has kept the tennis players in most of the spring but Coach Smiley hopes to have his team in the running as the season wears on. The return of Lee Covington, Hal Christensen, and Harry Brunson plus the addition of little Charlie Williams and others gives the Raider netmen a promising group to work with.

Coach Elbert Patty has a number of golfers working out daily on the Country Club links. Allen Welch and Pro Parrish have been shooting par golf and should be the number one and two men on the team. Along with these two men several others have been shooting well. With the keen competition going on a starting lineup has not been announced.

To All Freshmen . . . Coach Hayes would like to urge all freshmen with a desire to participate in track to come out. He pointed out that several of the boys who are doing events this year are seniors. Track is an individual sport that requires a great deal of determination and effort. Track requires a number of men and gives many boys a chance to take part that could not do so in football, basketball and baseball.

Track is a good wholesome sport that develops coordination and builds good bodies. I would certainly encourage more boys to take an active part.

Raiders Defeat **Sewart Airmen** In 21-3 Thriller

Middle Tennessee State College defeated Sewart Au Force Base 21-3 in a three hour game that was called at the end of the seventh because of darkness Monday.

The Raider moved out in a quick lead on two home runs and a single in the first inning and continued to add to the score throughout all the climaxing the came with a six run outburst in he seventh

Ed Fox took individual batting honors for the afternoon with two home runs and a single for three times up. John Carson and Bud Spickard also hit for the circuit Pitcher James Evans tripled and Bob Brown added a double among the Raiders' 16 bese blows. Carson and Fox had perfect days at bat while Spickard got two for three.

Coach Fran Riel used three battery teams of Jim Brown and Buck Rollman, James Evans and Bob Brown and J. C. Duncan and Frank Willard in allowing the Airmen but three hits. A double by Gill and a single by Rich that Shrader allowed to roll free in centerfield for four bases scored two of the Sewart runs in

Jim Brown pitched hitless ball for three innings striking out three. After the two hits Evans faced but nine more men, striking out five.
