## Annual ROTC Ball Is Seen As Huge Success

Oh, the occasion was delightful, it was simply a ball. The brass of the military and the band shown through the warm dimness of the evening. It was their pomp and atmosphere which gave magic to the cheerful young men and women who filled the gymnasium. Gaiety was prevalent in the beaming faces of the visiting girls from back home and the local boys. Fun for all, and all for fun were the wishes and success of each in attendance.

Only the low ceiling of colorful balloons kept the swirling on the hardwood. This swing and hop of the rhythmic dancers were gauged to the sound of the versatile Buddy Morrow band. Songs of a blaring nature and melodies of a soothing quality were both enhanced with the Morrow tone. These were enlivened by the clever instrumentalizations as well as the vocal performances of various members of the group.

## Balloons and More Balloons

SUSPENDED FROM THE new gym balcony rails, this is a sea of balloons as seen from the balcony just before the annual ROTC Ball held Tuesday night. Ten thousand red, white, and blue balloons were blown up by sheer lung power and strung on cord which was tied to each rail. A huge white heart made of the balloons was set in the center of the ceiling, and four smaller hearts similarly made were in each corner.

## Bowdoin, Dunham Write Articles For 'Teacher'

Middle Tennessee State College contributors dominated the January edition of the Tennessee Teacher. Two of the articles of major importance, "Pleasant and Profitable Reading for Teachers" by Dr. Ralph Dunham and "Let's Talk About Anything Except Curriculum" by W. B. Bowdoin appear in this issue.

Dr. Bowdoin says, "There is really no need for us to fret over our work of curriculum revision. Reduced to its lowest denominator, curriculum work involves only three questions. First, 'What should we teach?' Second, 'How should we teach it?' Third, 'How will we judge how well teachers and students are doing?'"

Dr. Dunham is associate professor of education at MTSC and his article is an extension of the article written by him for the Phi Delta Kappan, a magazine published by graduate educational honorary society of the same name.

"Teachers for years have advocated the school subjects be made an interesting and as painless as possible," Dr. Dunham points out, "yet they do not apply this principle to their own outside reading. With this idea in mind, the facilities of the Middle Tennessee State College Library and the Linebaugh Library in Murfreesboro were combed to find books fulfilling certain

### Bennett's Hillbilly Group, Miss Minter Place Second and Third

A jazz combo headed by Dwight Christian and his saxophone took first place in the talent show sponsored by the Middle Tennessee State college Veterans' club held last Tuesday night in the college auditorium.

## Henry Gerald To Appear In Assembly

The forthcoming appearance of Henry Gerald at the MTSC assembly program at 9 a.m. Friday, March 2, is an event of exceptional interest, something "definitely different", in the field of exciting entertainment.

Known as "The Man of Mystery", Dr. Gerald's "one man show" program offers amazing and amusing experiments in genuine mental telepathy, psychology, hypnotism and clairvoyance. He is no mere entertainer. He has studied science in the universities of Denmark, Switzerland, France, and Germany; as a qualified psychiatrist and mental scientist for many years practised his profession, and is internationally acclaimed a master in the realm of psychology.

Fencing lessons given by Martin McCullough, a recent graduate of MTSC, also began this week for the male members of the cast. Within the next two weeks, the crews for this production will be announced. Personnel already selected are: Lois Stedman, assistant director; Dev Treanor, costume designer; Jim McBride, set designer; Bill Helton, stage manager, and Robert Askins, lighting designer.

Central America and the Caribbean region are using more feed grains and mixed feeds. The prospect of larger exports of grains to these areas is very favorable during the next few years.

Members of the MTSC Speech Arts Society traveled to Cookeville on February 10 and 11 for the purpose of taking part in the Tennessee Forensic Association Tournament. Each team debated five times in two days. Those making up the debate teams were: Bill Davis and Randy Parks, Kirk Waite and Bill Sugg, Bill Mitchell and John Markle, Howard Hatcher and Bob Greeson, Bill Brown and Henry

Horton, Jean Adamson and Dot Burns, Jean Cloer and Charlotte Akers. All debate teams debated both sides, affirmative and negative, of the question: "Resolved: That All Non-Agricultural Industries Should Pay Their Employees a Guaranteed Annual Wage."

Ten colleges and universities present at the tournament, and 150 student debaters and speakers participated in the two-day event. MTSC's debate squad, composed of seven teams, won 48% of its debates, placing it in the number five slot of the college standings.

Davis and Parks made the best showing of the men's teams winning three rounds out of five. The two girls' teams also won three out of five each. In the women's debate division, MTSC's two teams placed second to Maryville, who won the women's division in debate. The MTSC teams won out over TPI, David Lipscomb, and East Tennessee State college.

This college also entered several contestants in the individual speaking events. DeArnold Barnett and Jim Lee both went into the finals of the men's oratory, with Lee taking the runner-up award in the oration finals. In the after-dinner speaking event Bill Kerley was runner-up to the champion.

The squad made a very creditable showing, especially when it is noted that of the 17 people entered only three of them had previous debating experience.

Rules of Civility

Sharon Rader

Although it has been a long time since George Washington's day, people have not really changed. We still need to respect people and their rights. College students should know how to act in public; but at times we all need to be reminded of our behavior.

Since this is the season in which we celebrate the birthday of the "Father of Our Country," I would like for you to read "Washington's Rules of Civility." He wrote this at the age of fifteen and considered this decent behavior in company and conversation.

"In the Presence of Others Sing not to yourself with a humming Noise, nor Drum with your Fingers or Feet.

"Sleep not when others Speak, Sit not when others stand, Speak not when you Should hold your Peace, walk not on when others Stop.

"Turn not your Back to others especially in Speaking. Jog not the Table or Desk on which Another reads or writes, lean not upon anyone.

"Keep your Nails clean and Short, also your Hand and Teeth Clean without showing any great Concern for them.

"When you meet with one of Greater Quality than yourself, Stop, and retire especially if he be at a Door or any Straight place to give way for him to Pass.

"Use no Reproachful Language against

anyone neither Curse nor Revile. "Wear not your Clothes foul, unripe or Dusty but see they be Brush'd once every day at least and take heed that you approach not to any uncleanness.

"Play not the Peacock, looking every where about you, to see if you be well Deck'd, if your Shoes fit well, if your Stockings Sit neatly, and clothes handsomely.

"Gaze not on the marks or blemishes of Others and ask not how they came. What you may Speak in Secret to your Friend deliver not before others.

"While you are talking, point not with your Finger at him of Whom you Discourse nor Approach too near him to whom you talk especially to his face.

"Treat with men at fit Times about Business and Whisper not in the Company of Others.

"Be not Curious to Know the Affairs of Others neither approach thos ethat Speak in Private.

"It's unbecoming to Stoop much to one's Meat. Keep your Fingers clean and when you wipe them on a corner of your Table Napkin.

"In Company of your Betters be not longer in eating than they are lay not your Arm but only your hand upon the table.

Lyon Lines . . .

Pleasant hang-overs remain throughout Lyon after the ROTC Ball. Those dancing to the music of Buddy Morrow's band were: Shirley Evans and "Skeeb" Gray; Anita Turner and Kenneth Hayes; Frances Gold and Bob Wilson; Jean Frank and John Massey; Mary Jo Woody and Charles Smith; Roberta Markus and Leonard Lemay; Mary Lou Couch and Bill Hix; Jane Panter and Jim Biffle; Carolyn Gonce and Jimmy Marler; Martha Whitehurst and Milner Carden; Janice Kidwell and Gil Smith; Dene Rhoades and Ken Dedmon; Isabelle Scales and Earl Pewit; Sara Chambers and "Buzzy" Davis; Mary Jo Putnam and Kirk Waite; Joan Wilkes and Jack Gambill; Betty Gatlin and Danny Taylor; Dot Barns and Doug Shrader; Shirley Pogue and Ronald McCrady; Dot Williamson and M. Jones Hall . . .

Ben Golden

The ROTC Ball brought a great many boys from Jones hall out complete with freshly cleaned uniforms, brilliant brass, and glossy shoes. This snazzy looking crew was in high spirits and ready for the big night. Some four to five or more hours later they dragged back in so exhausted they could hardly walk looking like they had just been run down by the local garbage truck. Judging from the blissful looks on their faces, most of them must have really enjoyed it. Speaking of the ROTC ball, weren't those decorations sharp. I hear there were only 10,000 of those balloons, blown up by lung power. From the sound of things at least half of them were burst in Jones hall about one a.m. after the Ball. Those boys who didn't go to the dance and were silly enough to think that they could sleep sure found out different much to their outspoken (or should I say screamed) disgust.

Football practice has started for a few of the Jones hall boys. A few of the courageous, muscle-sore boys are Jaun Spann, Ernie Ryman, John Collins, Richard Hartsock, Lew Powers, Jim Mike Watkins, and Bob Williams to name a few.

Jim Mike Watkins has suddenly developed a lisp, and for some reason everyone has started singing "All I want for Christmas is my two front teeth, my two front teeth," everytime Jim Mike comes around. I really can't explain it except that maybe those two teeth he got knocked out at football practice has something to do with it.

Does any one know why Bill Tucker's face turned so red when some boys started shouting his name out the window at some girls who were passing by. It couldn't have been that one of the girls was Marilyn Caruthers, with whom he had a date the night before, could it?

sell and Bill Tucker; Janet Lewis and Freddy Karr; Jennie Quick and Bill Wilson; and Jean Collins and Don Bailey.

Guests were abundant in Lyon for the famous ball. Linda Wilkerson of Peabody was the guest of Jennie Quick. Carolyn Givan of Franklin was the guest of Betty Gatlin. Glynn Canary of Bowling Green, Ky., was visiting Dot Burns. From Dalton, Ga., were Judy McSmith and Jane Hill as guests of Charlotte Akers.

Last week-end found Joanne Wright in South Pittsburg as the guest of Carolyn Gonce. Congratulations to our latest engaged couple! Cupid's arrow hit Jean Collins and Don Bailey. Don is a 2/Lt. at Stewart Air Force Base. They plan to ring the wedding bells in July.

Mary Lou Givan and three other delegates from MTSC attended the Mission Emphasis Conference at the Southern Baptist Theological Seminary at Louisville, Ky., last week-end. Colleg estudents from the South met to better acquaint themselves with the field of missions. Dot Burns, Jean Anderson, Charlotte Akers and Jean Cloer represented MTSC on a debate in Cookeville last week-end. The occasion was the Tennessee Forensic Tournament held at TPI.

Till we meet again . . .

I hear Phil Henry has taken up swan diving on to concrete floors as a hobby. They say he is especially good when he tries to run right after getting out of the shower.

Don Sharp had a look of revenge in eyes as he tried to determine who had filled a balloon with water and put it in his bed. The last I heard of him he was saying, "Just wait until I get my hands on that "Hank" Laxon. He'll be sorry."

"Flop" Christian really wowed everyone at the Vet Club's Variety show. Man! Can that that cat go. Everyone around here is really looking forward to hearing more from him with the new dance band.

What earthly motive have prompted Rayburn Clark, Fred Geer and Jimmy Newman to take off to Kentucky at midnight Saturday night?

There occurred Saturday morning the nearest thing to a miracle that I have seen around here! Every room in Jones hall was clean at once! Some of them, by the way, was clean for the first time since last September. The reason back of it was the building inspection. But, things are already back to normal again.

MONOHAN MOANS Sue Adamson and Jo Russell The recent flood changed Monohan dormitory into Noah's Ark. The Ark, surrounded by Monohan lake, was howling with various laughing creatures—the campus dogs, cats, and laughing hyenas (girls cutting classes). It looked a bit unusual to see cars drive by their windows with no driver. 'Twas a heavy rain.

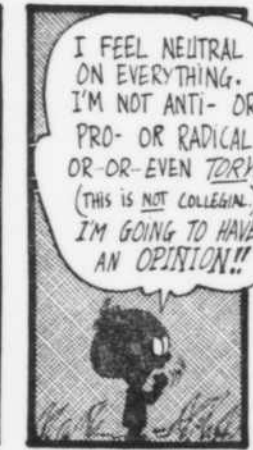

April Fool's Day marks a great day in Nell Pack's life. That the day she will become Mrs. Herbert Ratliff. Lots of happiness, Nell.

DOES ANYONE KNOW WHY? . . . Hazel Joyce and Dene Mattingly rush away from night class so fast . . . Martha and Barbara—go to "Vet Village" so much . . . "Polly" Denton breaks dishes everyday in the cafeteria. . . Jo Anne Aylor prefers hard-boiled eggs . . . Jo Anne Young "lives" for social dancing class . . . All the girls of Monohan are rushing to put on their formals?

A few Monohan girls and their dates, who danced to the heavenly music of Buddy Morrow are: Lenora Freedle and Martin Bailey; Betty Waddell and "Onion" Smith; Patricia Hitt and Carlton Galbreath; Anne Hagewood and Jim Burkes; Wanda Buntley and Ralph Daniel; Joanne Young and Norman Sullivan; Joyce Staley and Edward Tittle; Sara Inglis and Billy McAdams; Marilyn Monks and Alton Ellis; and many others.

Highest Record

For the first time in the history of the United States, the number of students registered in American colleges and universities will pass the 3,000,000 mark this year, according to the commissioner for education. This calculation is based on surveys which were made last autumn and which showed that there were already over 2,700,000 students in American institutions of higher learning at this time. The new record will be reached this year through the usual new enrollments in the course of an academic year.

Wright and Scarbrough Were Married In Jan.

Word was received recently from J. F. Scarbrough, Jr. of Decatur of the announcement by Mr. and Mrs. J. F. Scarbrough, Sr. of Sparta of the marriage of their son, William H. Scarbrough, and Miss Dell Wright of Kingston, on January 24, 1956.

The ceremony was performed in Salzburg, Austria where Scarbrough is with the Foreign Service in Gmunden, Austria. He was a 1951 graduate of Middle Tennessee State college.

Local Area Is Honored With Touring Drama

Since we were On Stage last, the local spotlights have been burning brightly in this area. MTSC drama enthusiasts have certainly had a fruitful month of dramatic food (speaking in a melodramatic tone.)

First of all this month, it was the Touring Players Company with their presentation of Shakespeare's history play, "Richard III", starring John High. I do not pretend to be a critic; but as a member of the audience, I would like to make a few comments for what worth they may be. I think that even an Elizabethan audience would have paid the atomic age admission to have seen this superb performance. John High created the role of Richard III, with a fresh thundering power that carried his every tragic breath all the way to the back of the balcony. A cast of fourteen actors aided Mr. High in producing an evening of living art and beauty, aside from being an evening of sheer entertainment. Had Mr. Shakespeare himself been there, I think he would have been very pleased with this group's performance and the box office take!

Theatre goers of this area had the opportunity of seeing the Pulitzer Prize comedy, "Teahouse of The August Moon" by John Patrick this past week. For three delightful evenings, the stage of the Tennessee theatre contained real-life people with real entertainment. The dead, cold movie screen gave way to beautiful sets and delightful costumes. Taking the leading role of Sakini in this production was Larry Parks, who will be remembered for his work in the "Jolson Story". Almost as pleasing as the performance itself was the fact that on the night I attended, I saw many MTSC students amid the packed house. Let's hope that in the future we will have more of the good tidings from the great "white way" on the stage of the Tennessee theatre!

On stage here at home, the nights are alive with activity as rehearsals move on for the March presentation of "Romeo and Juliet". So as you read this many are at work designing costumes and sets for what is hoped to be one of the most spectacular productions of MTSC stage history.

In closing I would like to commend the Vets Club for the very enjoyable evening provided by their variety show presentation. I'm sure that all who were present would join me in saying, "Let's have more!" I was not aware that this school contained so much fine talent. Why don't we see more of it?

I would like to bring down the curtain on this verbal exhibition with a bit of wit I overheard this week. "There is really no great difference between an actor and a school teacher. They both get talked about . . . but only the actor gets paid for it."

Portrait of a Vet Introduces Watt Richard Bell, Vet-Of-Week

Hailing from Murfreesboro, Tennessee is Watt Richard Bell, the vet-of-the-week. After his graduation from Murfreesboro Central high school in the spring of 1950, Bell joined the United States Marine Corps in September of that year and went to Parris Island for 10 weeks of boot camp.

Bell was then sent to Great Lakes, Illinois where he received 20 weeks of training in the field of electronics. From the 12-week training period in radar repair at San Diego, California, he was transferred to Camp Pendleton, California where he remained 18 months with the 3rd Marine division.

In January of 1953 Bell was ordered to Korea with the 1st Marine division and was attached to the 11th Marines doing counter mortar radar work. He was discharged in September of that year.

Bell entered MTSC in January, 1954 and has been majoring in industrial arts with a minor in social science. At the present time he is sergeant-at-arms of the Veterans' club and a member of the Industrial Arts club.

John Richardson, of the TEA, Roy Vance, and W. B. Shoulters of the State Department of Education and W. B. Rich, representing the State School Board organization were the principal speakers. Mrs. Q. M. Smith, Mrs. James and Bob Abernathy were among other speakers.

Eds and Co-Eds Eddy Lackey, Tom Scott Are Honored This Week

Mary Lou Givan "BOTH LIKE PEOPLE"

Your column this week is highlighted with both an ed and a coed. Chosen for this honor are Edith Jo Lackey and Tommy Scott.

Edith Jo is a 21-year-old senior from Nashville. She attended Glenn and Highland Heights elementary schools and East high school. While at East she participated in the chorus, Allied Youth, Y-Teens, Dramatic Guild, and was on the annual staff. She was a history major in high school.

Her first two years of college were spent at Martin college, Pulaski. There she was in the chorus, Fine Arts club, Dramatic club, and on the annual staff. She continued some of those activities on coming to MTSC. She is a member of the chorus, International Relations club, MSM, and SCU. She graduates with a major in social science and minors in business and English.

Eddy Jo likes college, particularly in meeting people and finding that everyone is so friendly. The social contacts mean a lot in broadening the life of everyone, as I know you all will agree. She has a number of "favorites." For example, she likes music (all kinds) for a hobby, basketball is the favorite sport, and for a favorite food, fried chicken.

The future is somewhat uncertain for her now but she hopes that at sometime she can go into social work, a field where workers are needed badly, and where a magnificent service to mankind can be rendered. Our wishes for a great future, Eddy.

Tommy Scott is a well-known personality on campus. He is from Fayetteville, Tenn., and is 21-years-old. He is the elder of the two sons in the family.

Elementary and high school days were all in Fayetteville. Tommy participated in the Science club; Camera club, serving as president and vice-president; Beta club; and Spanish club. He served as vice-president of the Senior class and played football one year. High school majors included math,

science and foreign language. Here as MTSC Tommy has led a busy life too. He is a member of the Boy's Dorm Council, Track and Sabre club, "Who's Who." He is past president and vice-president of the Cumberland Youth Fellowship, at present vice-president of SCU, and president of the Senior class. Oh yes, he has also been captain of the track team. He is in the ROTC and serves as a company commander.

His college major is math with minors in English, education and economics.

Tommy agrees with Edith Jo as to the favorite food department in that he likes fried chicken also. Music is a hobby of his (particularly popular).

Tommy also agrees with Edith Jo in what he likes best about college life, meeting and getting to know and understand people. His philosophy of life centers around the saying "Think twice before you speak." Perhaps this is the clue to his manner of liking and being liked by people.

SCU Has Meet, Brown Is Speaker

The SCU met February 1, 1956 in the college auditorium. The president, Charlie Hodges, announced that the First Presbyterian church would have charge of the service at the church with different church members taking part in the service.

The picture was made for the MIDLANDER after Hodges made his announcements. After this, he turned the meeting over to the Methodist who has charge of the program.

The first part of the program consisted of a quartet. The quartet sang three songs, "I Have a Desire," "I'm a Pilgrim," and "He." Everyone seemed to have enjoyed this wonderful quartet.

Buck Rolman introduced the speaker, Bud Brown. He was an outstanding speaker, and his talk was very inspiring.

# Charlie Greer To Switch Duties To Football Coach

President Q. M. Smith accepted the request of Coach Charlie Greer to switch his duties as head basketball coach to end and tackle coach on the football squad. A successor for Greer has not been announced.

In his letter of resignation, Greer stated that his love for the school as an alumni and coach is the basis for his transfer of duties. Greer's letter said, "I feel that a basketball coach with better contacts in the area where high school basketball is considered very strong will greatly improve the basketball at Middle Tennessee State College."

Completing his seventh year as basketball coach for the Raiders, Greer will take over his football duties after the Western Kentucky game, March 3.

President Smith was very complimentary on the job Greer has done at Middle Tennessee with his all-out efforts.

An Ohio Valley Conference coach remarked during the season, that Middle Tennessee's coach had done the best coaching job in the conference with the material he had.

Under Greer's leadership, most every record in the Middle Tennessee basketball books have been rewritten. Perhaps his best year at MTSC was the 1954-55 season when he guided the Raiders to the Volunteer State Athletic Conference tournament champion. In the same season, his boys won the trip to the NAIA tournament at Kansas City.

During the 1952-53 season, the Raider mentor won 18 ball games and lost 12, for one of the best records ever established at Middle Tennessee.

Coach Greer received his B.S. degree at Middle Tennessee where he was an outstanding football, baseball, and basketball player.

Before returning to MTSC as head basketball coach, he established an impressive coaching record at Howard and West High in the Nashville Interscholastic League.

## Final Minutes Give ETSC 84-73 Win Over MTSC

East Tennessee State had to come from behind in the final five minutes to defeat Middle Tennessee's Blue Raiders recently, 84-73. The game was played at Johnson City.

Middle Tennessee held a 38-37 edge at halftime and scored five more points after the intermission before the Bucs scratched the scorebook. The last five minutes saw ETSC sink a flurry of field goals and take the 11-point victory.

Render Carden was Middle Tennessee's leading scorer with 22 points, while Doug Shrader hit for 21. Weaver's 22 and Bowman's 20 points led the ETSC attack.

## Shrader, Carden Win Slots On All-VSAC Team

Middle Tennessee State's Douglas Shrader and Render Carden were chosen on the Volunteer State All-Conference team by the VSAC coaches recently.

Both of the MTSC cagers played in every game for the Raiders this season.

Shrader was named on every ballot submitted by the coaches. He is averaging 17.8 points a game. The Flintville forward has led the Raider scoring all year, and has dumped in 355 points this season.

Rebounding, along with his scoring ability, won Carden the first team honors. The 6' 4" forward led the Raider rebounding department with 235. He scored 327 points over 20 games this season for a 16.4 per game average.

Both boys have scored over 1000 points during their play for the Raiders. Carden had his best year in 1954-55 when he scored 544 points to set a new season record for an MTSC player. His average was 20.9 per game.

Shrader also had his best season in 1954-55 with 524 points. He averaged 19.4 points per game in 27 contests.

## Along the Sidelines . . . Chester Adair Tops Two Records at VSAC Tourney

Bob Brooks

Basketball fans who saw the Raiders play Belmont in the recent Volunteer State Athletic Conference tournament viewed a record breaking performance for Middle Tennessee.

Chester Adair, the hustling guard for the Big Blue, got his name written in the school's record books for the "Most Free Throws Attempted in a Single Game" and also for the "Most Free Throws Scored in a Single Game." Adair cashed in on 17 of 22 free tosses to get the new marks.

Render Carden is the only other player of this season's team that has his name in the school's basketball blue book. He holds four school records which include: Most Rebounds in a Single Season—323 in the 1954-55 season; ran average of 12.4 per game; Most Rebounds in a Single Game—23 against Morehead State in 1954-1955 season; Best Average for a Single Season 20.9 points per game average in 26 games of 1954-55 season; and Most Field Goals Scored in a Single Season—Scored 201 of 415 attempts in 1954-55 season.

Many MTSC basketball followers are hoping that John Price, who played his freshman and sophomore years with the Raiders, will be back on the Middle Tennessee hardwood next season. The Bowling Green, Kentucky cager set an all-time high for individual MTSC scorers in a single game, with 36 dumped in against Union in the 1953-54 season.

In his two seasons here, Price scored 583 points with an average of 18.3 points a game.

Jim Henry, a reserve guard for the Raiders, reports that Price will complete his tour with the U. S. Army in the near future. He is expected to enroll in Middle Tennessee before next season. Price has been playing service ball for the past two years.

A peek at the school record book shows the following cagers listed:

Besides Trickey, Charles "Fuzzy" Harmering had 1006 points for his play ending in 1950. Douglas Shrader and Render Carden are the only others ever to reach the elite group. In four years, Shrader has scored 1036 points (28 points as a Freshman), with one game remaining. Carden has scored 1020 points in three years and also has one more game to add to his total.

## 69 Men Report For Spring Football Practice

Middle Tennessee's spring football practice had to take a three day break last week because of the heavy rains. Many of the players took their "time-off" with workouts in the gym to stay in shape. With weather permitting, the boys should be back in full swing this week.

Opening day of practice saw 69 candidates for the coming Raider season report for the spring drills. Coach Charles (Bubba) Murphy commented that the coaching staff had expected only 51 gridders, and he was well pleased with the turnout.

Twenty-one returning lettermen and some good transfer students show promise of a successful squad for the coming season.

After 19 practice sessions, the gridders will close their drills with the annual Blue-White game.

Murphy used the first week of practice, as he put it, "to find out who can block and tackle." The boys went through some pretty stiff training on their first sessions to learn the fundamentals and round dinto shape.

The gridders took time to elect Terry Sweeney as their football captain for the coming season. The 200 lb. fullback was Middle Tennessee's leading ground gainer last season.

Ben Hurt, a regular guard for the Raiders last year, was elected as co-captain.

## ETSC Cops Top Place In VSAC Conference Meet

East Tennessee State College won the VSAC tournament Saturday night with a 65-63 win over David Lipscomb. The Bucs had been seeded in the number one spot by finishing first in the conference.

Middle Tennessee's Blue Raiders lost in their opening game of the tourney to an inspired Belmont College quintet, 92-88. It was the first time the Rebels had ever beaten a Blue Raider team.

Bethel, who opened the tournament last Wednesday with a win over Union University, was eliminated by East Tennessee 86-60 the following night.

With a good win over one of the tournament favorites, Austin Peay, 80-67 on Thursday night, the Bisons gained the finals with a 72-61 triumph over Belmont.

In the semifinal round, East Tennessee edged the Lincoln Memorial Railsplitters 75-70. LMU had worked its way to the semi's with a hard earned 95-90 victory over their east state rival, Milligan University. LMU forward Don Burton tallied 38 points for the winners.

Third place in the tourney went to Belmont with a final night consolation game victory over LMU, 95-76.

## Raiders Lose VSAC Opener To Fast Belmont Team

Middle Tennessee lost a heart-breaking game to Belmont College in their opening game of the Volunteer State Athletic Conference tournament, 92-88. The Rebels got off to a fast start against the Raiders and never relinquished the lead.

Chester Adair set a new mark for MTSC scorers this season with 31 points. He tossed in 7 of 12 field goal attempts and hit 17 free throws for the new high. The 5'10" guard also broke the all-time Raider record for free throws scored and free throws attempted.

Belmont's starting pace gave them a 46-37 lead at halftime. After the intermission, the Rebels worked to a 14 point lead. The never-say-die Raiders kept fighting back to whittle the lead to two points but could never obtain the lead.

Douglas Shrader, Middle Tennessee's leading scorer, flipped in 24 points before leaving the game via the foul route with five minutes remaining.

Shrader and Adair were the only Raiders to get in the double figure scoring. Robert Barnes led the Rebel attack with 29 points, 15 of them from foul shots. Hilton Jones' 22 points, and substitute forward Warren Gilley's 19 point performance, provided the victory. Neither Jones nor Gilley had shown so

much offensive spark in prior games. The "close called" game saw 28 personal fouls charged to the players. Middle Tennessee was called for 22 and Belmont 28. The Raiders had two men foul out while the Rebels lost three.

Both teams had good shooting percentages for the contest. Middle Tennessee hit on 26 of 58 field goal attempts for 44.8 per cent. Belmont dumped in 30 of their 65 tries for a percentage of 46.2.

## Meet the Players . . . York Sees First Year With Blue Raider Varsity

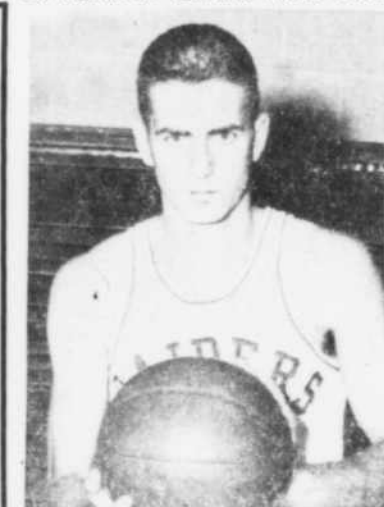

**Fred Kerr**  
JOE BURKS  
Joe is a returning letterman to the squad of Big Blue cagers. He stands 6'5" and shoots a good one-hand shot from the forward position. The towering junior is from Horse Cave, Kentucky, where he

Joe Burks

played for the highly successful Caverna High School with his brother, Jim, and Chester Adair. Minus injuries, which have slowed his performance, his steady improvement could make him one of MTSC's brightest performers next season.

**TED YORK**  
Ted is a sophomore that has moved up from last year's B team. He stands 6' tall and works from

Ted York

the guard slot. As this is his first year with the varsity, he hasn't seen too much action, but his set shot and ability to move well being counted on in coming games.

Marvin Jinnette

Ted hails from another town in the Blue Grass State, Jamestown.

**MARVIN JINNETTE**  
Another bright prospect is sophomore guard Marvin Jinnette. He is a good jumper with plenty of speed and if he continues to show improvement he will see a good deal of service. Nashville is home for Marvin. With his high-jumping one-hander, Marvin is expected to develop into one of the consistent scorers.

The associate professor maintains that the idea is that upon reading one book on the list, the teacher will want to read the others; but if some of the books have already been read, then it is hoped that the person who notes the kind of literature included will be eager to read more of the books.

He suggests that the topics to be considered are those dealing with schools, teachers, or pupils of the past or present. "Readers are cautioned that each book must be considered in the light of the author's beliefs, his objects in writing, the date of publication, the historical period, and the county with whom he deals," he adds.

Appearing in the same issue is a picture of Mary Will Cox and two of her home economics students from Giles county while on a tour of Nashville shops.

A Valentine dinner honored the husbands of M. T. S. C.'s Dames Club members on February 10, in keeping with their annual custom.

One hundred thirty-five guests were present for the occasion. The Tennessee Room of the Student Union building was attractively decorated to carry out the theme, with a large styrofoam heart with red canations centering the middle table. White snapdragons and carnations were on the speaker's table, in contrast with the red satin streamers which ran the length of the white cloth on each table. MTSC Briefs of the Week

Farmers need to make maximum use of good quality silage and legume hay and need to improve the quality of roughage.

Such was told radio listeners last week by two MTSC professors of agriculture, Dr. N. C. Stark, department head, and Eddie Thomason, instructor in agriculture, during a discussion on the subject, "Profitable Milk Production," heard on the WSM radio program, NOONTIME NEIGHBORS.

John McDonald, who is WSM's farm director, led the discussion. Also discussed was the annual Farmers' Field Day event, which is scheduled here during the spring.

Four of the men, who scrapped splattered paint off the front of the administration building Thursday afternoon, following another paint raid the night before, during which some pranksters painted "Beat MTSC" and "BISONS" on several buildings, gave opinions on this question, "What should be done to those who paint up school property?"

FELIX SMITH: "I tell you I think this is a lowdown trick. It's messing up school property. I dislike it very much. I don't like doing the job of cleaning up."

ROBERT MORGAN: "It's a mess. It's unnecessary. A lot of work to it. They ought to clear the situation up."

RAYMOND BRASHER: "It's a mess. Ain't much I can say. We'll have to get it off. Kick them who did it out of school."

"LIGHTNING" SUMMERS: "GET THE STATE TO PASS A LAW." If caught, send them to the chain gang and put lightning on it. It's getting bigger. It must be stopped."

The raid was preliminary to the basketball game, played in Nashville last Thursday by the MTSC Blue Raiders and David Lipscomb Bisons.

The college yearbook, MIDLANDER, will be circulated on the campus May 15, Don Jackson, editor, announced.

The publication will include an "index" which will list the students and page numbers where their pictures will appear. Ambrose Printing Co., of Nashville, is printing it.

"There will be full coverage of campus highlights and events of the year," Jackson said.
