Charlotte Akers Wins Title Of Miss Murfreesboro

Charlotte Akers, a freshman from Dalton, Georgia, brought honors to Middle Tennessee State College last week when she was named "Miss Murfreesboro" at the Jaycee-sponsored beauty contest.

Miss Akers competed with nine other contestants from MTSC, Murfreesboro and surrounding communities. She was selected to represent this city in the "Miss Tennessee" contest in Jackson, Tennessee on July 28, 29, and 30 of this year. Selection was based on beauty, talent and personality.

Upon her selection Miss Akers received a trophy, \$100-scholarship, an evening gown from Goldstein's, an ad bathing suit from the Cotton Patch.

The winner attended Dalton high school where she was a member of the Tri-High-Y, Junior Civitan club, and is being pledged this quarter for the honorary dramatic fraternity Alpha Psi Omega. She has appeared in two plays here, "Overtones" and the Spring quarter production, "George Washington Slept Here".

Sociology Class Makes Spring Field Trip

As part of their Spring quarter work, 38 students of Clayton James' sociology class made a field trip May 11 to the Home for the Feeble-Minded at Donelson, the State Agricultural and Industrial School for Boys, and Central State Hospital in Nashville.

Clayton James is sponsor of the club, which annual chooses a limited group of men students whose scholarship and achievement have been particularly outstanding in the student body.

HARE'S LAIR IN THE AIR

BERKELEY, CALIF.—(ACP)—A Pink and yellow rabbit is an oddity in itself, but a pink and yellow rabbit clinging to a spire some 307 feet off the ground defied explanation, or so thought the Daily Californian.

The floppy-eared "victim," which "turned out to be a stuffed rabbit, was rescued after hours of work from the thin, sharp copper spike on top of the University's Campanile. The only clue offered police and college officials was an anonymous phone call from a "Phantom" who claimed he spirited the rabbit by helicopter to the spire in order to perpetuate the spirit of Easter."

Mr. Pittard Will Preside At Annual Alumni Banquet

The annual senior-alumni-faculty dinner at Middle Tennessee State College will be held on May 28 at 6:30 p.m. in the Student Union building.

Alumni president Homer Pittard will preside at the dinner and Will Henry Atkins, now a minister in Knoxville, will be the principal speaker.

Alumni secretary Bob Abernathy invited members of the alumni to the dinner, pointing out that the college faculty numbers nearly 100 teachers and adding that the college has a student body of nearly 2,000.

There are approximately 3,500 graduates of the college. Dinner tickets will be \$1.50 each.

MUSIC GOES 'ROUND AND (SOB) 'ROUND
(ACP)—A new marathon craze has hit St. Louis University, where a freshman recently bettered the 60-hour record set by two radio disc jockeys.

He played "You're My Everything" by Joni James, for 70 consecutive hours over the dormitory inter-communication system. Comments from the residents called the ordeal theirs rather than his.

Anyone for 100 hours of "Davy Crockett?"

The invitation was by T. B. Woodmore, college bursar. Dr. Sam Hay, a member of the board of trustees of the society, announced that the Neal D. Frazier loan fund for students had exceeded \$700 and asked members for a one dollar annual donation to the fund. Ed Jennings of Liberty and Dr. William Shacklett of Murfreesboro were elected as members of the Board of Trustees to succeed Dr. Hay and Dr. Carl Adams.

Officers for 1956 are Charles Hodges, president; Ted Hackney, vice-president; Thomas Stroud, secretary and treasurer and Steve Underwood as student member of the Board of Trustees.

Vocalists at the dinner were Laura Ann Harris and Wayne Robertson with Margaret Wright as accompanist.

Sigma Club Holds Annual Banquet, Parks Is Speaker

"If we make progress with liberalism the conservative will always have something to conserve", Dr. Norman Parks, head of the Social Studies department at Middle Tennessee State College, told members of the SIGMA Club, men's honor society at the annual dinner meeting Saturday evening, May 14.

"Liberalism holds that the creative power of all must be realized, we must have faith in the potentiality of the many. It was not an accident that Jesus beatitudes in pointing out that in a democratic society liberalism should be a philosophy tempered by conservatism, but that the intelligent person can neither become a "reactionary" or a "radical."

During the course the Lieutenants received approximately 800 hours of classroom training in field problems. The field work taught them fire team, squad, platoon and company tactics. They also learned how they function.

The course also covered physical training and conditions, principles of command, leadership, infantry weapons, supporting arms, communications, intelligence, statistics, supply, Marine Corps history and traditions, administration and military law.

The graduates of the Basic Course have been assigned to further schooling or to duty stations throughout the world.

Recent Middle Tennessee State College student Marine Second Lieutenant Van S. Reed has been assigned to duty at Quantico, Virginia following completion of the Officers' Basic Course at Quantico, Virginia.

Reed was graduated from the Basic Course in ceremonies at the Marine Corps' amphibious university on April 23, 1955. He was one of 258 Marine lieutenants and nine allied students who completed the five-month indoctrination course.

The students completed the five months of concentrated training and are the first group to graduate from the Basic Course since its activities were centralized in one camp within the 57,000-acre Quantico reservation.

1955 Midlander May Arrive Here Monday At Noon

MIDLANDERS may be here Monday, May 30. That is the latest word from the publishers. IF not delivered on Friday the year-book will arrive in time to start distribution Tuesday, May 31.

The 1956 MIDLANDER staff had its first meeting last Thursday, with Don Jackson, editor, explaining the different positions to those interested.

Positions already filled are: Lois Stedman, associate editor; Mary Jo Putman and Patsy Armstrong, organization editors; George Gardner, business manager; and Wink Bennett, photographer.

This year's annual is scheduled to arrive here sometime next week, probably on Friday. Students may pick their annual up in the lobby of the Administration Building, main floor.

Staff members will have lists of all students who have been here all year. Those who have been here only a part of the year will be allowed \$1 credit for each quarter in residence since June 1, 1954. Thus summer school students last year will be allowed \$2 credit and will pay \$2. Price of the books to non-students and faculty members will be \$4 the copy.

Lt. Gov. Maddox Will Speak At Commencement

Speakers for the commencement period at Middle Tennessee State College have been announced by the administration. Lt. Gov. Jared Maddox will be the convocation speaker Friday, June 3 at 5:30 in the traditional twilight graduation on Jones Field. Dr. R. N. Owen of the Southern Baptist Sunday School Board, Nashville, will be the baccalaureate speaker May 29 in the college auditorium. The Rev. Henry Atkins will be the principal speaker at the senior-alumni-faculty dinner on Saturday evening, May 28 in the Tennessee room.

In addition to the baccalaureate sermon on May 29 the annual picnic luncheon honoring the parents of graduates will be held on the college campus. At three o'clock Sunday afternoon in the college auditorium the chorus will be presented in the finale of a long series of musical programs that are being given during the last two weeks of the college year.

Approximately 300 students are slated to receive the Bachelor's degree from the college this year. Of that number 149 will participate in the June convocation. The Graduate class will number 42 at the June graduation.

Summer school begins June 13.

Clouse-Bush Engagement Is Announced Here

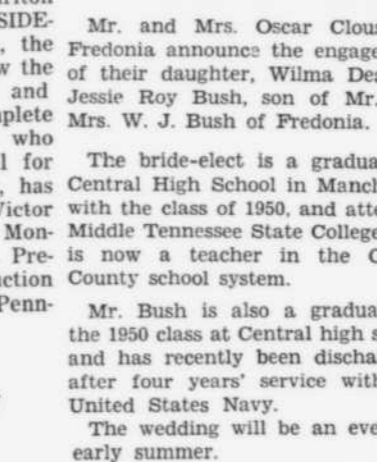

Mr. and Mrs. Oscar Clouse of Fredonia announce the engagement of their daughter, Wilma Dean to Jessie Roy Bush, son of Mr. and Mrs. W. J. Bush of Fredonia.

The bride-elect is a graduate of Central High School in Manchester with the class of 1950, and attended Middle Tennessee State College. She is now a teacher in the Coffee County school system.

Mr. Bush is also a graduate of the 1950 class at Central high school and has recently been discharged after four years' service with the United States Navy.

The wedding will be an event of early summer.

Blue Raiders Bow To Lipscomb Nine 12-4 On May 16

Still in a tail spin the Middle Tennessee State College Blue Raiders bowed to David Lipscomb College 12 to 4 in Nashville May 16. This loss cost the Raiders a chance at the VSAC playoff.

Ralph Sellers who has been getting very little support from his team mates got off to a shaky start allowing the Bisons to score two runs in the first. They came back in the second with two more. Added three in the third, three in the sixth and two in the eighth. MTSC pushed across all four runs in the fifth inning.

John Carson started the Raider outburst when he drew first on a walk. Mitchell Thompson followed suit with a walk. Sid Corban then got life on an error by Tom Morrell. This loaded the bases. Doug Shrader hit a ground ball to second that could have been turned into a double play ball but George Wright fumbled the ball and two men raced home. Carlton Galbreth followed with a long triple to right driving in two more runs. The rest of the batting order went down in order to retire the side.

Lipscomb playing in their own cow pasture was out to avenge an earlier loss to the Raiders and revenge they got. Facing the same battery that had allowed them only five hits at MTSC the Bisons went to work and banged out thirteen hits and twelve runs against the overworked Sellers and Charlie Care.

WAA Elects 12 To All-Star Team

Twelve girls were elected to the All-Star football team at the April 16 meeting of the Women's Athletic Association of MTSC, it was announced recently.

Those selected for the team were: Mary Joyce Williamson, Artie Cable, Jody Karnes, Jean Cloer, Paula Baisch, Sara Jane McClaran, Jane Simms, Jackie Loggren, Betty Newman, Marguerite Holland, Jean White, and Ruby Darden.

Green Team Wins Intramural Honors At Track Meet

The May 4 intramural track meet proved to be very successful on the MTSC campus. Coming into top place the Green team scored 60 points, while the other team ratings were: Black, 4; Blue, 42; Brown, 8; Orange, 20; Red, 11; Yellow, 49; and White, 45.

Tommy Griffith won first place in individual points with a score of 17. Terry Sweeney and Tommy Scott tied for second slot with scores of 16. G. E. McCormack held third place with a score of 13, while Travis Akin came in fourth with a score of 10.

Ratings and statistics for the different events are as follows:

100 Yard Dash—first, Terry Sweeney, blue, 10.6 seconds; second, Tommy Griffith, green; third, Norman Jordan, white.

Wheelbarrow Race 50 yards—first Harry Brunson, Earnest Abernathy, blue; second, Robert Smith, Tommy Norris, yellow; third, John Massey, Ben Clement, orange.

440 Shuttle Relay—first, Tommy Griffith, Travis Akin, Tommy Scott, Don Plonk, green; second, Wilburn Kelley, Milner Carden, Wayne Cavender, Bobby Cranford, yellow; third, Terry Sweeney, Jack Moore, Harry Brunson, Ernest Abernathy, blue.

Running Broad Jump—first, Tommy Scott, 18' 7 1/2"; green; second, Gene Parrish, brown, third, Travis Akin, green.

Shot Put—first, Terry Sweeney, 39' 2"; blue; second, John Hayes, orange; third, G. E. McCormack, white.

High Jump—first, James Sullivan, 5' 4"; white, second, Norman Jordan, white; third Ernest Abernathy, blue.

Discus—first, Garner Ezell, 107' 11"; red; second, G. E. McCormack, white; third, Terry Sweeney, blue.

Baseball Throw—first, G. E. McCormack, 106 yards, white; second, Ben Pridemore, white; third, Ben Clement, orange.

50 Yard Dash—first, Tommy Griffith 5.9 sec., green; second, Tommy Scott, green; third, Wayne Cavender, yellow.

Marty Graham Places First In OVC Golf Meet

MTSC's Marty Graham was the lone bright spot in the Blue Raiders Weekend of sports. Graham won first place in individual competition of the OVC golf meet which was held in Bowling Green, Kentucky. Shooting six over par Graham came in three strokes ahead of Hubert Smith of TPI. Bill Kemp of Western Kentucky placed third.

In team competition the Raiders finished third behind TPI and Western Kentucky. Eastern Kentucky came in fourth. Murray and Morehead did not enter a team.

The Raiders baseball team lost their last chance at the OVC crown when they went down at the hand of Murray by a score of 16 to 5. Murray plays TPI for the OVC crown at Murray this week.

PILLS CAN'T CURE CANCER

Sums Up Sports Picture At College For Recent Season

Don Whitfield In just a few short days the 1954-1955 school year will draw to a close, and a few more pages of athletic history will go into the record books. Like a drowning man has flashbacks of all the important events that happened in his life so I see before me many important events that happened at MTSC in the past year.

Having lost 22 lettermen from the 1954 football team head coach Charles Murphy did not see a too bright a future for his 1955 Blue Raider football eleven. Opening the season against hapless Sewart Air Force Base the Blue Raiders ran and passed for 52 points while the Raider defense held the Carriers to a flat nothing.

This win could have given the Young Raiders somewhat of a false idea about their strength because just one week later a powerful Eastern Kentucky team invaded Jones Field and walked off with a 25-0 win. This could have discouraged a ball team but not the Big Blue. Taking to the road they traveled to Bowling Green, Kentucky where they played a bang up ball game only to have victory snatched from their grasp after the horn had blown ending the game.

The Raiders took Morehead State and tied Austin Peay State before going to Memphis. In the Bluff city the Raiders outplayed the Tigers the first half and led at halftime seven to nothing. The Tigers gave an all out effort and the Tennesseans made a few costly mistakes allowing Memphis State to win the battle.

Two successive wins were taken by the Raiders when they turned back a previously unbeaten Florence State team and outscored the Murray State Racers homecoming day.

The season was closed out Thanksgiving Day in Cookeville, Tennessee when the MTSC Raiders fought the TPI Eagles to a seven-seven deadlock. As we look back we see many mistakes that were made and if they could be removed the record would be much better than 4 wins and 4 losses and 2 ties. These mistakes were made mostly because of inexperience. In 1955 the Raiders lose only eight letter winners, mistakes should not cost us ball games in '55.

They say a drowning man comes up three times before he finally goes down to stay. On my second way down the pictures turned to basketball and something is missing. Oh! It's John Price. Now I remember he was stolen from the campus of Middle Tennessee State college by another team. As I understand it they have more material now than they know what to do with but there is always room for another GOOD man.

Building up to a starting point the Blue Raiders loomed as a potentially good team. Coach Charles Greer seemed pleased with his boys and felt they were ready to go. In practice scrimmages they were scoring 85 and points a game. "That's enough to win ball games", said the soft spoken Greer. "What he had not figured on was that the opponents were going to be scoring 95 to 100.

The boys started slow losing their first six games in a row. There is an old saying "when you hit bottom there is only one way to go and that's up". This was very true with the basketball boys. Finding their first win against Austin Peay State College the Raider five went on to down a mighty Western Kentucky Hilltopper five and then beat David Lipscomb for a three game win streak all in one week.

The season throughout provided thrills that kept the spectators on the edge of their chairs the entire game. Arch rival Tennessee Tech figured on two of those thrillers. The first game went to Tech in an overtime and the second game was taken by our own Blue Raiders in the fading seconds on a field goal by Douglas Shrader.

Highlighting the season and climaxing it was the VSAC Tournament in Nashville. MTSC was forced to go into an overtime to outlast Lincoln Memorial then went on to down Belmont College and Bethel for the crown.

The individual performance went to Doug Shrader who played outstanding ball for the Middle Tennesseans all season. Shrader, who stands a little less than six feet, does not take a back seat to anyone when it comes to hustle and drive. One of the bright spots of '55 and '56 will be the return of Shrader.

Bobbing up for the third time and going down again I am going to have to hurry if I get it all in. There is still baseball, track, tennis and golf.

Figuring on one of the best baseball teams in recent Middle Tennessee State College history Coach Fran Riel opened the season against Sewart Air Force Base. The Raiders took the game without too much trouble and everything looked good. The boys then traveled to Nashville to tangle with the Vanderbilt Commodores. Vandy won the game but errors meant the difference. Ralph Sellers and Lynn Banks did the pitching allowing only two earned runs. TPI invaded the campus and we pass that flash off rather quickly. The next victim was Western Kentucky. Sellers and Charlie Care teamed to pitch the Raiders a shutout. Lipscomb was next to fall and then Belmont. Things were going great.

Hitting the road once more the Raiders traveled to Florence, Alabama and since that time the pictures have been coming in blank.

Track was introduced at MTSC on a full scale basis. TPI, the defending OVC Champion, showed at Jones Field and did not find the going as easy as they had anticipated. Austin Peay was next to show. The Governors had a very fine track team as they smothered the Raider tracksters. MTSC's best showing came against Western Kentucky. The meet was very close and the result of the last two events spelled defeat for the Raiders.

The sunny spot here is that practically the entire team will return next year. George Frost, Clifton Tribble, James Boyd, Marvin Jinnett, G. P. West, George Haley, Manson Rowan to name only a few who will be back to carry the colors into battle next season.

Golf started out very good when MTSC took Sewanee, tied TPI, beat Lipscomb and tied Western Kentucky. The return match with Sewanee did not go in favor of the Raiders nor did the one with TPI. A second victory over David Lipscomb gives the team a record of three wins, two losses and two ties.

A tennis picture just came across and MTSC defeated Eastern Kentucky. That's the last picture—I just went down to stay.

MTSC Continues Losing Streak, Falls To Union

MTSC continued its losing ways when Union University turned the Raiders back by a score of 11 to 9. Going into the seventh the ball game was all tied up but a five run outburst by the Bulldogs clinched the game. Middle Tennessee fought back and picked up two runs in the eighth and two in the ninth but fell short by two runs when the Bulldogs added a lone run in the eighth.

The Raiders jumped on the Bulldog pitcher for two runs in the first and two in the second to take a four to nothing lead. Union picked up a run in the third to cut the lead to three runs. John Rose tied the game in the fifth with a home run. The homerun came with two men on base. One man had reached first on a single through the infield and the second reached first on an error by the third baseman.

Middle Tennessee recaptured the lead in the sixth when Douglas Shrader doubled, Martin Garrett singled and Carlton Galbreth flied to right sending Shrader home from third after the catch.

The Bulldogs came right back to knot the score in their half of the sixth. Back to back singles and a walk loaded the bases and when James Crisswell hit a slow roller to first Earl Jordan raced home.

The roof caved in during the seventh inning. Union grouped four hits, one of which was a homerun, two errors and a fielders choice to push across five runs and take a 11 to 6 lead.

The Raiders fought back and with Doug Shrader second straight two base hit followed by a double by Martin Garrett and a single by Carlton Galbreth the Raiders were able to score two more runs.

John Carson started things off right in the ninth as he singled through the box for his second hit of the game. Mitchell Thompson sent Carson to third with a solid single to left. Corban then went out third to first with Thompson moving to second. Doug Shrader poked a single to center scoring Carson and Thompson Garrett and Roleman went down in order to retire the side and end the game.

WHAT IS CANCER?

Cancer is defined as an "uncontrolled growth of cells". If detected early, this can be cut out by surgery or destroyed by radiation in most cases, the American Cancer Society says.

THE WORLD OF ALBERT SCHWEITZER American Cancer Society statistics show that more than 600 Americans die of cancer each day. A magnificent life magnificently recorded.

PROF. SCORES
EMOTIONAL THEORY
LOS ANGELES—(ACP)—The old age theory that children's emotions should be replaced with reason whenever possible drew sharp criticism from Dr. Herman Harvey of the University of Southern California.
Dr. Harvey, speaking on "Child Psychology on TV" over a radio station (a college credit course, said, according to the Daily Trojan:
"It would be of great help to the next generation if parents would abandon the old idea that emotional and intellectual development are two different things. Psychologists are now convinced that the two are very closely related, and that the proper growth of one can favorably affect the development of the other."

SOVIET STUDENT EDITORS
Eight colleges and universities to be visited by the eleven Soviet student editors who will make a three-week tour of the United States this spring were announced today by the Institute of International Education, New York City.
They are: Columbia University, Fordham University and Hunter College in New York City; Tuskegee Institute in Tuskegee, Alabama; the University of New Mexico in Albuquerque; Stanford University in California; the University of Chicago; and the University of Michigan in Ann Arbor. Other colleges and universities will be added to this list.
Listing is in the probable order of the tour. The Soviet editors will also visit Williamsburg, Virginia; Denver, Colorado; and Washington, D. C.

AACTE Cite MTSC For Sharing U.S. Study

Oneonta, New York, May 18—Middle Tennessee State College was cited here today by the American Association of Colleges for Teacher Education (AACTE) for its share in a unique nationwide study to improve the quality of teachers for the nation's schools.
In a letter to President Q. M. Smith of MTSC the Association announced completion of an intensive four-year project aimed at better teaching and commended the college for the participation of its faculty members in the program.
More than 400 educational authorities have served on a nationwide visitation task force to strengthen the service programs of the 285 colleges in AACTE, according to an announcement issued at AACTE national headquarters in Oneonta by Dr. Edward C. Pomeroy, executive secretary of the association.
AACTE is a national voluntary association of colleges and universities with members in forty-four states.
In his letter to "President Q. M. Smith, Dr. L. D. Haskew, Dean of the College of Education of the University of Texas and President of AACTE said: "As a result of the Intervisitation Project, the college programs for educating teachers are already being improved in dramatic fashion."
"College organization, faculty preparation, student personnel ser-

VICES and teacher education curriculum were among the problems which came under the microscope during the study which was started in 1951.
"Each participating institution now has available for its guidance a written report based upon study by local faculty committees as well as recommendations prepared by visiting authorities from other institutions.
"The results, according to Dr. Haskew, are unparalleled in American higher education.
"These improvements," he added, "will provide even better teachers for the boys and girls of the nation. Such dividends more than justify the tremendous investments made in the Project."

Foreign Study Program Opens For Summer Students

Foreign summer schools open to U. S. students are listed in "Summer Study Abroad 1955," pamphlet published today, by the Institute of International Education, 1 East 67th Street, New York City.
The twenty-page leaflet lists educational institutions in twenty-two countries which offer summer programs. It tells where to apply and gives helpful information on credits, living arrangements and costs, transportation, and passports and visas. Scholarship information is given. Early application should be made for the few awards available.
Countries include . . .
European countries where American students may enroll for summer study are Austria, Belgium, Denmark, Eire, France, Germany, Great Britain, Greece, Italy, the Netherlands, Norway, Portugal, Spain, Sweden, and Switzerland.
In Latin America courses are offered at schools in Cuba, the Dominican Republic, Guatemala, Mexico, and Peru. There are also summer study opportunities at a number of Canadian universities and at the American University of Beirut in Lebanon.
The majority of courses offered to summer visitors are designed to give insight into the language, history, and culture of the host country. In addition to such "civilization" courses, instruction is offered in art, music, world affairs, and other subjects. There are often special courses for teachers of foreign languages.
Summer Study Abroad 1955 names only those courses which are sponsored by foreign educational institutions. Reference is made to other publications which discuss study

tours, work camps, student travel, or other opportunities for a foreign summer.
Exchange Programs
The Institute of International Education administers exchange programs for public and private agencies here and abroad. Each year approximately 4,000 persons from eighty countries study or train in a country other than their own through Institute programs.
WHAT COMES AFTER A—THE PRETZEL LOOK?
(ACP)—Christian Dior's new "A" look got this unhappy review from Joan Misiewicz, feature writer for the Simmons College News, at Boston:
"We were a little too young for his 'new look,' a little older for his 'flat look,' yet not old enough for his 'H bomb look.' Now that we have finally made it, we don't have to put up with his 'A' look!
"Spring fashions, 1955, present the 'A' line—slender shoulders for the apex, sides slanting to a full base, with the 'A' crossing anywhere on the waistline from the high empire to the low medieval. But who wants to look like an upside down ice cream cone?
"Not only has he created the 'A' line for us, but also the tunic and the cut-a-way. The cut-a-way comes closest to the 'Q' look because it features swallow tails in the back emphasized by slanted tabs on the hips. This style is so becoming to the short girls—all tails, no skirt. Economical, at least.
"I wonder what will happen when he gets to 'G' or 'S'? Will Monsieur Dior make us females into a pretzel or a snake? Take your pick!"

MTSC Golfers Beat Lipscomb For VSAC Victory

MTSC kept its VSAC golf slate clean by a 11½ to 6½ victory over David Lipscomb May 16. This kept Coach Elbert Patty's linksmen over the 500 mark for the season with three victories, two losses and two ties and a third place in the Tennessee Interscholastic Athletic Association tournament.
The scores: Pryor (L) beat Welch (MTSC) 21 to 1; Grahma (M) beat Bowden (L) 3-0; Pryor-Bowden beat Welch Grahma 2 to 1.
Stinson (L) tied Hawkins (M) 1½ to 1½; Parrish (M) beat Joyce (L) 2-1 and Hawkins and Parrish beat Stinson and Joyce 2 to 1.

Dawn
In the midst of dawn's quietness
As twilight fades dimly away,
Tiny creatures begin to stir
Awakening to a bright new day.
As night grows dimmer still
And a last star fades slowly on,
The shining rays of sun appear
Beckoning the shadow of coming dawn.
Scores of birds begin to waken
Stretching their throats in vibrant song,
And the flowers slowly open their petals
And wave casually, passing through.
Green grassy meadows begin to dry
Shaking off the morning dew,
Fluffy clouds go racing by
Another dawn has come anew.
Suddenly in dawn's quietness
The world wakes from restful slumber,
And each enraptured begins to rise
Magnificent and inspiring in theme,
The deepening awe that overwhelms them
Touches deep within each heart,
They realize all is God's own work
That to mankind be doth impart.
Although the dawn will quickly fade
It daily returns in glorious array,
Reviving awed and grateful hearts,
"Thank-you Lord for Thy great

Frost Makes New VSAC Record In Track Meet

George Frost established a new VSAC record for the half mile when he ran the distance in 2 minutes 8 seconds.
Raider tracksters placed third in the VSAC track meet held at Clarksville May 14. ETSC was the winner and Austin Peay State the runner-up. Bethel College was in fourth place and Union University fifth.
Frost won the only first for the Raiders but others who gathered place and show ribbons to collect the 17 points for MTSC were: Jim Boyd, 220 yard dash, third place, time 23.3.
Marvin Jinnette, high jump, tied for second with Mac Sands of Austin Peay at six feet.
Discuss, Bob West, second, Tom Haley third.
Javelin, Tillman Harris, third.
Broad jump, Marvin Jinnette, third.
The pole vault, an event in which MTSC has been uniformly successful throughout the season found, Harold Poe and Walter Webb of ETSC tying for first place with a 10-3 vault, several inches below

that which the MTSC men have been making this season. However, our entries did not place in the money.
The encouraging thing to Coach Joe Black Hayes was the success of his men in the field and weight events, an area where they have lost out in dual meets this year. Freshman Marvin Jinnette bids fair to become a great track man before graduation as he has placed in the scoring column in almost every meet in which he has appeared. Cliff Tribble, Hayes' best dash man, has been out of the last two meets due to a muscle which he pulled when chasing—all of things—a rabbit!
