

MTSC Will Seek Record Appropriation For Biennium

Bi-Partisan Bills Would Give U. S. Aid To Education

Washington, D. C.—A bill enabling the federal government to participate in the financial support of schools was introduced in the United States Senate recently by Senator Elbert D. Thomas, Democrat, of Utah. Support for the measure, which in the same form was adopted by the Senate in the 80th Congress by a vote of 58 to 22, is bipartisan. The new bill is S246.

The following members of the Senate joined Senator Thomas in sponsoring the legislation:

Dennis Chavez, (D) New Mexico; Allen J. Ellender, (D) Louisiana; Lister Hill, (D) Alabama; J. Howard McGrath, (D) Rhode Island; James E. Murray, (D) Montana; Claude Pepper, (D) Florida; Matthew M. Neely, (D) West Virginia; George D. Aiken, (R) Vermont; Irving M. Ives, (R) New York; A. Alexander Smith, (R) New Jersey; Robert A. Taft, (R) Ohio; Charles W. Tobey, (R) New Hampshire; Russell B. Long, (D) Louisiana.

Senator Taft, who introduced the bill in the last Congress, endorsed the new bill in behalf of the Republican sponsorship.

The amount involved is \$300,000,000 per year for the purpose of helping the states, particularly those in greatest need, to provide schools for all children and to help equalize educational opportunity by setting up a minimum foundation school program. The bill seeks to provide for every child in the United States an expenditure of no less than \$50 per year for education.

In accordance with the terms of the new federal aid bill, no state will receive less than \$5 for each child of school age. The moneys appropriated are to be issued by the federal Treasury to the state treasuries and expended at the direction of the educational officials of the respective states. Allocation of the funds to the states will be directly in proportion to the number of children to be educated and in inverse proportion to the wealth of the state. In states where schools are maintained for separate racial groups, such schools will receive federal funds in proportion to the ratio of the minority groups to the total population of the state.

Another bill of interest to those in education is the Library Demonstration Bill which was introduced.

Drama Club Selects 'Outward Bound'

Try-outs are underway for the winter quarter production of Middle Tennessee State College dramatic club winter quarter play.

"Outward Bound," a three-act drama by Sutton Vane, will be the presentation scheduled for late February. John A. Scott will direct the play with Lane Boutwell in charge of technical direction.

The drama has been described by critics as an "effective and imaginative" theatrical production, and has been one of the most outstanding popular plays for university and college communities.

Nine characters, three women and six men, will be chosen by Mr. Scott within the week with regular rehearsals scheduled to begin immediately.

NOTED TENOR PRESENTS CHAPEL PROGRAM TUESDAY

Middle Tennessee State College will present Louis Nichols, tenor, in recital Tuesday, January 11, 1949 at 8 o'clock. He will be accompanied by Sarah Lacey Nicholas.

Mr. Nichols was for five years director of music at Southwestern, and has been on the vocal staff of the Memphis College of Music, North Texas State Teachers College and is now a member of the music faculty of George Peabody College for Teachers. His advanced vocal study was pursued under the direction of Arthur Hackett and Edyth Walker, the great Wagnerian soprano. He holds the A.B. degree from Southwestern, the Mus.M. from the University of Michigan and has done further graduate study at Teachers College Columbia University.

As a recitalist and oratorio soloist, Mr. Nichols has done particularly noteworthy work. His singing of the tenor roles in such works as the "St. Matthew Passion," "The Messiah," "Elijah," Rossini's "Stabat Mater," Bach "Cantatas," etc., has gained the praise of the most discriminating musicians.

Pool, Campus Lights, Remodeling Work Receives State Approval

Welcome As Spring

Check the list of improvements listed below and see how many of your pet peeves have been answered.

- New wiring and fluorescent lighting for the Administration Building.
- Fifty new street lights on the campus.
- A new swimming pool.
- Reconditioning of plumbing of rest rooms in the Administration Building.
- Reconditioning rest rooms, doors and lighting fixtures in Jones Hall.
- Eight new tennis courts.
- Extension of seats on west side of the athletic field to the goal line.
- Add permanent seats to the east side of the athletic field.
- Install new scoreboard and clock on the athletic field.

Williams, Womack Win First Round In Debate Meet

Two Middle Tennessee State college debaters, Mark Womack and Campbell Williams, both of Murfreesboro, won four of eight debates Saturday at University of the South at Sewanee.

The two Murfreesboro debaters defeated three debate teams from Tennessee Polytechnical Institute and one team from University of South Carolina. The MTSC team lost to Maryville college, Vanderbilt university, University of the South and Washington and Lee, Dr. Lane Boutwell, MTSC speech instructor, said.

Three other Rutherford County boys are members of the ten-man forensic team that will get its first real test in the state debate tournament in Nashville February 17-19. They are Norman Hutchinson, James McCullough, and Donald Carter.

The complete team includes Wade Wheeler, Chattanooga; Charles Carter, Greenbrier; Carl Lappin, Tracy City; Alfred Fischer, Beech Grove; and Harry Ball, Bristol.

The collegiate debate question for the year is: Resolved, that Federal Aid Should be Provided for Education." The currently interesting topic offers members of the debate squad an excellent range of material and insures an interested following of the several state and regional tournaments.

The late winter and early spring quarter schedule includes tentative plans for participation in forensic meets in the all-Southern contests at Waco, Texas and either a return to Fredericksburg, Va., or an entry into the contests at New Orleans, La.

Side-Lines Column Goes on WGNS

On Monday, January 3, 1949, the Side-Lines column, "Let's Jump," went on the airwaves in an effort to bring to the people of the immediate vicinity some fine jazz music, and also to play a little music for the late listeners' enjoyment. Up till now the major portion of the music has been jazz of the collector's variety. Jazz at the Philharmonic has been featured a good bit and also some fine recordings by such stars as T-Bone Walker, Amos Milburn, John Kirby, and Eddie Heywood.

However, when the listeners get to digging this jive I imagine that they will want to hear some pop music, namely slow, smooth music, and most of all a little less chatter. It is true that everyone doesn't like jazz music all the time, and a little of it may go a long, long way, but as a disc jockey, I will try to see that everyone gets to hear what they want when they want it. If

MRS. NOAH DIES

The student body of MTSC extends sympathy to the family of Mrs. Clyde Noah, whose death occurred Sunday night en route to Florida. Mr. and Mrs. Noah were managers of the college airport from 1943 until January 1948.

A new swimming pool, reconditioning of plumbing and fluorescent lighting for Jones Hall and the Administration Building, a complete new street lighting system for the campus, eight new tennis courts, extension of State's athletic field seating capacity with a new score board and clock are no longer part of State's "dream of the future."

With money available for all these and other minor improvements on the campus, President Q. M. Smith announced Tuesday that work was already past the blueprint stage. Architects were on the campus last week making a survey of conditions prior to asking for contract bids.

Amplifying his statement, Mr. Smith disclosed that the swimming pool would be constructed as an outdoor pool to be enclosed and heating plant added when additional money is available. The immediate project calls for the completion of all concrete work on the project at the immediate rear of the new health and physical education building.

It is likely that the first of projects that will get underway is the reconditioning of the bath rooms, doors and lighting fixtures in Jones Hall and the administration building.

Eight new tennis courts will be constructed in the "play area" east and north of the new gym on a site recommended by the physical education committee of the faculty.

Additional permanent seats will be constructed on the east side of the athletic field and the west side stadium seats will be extended to the north goal line. A new electric clock and scoreboard are included in these athletic field improvements.

Murfreesboro Light and Power Company officials have approved a plan for installing 50 new street lights at the most needed places about the campus. These 500-watt lights will be placed on permanent standards similar to those on the streets downtown and will provide light along all the drives, walks and near all the buildings on the campus not already lighted. Work on this plan will begin as soon as the local light and power company reaches the project on its list of lighting projects for Murfreesboro.

In announcing these additional improvements on the campus, Mr. Smith praised the work of the physical education department and the campus building and grounds committee of Mr. Freeman, Mr. Little, Mr. Bryden and Mr. Dalton which had cooperated in developing the plans for the expansion and renovation.

Miss MacWatters Well Received In Friday Concert

By BETTY TIPPS

Virginia MacWatters, coloratura soprano, was well received in a brilliant concert Friday night at eight o'clock in the Middle Tennessee State College auditorium.

Miss MacWatters has given sparkling interpretations of the leading coloratura roles in such operas as the Barber of Seville, Rigoletto, Mirra de Figaro, and Ariadne, in which latter role she became internationally famous. She has made smash hits in London, Quatamala, Canada, and other countries.

The soprano has been chosen as soloist by such conductors as Eugene Ormandy and by such leading orchestras as the New York Philharmonic and Chicago Symphonies. In addition to her numerous recitals she has starred in several Broadway musicals and on the nation's top radio shows. She was accompanied by Frederic Kurzweil in her appearance at MTSC.

The program presented was as follows:

- I. Recitative and Aria—With Verducci Clad, from "The Creation" (Haydn; Alleluia (Mozart)—Miss MacWatters.
- II. To the Nightingale (Saint-Saens); Your Presence (Meta Schumann); Recitative and Aria, Gavotte from "Manon" (Massenet); The Wren (Benedict)—Miss MacWatters.
- III. Aria—Caro Nome from "Rigoletto" (Verdi)—Miss MacWatters. Intermission.
- IV. Rhapsody in E Flat Major, Opus 119 (Brahms); Prelude in C Sharp Minor (Gershwin); Ritual Fire Dance (DeFalla)—Mr. Kurzweil.
- V. L'Heure Silencieuse (Strauss); A Musical Snuff-Box (Liadoff);

VARALLO CONGRATULATES '49 CAPTAINS

Angelo Varallo, 1948 Blue Raider football captain congratulates Ralph Fleming and James "Shorty" Adams who were elected to lead the 1949 gridmen. Fleming, junior end from Donelson, will serve as captain while Adams, junior back from Murfreesboro, will fill the shoes vacated by Bill Nesbitt as alternate captain.

Gov. Browning Outlines Broad Increase for State Education

Governor-elect Gordon Browning Thursday night outlined the broadest program for public education ever introduced in Tennessee. Disclosed at an address before the Public School Officers Association and members of the legislature, Mr. Browning calls for an additional \$16,000,000 for education and provides:

- A guaranteed salary of \$2,000 a year to a beginning teacher with a bachelor's degree.
- Adequate state appropriations for school buildings and transportation.
- Substantial increases in state funds for each of the State's institutions of higher learning.
- A \$1,000,000 annual increase in the state appropriation for the state teachers' retirement system.

The Governor-elect said the sales tax receipts could be computed in advance because "we know now what the sales tax is yielding." In addition, Mr. Browning said

Men's Quartet Will Assist TS Chorus Recital

On Thursday evening, January 27, the Girls' Chorus of the Training School, under the direction of Margaret J. Wright, will present a concert of vocal music in the auditorium of the Training School.

The Chorus will be assisted by MTSC Men's Quartet, composed of Raymond Tankley, James Williamson, Dan MacMillan, and Jack Allen, and by Betty Tipps and Martha Massey, marimba soloists. The chorus is made up of seventh and eighth grade students of the Training School. The program will be as follows:

- I. The Gardner (Schumann); In The Boar (Grieg)—Girls' Chorus. Violin Obligato—Martha Massey.
- II. Joshua Fit De Battle Ob Jerico (Negro Spiritual); The Mountain Girl (Arr. Manney); Old King Cole—MTSC Men's Quartet.
- III. The Mist and All (Noble Cain); Buxum Lassies (Swedish Folk); The Night Will Never Stay (Hector MacCarthy)—Girls' Chorus.
- IV. Aragonaise (Jules Massenet);—Martha Massey, Marimbist. Cielito Lindo (Mexican Folk)—Martha Massey and Betty Tipps, Mirimba Duo.
- V. Lovely Cuba, Tis You (Eduardo de Fuentes); Tico-Tico (Abreu); The Pearl (Puerto Rican Folk); Chiapanecas (arr. Geoffrey Marlow)—Training School Girls' Chorus.

The accompanist will be Betty Tipps.

Music Students To Hear Symphony

The Nashville Symphony Orchestra, under the baton of William Strickland, will present two concerts, one on Thursday, January 20 and the other on Thursday, February 10 at eight o'clock for college and high school students of Middle Tennessee.

The following Middle Tennessee State College students and faculty members will attend these two concert programs: Betty Brown Tipps, Jane Anderson, Carolyn Nicholson, Betty Joyce Moore, Dan MacMillan, George Kuhnert, Jane Collins, Frances Minor, Roy Minor, Martha Massey, Donna McHenry, Betty Hamilton, Mr. and Mrs. Brockwell, Jack Allen, June Brown, Jean Coleman, Bill Lewis, Sara and Linda Currey, Emily Satterwhite, Albert Skinner, Mrs. Aultman Sanders, and Mr. and Mrs. Neil Wright.

Ticket sales for these two concerts was under the sponsorship of Pi Mu Sigma, honorary music society on MTSC campus. Dan MacMillan is president of this organization.

FACULTY MEMBERS ATTEND STATE EDUCATION MEETS

Dr. Richard Peck and Dr. Joe Frank Wilkes represented Middle Tennessee State College at the January meeting of the Tennessee Education Association Legislative Assembly. Miss Tommie Reynolds and Dr. Lane Boutwell were alternates.

President Q. M. Smith, Dean N. C. Beasley and Alumni Secretary Robert Abernathy were in Nashville Thursday and Friday attending the Tennessee Public School Officers Association meeting.

New Building, Increased Service, Salary Raises Are Included In President Q. M. Smith's Request

President Q. M. Smith has revealed that MTSC will seek from the 1949 Tennessee General Assembly an appropriation of \$3,348,321.60 for the biennium, 1949-51.

Of this sum, \$2,150,000 will be asked to provide for ten vitally needed building and renovation projects.

The itemized request that will be presented to the legislature in cooperation with the other state colleges discloses that President Smith has asked the State Board of Education to recommend an increased appropriation of \$101,246 for the purpose of increasing the salaries of the faculty members and staff of the college, provide additional well qualified instructional personnel and provide for increased maintenance.

President Smith has also asked for additional funds for student health services and other allocations to provide for the safety, comfort and convenience of an estimated student body of 1,200 annually.

State Students To Attend Physical Education Meet

The Physical Education Department of Middle Tennessee State College has been paid a very high compliment by being asked to participate in the demonstration before the Southern District Convention of the American Association for Health, Physical Education and Recreation. This meeting will be held in Asheville, North Carolina, on February 23, 24, 25.

A group of ten students selected by the club will demonstrate several folk dances. This will be a part of a giant demonstration of many physical education activities representing schools from the following states: Virginia, North Carolina, South Carolina, Kentucky, Tennessee, Alabama, Georgia, Mississippi, Louisiana, Texas, Oklahoma, Arkansas, and Florida.

Approximately 500 teachers and leaders in the fields of health, physical education and recreation will be in attendance from this region. Visitors will include such outstanding authorities as Dr. C. H. McCloy, University of Iowa; President and President-elect of the American Association; representatives from the U. S. Office of Education and the NEA; Dr. Fred Hosler, Oklahoma City; Dr. Carl Troester, Executive Secretary of AAHPER. Miss Helen Corrubin of Oklahoma A & M is president of the Southern District. Dr. Solon Sudduth of Peabody is president-elect.

Those attending from MTSC are as follows: Frank Atchley, Monty Kennedy, Jim Hite, Bill Lewis, Fred Grider, Miss Davis, Miss Broach, Lavada Waters, Faye Brandon, Julia Parnell, Mildred Lowe, and Elizabeth Wolff.

Chest X-ray Unit Here February 25

Dean N. C. Beasley has requested all students, faculty members and college staff members to have chest x-rays made Tuesday, February 25, when the mobile unit of the Tuberculosis Control, Tennessee Department of Health visits the campus.

Cards, properly filled in with essential data, may be obtained from Dean Beasley's office. The x-rays are free and require only about one minute. No special clothing is needed for the service.

"Every person in Rutherford County, fifteen years of age and over, will have an opportunity to obtain without cost to them an annual x-ray examination through this service," Dr. R. D. Hollowell, director of the Rutherford County Health Unit, said.

He added that by examining apparently healthy people periodically, the disease can be located in its early stages when it responds most readily to treatment.

FRENCH NATIVE ADDRESSES CLUB

The regular meeting of the Language Club was held December 2. The President, Bill Scarborough presided. The minutes were read by the French secretary, Martha Becton, and approved. James Parrish then introduced the speaker for the afternoon, Mrs. Renee Welker, who spoke informally of Home Life and Christmas Customs in France. At the conclusion of her talk the members asked many questions about present day conditions in France. Mrs. Welker, who is now living in Murfreesboro, was formally a resident of Brest, France.

Future Teachers of America The Future Teachers of America (Continued from Page Two)

Roy Simpson Visits Miami U. Clinic

Roy Simpson, chairman of the Middle Tennessee State College reading conference, is in Miami, Florida attending the child study clinic in progress at the University of Miami.

Mr. Simpson was invited by Dr. Lester Wheeler of the Miami institution to visit the south Florida clinic. He left Thursday of last week to participate in the meeting.

Magazines Feature Articles by Faculty

Two national magazines are featuring stories by State College faculty members this month. One of these relates the outstanding accomplishment of an alumnus of the college.

Appearing in the January issue of the American School Board Journal is an article on the successful consolidation of schools by W. A. Shannon, superintendent of the Robertson County school system.

The article, which cites the outstanding example of community cooperation and county planning engineered by Mr. Shannon, past president of the MTSC alumni Association, was written by Gene Sloan of the MTSC faculty. It is illustrated with some of the modern community-centered consolidated schools developed by Mr. Shannon in the first two years of his work as a county administrator.

The other story describes a "Tin Can Water Sprinkler" which was designed for the sheet metal classes by Professor Delbert A. Dyke. The sprinkler is made from discarded food cans and is both unique and practical. A complete description of the project will appear in a forthcoming issue of Industrial Arts and Vocational Education. The article was written by Professor Dyke of MTSC.

YOUR FUTURE — IN EDUCATION

(An Editorial)

"If you want to be certain of a good position it will be well to look at the opportunity in the field of elementary education . . ."

—Q. M. Smith, in Assembly, January 2, 1949

In that brief statement the president of Middle Tennessee State College suggested a possibility of life work that many of us have overlooked.

Reviewing the statistics of teachers preparing for the "lower grades" in Tennessee schools we find that the number planning for high school teaching is from two to five times as great as those preparing for work in the elementary field.

Lower grade standards, salaries, working conditions, living conditions, tenure, security now are comparable and in some cases superior to the opportunities in the secondary field.

It will take years for the supply to catch up with the demand. Last year there was a need for 104,000 beginning elementary teachers with only 12,000 available.

Many other professions are filling rapidly, some are already overcrowded. With public sentiment strongly supporting education, with Federal aid possible from a friendly national administration, with tenure laws, sick benefits, and retirement opportunities, teaching has taken on an attractiveness from an economic viewpoint. Social service is in the opportunity for dignified, pleasant, NEEDED added service.

What more can we ask in life?

OUR OPPORTUNITY

As revealed in President Smith's welcome to the winter quarter in Assembly Tuesday morning, it costs the college in excess of \$430 a year to provide the type of instruction, buildings and equipment necessary to maintain the standards of the Southern Association and the American Association of Teacher's College.

Looking at our registration receipts we are certainly conscious that those fees represent a relatively small amount of this cost.

The General Assembly of Tennessee is now in session. Many of us voted for the men who are members of that body. Would it not be timely to see or write these men and point out to them that the request for additional appropriations made by the college represents but a minute fraction of the total money annually allocated to public education; that the request is reasonable, equitable and imperative?

The Governor of Tennessee has stated on a visit to this campus last fall that he is favorable to the reasonable demands of education. The majority of our legislators have likewise taken a public stand endorsing a satisfactory educational program for all the people.

Our needs are modest and completely justified by nationally recognized standards. All of us recognize the needs listed in the article on page one.

As active participants in a democracy let's exercise our opportunity to contribute to a better Middle Tennessee State College—which in turn will be reflected in a more progressive school system for Tennessee.

Pharmacologist Exam Announced

The U. S. Civil Service Commission is accepting applications for pharmacologist positions which pay salaries ranging from \$3,727 to \$10,305 a year. The majority of the positions to be filled are in the Food and Drug Administration and the National Institute of Health of the Federal Security Agency, in Washington, D. C., and vicinity.

To qualify for the pharmacologist positions, applicants must have had appropriate college study or a combination of such study and experience. In addition, they must have had from 1 to 3 years of professional experience in the fields of biochemistry, animal physiology, pharmacology, or toxicology. Appropriate graduate study may be substituted for professional experience up to a maximum of 2 years of experience. No written test is required.

Applications will be accepted in the U. S. Civil Service Commission, Washington 25, D. C., until further notice. Application forms may be secured at most first-and second-class post offices, from Civil Service regional offices, or direct from the Commission's Washington office.

Key-Hole Kitty

Well, we're all sick and tired of Christmas food—ham, turkey, chicken, etc. So let's get back to school and a swell New Year's resolution. Make the opposite sex your objective for the year. We might as well start now.

Jeanne Prince is sporting a ring. Lucky girl. "Pusher" Howell seems to be getting very well acquainted with Rutledge Hall and Lil Crawley.

Wish Athley would have his head shaved. Those curly waves are making all the girls sea-sick. And, oh, those baby blue eyes!

Girls, cross Allen Milner, Larry Nelson, and Glenn London off the bachelor list.

Latest dope—take it however you wish . . . Monty Kennedy and Rose Marie Hoover.

Seems like the '49 captain of the football team is out springing new debate, namely Geraldine Sorrells.

It's no wonder Susie Epperson (or anyone else for that matter) can't sleep at night what with Royster singing "Goodnight, Sweetheart," on the 'phone.

All you cats dig this now. Lew seems to have interests other than his radio show. What about it, Jarrell?

Girls, restrain yourselves! Just because Sharon has a new Lincoln doesn't mean you all have to go hog-wild.

Otis used to like the song, "I Can't Get Started With You," but now it's "Prisoner of Love."

That ten 'til bell is ringing. Gotta go stand in the chow line. We'll cover a little more ground next time—dirty and all. Keep your noses clean.

New Building

(Continued From Page One)

off-campus courses for those seeking further training for advancement and efficiency in their jobs. Regional library service will also be increased. Recruitment, guidance, counseling and public relations services will also be developed if the necessary appropriations are made.

The increased services and buildings contemplated in President Smith's recommendations are a part of an extensive post-war expansion plan announced in 1945 and already implemented by state bonds, Veterans Emergency Fund and expendable receipts of the college to the amount of \$1,003,039.44, exclusive of the emergency housing and improvements of the athletic field.

Major items in permanent expansion already accomplished include a new heating plant, health and physical education building, improvements in the old gymnasium, a complete four-unit industrial rats building for electrical, sheet metal, machine and wood-working shops and the acquisition of an additional 124 acres, with improvements, for the college farm and airport.

CO-OPERATIVE PLAN

Expansion of Middle Tennessee State College is in keeping with the clarification of objectives, methods of operation, program of instruction and coordination with the State twelve-grade system of the six Tennessee State Colleges recently submitted to the State Board of Education by the presidents of the several colleges.

The objectives as set up by the State College presidents are as follows:

1. General
 - To establish an understanding in the public mind of the basic social principles, the economic systems, and the moral and ethical principles accepted by our people as essential to their well being; and to try to train leaders needed for inducting childhood and youth with adequate competencies into a democratic society whose ultimate end is the improvement and security of the interests of its own members individually and collectively.
 - To accomplish these ends it is proposed that the colleges co-ordinate their efforts with the State Department of Education, the county, city and independent educational units, the State University, and the Federal educational agencies, in building a unified program of education as the essential foundation

Bi-Partisan

(Continued from page one)
diced into both the Senate and House Wednesday, January 5th. The Senate bill is sponsored by Senators Lister Hill, of Alabama, George D. Aiken, of Vermont, and Paul H. Douglas, of Illinois.

Representative Ray J. Madden, of Indiana, is sponsor of the House bill.

The bills were introduced the second "work" day of the new Congress—the earliest the Library Demonstration Bill has ever been before a new session of Congress. It would provide increased aid for rural libraries similar to the regional library of MTSC.

The bill numbers are: Senate—S130, and House—H.R. 874.

The bills have been referred to the Labor and Public Welfare Committee in the Senate and the Education and Labor Committee in the House.

for our democracy.

2. To explore and utilize the resources, material and human, so as to contribute to identification and enrichment of desires of our people concerning the way of life they seek in their pursuit of happiness.

3. To identify and develop, through knowledge of personal and biological characteristics of people, the way to achieve and maintain good health, physical and mental.

TO SERVE AREA

4. To plan and promote the development of each college plant as a center for its geographical area for training teachers and supervisors for the State twelve-grade school system.

5. To conduct in-service training program for teachers, leaders and coordinators in public schools, health centers and other agencies concerned with educational activities wherever the need exists in the geographical area served by the college.

6. To offer general education in the area served. They are truly the "people's colleges."

7. To offer pre-professional training for the area served.

8. To offer such specialized subjects as may be appropriate to meet the needs of the area for which the college may be already equipped or for which adequate facilities are available.

9. To maintain standards of qualification of faculty members high enough to make available to all Tennessee college students classroom instruction comparable in quality.

10. To maintain a salary schedule for all college staff and faculty members that will recognize comparable situations in all Tennessee institutions of higher learning.

11. To provide and maintain college plant facilities which will recognize comparable situations in all Tennessee institutions of higher learning.

SPECIFIC OBJECTIVES

Outlined in the specific objectives are plans for the improvement in the quality of general instruction, increase of personnel for music, art, guidance, counseling, health and physical education services, improvement of student teaching and provision for professional growth after graduation.

Among the other services to be offered by the colleges under the in-service training programs through workshops, evening classes and conferences; a more effective regional library service; provision for audio-visual of this enlarged program are: improved public relations program; regional supervision for the twelve-grade program and the integration of the college with the local area in the establishment of an adult education program.

CAMPUS PERSONALS AND PERSONALITIES

Dorothy Ann Haskell, Winchester, is a second quarter sophomore transferring from U.T.

Ruby Wheeler, Murfreesboro, is a second quarter sophomore who is new in the dormitory at Rutledge.

Martha Becton, Murfreesboro, a last quarter senior, is new in the dorm at Rutledge.

Freshman, is a brand new freshman, is a sister to Nurse Gregory.

Sarah Rogers, Fayetteville, a freshman, transfers from David Lipscomb.

Carolyn Terrel, Franklin, a second quarter freshman, is a transfer from David Lipscomb.

Dorothy Meadows, Minor Hill, Tennessee, second quarter senior, comes to us from Jackson Clinic, Lester, Alabama, where she was dietitian.

Claire Tolley, Columbia, a junior, transfers from Belhaven College, Jackson, Mississippi.

Gladys Kimbro, Nashville; Sarah Conley, Cedar Hill; and Carlye Bennet, Toronto, Ontario, are again hanging up their coats at Lyon.

Ann Elizabeth Swain, Smyrna, a freshman is new in the dorm at Lyon, but not a new student.

Irene Morgan, Birchwood, is a first quarter freshman.

Nancy Sikes, McMinnville, transfers from training in Mercy Hospital, New Orleans. Nancy is a first quarter freshman.

Finnabelle Cooper, Sparta, is a sophomore transferring from TPI.

Celia Blevins, Sally Ezell, Nell Hightower, and Betty Jo Carpenter attended the Sugar Bowl game in New Orleans, New Year's Day.

Jan Roberts and Martha Neely spent a part of their Christmas holidays in Jacksonville, Florida.

Janella Greer spent the holidays in Delray Beach, Florida.

Julia Parnell visited in Miami, Florida, during Christmas.

Irma Crowell, Lillian Crowley, and Nancy Aikman were in Nashville Monday.

Hettie Smith was in Nashville Wednesday.

We wish Sarah Connelly, who was in a car wreck during Christmas, a speedy recovery. Sarah is in St. Thomas Hospital.

We also wish Bobby Gregory, who has undergone an operation at St. Thomas Hospital, a speedy recovery.

Emalee Shofner, Emily Shofner, Mary Lou Parsons were in Nashville Wednesday.

Ann Beard and Robbie Gregory were in Nashville Friday.

Josephine Gordon and Cornelia Alexander were in Nashville Friday to see Sara Connelly.

Ruth Griffin and Virginia Locke were in Nashville Monday.

Virginia Wall, Emalee Shofner, Emily Shofner, Geneva Calfee, Norma Dudley, Alta Green, Emalee Jackson, Zora Ciastain, Juanita Wheeler, Jane Wright, Mildred Barker, Ruth Jacks, Virginia Woodson, Charlotte Hayes, Juddy Hargrave, Emily Burnett attended the dance at Veterans Hospital Monday night.

Martha Massey had as her guests Donna McHenry and Betty Hamilton Wednesday night.

Jean Coleman was the guest Wednesday night of Martha Howard.

Dorothy Meadows and Robbie Gregory were in Lebanon Tuesday.

Ann Brown and Mary Dew Gammill were in Nashville Tuesday.

PUT 'N TAKE

By William Landers

Sure enough, President Harry Truman was re-elected President of the United States. It wasn't official until January 6, when the electoral college met and the votes counted. Truman received 303 votes, Dewey 189 votes and Governor J. Strom Thurmond, States Rights Democrat, 39. Practically everyone knew how the votes would be cast, but this made it official. The electors were so sure how the results would be that the tally sheets were printed before the counting even begun.

Counting the votes must have been a little nerve racking, though. Rep. Mary Norton (D-N.J.) was an official counter and twice she got fouled up in reading the returns. Mrs. Norton tried to give the votes from Connecticut and New York, both went Republican, to the Democrats. The Republicans on hand made a loud protest, though.

The holidays were fine, weren't they? Quite a few worked and made good money only to throw it away the week after Christmas. These big family dinners out in the country are sure a fine thing during the holiday season. One fellow was telling me how he appeared as only one to the others around the table.

Surrounding towns, as well as Murfreesboro, were hosts at several dances. You know, time sure does fly at a four-hour dance. Take New Year's Eve for instance, that night was a whizz!!!

Some recent reports from the United States Census Bureau stated that only about 750,000,000 of the 2,500,000,000 persons in the world can enjoy the level of living now enjoyed by the people of the United States.

The number of employed Americans last July was 63,842,000, the bureau stated, of whom 51,932,000 were in non-agricultural work.

United Press news executives in New York chose the year's ten biggest stories from the standpoint of Americans. The number one spot was held by President Truman and his victory over Governor Thomas E. Dewey. This item also led many foreign lists as the number one news story.

The list is as follows:

1. Election of President Truman.
2. The Berlin Airlift and the "Cold War" in Europe.
3. The high cost of living.
4. Mrs. Kasenkina's escape from the Russian Consulate.
5. Gandhi's assassination.
6. Death of Babe Ruth.
7. The Chinese civil war.
8. U. S. spy investigations.
9. The founding of Israel and Bernadotte's assassination.
10. Princess Elizabeth's baby.

Inauguration Day will be the big news item next week. First, let's have a look at the one on the 17th of January when Governor-elect Gordon Browning takes the oath in Nashville at 11 a.m. If the weather permits it will be held in the open, for the first time in several years, at the War Memorial Building. The inauguration will be in the auditorium in case of bad weather. If a student wanted to attend this ceremony, it seems to me he or she should be allowed excused cuts from classes.

Governor Browning will leave the night of his inauguration for Washington, D. C., where he will attend the administering of the oath of office to President Harry Truman and Senator Alvin Barkley, the 20th. This ceremony will be in front of the Nation's capitol and, incidentally, there is enough lumber in the temporary inaugural rostrum to build a dozen three-bedroom houses. This elaborate rostrum was appropriated by the Republican 80th Congress, who figured they would be sitting up there.

Governor-elect Gordon Browning has outlined a broad four-point educational program to be put through in his coming administration. It was given at an educational meeting in which Browning answered Governor McCord's plea not to tear down the progressing program he started.

The points Browning said he would recommend to the 1948 General Assembly now in session are as follows:

1. A guaranteed salary of \$2,000 a year to a beginning teacher with a bachelor's degree.
2. Adequate state appropriations for school buildings and transportation, while correcting certain inequities.
3. Substantial increases in state funds for each of Tennessee's institutions of higher learning.
4. A \$1,000,000 annual increase in the state appropriation for the Tennessee teachers retirement system.

Tennessee's 76th General Assembly has several important bills up before it right now, but the one getting the most attention is the pay raise for the governor. The bill provides for an annual salary of \$12,000 instead of the present \$8,000.

The reason for such a rush on this particular bill is that the Constitution states that any increase in the governor's salary cannot go into effect while the present governor is serving, so the legislature wants to pass the bill before Governor-elect Browning is inaugurated.

The "roving socialite" was a little hard to keep up with during the holidays. You might inquire in Columbia, Tennessee — and a fine dance it was.

Side-Lines Column

(Continued From Page One)

you will be so kind as to drop a penny post card to WGNS, I will be glad to play anything you want including that Eddie Arnold stuff (if that is music).

With the editor's consent, and approval of the higher-ups, I'll continue to write about the fine jive that hits the disc dealers. And I will also try to give out with a few definitions of the lingo, and jive talk that is used in the be-bop, swing, and boogie circles. So if you good people will write me a few cards, I'll be glad to play your requests.—"Lew."

ALONG THE SIDELINES

By DAVE WILLIS

BALLEW MISSES CAGE BATTLES

The Raider cagemen have certainly been hurt by the absence of Bob Ballew. Bob is recovering from a bout with pneumonia contracted over the holidays. Ballew is probably the best floor man on the squad and his passes have a bullet-like quality.

BOB BALLEW

It seems to have a calming influence on the cagers and they really get hot when he is on the floor. The squad has featured quite a "show for the home folks in the last games. They "dun us up proud" in the Murray game and if in the Cumberland tilt he had been as "hot" they could have drop-kicked the ball and beat the Bulldogs.

RAIDERS SET NEW MARK

The 86-point mark made by the Raiders against Cumberland is a new school team cage mark. Even in the heyday of basketball here no team approached that score. The blistering attack of Harry Gupton with 26 points in the same game fell a mite short of the single game individual mark. That record is held by Rodger Brewington of North Springs. "Brew" set the record of 28 points in a single game in 1939. The mark has a very good chance of being broken this year if "Gup" is hot and hitting them as he did the other night.

CHANGE IN VSAC CAGE TOURNEY

It has been decided at the last meeting of the VSAC that the basketball tournament for the conference will be held at Austin Peay College, Clarksville, Tennessee on February 24-25-26 instead of March 3-4-5. This change was in order to make way for the possibility of some team going to the NIAB tournament March 7, at Delta State College, Cleveland, Mississippi. Winner and runner-up of the VSAC are assured of being invited, provided that school is a member of the NIAB.

TENNESSEE TECH WITHDRAWS FROM VSAC

It has been announced by Athletic Director P. V. Overall that Tennessee Tech is dropping membership in the VSAC and is joining the Ohio Valley Conference. The OVC is made up of Western Kentucky, Murray State, University of Louisville, Marshall College, University of Evansville, Moorehead College and Eastern Kentucky.

TPI will be the weak sister in the conference but plans to improve their physical education plant and meet the stiff competition. With Western Kentucky a solid bet to be national cage champs, Tech will have to be satisfied with the cellar roll this year.

This reminds me of the time I saw a man stick his head in a buzz saw.

ODDS AN' ENDS

Coach Durwood Stowe is up and about after his accident over the holidays. It seems as if he had an argument with a dog and came out second best with a torn hand. The result: DOG DIED - STOWE IN BED.

Anybody smoke cigars? Mr. and Mrs. Charles "Bubber" Murphy are now the proud parents of a new baby boy born over the holidays. Congratulations, Coach!

Thanks and stuff to Elizabeth Jarrell for her many hours at the typewriter working on publicity for the school. Don't know what Lew Aaron and I would have done without her. This hunt an' peck system of ours ain't so hot. Thanks, Lib.

Coaches Waddell of Lipscomb and Overall of TPI were down looking over the cage quint in the Cumberland rout.

TAKING A LOOK AT THE RAIDERS

By HARDAWAY

Douglas (Sonny) Cone comes to us from Old Hickory, Tennessee, having graduated from DuPont High School in 1944.

Sonny racked up the honors in sports there by lettering four years in both football and basketball. He played blocking back on the gridiron and both forward and guard on the hardwood.

He entered the Navy in '44 and was discharged in '46. Here he was assigned to the Atlantic Coast Patrol but did manage to play basketball and baseball.

MTSC first saw Cone in the fall of '47. He has played both football and basketball here. From the appearance of our two home games he will certainly play a lot of basketball for the cagers.

Reed Conder is a 22-year-old sophomore living in trailer town. He graduated from Calvert City High School in Kentucky but his home is in Linden, Tennessee.

In high school he played forward and center on the basketball team and earned three letters. He also shone in baseball as an outfielder. The Naval Air Corps took two

years from Conder after finishing high school in '44. He did manage to keep his basketball going though both years away from home.

He enrolled at MTSC in September of 1947 and played forward on the basketball team. Still in his fielder's position, he played with the Raiders' baseball team. His major is physical education and he is a member of the T Club and Physical Education Club.

Harry Gupton, our high point man of the Cumberland game is a freshman to the team as well as to MTSC. He is 19 years old and stands just 5 feet, 11 inches in height out he certainly knows his place on a basketball team.

Gupton hails from Old Hickory and is a graduate of DuPont. He played forward for three years on the basketball team and earned a position with Nashville's All-City second team. He was captain his senior year. All-City honors were placed on him for two years for outstanding work in baseball.

So far this year Harry has started three games as forward and is going great guns. Better watch for this boy in the future.

Basketballers Find Going Tough

'B' Teamers Split First Two Outings

The MTSC B's broke even in two starts last week, losing to Cole's Sport Shop Grange League team 31 to 27, and winning over Cumberland University B's 47 to 18.

Joe Jackson paced the visitors with 11 tallies, while Ray Cox led the junior varsity with 16. The B's showed great to have had very little practice together.

In the Cumberland game the teamwork was excellent, and the Raiders had very little trouble with the Bulldogs. Jim Barbour led the Cumberland five with six points, and Bobby Jones, with excellent long shots, led the Raider crew, sinking 10 points.

MTSC B's
F—Sherron (8) Barbour (6)
F—Winters (8) Peebles
C—Ballard (3) Smith (3)
G—Jones (10) Barly (1)
G—Harris (6) Turner (3)
Subs: MTSC—Canada (3), Moore (5), Nichols (1), Sharber (2). Cumberland—Sattrefield (3), Buckner (2).

MTSC B's **Coles Sport Shop**
F—Sherron (2) G. Sherron (5)
F—Jones (4) Jackson (11)
C—Cox (10) Parker (3)
G—Harris (1) Miller (1)
G—Winters (1) Crowell (5)
Subs: MTSC—Canada (5), Bean (4), Nichols (1). Cole's Sport Shop—Eskew (1), Clark (5).

SIAA Studies Pro Rule Action

No decision was reached by the Southern Intercollegiate Athletic Association meeting in New Orleans relative to the status of professional athletes, other than to continue for one year the present practice.

This will permit students now in college to participate in any college sport in which they have not signed a professional contract for which they have not received payment as a member of an organized team. In substance it means that a person playing D class baseball (or above) might participate in any sport except baseball.

No decision was reached on the SIAA basketball tournament for 1949. A committee is working on the possibility of holding the tournament.

A committee, of which Gene Sloan of MTSC is chairman, will survey the sentiment of Southern colleges relative to a permanent policy on the status of professionalism in athletics and make a recommendation at the 1949 meeting, which is to be held in Miami, Fla.

F. U. Foster of Tennessee Tech was elected president of the SIAA at the December meeting.

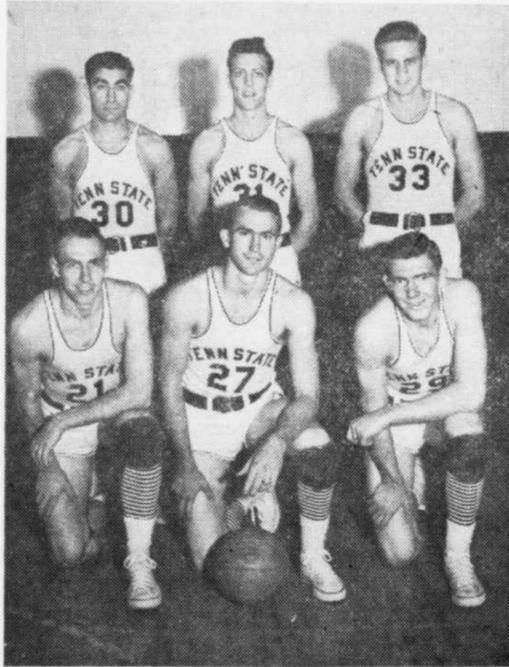

BUNN PITTS WINS IN AAU OPENER

Bunn Pitts, student at MTSC, was a surprise entry and winner in the opening round of the AAU boxing tournament at the Nashville Classification center.

Pitts, who fought last year as a 147-pounder, stepped out of his class to defeat Elbert Moyers, Fayetteville heavyweight.

Bunn punched out a clean decision and must meet Little All-American guard, Lillard Gibbs of T.P.I. to claim the Nashville title. Gibbs may not be able to make the trip to Chicago for the National A.A.U. bouts if he wins so the way is almost clear for the trip for Pitts.

PROVIDE NUCLEUS FOR MTSC CAGEMEN

The 1948-49 edition of the Middle Tennessee State Blue Raiders has a strong backlog of returning lettermen bolstering it. Among the boys whom Coach Charles Murphy is counting on to lend experience to his squad are (first row, left to right): Charles Harming of Flintville; Reed Conder of Linden; Willard Lovelady of Soddy-Daisy; and (standing, left to right): Angelo Varallo of Nashville, Waymon Winters of Nashville and Bobby Ballew of Soddy-Daisy.

Offense Active In Beating C.U.

Middle Tennessee Blue Raiders struck again and again in every frame to top the Cumberland Bulldogs 86-55 in a VSAC cage contest. Harry Gupton of DuPont hit baskets from all parts of the floor to lead the scoring with 26 points. This was the first cage victory for the Raiders and their third game.

Reed Conder picked up 13 points in the ten minutes to tie for second in scoring honors with Homer Belles.

The Raiders ran up a 34-24 half-time score and the subs played a large part of the last half turning the game into a complete rout.

Obie Freeman and Sam Kennedy paced the Cumberland quint with 12 points each.

Pos. MTSC (86) Cumberland (55)
F—Gupton (26) Jennings (6)
F—Harming (7) Freeman (12)
C—Belles (13) McCullough (9)
G—Cone (6) Boley (6)
G—Runion (6) Kennedy (12)
MTSC Subs: Hawkins (4), Prince (4), Lovelady (1), McFerrin (2), Conder (13), Varallo (4).

Raiders Victim of Last Half Surge By Lipscomb Monday

Murray State Edges Raider Cagers 43-38

The Murray State Racers made it two straight over the Raiders last week with a 43-38 score. The "Breds" had no easy time of it, having to forge from behind after a half time deficit of 18-25. The Raiders jumped to an early lead and held it until about ten minutes in the second half. The Raiders were definitely hurt by the absence of Bob Ballew who is recovering from a bout with pneumonia. The Murray mass substitution slowly wore the Blue team down and they went ahead to win.

In the last half the score was knotted 35-35 and 37-37 with the lead changing hands three times in four minutes. The lack of good foul shooting proved a definite deficiency in the teams. The Racers sank 9 out of 16 while the Raiders could only hit 4 out of 9. Runion hit the basket for 12 points to lead the scoring.

Line-ups:
MTSC (38) Murray State (43)
F—Gupton (7) Herold (4)
F—Harming (4) Snow (4)
C—Lovelady (4) Dewese
G—Cone (6) Loughary (11)
G—Runion (12) Stephenson (3)
Subs: MTSC—Hawkins (1), Belles (2), Ballew (2).

Harry Gupton, freshman forward from DuPont lead the Blue Raiders in their latest outing Monday night. Even though the men of Blue did lose a thrilling contest to the always tough Nashville school 56-50, Gupton found time to mark up 19 more points to his high total.

The Raiders lead as much as 19 points in some parts of the game, but the speed of Lipscomb overcame the Blue and White.

Milligan And LMU Are Raider Foes

The latter part of the week the Raiders travel to Johnson City to meet the Milligan Buffaloes on Friday and the Blue and Gray team of Lincoln Memorial University at Harrogate, Tennessee on Saturday. Milligan and L.M.U. are both loaded with cage material and the Raiders will enter both games as underdog.

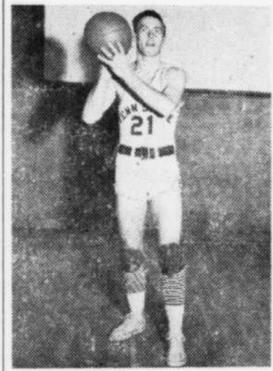

Here's a short sketch of the Buffalo team lead by Coach Bill "Red" Yancey. Kyle Middleton, formerly of U.T., plays forward and guard and stands 6 feet 7 inches. This is his second year on the Buffalo team and he has a special one-handed long shot that is deadly. He hardly ever works under the basket. In the service he played for Camp Edwards, Mass., and was chosen the all-service cage team. Billy Joe Simmons, guard, standing 5 feet 6 inches is known as the Ralph Beard of small colleges. He is extremely fast and a good set shot artist. Simmons has been known to dribble the ball long enough to freeze the game. Kenney Hyder, forward, was chosen as the best player for the Buffaloes last year and was high point man. He stands 5 feet 9 inches and this is his second year on the squad. Sid Hathaway, center, stands 6 feet 2 inches and is cool and consistent. He is the play-maker of the squad.

CARLES HARMENING

Baseball Is Just Around the Corner

Basketball season may be just getting underway, but some of the talk around the campus on the topic of sports has turned to baseball already.

Coach Stowe even has the fever so early. Guessing the personable coach may see chances of another Volunteer State Championship. The big question is always—What will the diamondmen have this year? One thing is sure—the big slugging firstbaseman, Cromer Smotherman will be absent now that he has a pro sign on his neck. A couple of Jacks (Deere and Yearwood) will not be on hand for the opening call. Hilray Martin will not be sweating third out. Out on the pitchers mound, "Eock" Reed and Joe Davis will be missing. Even with such outstanding men as these out of the picture, the hopes are bright.

In the captains shoes will be Fred Grider and Joe Jackson. To these gentlemen add the names of James Adams, Dick Beck, Charley Martin, Charley Hermening, Sonny Cone, Lefty Busby and Fred Gebhart and you have a very impressive list of men who will be back for more duty in the spring.

Just to prove that baseball has come to Jones Hall, "Pretty Good" has already started limbering up that mean left arm.

WEDDINGS

Cupid seems to have been around early this time—from all the weddings we hear reports on. Some of these include:
Peggy Donnell, of Murfreesboro, who was a candidate for Homecoming Queen this year, and Glenn London were married during the holidays.
Other marriages taking place during the holidays were those of Laura Ellen Chastain and Henry Raulston, Betty Patton and Charles McMillan, Lynn Pack and Burton Carnahan, Frances Butler and Robert Shannon, Martha Rhodes and Johnny Haliburton.
Others that were married in early January were: Josephine Rice and Allen Milner; Dorothy Ann Marlin and Larry Nelson, Shirley Ashley and George Earp.
Joan Prince received a diamond from Richard Harrison during Christmas.

Dr. Frost Is Guest Speaker At AAUW Meet

Dr. Norman C. Frost, professor in the department of education at Peabody college, was guest speaker at a meeting of the American Association of University Women held Thursday afternoon at State college.
Dr. Frost, who has recently returned from Germany as a member of a special committee to study the "Education for Democracy" program, spoke in an informal and interesting manner on that subject.
He stated that there are sixteen American supervisors overseeing the education for democracy program in a section of Bavaria where there are ten million people. Regional super-

Please drive carefully and do not exceed speed limit. Remember a rolling ball in any street is usually followed by a child.
Veteran's Housing Safety Council.

intendents are in complete control, he stated, often having as many as 139 county superintendents working under them.

Dr. Frost told in detail of his visits to the elementary schools in Bavaria, describing the methods used in teaching history, composition and reading classes. He emphasized that everything is done in a very strict manner—the pupil trained to consider the state and state officials as due all honor. They have little opportunity to learn behavior for themselves, he said, and an unmannerly people are the result of no training for democracy.

The teachers are good teachers, he continued. An effort is now being made to train the new teachers in the democratic way, he said. The normal school there is equal in training to the high schools in the United States. They do have a university system but not all students take this. Those planning to take higher learning start studying Latin in the fourth grade and every student planning to teach must learn to play some kind of instrument.

A large group of interested persons were in attendance, this being an open meeting.

What a Lark

Wife (Coily)—A little bird told me you were going to buy me a new car for my birthday.
Husband (behind his paper)—Well, it must have been a little cuckoo.

Changed

"George," said Mrs. Lovewell to her husband. "I received a letter from mother saying she is not accepting our invitation to visit us, and saying we did not appear to want her. What does she mean by that? I asked you to write and to tell her to come at her own convenience. You wrote her didn't you?"
"Yes," said George. "But—er—I couldn't spell that word convenience, so I made it risk."

HARP SINGERS HEARD TWICE ON RADIO PROGRAM

State College Harp Singers were presented in a half hour broadcast over Station WGNS at six o'clock on Thursday evening, December 16, 1948.

The program was composed entirely of Christmas songs and included songs and carols from the XII century up to the present time. The script was read by Howard Byrum of the WGNS staff.

On Sunday evening, December 19, the entire program was re-broadcast transcribed by popular request.

The Harp Singers personnel includes Donna McHenry, Frances Minor, soprano; Martha Massey, Betty Tipps, altos; Raymond Tanksey, James Williamson, and Clyde Cromwell, tenors; Jack Allen, Roy Minor, Dan MacMillan, and George Kuhnert, basses; and Margaret Wright, director.

"Silent Night" by Gruber was used for the theme, by beginning and ending the program.

Warned!

Bunchunk—And then she said that if any man kissed her without warning she would scream for her father.
Dzudi—What did you do then?
Bunchunk—I warned her.

It's Intramural Time at MTSC

The real fun during the basketball season is just about to get underway for most of the MTSC students. What else could it be but intramurals?

Never during the regular year does so many get so much out of athletics as they do in this program. Not only do the students living on the campus have a chance to participate, but those living in town as well. Last year the town team headed by Bill Nisbett and Jim Lane walked off with honors.

This year the teams are divided up by floors in Jones Hall and Trailertown and Apartments have separate clubs. Add the town crew to this and it should be a thrilling program for all.

If you are on the prowl for some real fun, join the team you belong to. Besides the fun, you might win.
