

SPORT SCOOPS

By GEORGE FARRISH

Judging by the way in which Coach Johnny (Red) Floyd's Blue Raiders mowed down the Union Bulldogs...

Maybe it was the change in scenery that provided the inspiration. But that's not likely as most of all of Tennessee was a splendid example of that old saying "water, water, everywhere and not a drop to drink..."

After this was written, Tennessee Tech invaded the local hardwood Tuesday night. We might write our story about that game now, but it doesn't seem fair. We haven't forgotten the last time we divulged in just such a practice.

After winning seven straight games, Coach Charles (Bubber) Murphy's Goodlettsville High cagers stumbled on the eighth step of that proverbial ladder to fame last Saturday night...

After glancing at a row of fens in the west end of the balcony Friday night, a Nashville Central star comes up with a remark that he was going to talk his representative into introducing a bill in the present General Assembly...

Cagesters Pull Surprise In Winning Two Tilts

STC was credited with two victories over the week end in an almost record breaking trip. The strong teams of both Union and West Tennessee fell before the aggressive offense of the Blue Raiders.

At West Tennessee it was a somewhat different story. At the quarter Memphis led 9-6, but STC turned the tables and led 21-19 by the half. Again in the fourth quarter Matthews led in a threat for Memphis to forge ahead, but to no avail.

Mathews and Stroupe led the aggression for the Memphis Teachers. Isbell and Mansfield were best for the Union quintet. Davis played a fine game at guard.

Gwaltney put on an exhibition during these two games that will be long remembered. He scored a total of 23 points, 11 against West Tennessee and 12 in the Union conflict.

Very able assistance to these two stars was given by the remaining eight men who saw service in both

of these games. Especially did Turpin, Bragg, and Doyle Branson display unusual ability. Smith and Little as guards held the opponents very well under control.

Speaking of Bubber Murphy brings to mind the fact that he is scheduled to report to Jersey City in the International League this spring instead of Meridian, Miss., which is in the Southeastern loop.

Brownie Robinson, the pride of Gordonsville, has already set his eyes on that second base slot if the Blue Raiders are represented

of these games. Especially did Turpin, Bragg, and Doyle Branson display unusual ability. Smith and Little as guards held the opponents very well under control.

Coach Floyd is really developing a cage aggregation. He has one defensive and one offensive team.

At the opening of each of these games the defensive team took the floor. Bragg, Greer, Phillips, Little and Smith are really showing their ability to hold the opponent.

At the proper moment the offensive team, composed of Turpin, Gwaltney, Mackie, C. Branson and D. Branson were told to take the floor.

A record of some five years standing was broken when the STC boys brought back two victories from the road trip.

Frosh Rally In Last Quarter Barely Fail, Lose 32-31

By JAMES KENNON

TPI took both ends of a double header with the Blue Raiders Tuesday night in the closest games to be played here this year.

The Frosh jumped into an early lead when John Bragg scored a field goal and two fouls after Gray of TPI had opened with a foul. This lead lasted only until

the Eagles took possession of the ball again. Draper and Gray hit twice to put the Eagles out in front, 8-4 as the first quarter ended.

The Raiders' only serious threat came after four minutes had been played in the fourth quarter. Coyle Branson dropped in a field goal to make the count 32-31 in favor of the Eagles.

Gwaltney with 12 and Bragg with 8 led the scoring for the Raiders. Phillips and C. Branson got 5 each. Gray with 9 and Draper with 10 led TPI in points.

The freshman game kept the crowd howling for just about sixty minutes. The first quarter saw Pigg of TPI and Brewington of STC doing most of the point making.

During the third period the Raiders were able to push over only one point, while the Eagles were hitting for nine.

The last quarter brought the audience to its feet. With Brew, Fudge and Freeman hitting consistently, the frosh came within a single tally of tying the game in a knot.

Pigg and Brewington took charge of scoring honors, connecting with 18 and 12 respectively.

Fudge again won the grudge battle with Walter Wells, outscoring him 7 points to 3.

Mendelssohn's Trials Abraham Mendelssohn, German-Jewish banker, was the son of a famous man and the father of another famous man, and would often ruefully remark that as a youth he was known only as the son of that famed Jewish philosopher Moses, and in later life pointed out as the father of the great composer Felix.

Murfreesboro Can Crow About Showing of Pugs

Regardless of what else happens for Murfreesboro this year in the world of sports the town surely has something to be proud of. Recently during the Middle Tennessee Golden Gloves tournament Murfreesboro entered (for the first time) and brought home the novice team title.

The Kay-Sees barely outscored the Murfreesboro outfit for the Golden Gloves Crown, this being by a mere 19-18 score.

A year ago Joe Cash promised: "I'll bring you a champion next year." This promise he kept and tripled. Only a year ago Cash secured his first boxing gloves.

Larry Gilbert's Vols will see 43 games by July 4 this year. This means that 43 of the 77 scheduled games, or 56 percent, will be played by the usual mid-way point of the season.

Finally the Blue Raiders dug down into the old bag and found two victories. I'll admit it was quite a surprise to many people.

Junior Boys Take Lead Hold Undefeated Record In Intra-Murals

When the smoke and din of the first half battle of the boys' intramural round robin cleared away the Junior Boys emerged from the splinters and tangled nets unscarred and undefeated.

Today, the league-leading Juniors will take on the first year squad of Gordon Mitchell. The freshmen wound up in the second slot of the games already played.

Luckie Mansfield is the big gun for the leaders. He leads in the individual scoring with 27 points. James Baxter, quiet but consistent president of the Junior class, is second in the scoring with a total of seventeen markers.

The Sophomore class is in direct line for the "booby" prize with nary a win in their jeans.

Perhaps our quintet was no better than that of either Union or West Tennessee. The difference was in the spirit of the teams. It's hard to beat a team that goes into a game determined to win.

I wonder if the old saying, "If you don't toot your own horn nobody will toot it for you," holds true for TPI and its basketball team.

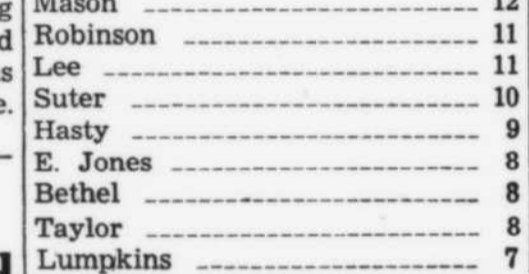

Intramural basketball is really holding a lot of interest at the present time. From a glance at the scores of the first round of the boys' division we see what a complicated set up we really do have.

Cafeteria Chatter

Last week end an alumnus came over from Nashville to spend a night with some friends. He had a pretty good time, but he rode a nightmare all night long. It seemed that there were three big wharf rats huddled up against his neck. One of them would say, "You eat him," and the other two would say, "No, you bite him first." Every time he tried to push them away they would sink their teeth in his neck, and when he woke up the next morning he was a physical wreck, and was trying to imitate Mickey Mouse.

To pet or not to pet, that is the question. This question has been passed to the girls to be discussed and here we have some of the answers:

Annelle Anderson—"It's all right in its place."

Myrtle Smith—"I prefer a secret ballot."

Lulu Faust—"I think it's the real McCoy."

Margaret Wysong—"Could tell more about it if Jimmy were here." Janey Swift—"Time, place and manner count a lot."

Katherine Brown—"It could be considered lab work."
