### McCord Elected Leader Of Jones Hall Council

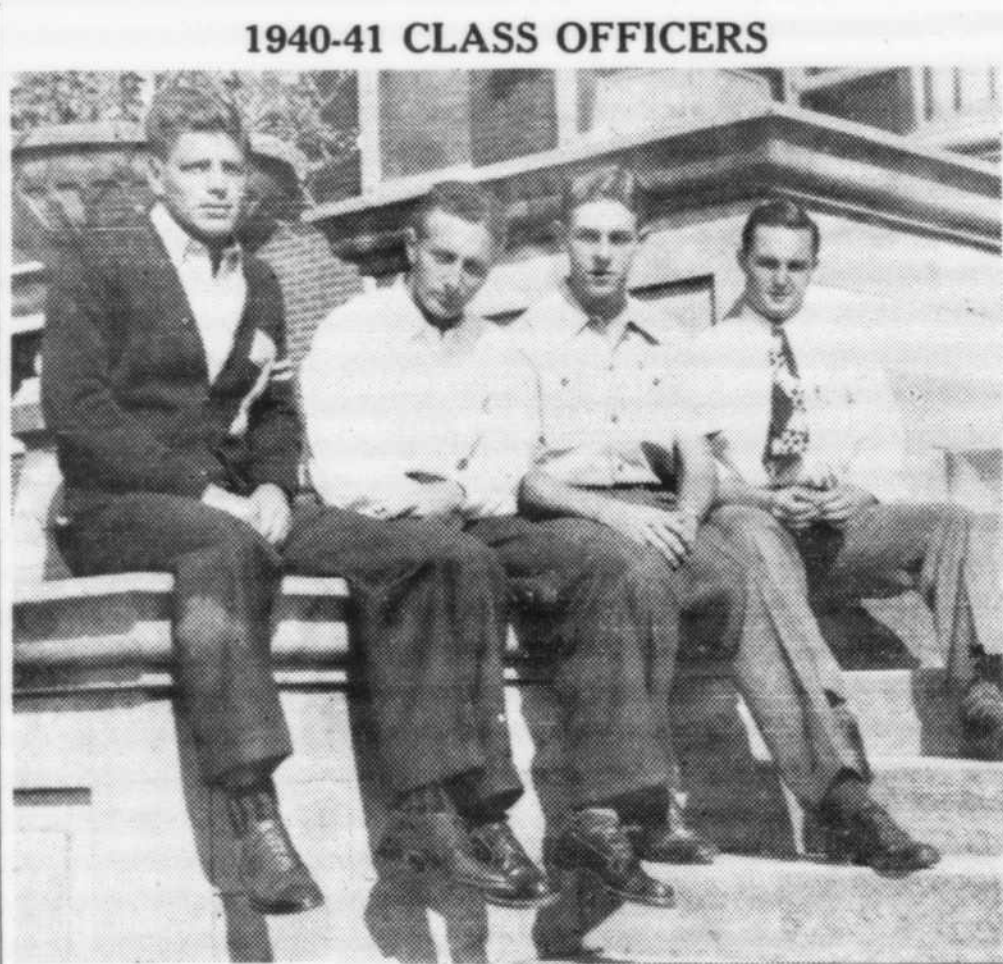

Senior From Nashville Is Unanimously Chosen By Residents

### Lonnie Nichols Is Lone Representative Of Frosh Class

Cowden "Kitty" McCord, senior from Nashville, was unanimously chosen to head the Jones Hall council for the current year at a mass meeting of the hall residents Monday night, October 2. The election of the council is the second of its kind to introduce self-government in the boys dormitory.

McCord is a special NYA student and has been active in many other student programs since entering in 1937. He played on the freshmen football and basketball teams his first year but was forced to retire because of his working schedule. Nicknamed "Kitty" since early in life, he has lately acquired a new handle of "Slim Jim."

### Classes Make Good Selection of Leaders

#### No Former Officers Re-elected For This Year

By JEAN SMITH

The chapel period for Thursday, September 26, was cut short so that the classes might elect officers for the coming school year. The classes also chose their sponsors. The seniors selected Mr. James, who was also their sponsor their junior year. The juniors chose Mr. Gracy as their sponsor who has been their sponsor since they first entered school as freshmen. The freshmen also had to elect two congressmen to represent them in congress. Congressmen from the other classes were elected last year and a few of them had to be replaced because of their failure to return to school.

The following is a list of the class officers and their home town:

Senior Class—President—Bill McCrory, Lawrenceburg; Vice-President—Randolph Wood, McMinnville; Secretary—Helen Boyd, Gullahoma; Treasurer—Tommy Meadows, Minor Hill; Sergeant-at-Arms—Wallace McMurray, Chattanooga; Sponsor—Mr. James.

Junior Class — President—Tom Townes, Nashville; Vice-President—Roger Smith, Overall; Secretary—Jean Snell, Murfreesboro; Treasurer—Ruth Hoover, Smyrna; Sergeant-at-arms—John Zumbro, Murfreesboro; Sponsor—Mr. Gracy.

Sophomore Class — President—Bose Buchanan, Shelbyville; Vice-President—Leon DeLossier, Murfreesboro; Secretary—Mary Mize, Antioch; Treasurer—Geta Gill, Silver Point, Tenn.; Sergeant-at-arms—Katy Gore, Carthage; Sponsor—Coach Jordan.

Freshman Class—President—Dick Russell, Murfreesboro; Vice-President—Andy Brooks, South Pittsburg; Secretary—Mary E Faulkner, Murfreesboro; Treasurer—Lucia Smith, Overall; Sergeant-at-arms—Tommy Tucker, Murfreesboro; Congressmen—John D. Wiseman and Claude Shacklett; Sponsor—Mr. Rutherford.

#### Four Cheer Leaders Of 1939 Retained, Two New Members Elected

At the first student meeting held last week the cheer leaders for the coming year were chosen. In an effort to have a more experienced cheering squad it was decided to retain the four returning cheer leaders of last year and elect only three new members.

Margaret Taylor, Martha Carden, Rebecca Thurmond, and Webber Earthman, the cheer leaders last year, were unanimously chosen and Katherine Gillespie, freshman from Eagleville, Kitty Startup, freshman from Nashville, and Julian Brantley, a junior from Shelbyville, were chosen as the new members. The new group is working together several times weekly and are planning some new yells and songs for STC.

#### Home Economics Club Holds First Meeting

The Home Economics Club held its first meeting Friday, October 4, in the drawing room of the Science Hall with the large attendance of seventy-five.

Following refreshments and a short business meeting, interesting reports were given by Elaine Hedgecoth and Mary Neal Alexander, delegates of the club to the National Home Economics convention. Freshmen are cordially invited to meet with the club every first and third Friday of each month.

#### Dramatic Club Begins Work

##### "Our Town" Will Be First Of Six Productions

By SARA MURPHY

The Buchanan Dramatic Club met Wednesday, October 3, for its initial meeting of the year. Plans have been made for the coming season and the following members have been elected officers: President, Earnest Hooper; vice-president, Betty Parker Brown; secretary, Nancy Wysong; treasurer, Fenton Warren.

On October 31, under the capable and enthusiastic director, Edward L. Tarpley, the Pulitzer prize play, "Our Town" by Thornton Wilder, will be given. In 1938 "Our Town" won the Pulitzer prize and was considered the outstanding play of the season, having been immediately acclaimed by both critics and play goers.

It is considered one of the great plays of the day and is unique in the fact that no scenery is used on the stage. It has the qualities of being quaint, appealing and hauntingly beautiful and is without doubt one of the great plays of the day. It reveals the life and daily activities of the country people in a small New Hampshire village in the year 1901. "Our Town" tells the lives of the people from the cradle to the grave. Its beauty, tragedy, and humor are interwoven.

### Officials Await Word To Begin Second CAA Instructions Here

Officials at State Teachers College yesterday were awaiting word from state aeronautics officials for the start of the school's second student pilot training class.

President Q. M. Smith of the school said deadline for start of the class is October 16. It must be completed by January 1.

Smith added that he had understood the class would number 30, but that press reports from Nashville had stated Murfreesboro had been given a quota of 10. The class unit this year will be 10 students, instead of 15 as during the previous courses.

### 53 Transfers Enroll During The First Week

Number Almost Double That Of Last Fall; Four Aliens

#### Five Universities And Sixteen Colleges Represented

By DOWNEY KENNEY

The number of transfer students this year shows a decided increase over last year. There are 53 registered as compared to 37 for '39. Only four of the transfers are from other state schools. Several of the transfers have come from junior colleges to complete their work here at STC. These transfers come from five universities and sixteen colleges.

Those enrolled are: Kenneth Anderson, Centerville, Austin Peay; Mary Astroth, Murfreesboro, University of Alabama; Jean Barber, Shelbyville, Huntingdon; Williria Bates, Nashville, Peabody; Olyne Bales, Celina, T. P. ### Congress Approves Appointments, Formal Oath Is Taken By Leaders

#### Ruth Tittsworth Fills Recording Secretary Position

#### New Bills Already Under Consideration Of Legislators

By MARGARET WILSON

The first meeting of the 1940-41 student Congress was held last Monday in room 69 of the Administration building, with Maude Holthouse, vice-president of the ASB presiding.

The first problem to face the new Congress was the election of a recording secretary. Ruth Tittsworth, junior member of Congress and serving her second term in the legislative department, was elected to fill the office left vacant by Margaret Wysong who was graduated in June. The duties of this office are to record all matters discussed in Congress.

The second problem was to confirm the appointments of the officers, chosen by president Charlie (Continued on Page Two)

#### Final Enrollment Figure Not Yet Released By Dean

Total enrollment for the fall quarter will reach 750 students or approximately the same as that of last year, according to a statement recently released by Dean N. C. Beasley. Although this statement may not be entirely accurate because of the fact that this issue goes to press before the office makes its final tabulation. If this year's enrollment comes close to last year's record it will be remarkable because of the decrease in the number of eligible college students in this section of the country. Present unsettled condition in this country together with the calling out of the National Guards and the fact that the NYA girls are not with us this year have taken a great toll on the prospective college students. Figures on the enrollment by classes and by counties as well as the total enrollment were not available at press time, but they will appear in the next issue of the "Side-Lines."

#### Brown, Holthouse Ask Co-operation From All Students

#### Student Control Goes Into Third Year Of Progress

By WILLIAM COWART

All newly elected officers of the student government at State Teachers College were installed this morning at the inauguration ceremony held during the regular chapel period.

Charles Brown took the oath of office, thereby officially becoming president of the Associated Student Body for the year 1940-41. He took the oath of office from Boots Little, Chief Justice of the Supreme Court.

Charles is a transfer student, coming to STC from Cumberland, where he attended one year. He came here two years ago and since then has proved himself to be an outstanding and very likable student. In his words of Katie Gore he is "A-grade." He was elected president of the Associated Student Body in the annual election held during the last Spring Quarter.

In his acceptance speech, Brown made a plea for all students to work together to make a success of student government. He said that the greatest drawback to democracy, and student government, is indifference. He asked all students to take an interest in the things going on around them and to voice their opinion on matters concerning the student body.

Maude Holthouse was sworn in as vice-president of the student body and chairman of congress, which is composed of four representatives from the senior class, four from the junior class, three from the sophomore class, and two from the freshman class.

In her talk, Maude outlined the organization and purposes of student government. She, also, asked that all students work together to make the work of the Associated Student Body a success.

The oath of office taken by the officers at the inauguration ceremony was: "Do you pledge to execute the duties of your office to the best of your ability?" President Brown administered the oath to the other officers after he had taken the oath from the Chief Justice of the Supreme Court.

Student government is now going into the third year here at State Teachers College. It was a success from the start and has been improving all the time. To Charles Miller went the thankless task of being the first president of the ASB and he did a very commendable job of starting student government on the road to success.

John Bragg took over the office of president when Miller graduated and he, too, did a very good job of guiding student government down the right path. We owe much of the success of the ASB to Charles Miller and John Bragg.

The program this morning opened with a song, which was followed by the devotional, read by Allen Swasey and then another song. After that Charles Brown was sworn in as president of the ASB, and he, in turn, swore in the other officers and council members. This took a lot of swearing but after it was over and things were under control again Mis Holthouse and Mr. Brown made their speeches and the ceremonies were officially over.

The other officers, other than president and vice-president, were: secretary, Holty Coble; treasurer, Randolph Woods; attorney general, Allen Swasey.

Members of the Supreme Court who took office were: Chief Justice, Boots Little; Senior member, Frank Sheppard; Junior members, Raikes Slinkard and Ruth Hoover; Sophomore member, Martha Carden. All of these officers, as well as the council members, were approved by congress, which met last Monday.

The members of congress and the classes they represent are as follows: Seniors, Bill Evans, Janc Ross, David Alderman, Ione Crosslin; Juniors, Louis Lockhart, Tom Townes, Ruth Tittsworth, David Adamson; Sophomores, Eugene Cartwright, Bose Buchanan, Merjorie Gilbert; Freshmen, John D. Wiseman, Claude Shacklett.

### Best Band In History Slated For This Year

#### Glee Club Begins Work For New Year

The girls Glee Club met Monday afternoon to begin work for the ensuing year. A number of new members enrolled, making the total number forty-five.

Misses Janie Swift and Joyce Kelly were elected janitors. Other officers, elected last year, are: President—Ruth Tittsworth; Vice President—Rebecca Thurman; Sec. and Treas.—Jane Snell.

Miss Eva Mai Saunders, director, predicts a very successful year, since such a large number of talented students are enrolled.

#### Glee Club And Other Organizations Start Work

By RUTH TITTSWORTH

The Music Department was among the first to get into full swing this year by the Band playing for the Jacksonville game Friday night. From all indications it is expected by those in charge of the department that the band this year will be the best in the history of the school. Several new members have been added. These in some measure will fill the vacancies left by the graduates of last year. A full schedule is being mapped out and an unusual amount of interest is being shown on the part of all connected with the Music Department. Band drills will be every Tuesday and Thursday afternoon from 4 to 5 o'clock. These will be in charge of Harold (Bud) Brantley. Mr. Brantley is the new drum major, is a Freshman and hails from Shelbyville, Tennessee. There will be six majorettes this year who will lend color and interest to the marching band.

Besides playing for the ballgames, the band will play every Thursday night for the concerts given by the Music Department in front of the Main Building. These concerts will be under the direction of Miss Saunders and Mr. Valdes.

The orchestra, under the direction of Mrs. Aulman Sanders is expected to do a good piece of work this year. There will be several new members among whom is Larry Richards, violinist who also plays first clarinet in the band. For the orchestra, the climax of the year is the concert which will be given in the Spring under the direction of a guest conductor.

The other organizations of this department—the Girls and Boys Glee Clubs have already started the year work by making plans leading to the Opera which will be given during the Spring Quarter. The entire Department will back the Clubs in this production. Also, plans for the Annual Music Department Banquet are being discussed. This is a happy event looked forward to by all interested in music activity on the campus; and by those who are out in the field, because it furnishes an opportunity for them to come back to view the rapid progress being made by the department and by the school as a whole.

Some of the outstanding teachers of Middle Tennessee have been sent out by this department of whom we are justly proud. As they send their pupils back to S. T. C. we will expect the Music Department to make even greater progress in the future.

Officers in the Department for the year are: James Hewgley, President of the Band; Tommy Meadows, Vice President; Janie Swift, Secretary and Treasurer. Girls Glee Club: Ruth Tittsworth, President; Rebecca Thurmond, Vice President; (Continued on Page Three)

#### Avon Players To Perform Soon

##### "Taming Of The Shrew" To Be Given October 26

By SARA MURPHY

Mr. Joseph Selman visited here recently to make arrangements with Mr. Beasley to bring his troop of Avon Players before the Teacher's meeting on Saturday, October 26. He will present a Shakespearean comedy, probably "The Taming of the Shrew."

This summer I had the pleasure of meeting him and listened with vital interest while he chatted informally about his profession and his thoroughly eventful past. I was impressed with what he told me of his experiences, past and present, in his work on the stage and his early association with leading actors. Mr. Selman is a man of medium height with sparkling, alive eyes and grey hair. He possesses a keen and delightful sense of humor which was intensified by his roguish little smile and his radiant personality.

He was playing on the stage before many of us at STC were born. He is certainly a man of exception.

#### KITTY CUT

"Kitty" McCord, recently elected president of the Boys Council and senior NYA student, was forced to undergo an emergency operation for appendicitis last Thursday night about one o'clock. It is a pleasure for the "Side-Lines" to let you know that "Slim" is doing fine and hopes to be back in school in a few weeks. The staff of the "Side-Lines" wishes for "Kitty" a very speedy recovery and the best of luck during his unfortunate illness.

on matters of direct concern to the Jones Hall family is a committee of six men. Constitutional regulations set two seniors, two juniors, two sophomores and one freshman in office.

The other senior member is Bill McCrory, of Lawrenceburg, newly-elected senior class president and one of the main cogs in the raider gridiron machine.

The junior representatives are Tom Townes of Nashville, who was just chosen to lead said class, and Fount Watson of Old Hickory, member of the Raider outfit and last year's sophomore president.

Gene McIntire and Jimmy Jackson, both of Nashville, were elected to represent the sophomores. McIntire, brother of the famous "Ears," is a member of the football squad and served as frosh president last year. Jackson is a member of the Little & Co. Athletic Association and a member of the basketball team.

Lonnie Nichols is the lone freshman member. "Nick," as he is known here on the campus, hails from Petersburg and is a guard on Coach Rutherford's Raider Rat combine.

Immediately after the dismissal of the mass meeting the members of the council began work on their plans for the year. Their first move was to visit the Dean and President of the college to determine the extent of their power. The boys rejoiced when President Q. M. Smith said (maybe these aren't his words) "You are the boss of the dormitory. You have the power to act as you see fit on matters of dormitory interest."

The next step was to draw up a set of regulations which all residents will be required to observe. The major regulation is a quiet hour, starting at eight o'clock and lasting until ten, beginning again at eleven and lasting throughout the night. This does not mean that a boy cannot leave his room or have his radio on—it is merely to give everyone a chance to get down to work at a reasonable hour. If a group of boys wish to gather in one room for a "quiet session," that is permitted, but it must be a "quiet" one.

The other regulations dealt mainly with the cleanliness of the dormitory and the care of the room and the furniture.

The council decided to have a regular meeting each Monday night and arrangements are being made to procure a room in the dormitory for these meetings.

# Unbeaten Raiders Play West Tigers Saturday In Memphis

## TOUCHDOWN TALK

By JOE SPORT, Jr.

Come this Sabbath eve the Raiders head west for Memphis where they meet West Tennessee Tigers in a game that might decide the fate of the STClans. They have won two games and lost none—a record incomparable to that of any particular date during the past two years.

The boys on the squad, the entire student body and the faculty, not to mention the townspeople, have their spirits high now, and believe the boys have a winner. If the Raiders win only one more game this year (pray that they do) their record would be better than that of the past two years combined.

Already many of the pre-season favorites have passed into oblivion as far as being tops in the nation is concerned. Tulane, one of the top five last year and one predicted to return to the Sugar Bowl in January, has already been swamped twice this fall. Southern Cal, Rose Bowl winner last year has been tied twice thus far.

Michigan and Minnesota thought to be sorta on par with their league members have started out toward the top in fine style winning their first two games from tough opponents. LSU again has dropped from the list of superiors in the South-eastern having dropped their first game to Mississippi.

Texas Aggie, using Big Jaw and nine others from last years championship starting line-up, are out to bring the bunting home again having won their first two tilts by large scores. Tennessee, minus George Cafego, plus Bob Fox, just beat Duke by two touchdowns and will gain plenty of national recognition on that performance. Barring a slip-up and loss, the Vols should be playing in one of the Bowl games again this New Year's.

Vanderbilt, although they won their first game from Washington and Lee and played a magnificent game against highly rated Princeton, is still plenty sorry, according to several who saw their first performance. Stuff just isn't there and they'll be lucky to win one more. I'll take Sewanee on Nov. 9. Jenks Gillem has something on the ball this year and it might roll off that mountain and gather the moss from Dudley stadium.

Below is a list of the games to be played on October 12. We have formed an opinion as to whom will win and lose—compare your ideas to the following.

## Raiders Pound Austin Peay By 35 To 6 Score

### Bryant Leads Mates In Season's Second Win

### Harvey Drives Over For Governor's Lone Score

The STC Red, White and Blue Raiders ran roughshod over Austin Peay here Friday night 35-6 for their second win in as many starts.

Less impressive than in their first game, because of the small number of plays used, the Midgettmen had little trouble repulsing the much heavier forward wall of the Governors. With Bryant, McCrory and Tucker doing the running, the Raiders pushed over four touchdowns and four extra points during the first half.

Early in the first quarter, with Bryant and McCrory alternating the Raiders marched from mid-field to the 10. After an unsuccessful try at center, Bryant circled wide around right end for the first score. McCrory kicked the point and STC lead at the quarter 7-0.

Again in the second Bryant and McCrory carried the ball from mid-field to the 1 and "Big Ug" scored on the first attempt.

Three minutes later, Bernie Tucker took the ball on a spinner and tossed a twenty-yard pass to McDonald who carried it to the Governors 19. On the third play, Bryant again went over from the 10, and McCrory kicked the point.

Just before the half, Scates intercepted a Governor pass on AP's 35 and ran it back to the 20. At this point Austin Peay was penalized to the one yard line for slugging and Hudson went off tackle for the score. Bill McCrory's fourth straight attempt was good. Score Raiders 28, Governors 0, at the half ended.

Early in the third, McCrory found Tucker open on the AP 20 and tossed a beautiful spiral pass which Bernie carried over for score without being touched. On the attempt for point, Scates' center hit Hudson's knee and bounded into McCrory's hands. Before tacklers could get to him, "Ug" found Hodges open over the goal and tossed him a pass, ending the Raiders' scoring.

Austin Peay's lone tally came after Harvey had driven, on continuous runs, from his own 45 to the Raider 1. The Raiders held for two downs and then Harvey went

Late in the fourth, Taylor and Drops drove to the Austin Peay 1 and the Governors held for downs killing the Raiders final threat.

Sarvis, Greer, Patty, Watson, Evans and Burton were the outstanding linemen for the Raiders with Tombs, Noles, Killebrew and Price shining for the Governors.

## Raiders Down Jacksonville In Opener 46 - 7

### Powerful Ground Attack Gives Midgettmen Early Score

### Approximately 2,500 Fans Turn Out For The First Tilt

Concentrating on a powerful ground attack, the STC Raiders opened the 1940 season with a 46-7 triumph over the Jacksonville, Alabama Teachers. Approximately 2,500 people turned out for the opening of the new stadium and Coach "Wink" Midgett's debut.

The Raiders were off to a flying start, scoring in less than three minutes after Bernie Tucker had carried the ball 40 yards on a reverse to the Jacksonville eight yard line. On the next play Hucker went over for the score.

Again in the third, on the first play after the half, Tucker took the ball on the same play and travelled 62 yards without being touched.

Billy Bryant, Bill McCrory, and Tommy Hudson, along with Tucker, were brilliant throughout the game with their hair-raising gains that kept Jacksonville continuously in their own territory.

Patty and McDonald were the bright stars of the line, completing passes for several long gains.

## Midgettmen Out For Third Consecutive Win

### Rats Unable To Stop Hard Driving Backs Of Castle-Heights

Coach Mac Rutherford's Raider Rats made their debut in Lebanon two weeks ago and it was in many respects an unsuccessful one. Castle Heights, with a very heavy and fast team, could not be stopped by the light first year men from STC. The final score was 28-0.

Although the Rats were unimpressive, they had every right to be. It was the first time they had been on the offensive since practice started and the first time for those eleven boys to go on the field together.

Heights scored two touchdowns and a safety in the first period and one six-pointer in the second. North Deshazo were able to gain ground at will, but in the second half the Rats came back and held the Cadets at bay. Except for one short period, when the Heightsmen were able to push over another touchdown, the Rats completely dominated the second half.

Although the Rats did not score, poor judgment kept them from getting 12 points that were rightfully theirs.

### West Tennessee Has Lost One Game; Still Tough

### Game May Reveal True Power Of Blue Raiders

The STC Raiders leave their home ground for the first time this week when they journey to Memphis to tangle with a crack combine from West Tennessee Teachers College Saturday afternoon.

The Raiders have been most impressive in their first two starts here, but the Tigers, too, have made a very fine showing. This should be one of the top battles for both teams. On paper, West Tennessee is about eleven points better than the Raiders, but that's just on paper. Here's the comparison: West Tenn. defeated Austin Peay 40-0; the Raiders took the Governors by 35-6, making a difference of eleven points in the two scores. It is quite probable, however, that the Raiders, had they opened up with their array of ground and aerial attacks as they did on Jacksonville, could have scored several times more against the heavies of Austin Peay.

West Tennessee lost last Friday night to TPI by 16-13 when Bridges, substitute back, kicked a field goal for the Eagles with only about two minutes left to play. Their record now stands 1 won and 1 lost against 2 wins for the Raiders.

Last year the Tigers brought a couple of Joe's over here by the name of Cherry and Van Vulpen who did everything but tie a lasso around the Raiders. Bless Boss, Cherry isn't there now but that guy Van Vulpen is still around and making it hard for all his most worthy opponents. Coach Midgett is planning on taking John I. Parker along this year for strategic purposes. The plan is that John I. will be sent to the Tiger dressing room shortly before the game time to sing a song to said Mr. Van Vulpen. Boots Little says (in his inimitable tone) "If that doesn't kill him, I don't know what will." Thus—a victory for the Raiders.

The Raiders will depart Friday morning via bus and arrive in Memphis in time for a short work out before dinner (that's supper to you, Babe). Probably the whole squad of twenty-eight men will be taken on the trip.

The probable starting line-up for both teams follows:

RAIDERS	TIGERS	
Patty	LE	Hindman
Sarvis	LT	Meredith
Watson	LG	Goldstein
Burton	C	Kent
Evans	RG	Burns
Greer	RT	McGinnis
McDonald	RE	Farino
Ellis or Hodges	Q	Glass
Bryant	H	Lynch
Tucker	H	Barker
McCrory	H	Robertson

In this "flying test tube," above, "Tommy" Tomlinson pioneered the newest wonder of modern air travel—the Stratoliner. In rain, snow, hail, and sleet, this veteran flyer "asked for trouble" to prove that high-altitude planes can fly over most bad weather. Skill, vision, perseverance... "Tommy" Tomlinson has them all—in extra measure. Mildness, coolness, flavor—the qualities of a fine cigarette—he gets them all in his smoking, with an extra measure of each. He smokes slow-burning Camels.

### He turned to Camels for Extra Mildness

Twenty years—7,000 hours of flying—more hours above 30,000 feet than any other flyer. 19 national records for speed and endurance. That's the flying log of "Tommy" Tomlinson (above). His smoking log would read: "I wanted more mildness in my cigarette. I changed to Camels and got what I wanted—extra mildness with a grand flavor." Slower-burning Camels give you the natural mildness and coolness of costlier tobaccos plus the freedom from excess heat and irritating qualities of too-fast burning. Try Camels. # Students Honored By Faculty; T. O. Has 'T'

By NANCY WYSONG

The faculty entertained with a reception for the students at the home of President and Mrs. Q. M. Smith, Monday evening, September 30. Approximately 350 students attended.

Mrs. R. T. McHenry introduced the students. In the receiving line were President and Mrs. Smith, Dean and Mrs. N. C. Beasley, Mr. and Mrs. Baxter Hobgood, Miss Mattie Ruth Laxton, Miss Agnes Nelson, Miss Hester Rogers, Mr. Clayton James, Mrs. Betty Murfree, Miss Mary Frizzell, Dr. C. D. Lewis, Miss Tommie Reynolds, Miss Katherine Monahan, Mr. George Davis, Mr. H. G. Jones, R. B. B. Gracy, Jr., Dr. Phillip M. Cheek, Dr. J. C. Waller, Mr. Neal Frazier, Dr. T. J. G. Lightly, Miss Ollie Green, Mrs. O. L. Freeman, Dr. Eva Burkett, Mr. E. W. Midgett, Mr. Nance Jordan, Mr. and Mrs. Knox McCharen, Mr. E. B. Baldwin, Miss Anne Ordway, Mr. W. B. Judd, Dr. C. C. Sims, Miss Carrie Hodges, Miss E. May Saunders, Miss Elizabeth Schardt.

Refreshments were served from a lace covered table decorated with a center-piece of pink gladioli. Seated to serve were Miss Margaret Lowe and Mrs. W. R. Romine. Assisting were Miss Lorene Neece, Miss Marguerite Harrison, Mrs. Mury

Williams, Miss Lera Covington, Miss Elizabeth Hughes and Miss Margie Mitchell.

Music was furnished throughout the evening by a portion of the college string orchestra, consisting of Dr. W. M. Mebane, Mr. E. L. Tarpley, Mrs. Ruby Sanders, Mr. James Lokey.

The freshman class of 1940-41 had a gala welcome to STC at an informal get-together in the gymnasium Tuesday night.

Varied entertainment consisting of games, group-singing and dancing were directed by Mr. B. B. Gracey, Jr., and Miss Margaret Taylor.

Refreshments were served during the latter part of the evening.

**Freshman Tea**

The Tau Omicron society sponsored a tea for the freshman girls in Rutledge Hall, Friday afternoon, September 27.

In the receiving line were: Miss Margie Mitchell, Hattie Coble, Jane Ross, Quindal Collins, Maude Holt-house, and Jane Crosslin.

Miss Hester Rogers and Miss Elizabeth Schardt, sponsors of the organization, poured tea. Assisting were: Margaret Dickson, Ruth Hoover, Jean Thaxton, and Mabel Hamblen.

Ruth Tittsworth accompanied by Mary Elizabeth Pepper sang during the afternoon.

# Frosh Attempt Style Change In Initiation

By MILDRED BATTON

New styles for the well-dressed college girl have recently been shown on the STC campus. Designed by upper classmen and modeled by the lowly freshmen girls, these styles threaten to upset all previous conventional standards. Dresses worn hind part before have been found to give a startlingly becoming effect and even more startling are dresses worn wrong side out, though the ragged effect of the seams leaves one's nerves slightly jarred. Zippers and pockets are very attractive on this style dress.

With modesty and dignity the freshmen girls have also presented a new hair-do. The hair on one side is plaited and then tied with various colored ribbons. The other side of the hair is left hanging loose. This type of hair-do has been thoroughly approved by the upper classmen boys—we hope.

A new trend has also been noticed with regard to purses. They are exceptionally large this year—in fact so large that they are called week-end bags or even suitcases. Some of the little freshmen seem to have trouble carrying them around. They are continually bumping into chairs, tables, and desks.

As for footwear—tennis shoes worn with an ankle on one foot and a silk hose on the other are very attractive.

These freshmen girls certainly are versatile. They can sing, dance, play, read, tell jokes, and do most anything. They even go in for calisthenics too. Having to bow to each other classmen they met during initiation week, caused them to down like marionettes in a puppet show.

At all times freshmen girls were forced to remember that they are worms and nothing else. As one freshman so aptly put it, "A worm is a freshman so low that he has to jump up to touch mud." During initiation week all upper classmen were addressed as Miss.

Begging pennies is an art which few have, but the freshmen girls were plenty good at it. Each girl left for town empty-handed and returned with ten perfectly good pennies.

The final straw came when they were allowed no dates until after initiation period was over. Now they're making up for lost time.

# Five Faculty Changes Made

## Vacancy In Training School Yet To Be Filled

By CHARLOTTE STEPHENSON

Five new faculty members and two officers of the administration began their duties as a part of the State Teachers College with the opening of the 1940 fall term. The name of the new instructors and staff members were disclosed at an earlier date by Q. M. Smith, president of the college.

W. K. McCharen has joined the administrative staff as librarian. Mr. McCharen did undergraduate work at the University of Mississippi and graduated from Peabody College where he received his training in Library Science. Having taught in the public schools for more than ten years and served as librarian at T. P. I. he particularly understands the importance of supplying good books for the students.

Leon Bibb, who graduated from STC this June, has been appointed supervisor of the N. Y. A. project at the college. Mr. Bibb has been outstanding in the manual training work and was a winner of the manual arts medal last year.

Seen again on the campus and in the Biology rooms is Mrs. I. M. Edney. After an absence of six years she has again joined the faculty and is serving in the stead of her husband who is doing graduate work at Ann Arbor, Mich. Mrs. Edney received her training at the University of Chattanooga, Peabody College, and the University of Washington, Seattle.

Miss Ruth Laxton will serve the college students as nurse on the campus and will teach courses in health. She is a graduate nurse of Davis Hospital School of Nursing, Statesville, North Carolina, and has done postgraduate work at the Cook County Hospital, Chicago, and at Peabody College.

Miss Laxton was formerly connected with the Tennessee State Department of Health, during which time she held the positions of county nurse, supervising nurse, and school nurse with the American Red Cross.

William A. Mays has joined the faculty as instructor of classes in sheet metal work, a new course being offered this year. Mr. Mays is a graduate of Alabama Polytechnic Institute, Auburn.

Two changes have occurred in the Training School faculty. Miss Eliza-

# Debate Club Enters Three Tournaments

By JOHN ZUMBRO

The Debating Club of State Teachers College has completed its plans for the coming year.

Members of the club will compete in three different tournaments during the season; the first being the State Tournament which will be held at TPI, the Southern to be held in Birmingham, Ala., and the Great Southeastern at Winthrop College in Rock Hill, South Carolina.

Throughout the year debates and possibly other forensic contests will be held with various state and out of state colleges.

The organization of the debating club was completed at its last meeting of the spring quarter 1940 and the officers are as follows: president, Jesse Waller; vice president, Raikes Sinkard; secretary, Henrietta Medlock; treasurer, John Zumbro.

The club will soon be open for the election of new members. Those students interested in debating, extemporaneous speaking, after dinner speaking, impromptu speaking, and original oratory will be admitted.

Dr. Charles D. Lewis is faculty sponsor of the club and regular meetings are held each Tuesday evening at seven-thirty.

Miss Elizabeth Hughes will instruct and serve as critic teacher for all Home Economics classes at the Training School. Miss Hughes is a former student of STC and a graduate of the University of Tennessee.

The vacancy in the fourth grade at the school has not been permanently filled. Mrs. Frank E. Bass is temporary instructor until the appointment is made.

# Students Meet Town Ministers In Chapel

By MARGARET McBRIDE and J. ALDERMAN

The entire student body assembled Friday, September 27, for a special chapel program. The ministers of the town were present. President Q. M. Smith, who made the opening address, used "Service" as his theme. He stated that in order to serve one's school and government, one must be developed both physically and mentally. "Education," he pointed out, "is the detailed process of self-development." President Smith explained that the primary purpose of this school is for providing programs for guidance, both personally and vocationally; the latter, to furnish a curriculum in order that each may be prepared to make a living and render a better service to his government.

The ministers were introduced to the student body as follows: L. S. Seebery, First Baptist Church; C. F. Gravelly, Central Christian; Joe L. Netherland, Church of Christ; T. N. Hayes, Cumberland Presbyterian; Joseph L. Kellerman, Rector of the Episcopal Church; E. W. Williams, First Presbyterian; Coy W. Phillips, Nazarene Church; B. B. Pennington, First Methodist, and C. Blaine Duncan, of the College Place Methodist Church. The Catholic representative was not present. Announcements were made and the students were assigned rooms in which to meet the pastor of their church preference.

On Tuesday, October 1, the student body had the privilege of listening to a fine talk by Dean O. C.

Miller of Tennessee College.

The theme of Dean Miller's talk was our duty, as citizens in a democratic country to make democracy work. After giving a brief history of democratic citizenship, he discussed the present trend in Europe away from it. It is, he said, therefore doubly important for us to keep democracy at its best in our country. In order to do so, we must, among other things, understand our government, participate in it, work for the good of the majority, and select intelligent leaders.

We must be willing to serve, to support, and to improve our system of education. All of these things are necessary because, said Dean Miller, "It's up to us to make democracy work."

# Shrill Chills Come From Kangaroo Case

By MARGARET WILSON

A shrill scream pierced the stillness of the night. Tiny icicles seemed to flow through my veins, and I was filled with such terror that for almost an eternal space of time, I was literally paralyzed. When I finally came to my senses, I threw back the cover, and bounded out of bed. My first thought was to turn on the light, and then something prevented my doing so. I slipped quietly across the room and opened the door. There wasn't a sound, and for a minute, I thought that perhaps I was dreaming, but at that very instant, a cold gust of wind struck me, and if I had been dazed that brought me out of it.

By instinct, I suppose, I realized that some one had just closed a door, I ran to the side door of the dormitory, hoping against hope that I really was dreaming, and that I would find the door locked. As the matron had left it, but to my surprise the door gave away before the impact of my body, and I would have hit the wall, had I not grabbed the door. At that instant, I heard footsteps and a slight rustling sound, as if something was being dragged over the gravel path. I then realized the situation. I could see the entire scene in my mind. Someone had committed a murder, and now was trying to dispose of the body and to cover up any other evidence. I remembered the fish pond at the back of the dormitory—that would be an ideal place to which to drag the evidence. I ran softly down the walk, and turned down the gravel path. As I came to the edge of the pond, my foot struck something soft. I reached down and my hand touched something cold. I felt a scream tearing from my throat, and then sudden blackness enveloped me.

When I came to my senses, I was in the living room of the dormitory, surrounded by a group of amused but slightly frightened upperclass

men. They told me that they had decided to play a joke on the dumb freshmen, and I being not only the dumbest freshman, but the most curious one had fallen for their joke just as they had wanted me to.

When I was normal again, we all trudged to bed, once more a carefree bunch of college girls, ready to plan something else mischievous to do.

## This Is Really A Fish Tale Like You've Always Heard About

Fishing, to Alice McGrain, art student at Miami University is duck soup. Vacationing in Indiana, she cast her baited hook into Big Indian Creek.

Abruptly, a 13-inch bass leaped out of the water and landed with a thud in the bottom of the boat. Miss McGrain took off a slipper and dealt the fish a fatal blow with the heel.

She told the story to an unbelieving cousin and offered to show where it happened. As they rowed to the spot, Miss McGrain said "It was right here."

The words hardly had been spoken when another bass of almost the same size leaped into the boat.

The co-ed again used the slipper technique. "Now maybe you'll believe me," she observed.
