## Students, Faculty Face Busy Days In Future

### May Day May Daze Eds Co-eds With Dizzy Doings

Busy days lie ahead for MTSC students and faculty as the academic year draws to a close. The past few weeks have seen a rash of picnics and dinners, initiations, class elections of officers, club and church camps and outings, to be climaxed with the commencement program on May 31.

Beginning tomorrow, Thursday, May 9, the schedule is as follows:

May 9—8 o'clock—pre-registration Tennessee room, 10:30—Assembly; 6 o'clock—senior picnic, Cumberland Presbyterian dining room; AAUP dinner; 7 o'clock—BSU banquet, dining room B; Church of Christ dinner, McKnight's restaurant; 7:30—Recital in auditorium.

May 10—Guidance and testing; 7 o'clock—Phi Sigma Beta dinner-initiation, dining room B; 7:30—movie.

May 11—A.S.B. picnic on campus; 7:30—Mr. Howard concert, auditorium; 8 o'clock—Four Preps in the gymnasium.

### "Spring In May" Prom Theme

"Spring in May" was the theme of the annual Junior-Senior Prom, held May 3 in the auditorium.

Tommy Dorsey and his orchestra provided the dance band music for those attending.

The semi-formal dance was beautifully decorated with four huge May poles accentuated with varying colored streamers flowing from them. The roof was draped in blue and white crape paper — all of which served to furnish an atmosphere of spring.

The prom was sponsored by the junior class. Lucille McElhannon and Sharon Smoyer represented the junior class, as attendants to the queen.

The candidates for queen included Jean Bonnie, Cynthia Olthant, and Jenny Miller.

Jenny Miller was chosen queen of the prom by those who attended.

### Young Artists Begin Spring Recitals

The first spring semester Young Artist Recital was held Wednesday night, at eight o'clock in the college auditorium.

Linda Davis, James Hobby Patricia Porterfield, Don McLain, Lynn McGill, Marylynn Nuckels, and Betty King Hughey, were featured performers.

The program followed the order presented.

Cantabile et Sohergetto — Gaubert; Linda Davis, cornet soloist, Pat Porterfield, Accompanist.

Sonata, Allegretto, Opus 167—Saint-Saens; James Leonard Hobby, clarinet, Margaret Wright, accompanist.

Concert Piece—Painpare-Vexaan; Don McLain, tuba soloist, Pat Porterfield, accompanist.

En ferment des yeus (Maneu)—Massenet, Eugene on Money—Raphling; Lynn McGill, tenor, Margaret Wright, accompanist.

Fantasia in f minor, Opus 49—Chopin; Pat Porterfield, pianist.

Verbergenheit—Wolf, Me Company Alone—Hageman; Betty King Hughey, soprano, Margaret Wright, accompanist.

Piano Concerto in C Major, Allegro, Opus 15—Beethoven; Mary Lynn Nuckels, pianist.

May 13—7:30—Starlight concert, music building.

May 14—Student variety and recognition, auditorium at 10:30; 11 o'clock, Council on Teacher Education, dining room A; 5:30—Pi Gamma Mu, dining room B; 6:30—Buchanan Players, auditorium; 7:30—A. W. Powell, Reading Hour.

May 15—3:00 Dames Club; 4:00—Student Recital, Fine Arts Building; 6:00—Newman Club, SUB-201; Church of Christ Group, SUB-DRB; Westminster, SUB-301; Canterbury Association, SUB-DRA.

May 16—11:00—SNEA—SUB-304; 8:00—Spring Concert, auditorium.

May 17—7:30—Fun Night.

May 18—7:30—Movie.

May 19—4:00—Senior Recital.

May 20—5:30—Midlander picnic; 7:30—Young Artists Recital, auditorium.

May 21—6:00—All Sports Banquet, Tennessee Room; 6:30—Buchanan Players, auditorium.

May 22—6:00—Newman Club, SUB-201; Church of Christ Group, SUB-DRA; Westminster, SUB-301; Canterbury Association, SUB-DRA.

May 23—10:30—Assembly.

May 24—7:30—Fun Night.

May 25—6:00—Alumni Banquet, Tennessee Room. Recognition of distinguished alumni and senior class members.

May 26—4:00—Men's Chorus, auditorium.

May 31—5:00—Convocation, Football Field.

### Scholarships Available For Dramatic Students

The most comprehensive move ever made to encourage the art of creative writing for the performing arts has been announced by Mr. Jules C. Stein, chairman of the board of MCA Inc., parent company of Universal Pictures, Review TV Productions and Decca Records.

Mr. Stein revealed the completion of negotiations establishing MCA fellowships in creative writing in 15 of the Nation's leading universities.

The fellowships will cover both tuition and living expenses for a full academic year.

The program exceeds in scope and financing any previous such effort attempted in the past.

The Four Preps attracted capacity crowd last weekend in auditorium.

## First Holiday Weekend Proves To Be Successful

Successful is a word which sums up all the events of Holiday Weekend.

A barbecue lunch was held Saturday morning. This picnic lunch was enjoyed by approximately 350 people. The lunch was served from tables placed in front of the student union building.

Booths were displayed by several campus organizations.

Buddy and the Journeymen played for the combo party in the Tennessee room of the Student Union Building. This dance was free to all students and was attended by a large number of individuals.

The highlight of "Holiday Weekend" was the appearance of the Four Preps on Saturday night in the Memorial Gymnasium. These four top entertainers performed to a large audience representative of the enthusiasm contained by MTSC students. Among the musical numbers were "Mariah," "Take off on Other Vocal Groups," and

"Heart and Soul." A fabulous door-prize was presented at this performance—a lollipop!

This "Holiday Weekend" was the first such occasion at MTSC, and it is hoped this will become an annual event.

## All Students May Attend Summer Semester

Dean John E. Weems has announced that a student who was dropped for academic deficiency at the end of the fall semester or who needs to raise quality points after the spring semester may enter the MTSC summer school, which begins June 10.

This special consideration is given only to MTSC students and does not apply to those from other colleges who seek to make up work.

## ASB Plans Vivid Mural For Terrace Room Walls

Dr. Quill E. Cope has approved the plans recommended by the Associated Student Body Congress in connection with the redecoration of the Terrace Room.

The art club has undertaken this project which is scheduled to be completed three weeks after the spring term is over. Charles Massey, the art club president, and his committee under the direction of Mr. Joe Orze, head of the art department, are in charge of this project.

A large metal abstract raider backed on plywood will be placed on the metal screen above the utility counter.

Murals of campus life depicted by abstract paintings in vivid colors will be placed at various places in the Terrace Room. Hugh murals will reach from the ceiling to the baseboards on the parallel walls in the game room. A long mural will be placed above the phone booth and double doors in the back

of the room. The largest mural will be placed above the door leading into the cafeteria.

The paint has already been purchased, and the walls washed in preparation for this project.

## College-Community Concert Set For May 16 At Eight

The College-Community Orchestra of Middle Tennessee State College will present a spring concert, Thursday, May 16, at 8:00 p.m. in the college auditorium. Michael Gattozzi, a member of the college music department faculty, is conductor.

Featured soloists with the orchestra will be Frederick Wilkins, professional flutist, and Miss Patricia Porterfield, student pianist.

Mr. Wilkins, an internationally known flute soloist, is presently vice-president in charge of development and quality control of Artley, Inc. He has made clinic and concert appearances throughout the United States. During his professional career, Mr. Wilkins has been solo flutist with the Radio City Music Hall Orchestra, appeared with the Honolulu Symphony Orchestra, the Firestone Orchestra, and the New York City Opera and the New York City Ballet.

Miss Porterfield, a junior at MTSC from Nashville, will appear with the orchestra after being afforded the honor as winner of an open competitive contest to choose a soloist.

Besides being featured as soloist, Mr. Wilkins will conduct two flute clinics on the day of the concert. One will be held for college music majors, directors, and specialists, from 10:30 to 12:00, Thursday morning, May 16, in the Choral Hall of the Fine Arts Building. The second clinic will be conducted immediately following the concert Thursday night. The short period will be spent in demonstration and the answering of special problems primarily for elementary and high school students and their directors.

Anye Cantrell as the exotic Lotus Blossom does the geisha dance in a climax of the "The Teahouse of the August Moon" presented last week by the Buchanan Players. Villagers and American army officers appearing in the scene include Scottie Ward, Ann Petty, Linda O'Brian, Clark Tucker, Jennifer Howard, Parri Ordoubadian, Ronnie Dooley, Dan Vroom, Larry Sanders, Bill Hunter, Ronnie Dooley, Jim Walls, Carole Sanford, Bob Kite, Floyd Kephart and Larry Stanley. A. W. Powell, as Sakini, the lead male role is seated just to the left. Bob Turman and Aubrey Parker were other male characters in the show.

## University Professors Honor Seventeen Seniors

Seventeen Middle Tennessee State College seniors will be honored by the local chapter of the American Association of University Professors at a May 9 dinner at the Cumberland Presbyterian Church. Dr. Edell Hearn, an MTSC alumnus, director of the school of education at Tennessee Polytechnic Institute will be the principal speaker.

Three members of the January class, three to be graduated in August and eleven from the June class are among the honorees. Mrs. Elizabeth Dillion Boyer of Manchester, a major in political science, lead the class. She graduated in January. Top man in the

## Faculty, Students Attend SUSGA

Tenth annual conference of the Southern University Student Government Association was held in Pleasant Hall at Louisiana State University.

Delegation from M.T.S.C. consisted of Martha Hampton, Dean of Women; Bob Turman, president of Associated Student Body, Joyce Sherrill, ASB vice president; A. W. Powell, new A.S.B. president; Sally Smith, recently elected A.S.B. vice president, Dennie Welch, Steve Bebb, and Norman Martin.

More than 300 student leaders attended the conference representing 58 colleges and universities throughout the South. The program of the meeting consisted mainly of panel discussions on various phases of student government. Administrative officials of the various member schools acted as consultants at the panel discussion. Many of the panels were divided into sub-groups by the size of the school.

Delegates to the conference were entertained by Peter Nero, The Journeymen, Knob Lick Upper 10,000, and San and Sylvia.

A. W. Powell was presented as member of panel discussing the roll of class and school organizations in the student government.

Joyce Sherrill was panelist for group discussing entertainment for schools with an enrollment of over 3,000 students.

## Industrial Arts Club Holds Surprise Banquet

The Industrial Arts Club held a surprise honor banquet Saturday night at Stones River Country Club.

Mr. Philip Dalton was the honored guest of which he was unaware until Mr. O. L. Freeman, guest speaker, said, "This Is Your Life, Mr. Dalton." After a review of his life, Mr. Dalton was presented with a gold pocket watch by the Club president, Lewis Moorer, Jr. Inscribed on the back of the watch was "In appreciation of dedicated service."

There was a pictorial review of the Club's activities throughout the year.

The guest list included faculty members and many past outstanding Industrial Arts students. Sixty club members and their dates were present.

At the end of the program, Lewis Moorer, Jr., was named "Outstanding Industrial Arts Student" by the Department Head, Edwin Voorhies. This student is chosen by the Industrial Arts faculty members on the basis of scholastic achievement, leadership and character.

## Jo Nell McCollum Presents Organ Recital

Miss Jo Nell McCollum, a senior at Middle Tennessee State College from Loudon, presented an organ recital Tuesday, at 8:00 p.m. at the First Presbyterian Church.

Miss McCollum is a student of Margaret Wright of the MTSC faculty, and is presenting the concert as a partial fulfillment to obtaining her undergraduate degree as a music major.

The program will include works by the following composers: Marcello, Hayden, Bach, Brahms, Bonnet, Vienne, Boelmann, and Fletche.

June division is Herbert C. Jones with a 3.89 average. Jones is from Lebanon and is an accounting major. Mrs. Bettye Faye Dye Glover, with an average of 3.83 is third. She is a music education major from Portland. Claudine Prowell of Lebanon is fourth in the combined classes with an average of 3.819. She is a music major.

Others who have a four year average above 3.55 are Russell A. Locke, Fayetteville, social science major; Charles H. Paris, Jr., Murfreesboro, chemistry major; William Ronald Lycans, Logan, West Virginia, accounting major; Leah Margaret Dangler, Dunlap, German major; Wayne Larry Houk, Murfreesboro, chemistry and math major; Charles H. Oldham, Hartsville, social science major; Roy Cherry Shelton, Nashville, mathematics major; Geddes Noble, Huntsville, Alabama, mathematics major; Evelyn McCrary Frye, Hendersonville, social science major; Virginia Carolyn Callis, Nashville, home economics major.

Three members of the August class, currently averaging between 3.60 and 3.70 who are expected to graduate with the academic average above 3.55 are Judy Johns, Murfreesboro, mathematics major; Nancy Rushing, biology major and Charles Durham, English major. All are from Murfreesboro.

E. W. Midgett is chairman of the MTSC chapter of the AAUP. Clayton James is in charge of the program.

DR. SIDNEY G. HACKER

One of the most popular addresses of the year was presented by the mathematics department Thursday when Dr. Sidney G. Hacker of Washington State University gave a discussion of "The Structure of the Universe."

Following his address Dr. Hacker was surrounded by students with pertinent questions. He expressed his pleasure at the interest and alertness of MTSC students in the field of astrophysics.

Philip Dalton, associate professor of industrial arts, receives a watch from Lewis Moorer, Jr., as a climax to the Industrial Arts Club banquet.

## Wesley Members Visit Standing Stone Park

Standing Stone State Park was the location of the recent Wesley Foundation, Methodist organization

Monty Wanamaker, former art major at MTSC, received outstanding press notices by St. Louis newspapers last week for his art exhibit there. He was described as the "youngest curator" in the United States. Mr. Wanamaker was last at MTSC in 1960.

on campus, semi-annual retreat.

This organization invited guest speakers and chaperons to attend the retreat. These were Mr. Fesmire of the Industrial Arts Department and his family, Bob Chaster, Pat Hollis, and the Wesley director, Joel Underwood, and his family.

The purpose of this meeting was to plan future work and improve upon the present program of its foundation. All old and new officers were required to attend.

Vespers, group discussions and various types of recreation such as boating, volleyball, and hiking were enjoyed by those attending.

Among those who journeyed to Standing Stone State Park were Jay Allen, Vickie McComb, Maryedith Martin, Bob Chastin, Ann Gentry, John Witaker, Marcia Emmert, Betty Batts, Betty Jane Spry, Joan Bates, Ed Martin, Tom Swift, Juanita Beasley, James Gentry, Bill Russell, Ronald Adcock, and Rose Ann Conner.

## Alumni Named Alaskan Director

William R. Woodfin, a Middle Tennessee State College alumnus from Jasper, has been named Vocational Educational Director for the State of Alaska.

Mr. Woodfin, who received his Master of Arts degree from the University of Tennessee and later spent five years as State Supervisor of Industrial Education with the Arizona Department of Vocational Education is presently Supervisor of Trade and Technical Education for the city of Seattle, Washington.

Mr. and Mrs. Woodfin and their four children will leave for Juneau early in June and he will assume his new post as head of the Vocational Education Division of Alaska on July 1.

## Are We Educated Or Wise?

In the book of Proverbs (4:7) there appears this comment which we should meditate upon seriously: "Wisdom is the principal thing; therefore, get wisdom."

This observation is as true today as in the ages of the early Israelites. We all recognize the importance of wisdom and the necessity for getting as much of it as we can for ourselves if we want to lead successful and happy lives. Upon this theory public schools were founded and children were required to attend these schools until they reached an age when they were considered self-sufficient. We have done everything possible to extend to our young people the opportunities for acquiring wisdom. Most of our own ancestors suffered because of their lack of education and made sacrifices to give us and our children better opportunities than they enjoyed.

Our many fine public schools and well-qualified teachers stand as a monument to the progress of civilization. They also stand as an unfortunate example of the fact that you cannot inject wisdom into a person merely by presenting that person with the opportunities for education.

As a nation we are the best educated people in the history of the world. I would hesitate to make the statement that we are the wisest. I would even not risk the opinion that we are the best informed and best read of all the people. Perhaps we are the most read when we consider the multitude of newspapers, magazines and books published regularly in our country. I wonder, however, how many people actually read from the beginning to the end the books which are published. Very few of our so-called educated men and women who have ever been graduated from high schools and colleges ever read all the way through a single worthwhile book after they leave college.

We begin to see that there is some difference between wisdom and education. There are also some differences in knowledge, according to the way in which it is acquired. Knowledge may be acquired by exposure when the students attend classes in a school. Knowledge also may be acquired through the searching efforts when the individual seeks that knowledge and digs it out for himself through books and studies to which he gives his concentrated attention.

The men and women who succeed in life and avoid the pitfalls of temptation and evil are those who make the effort to think. Let us not be fooled. Thinking is a task which requires considerable effort and concentration. It is not easy. That is why so many people try to get by in life without making the effort to think.

The purpose of study is to get us in the habit of thinking. Once we get this habit we can begin to direct our own lives and not be the victims of impulse or thoughtless actions.

If we want to have a better way of life and a higher standard of living, on a nobler plane of morality, we must learn how to think. There is only one way to gain such instruction and training. That is through study. We cannot minimize the value and importance of study or the work that our schools are doing. This work in our schools has effect only when proper co-operation is obtained from the students. The big problem facing our nation is not that of more schools or more subjects to teach but rather a way to bring all our students into the work of the schools so that they will concentrate on their studies and learn how to think.

As students let us do our part, in an effort to get the most from our education.

F. W. K.

## Students Lack Interest

"What has happened to the intellectual curiosity of students on the MTSC campus?" Mr. Gattozzi, of the MTSC Music Department, earnestly asked this question, then continued, "On most college campuses students take an intellectual interest in lectures, art, exhibits, musical productions and other facets of college life. Going to classes is not all that is important on a college campus. Unless students attend such cultural functions, they are missing a great deal that a college environment has to offer.

In my opinion, there are three possible reasons why students do not attend programs. These are as follows: apathy, they just do not care; ignorance; or doubt as to the quality of the performance.

We, in the Music Department, are constantly striving to improve the quality of our performances. For example, we have asked Mr. Fred Wilkins, a nationally known soloist to appear with the College-Community Orchestra in its concert Thursday evening, May 16, at 8:00 P.M. He is a professional flutist and has appeared with Radio City Music Hall, the New York City Opera, the New York City Ballet, and was for many years flutist with the famed "Voice of Firestone" Orchestra.

Another example of our constant striving is our open competition in which a student is chosen to solo with the orchestra. As a result of this, Miss Pat Porterfield, music major from Nashville, has been invited to perform a movement of Mozart's Piano Concerto No. 24. In addition to this, the orchestra will perform the powerful Coriolanus Overture by Beethoven, a Concerto Grosso by Handel and the Peer Gynt Suite No. 1 of Grieg's."

The humanities are being neglected by far too many students on the MTSC campus. This concert is an opportunity, free of cost, for all students to become better acquainted with the Fine Arts. Taking advantage of it can help each of us to become a well-rounded individual.

## Campus ASB Social Committee, Co-ordinates Body

The Social Committee is the co-ordinating body of social functions on this campus. Among their many responsibilities is the acquiring of bands, providing of publicity, and working at fun nights.

It is also their duty to plan and publicize the various movies which are shown on the week-ends. A big part of this committee's job is the promotion and the selling of tickets to the big name entertainments which have been on this campus this year as the Four Preps. It was their duty to assist in planning Holiday Week-end and upon their capable shoulders fell the primary responsibility of publicizing this event.

Joyce Sherrill, A.S.B. vice-president, is the chairman of this committee. Her committee members are: Phil Clayborne, Ernestine Harris, G. R. Turner, Ken Pruitt, Betty Westmoreland, Bobby Mason, Steve Pitts, Perry Potts, and Nadine King.

This committee is always open for suggestions especially concerning the planning of activities of activities for the future.

Hats off to this committee!

## LETTERS TO THE EDITOR

Dear Editor:

I recently wrote a letter to the Sidelines, in which I pointed out certain internal conditions now existing in our institution which seem to lower the "rating" of our school. Since that time, I have been approached by many people asking the following question. Why do these situations exist? Why does the administration take the stand they do on certain questions? What can be done about our present situation?

I hate to admit it, but the truth of the matter is this: the answer to almost all our problems lies in the students attitude toward this school.

We can never have a first class school as long as we (the students) pack our suitcases every week-end and run home to mama. We can never have a great amount of school spirit when WE won't go to school sponsored activities. We can never have a better environment in which to live unless we prove we can take enough pride in what we have, to keep from destroying it. We will never have more student privileges until WE protest to the administration on policies we don't like and are interested enough to try and coordinate our differences with them in order to obtain a medium.

These are just a few of the faults WE the students are guilty of on this campus. We enjoy sitting back on our haunches complaining about the present situation but we hate to think of the possibility of doing anything about it.

Until we the students can prove there are certain things we want, we deserve, and are willing to work and fight for, the present situation will continue to exist. It's up to US let's get on the ball!

Floyd W. Kephart, Jr.

## So You Think You Can Win

The following illustration may prove the old proverb of "what ever you do its bound to be wrong.

If a man's after money, he's money-mad; if he keeps it, he's a capitalist; if he spends it, he's a play-boy; if he doesn't get it, he's a ne'er-do-well; if he doesn't try to get it, he lacks ambition.

If he gets it without working for it, he's a parasite; and if he accumulates it after a life time of hard work, people call him a fool who never got anything out of life.

Theres more truth than poetry in those two paragraphs. They just prove that whatever you do — it's bound to be wrong.

Floyd Kephart

## Carson McCullers Depicts The Loneliness Of Man

Man is by nature a lonely creature, constantly searching for a means of communication. *The Heart Is a Lonely Hunter* by Carson McCullers is concerned with this struggle of human beings to build bridges of communication between their separate islands of loneliness.

The novel centers around John Singer, who is a deaf mute living in a small Southern town. For ten years, Singer and his deaf-mute friend, Antonapoulos, are constant companions. One day, Antonapoulos becomes violently ill and has to be taken to an asylum. After his departure, Singer is encircled by a group of people who are determined to tell him their troubles.

There is Mike Kelly, an adolescent girl longing to express herself in music; Jake Blount, a bloun-

dering labor agitator who is determined to rid the world of its capitalistic curse; Biff Brannon, owner of the neighborhood cafeteria; and Dr. Copeland, a Negro patriarch who children have shattered his dream for his race.

Although Singer cannot talk to them and seldom understands all they say, these people feel that he is a fortress of strength, wisdom, and understanding. Unknown to them, Singer is himself a lonely man, waiting for the cure of Antonapoulos. Three times he visits the sanitarium hoping to re-establish their friendship. Antonapoulos does not respond, but Singer feels the time will come; so he waits.

On his third visit to the asylum, he is faced with a fact so unexpected that it brings this almost peacable book to a startling climax.

Mrs. McCullers has peopled her book with the down-trodden and under-privileged of the world. She is to be commended for the expert ease and justice with which she handles the Negro characters. She seems to realize that all humanity both black and white are enveloped in this endless battle against loneliness.

## Senior Feels Responsibility

"During my three years at MTSC, I have been well aware of the beauty and friendly atmosphere on our campus. I feel that it is the responsibility of every student to endeavor to uphold our traditions and to strive for the improvement of our campus at all times."

This remark was made by Barbara Meeks, a senior from Coal-mont, Tennessee.

Barbara has been selected for Who's Who this year; is a member of Tau Omicron, treasurer of Pi Omega Pi, member of SNEA, and is on the MIDLANDER staff. Last year she was secretary of Wesley Foundation. Barbara is a member

BARBARA MEEKS

of the MTSC bowling league.

She has been on an academic work schedule the three years she has been here, and she works in Dean Keathley's office.

Barbara is a Business Education major and she plans to do secretarial work after graduation in August.

## MTSC Fashion Shots

By Ernestine Harris

Madras plaids are a rage which has hit the entire country reaching its peak this spring.

This fabric originated in India. The imported handwoven East Indian madras is completely handwoven from yarns dyed with native vegetable colorings. These yarns bleed and blend together to give the fabric intermingled and subdued colorings, which make it distinctive. No two pieces of authentic madras are exactly the same because the primitive looms of the native weavers are individualistic in color and pattern. Frequently the weaver adds his own whims and fancies while designing and weaving the material. Imperfections in madras are not disastrous—to the contrary, it adds interesting notes to the texture and character.

Blazers, skirts, headscarfs, headache bands, billfolds, purses, blouses, burmudas, suspenders, and raincoats are only a few of the madras plaid articles possessed by the MTSC coed.

Men students also appear to be sporting madras in coats, ties, belts, shirts, burmudas, pocket handkerchiefs, and even tennis shoes.

A word of caution—many American designers have been copying the original madras prints and

has developed fabrics which do not bleed. When looking for the original, make sure "guaranteed to bleed" is on the label or tag. Another point to remember in selecting madras accessories is that they do not necessarily have to match.

Enjoy your madras plaids but avoid tossing the article in the washing machine—you might have a sudden color change in your wardrobe!

## Vets Club Support "Glasses Fund"

By John Yokley

Veterans club announced that their "glasses fund" project is now self-supporting. Dean N. C. Beasley has been named the fund administrator.

This fund was established for the purpose of purchasing glasses for students entering college who need glasses, but were unable to buy them. This fund has been available to M.T.S.C. students since 1957.

## Home Ec. Girls Sponsor High School Career Day

Registration was held between the hours of 8:00 and 10:00. Betty Jane Graham, College Grove sophomore, was chairman of registration. Refreshments were served preceding the program by a committee headed by Virginia Warner, Chapel Hill.

Margaret Vaughn, a senior from Nashville, presided over the Career Day program. Dr. Will Bowdoin, Director of the School of Education gave the welcome address followed by group singing led by Beverly Montgomery, Shelbyville.

Miss Margaret Putman, head of the home economics department, spoke to the audience on "The Image of Your Career in Home Economics."

"Campus Capers" was the topic Sally Smith, Centerville, chose to speak on concerning campus life at MTSC.

The entertainment phase of the program was presented by a committee whose chairman was Carolyn Simmons, Shelbyville. Ernestine Harris, Lebanon, narrated a fashion show entitled "Clothing Images from MTSC." The following girls modeled dresses they made themselves ranging from sportswear to formal wear—Nancy Webb, Carolyn Gwaltney, Nancy Moore, Emily Nicholson, Kay Gupton, Lucia Yearger, Sally Smith, Carolyn Williams, Nancy Hammer, Judy Smith, Betty Moore, Mary Kidd, Lori Hodge, Lois North, "Bo" Witt, Beverly Montgomery, Linda Kelley, Judy Davis, Brenda Cobb, Jody Murray, and Darlene Harbin.

Tours of the campus with special emphasis on the home economics building and home living center were directed by Pat Holden, Betty Robinson, Betty Bissel, Betty Jane Graham, Carolyn Wil-

liams, Lori Hodge and chairman, Elaine Hailey.

Luncheon was provided in the college cafeteria climaxed this occasion.

## Error, Judgment Cause Accident

Nearly nine out of every 10 casualties on the nation's highways in 1962 were caused by human error and lack of judgment. The speedster still ranks as the Number One Killer on the road.

These and other grim reminders were disclosed in a report issued by The Travelers Insurance Companies. The report is compiled annually from information provided by state motor vehicle departments.

Of the 40,500 persons who lost their lives in traffic accidents last year, 32,300 died in accidents caused by driver error and traffic law violations. Moreover, according to the report, nearly 3,000,000 persons were injured in auto mishaps blamed on drivers' mistakes.

The fast driver continued to be the greatest menace on the highways. Nearly 13,000 deaths and more than 1,145,000 injuries were directly attributable to excessive speeding.

A Travelers spokesman pointed out that—like the majority of accidents—most highway casualties could have been avoided. They were caused by human failure, he said, and it is clearly evident that our biggest task is to get this message across to the American public.

"If we can do this effectively," he added, "we have an opportunity to make dramatic improvements in the field of traffic safety."

## EXCHANGE Peabody Lacks Support

Peabody students are complaining about the lack of seating facilities to view spring sports. The college contends that students do not support sports. The question was raised, "How are we supposed to support them when the school itself does not display enough interest to furnish places to sit?"

Portable bleachers used during the summer months for outdoor entertainment used on the athletic field in the spring may be the solution to this problem.

Austin Peay College freshmen dormitory girls Harned Hall, have proved that college students have "miles and miles of heart."

These freshmen has taken on the sponsorship of a family in Athens, Greece who they are helping with financial aid, encouragement, and hope.

By giving 12 cents each month every girl makes a contribution toward the 150 dollars a year that is sent to help the family increase their income and become relatively self-supporting.

Men students at the University of Chattanooga are complaining about the antiquated facilities provided in dormitory rooms.

A comparison of the women student's rooms with that of the men's is almost ridiculous.

**Keepsake®**  
THE ENGAGEMENT RING WITH THE PERFECT CENTER DIAMOND

True artistry is expressed in the brilliant fashion styling of every Keepsake diamond engagement ring. Each setting is a masterpiece of design, reflecting the full brilliance and beauty of the center diamond . . . a perfect

gem of flawless clarity, fine color and meticulous modern cut.

Authorized Keepsake Jewelers may be listed in the Yellow Pages. Visit one in your area and choose from many beautiful styles, each with the name "Keepsake" in the ring and on the tag.

COOPER Ring \$500. Wedding Ring 50.00.—RIVIERA Ring \$300. Also to 975.—ROBBINS Ring \$150. Wedding Ring 50.00.

All rings available in yellow or white gold. Prices include Federal Tax. Rings enlarged to show beauty of details. ®Trade-Mark registered.

Lewis Shoots Ace

Dan Lewis of Hendersonville, a first year player on Coach E. K. Patty's MTSC golf team, scored a hole-in-one during a warm up for the Southern Intercollegiate Golf Tournament at Athens, Ga.

The Hendersonville sophomore had his ace on the 160-yard eighth hole with a 5-iron.

Students Named For Summer Air Tour of Europe

Thirty nine days in Europe will be enjoyed by 40 Middle Tennessee State College students and some other Tennesseans on the fourth annual "Geography Field Trip" this summer. The group will leave Berry Field June 6 at noon and will return July 14. Dr. Ed Baldwin, head of the geography division at MTSC, will lead the group on a tour of 16 European nations or political sub-divisions.

Those participating are Mrs. Alie W. Berryman, Mt. Pleasant; Mrs. Loleta Cartwright, Shelbyville; Tom Crowe, Columbia; Mrs. Louise S. Crowe, Columbia; Mrs. Josephine DeBerry, Savannah; Mrs. Una Mae DeBerry, Savannah; Donna Duke, Memphis; Ruth Ann Ford, Nashville; Carole Frye, Nashville; Joe Guffey, Shelbyville; Mrs. Souci H. Hall, Manchester; Mrs. Nancy Harris, Nashville.

Angela Hulan, Shelbyville; Linda Hunt, Nashville; Mrs. Mary D. Kinzer, Columbia; Mildred Marona, Gadsden, Ala.; Maryedith Martin, Murfreesboro; Rosalee Martin, Murfreesboro; Arlene Mayernick, Nashville; Evelyn McPherson, Nashville; Sharon (Penny) Miller, Marango, Indiana; Mrs. Pauline Nisbett, Murfreesboro; Mrs. Estelle Parsons, Columbia.

Mrs. Christine Reed, Nashville; Mrs. O. B. Rippey, Mt. Pleasant; Mrs. Charlotte Robinson, Williamsport; Joan Simmons, McMinnville; George E. Sloan, Columbia; Mrs. Marjorie Sloan, Columbia; Catherine Smithson, Las Vegas, Nevada; Joe D. VanSickle, Murfreesboro; Mrs. Marylee VanSickle, Murfreesboro; Carolyn Voorhies, Columbia; Evelyn Wheeler, Mt. Pleasant; J. Charles Wheeler, Nashville; Mrs. Betty Wheeler, Nashville; Joan Charlene Wheeler, Nashville, and Diane Wright, Hartsville.

The course will offer six semester hours credit.

Vandy Rally Stops Raiders

The Vanderbilt Commodores closed out their baseball season with a 6-5 revenge victory yesterday over Middle Tennessee State College at McGugin Field.

Trailing 5-2 going into the last of the ninth Vandy scored four times with two out. Jim Waggoner's single scored winning pitcher Bunny Richardson and Terry Geshke with the tying and winning runs.

The win gave Vanderbilt revenge for an earlier 6-2 defeat at the hands of the Blue Raiders. Richardson finished with a 5-8 record. Vandy ended at 6-15.

OVC "Championship Weekend," May 17-18

By Dave Whitaker  
Louisville Courier-Journal — "Championship Weekend" is just around the corner in the Ohio Valley Conference.

Up for grabs May 17-18 are the league's titles in track, golf, tennis and baseball.

Pre-meet favorites are Murray in track and baseball, Middle Ten-

VU Trackmen Whip MTSC

Vanderbilt's thinlies closed out their final meet season with a 79-65 win yesterday over Middle Tennessee State College at Dudley Field Saturday.

The meet was tied at 65-65 after the first 17 events had been run. But Vanderbilt swept the hop-step-jump and the mile relay event for the final 14 points.

Vanderbilt finished the 1963 track season with a 4-2 dual meet record. The Commodores now prepare for the Southeastern Conference meet which will start in Birmingham this coming Friday.

The results:

- 100-yd. dash—Porter (V), Howard (V), Boles (MT), 0:09.65.
- 220-yd. dash—Porter (V), Howard (V), Ladd (MT), 0:22.3.
- 440-yd. dash — Rowland (MT), Houser (V), Minor (V), 0:51.7.
- 880-yd. run—Jerry Smith (MT), Houser (V), Schwartzkopf (V), 2:00.1.
- Mile run—Schrader (V), Dickens (MT), Schwartzkopf (V), 4:41.3.
- 330-yd. Hurdles — Cooper (MT), Boles (MT), Bohner (V), 0:41.2.
- 120-yd. Hurdles — Cooper (MT), Bohner (V), Whittington (MT), 0:15.4.
- 2-Mile Run — Lazenby (MT), Whitehead (MT), Schrader (V), 10:31.2.
- Javelin—Burkhardt (V), Lesesne (V), Anderson (MT), 197 ft., 10 in.
- Shot Put—Watson (MT), Spiak (V), White (V), 47 ft., 11 3/4 in.
- Discus—Gibson (MT), Guffee (V), Burkhardt (V), 150 ft., 8 1/2 in.
- Pole Vault—Herd (V), Pruitt (MT), (no third place), 12 ft.
- High Jump — Dalghren (MT), Dykes (MT), Burkhardt (V), 5 ft., 9 1/2 in.
- Broad Jump—Boles (MT), Minor (V), Fugitt (MT), 22 ft., 11 3/4 in.
- Hop-Step-Jump—Herd (V), Grace (V), Baldwin (V), 41 ft., 3 3/4 in.
- 440-yd. Relay — Vanderbilt (Howard, Minor, Houser, Porter), 0:43.5.
- Mile Relay—Vanderbilt (Howard, Minor, Houser, Porter), 3:25.4.

nessee in golf and Western Kentucky in tennis. However, favorites rarely score a sweep in the spring sports windup.

Spring sports interest is at an all-time high in the O.V.C., for two reasons. First, caliber of competition is the best in the league's 15-year history. Second, points won by the eight member teams in the spring meets will go toward determining the conference's first all-sports champion.

Team point standings entering the final four championship meets of the 1962-63 school year are as follows:

Morehead 28, Eastern Kentucky 27, Tennessee Tech, 26, East Tennessee 25, Murray 22, Middle Tennessee and Western Kentucky 19 each. New member Austin Peay didn't compete for the football, basketball and cross-country championships but will compete in track, tennis, golf and baseball.

Overall all-sports champion of the loop will receive a trophy from the conference.

Now, to study the way the races are shaping up:

BASEBALL—Coach Johnny Reagan's Murray nine already has won the West Division title, will meet the East Division champ in a two-best-of-three playoff for the overall championship. Through May 4, Murray had a 9-0 record in division play. The Thoroughbreds enjoyed a 23-2 mark against all opposition and were riding the crest of a 19-game winning string.

Eastern Kentucky won the 1962 crown in a playoff over Middle Tennessee.

TRACK—Coach Bill Furgerson's Murray outfit will be favored to win the title for the sixth successive year but the Racers aren't the prohibitive choice they've been in recent years. Western Kentucky, revived under new coach Tom Ecker, could win its first track crown in history. Both teams have lost but once this season, to Fort Campbell.

Eastern Kentucky, Middle Tennessee and Tennessee Tech also figure.

Based on season performances, as many as 12 of 16 conference marks could fall during the 1963 meet.

GOLF — Middle Tennessee, coached by Elbert K. Patty, is favored to win its fourth consecutive crown, but Murray in particular poses a top threat.

Middle Tennessee is 6-0 in dual competition, won the T.I.A.C. crown recently. The

## MTSC Finishes Fourth As Host To TIAC Meet

The mile relay, usually buried in a host of events in any tract meet, proved to be the event that gave Tennessee Tech's Golden Eagles a narrow one-point verdict in the TIAC Track meet held here Saturday.

Tied with Union University at 43 all, the Eagles sent Roy Davidson, Robert Fidler, James Lay and William Stewart to the line and the fifth place finish was enough for one point and the team title. Union finished out.

**Middle Tennessee's Bill Gibson bettered a 1948 Discus throw mark, which was set by the University of Tennessee's Norm Meseroll at 144-5. Gibson's toss went 152-11.**

Maxie Boles, MTSC, set a new school record of 23 feet 8½ inches in the Broad jump.

**CALVIN Ross of Milligan equaled a shot put record, which was set up last year, by a 48-5 heave on the part of Harlon Cross, playing out of Union.**

Jim Bryant was selected as the most valuable competitor in the meet amassing 14 individual points with wins in the 220 low hurdles and the 120 high hurdles, a third place broad jump finish, and a fourth spot in the 100 yard dash. Bryant was awarded a trophy for his efforts.

Team scores in the events were: Tennessee Tech 44, Union 43, Sewanee 38, MTSC 37, Austin Peay 30, Milligan 12, Southwestern 10, David Lipscomb 9, Maryville 2 and Chattanooga 0.

Although he finished second Ken Forte established a new MTSC record of 184 feet with the javelin.

## Conference Names MTSC Fourteenth

MTSC ranked 14 in a field of 26 Southeastern, Southern Texas and Ohio Valley Conference golf teams in the 36th annual Southern Intercollegiate Golf Tournament at Athens Wednesday and Thursday. The six man MTSC team shot 312, 24 strokes off the pace set by tournament winner North Texas State.

Other Ohio Valley conference teams finished as follows: Murray 315, Austin Peay 317; Western Kentucky 324, East Tennessee 330, Tennessee Tech 336. MTSC also finished above the University of Kentucky, Mississippi State, University of Miami, George and Sewanee.

One low score of 90 and another 83 probably kept MTSC from finishing in from fourth to sixth place. Of the OVC teams Billy Gramma of Murray State with a 74 was the low man.

Jack Haley with a 76 was low man for MTSC with Gary Head and Larry Gilbert firing identical 78 rounds. Dan Midgett turned in an 80 with Dan Lewis carding and 83 and Charles Mattox a 90. Mike Jenkins of Murray with a 96 had the highest score on any OVC competitor.

## Five Band Directors Announced For Camp

The appointment of five Middle Tennessee high school band directors to the faculty for the annual MTSC band camp this summer has been announced.

They are Joe Van Sickle, director of the Smyrna High School band; James Williamson, director of the Harriman high school band; Tom Tucker, director of the Columbia high school band; Bill Hull, director of the Shelbyville high school band and Bob Lee, director of the Pulaski high school band. Lee, Tucker and Williamson are MTSC alumni.

Joe Smith and Horace Beasley, MTSC band directors, have announced a revised format for the summer band camp. This year the practice of awarding scholarships to a limited number of musicians has been abandoned. Applications from students in grades eight through twelve are now being received.

TIAC coaches met prior to the meet and elected officers for next year. Cleveland Marr of Southwestern was voted in as president, and John Rose of Union re-elected as secretary-treasurer. The group voted to have a cross country event for Nov. 2. It will be held at Union in Jackson. The TIAC track meet next season will be held on May 1 and 2 at Southwestern in Memphis.

Coach Joe Black Hayes was chairman of the event this year. He was assigned by members of the coaching staff and other faculty members.

The results in which MTSC placed:

100 yard dash—Shaeffer (TPI), Chillycutt (APSC), Boles (MTSC), Bryant (Union), Johnson (Sewanee) T: 10.0.

220 dash—Shaeffer (TPI), Chillycutt (APSC), Majors (Sewanee) Ladd (MTSC), Sinkovich (TPI) T: 22.4.

440 yard dash—Taylor (Southwestern).

880 run—J. Smith (MTSC), Lea (TPI), Weitcel (Milligan), Taylor (Sewanee), Stewart (TPI) 1:57.6.

Mile—Rector (TPI), Norris (TPI), 4:28.4.

2 Mile Run—Norris (TPI), 9:52.3, only two tenths second from being a record. 9:52.3.

Mile Relay — Sewanee (Hoole, Seifers, DeSaix), Lipscomb, MTSC, Southwestern TPI, 3:25.5.

Javelin — T. Waters (Sewanee), Forte (MTSC), Kyle (Southwestern), Holladay (APSC), Adams (Union) 186-3½.

Discus—Gibson (MTSC), Hostler (Union), Agnew (Sewanee), Davis (Union), J. Walters (Sewanee) 152-11.

Shot Put—Ross Milligan) 48-5.

Broad Jump — Boles (MTSC), Shaeffer (TPI), Bryant (Union), Sinkovich (TPI), Riggs (Union) 23-8½.

High Jump — Heflin (Lipscomb) 6-5¼.

Poll Vault—Crone (APSC) 12-6.

120 High Hurdles — Bryant (Union), Bradley (APSC), Hooper (MTSC), Colemore (Sewanee) 15.5.

220 Low Hurdles — Bryant (Union), Boles (MTSC), Cooper (MTSC), Scott (Sewanee), Scanlon (TPI) 25.0.

## Golf Team Wins 34

Coach E. K. Patty's team, riding a victory string of 34 straight dual matches, won their fifth consecutive Tennessee Intercollegiate golf championship at Sewanee last weekend.

MTSC's four man squad finished with a total of 612 on the par 74 course. The team of Jack Haley (77-73-150), Gary Head (75-75-150), Charles Mattox (78-77-155), and Dan Midgett (74-83-157) finished the two day tourney twenty strokes over par.

Teammates Jack Haley and Gary Head (the 1962 TIAC medalist) tied for medalist honors, with Haley winning the individual crown on the second hole of a sudden death playoff. Patty was without the services of one of his regulars for the TIAC, when Dan Lewis was hit with a touch of virus on opening day.

## Frank Wells Heads Church Of Christ Group

Members of the Church of Christ group on the MTSC campus have chosen William Frank Wells, of Lewisburg to lead the group next year. He succeeds Jim Maxwell of Murfreesboro.

Steve North, church of Christ minister and law student at Vanderbilt University was the speaker at the Thursday night banquet. The group this weekend will join the University center group of Nashville in a retreat at Montgomery Bell Park. Dan Midgett was master of ceremonies at the dinner meeting Thursday. Olivia McBroom, Patsy Blair, Doug Morgan, Daryle Hubbard and Miss Christine Vaughan, faculty member, provided the entertainment.

## MTSC Stops Vandy Nine By 6-2 Score

Hedrick got off to a shaky start here April 29, but settled down to twirl Middle Tennessee State to a 6-2 win over Vanderbilt in a game which was played in a light drizzle.

The Commodores started off with Hicks Ewing rapping the very first pitch for a single. He tallied the first Vandy run when, after stealing second, he blew across on an error. Elliott Hembree, walking behind Ewing, scored also in the Vandy first on a single by Carl Childress.

MTSC came back with three runs in the fourth. Bill Jones walked, then Billy Martin whacked a homer over the left field wall. Eddie Hobson kept things alive with a walk, Richard Davenport singled Hobson to third, and George Atwood's sacrifice fly scored Hobson. The one run margin that the Raiders got here was increased as the game wore on.

Martin paced the Raider attack with two hits, his homer and a double, in four trips, while Ewing was getting two for five for Vanderbilt.

## Thinlies Boast 4-1 Record

Middle Tennessee State and Western Kentucky competed under the lights in a dual track meet here.

Coach Joe Black Hayes' thinlies have a record of four wins and one loss for the season. The Bluemen were downed by rugged Murray State last Friday, after gaining wins over Austin Peay, Tennessee Tech, and Sewanee in dual meets, and a triangular victory over TPI and Austin Peay.

Against Murray, MTSC's Gene Watson broke the Blue Raider record in the shot put. His 46-11½ throw bettered his own mark of 45-4¼ against TPI this season.

## John Bradford Wins Wall Street Journal Award

John Day Bradford, a senior from Fayetteville, Tennessee, has been named the recipient of the Wall Street Journal Student Achievement Award. This award is based on the highest scholastic average of any graduating senior, majoring in Economics.

The award, which consists of a silver metal and a years free subscription to the Wall Street Journal, will be made at the recognition assembly for honor students on May 23. His name, also, will be engraved on the permanent plaque in the Economics Department.

Bradford is the son of Mr. and Mrs. Woodrow Bradford of Fayetteville, Tennessee. In addition to his major in Economics, he has minors in Political Science and English. He is a member of the Sigma Club and has had considerable experience on the College Debate Team.

Mr. Bradford will be commissioned second lieutenant in the regular army in transportation, detailed to armor.

## Four Raider Rifles Score Victory Over Vanderbilt

The Middle Tennessee State College Raider Rifles traveled to Nashville Friday 26 April 1963 with a four man team to compete against the rifles of Vanderbilt University.

Vandy fired a total of ten shooters and picked the top four scores for the match. The MTSC four shooting under this handicap still came through to win with a total score of 983 to Vanderbilt's 928. This made a total of six wins and 2 losses for the season.

The four man team of MTSC consisted of David Kinney, Murfreesboro, who fired a 226, James Arnold, Arrington, with a 250, Patrick O'Connor, Chattanooga and Charles Tucker, Murfreesboro, with a 263 and 244 respectively.

David Kinney is the MTSC Team Captain and James Arnold is the Team Co-Captain. SFC Don Findley of the ROTC Dept. is the Team Coach. High score for the match was a 263 fired by Pat O'Connor.

## HOW TO SEE EUROPE FOR ONLY \$300 A DAY: NO. 3

When all of you go to Europe during your summer vacation, you will certainly want to visit Spain, where the tall corn grows,

The first thing you will notice upon entering Spain is the absence of sibilants. In Spain "s" is pronounced "th" and thereby hangs a tale. Until the reign of Philip IV—or Guy Fawkes, as he was sometimes called—Spaniards said "s" just like everybody else. Philip IV, however, lisped, and Spaniards, having an ingrained sense of propriety and not wishing to embarrass their monarch, decided that *everybody* should lisp. This did indeed put Philip IV very much at his ease, but in the end it turned out to be a very bad thing for Spain. It wrecked the sassafras industry—Spain's principal source of revenue—and reduced the nation to a second-class power.

to keep body and soul together

As a result, Spaniards were all forced to turn to bull fighting in order to keep body and soul together. Today, wherever you go in Spain—in Madrid, in Barcelona, in Toledo, in Cleveland—you will see bulls being fought. For many years the bulls have sought to arbitrate this long-standing dispute, but the Spaniards, a proud people who use nothing but Castile soap, have rejected all overtures.

It is therefore necessary for me to explain bull fighting to anyone who is going to Spain. It is also necessary for me to say a few words about Marlboro Cigarettes because they pay me for writing this column, and they are inclined to pout if I ignore their product. In truth, it is no chore for me to sing the praises of Marlboro Cigarettes, for I am one who fairly swoons with delight when I come upon a cigarette which gives you the full, rich taste of good tobaccos plus the pure white Selectrate filter, and Marlboro is the only smoke I have found that fulfills both requirements. Oh, what a piece of work is Marlboro! The flavor reaches you without stint or diminution. You, even as I, will find these statements to be happily true when once you light a Marlboro. Marlbors come to you in soft pack or Flip-Top box, and are made only by the makers of Marlboro.

But I digress. Let us return to bull fighting. Bulls are by nature bellicose creatures who will keep fighting till the cows come home. Then they like to put on pipe and slippers and listen to the "Farm and Home Hour." However, the Spaniards will not allow the bulls any surcease. They keep attacking the bull and making veronicas—a corn meal pancake filled with ground meat. Bulls, being vegetarians, reject the veronicas and then, believe you me, the fur starts to fly!

To be perfectly honest, many Spaniards have grown weary of this incessant struggle and have left their homeland. Columbus, for example, took off in three little ships—the Patti, the Maxene, and the Laverne—and discovered Ohio. Magellan later discovered Columbus. Balboa also sailed to the New World, but he was silent on a peak in Darien, so it is difficult to know what he discovered.

Well sir, I guess that's all you need to know about Spain. So now, as the setting sun casts its rosy fingers over El Greco, let us take our reluctant leave of Spain—or Perfidious Albion, as it is jocularly called. Aloha, Spain or Perfidious Albion, aloha!

© 1963 Max Shulman

**Murfreesboro Federal SAVINGS & LOAN ASSOCIATION MEMBER FSLIC**

West College  
Murfreesboro, Tennessee  
893-2174

Let us not, however, take our leave of smoking pleasure. Let us keep enjoying those fine Marlboro Cigarettes—rich, golden tobacco—pure white Selectrate filter—soft pack or Flip-Top box—available in all fifty States of the Union.

"Band of Blue Souvenir III" is the title of the latest record of the Middle Tennessee State College recording, which goes on sale at the college bookstore May 20. The band, concert portion of which is under direction of Horace Beasley and the marching band directed by Joe T. Smith, has seven numbers on the record. Topside is "Comandante Marche Espagnole" by Guentzel; "Prairie Overture" by Ward; "Crown Imperial" by

Walton-Duthoit; and "Holiday for Winds" by Osser. The flip side selections open with "La Fiesta Mexicana," with three movements, Prelude and Aztec Dance, the Mass, and the Carnival. The band will play in Nashville during President Kennedy's visit Saturday.

## Welch Elected Officer Of Government Convention

Denny Welsh, an MTSC junior who has distinguished himself as an outstanding leader locally, was elected vice-chairman of Tennessee at the Southern Universities Student Government Convention held at Louisiana State University on April 25, 26, 27. Mr. Welsh succeeds Richard Wilson of East Tennessee State University as vice-chairman of Tennessee. SUSGA is an interstate organization designed to serve in developing better student government on the college campus and its membership consists of 52 schools from eight different states in the southeastern area of the United States. The organization is headed by a single chairman and vice-chairman who direct the activities within their respective states. John Jeffers of Auburn University was elected chairman for 1963-64.

As vice-chairman of Tennessee, Denny Welsh is responsible for promoting membership in SUSGA among Tennessee schools. He will attend four conferences during the year and will bring valuable hints on bettering student government back to Tennessee schools that are members of SUSGA. These schools include MTSC, Tennessee Tech, Carson-Newman, Memphis State University, University of Tennessee, and East Tennessee State University. Mr. Welsh's election was a singular honor for the MTSC delegation which is only in its second year of membership in SUSGA. The MTSC candidate won by a substantial margin over Jerry Mitchell of Memphis State University.

Seven other delegates from Middle Tennessee State College attended the convention. They were: Bob Turman, Joyce Sherrill, A. W. Powell, Sally Smith, Norman Martin, Steve Bebb and the ASB advisor,

### Dr. Bigger Selected For Summer Study At NMU in Hydrology

Dr. T. C. Bigger, head of the agriculture department at MTSC has received two outstanding recognitions of his service in the past week.

On May 3, the State convention of Future Farmers of America awarded him a plaque and the honorary title of "State Farmer." The embossed plaque reads, "In appreciation for outstanding service to the Future Farmers of America, T. C. Bigger."

The second honor was in the form of an invitation for Dr. Bigger to participate in a four weeks summer conference at New Mexico State University under a National Science Foundation grant for the study of national water resources.

Thirty American educators in engineering and other fields, seeking to improve the science of water resources planning and hydrology, will attend lectures and seminars from June 10 through July 3 on these grants.

Dr. Bigger is on the education committee of the Tennessee Association of Soil and Water Conservation District.

or, Dean Martha Hampton. The three-day conference featured outstanding entertainment to be considered for SUSGA schools as well as panels on student government ranging from finance to development of school spirit. Bob Turman, A. W. Powell and Joyce Sherrill led panel discussions on "The Role of the ASB President," "The Role of Clubs and Organizations" and "Entertainment in Schools With Enrollment of Less than 5,000." MTSC was called upon for more leadership in panel discussions than any other member school. This in itself, was a significant acknowledgement of the superior recognition granted our student government from representatives of other institutions.

## Anderson Wins Miss Murfreesboro JC Beauty Title

Doris Anderson, Gallatin brunette, will represent Murfreesboro in the Miss Tennessee Pageant in Jackson this summer.

The 21-year-old art major at Middle Tennessee State College won the Junior Chamber of Commerce pageant Saturday night over 13 other contestants. She is the daughter of Mrs. Thelma Anderson, Gallatin.

First runner up was Shirlee Stafford of Los Angeles, and in third place Jana Rae White, Murfreesboro.

THE NEW Miss Murfreesboro's brown eyes were misty as Nashville's Sandra Wynne, last year's titlist and MTSC co-ed, placed the royal crown on her head. Mayor Andrew L. Todd II of Murfreesboro, presented her with a bouquet of a dozen red roses.

She also received a trophy given by the National Bank of Murfreesboro, a \$100 scholarship from the Jaycees plus several other gifts including a sparkling diamond ring.

Miss Anderson, like all the other contestants, modeled a bathing suit and wore a mint green netted evening dress during the pageant's finale.

## Business Classes Do Field Work In Office-Data Study

Continued use of community resources in teaching was dramatically demonstrated again this week when the office management and data processing classes in business administration at Middle Tennessee State College were guests of the State Farm Insurance Company for a tour of that institution.

The students were given a brief orientation in the operation of an insurance company during a social hour and then taken in small groups on a detailed study of the work of processing an insurance application.

The same classes will have an address and demonstration by David L. Kreis, the Remington-Rand representative for this area within the next two weeks. He will discuss filing systems with the students.

Andrew L. Todd III, personnel director and Ross Spielman, assistant personnel director at State Farm were in charge of the State Farm visit. Morris Puckett is instructor of the classes in data processing and office management.

For her talent Miss Anderson displayed three mood paintings she had done and played a medley on the piano to illustrate them.

She also sang an accompaniment to one number.

Andre Duhaime, MTSC alumnus, was in charge of the program.

Both the Murfreesboro and Tennessee pageants are preliminaries to the Miss America pageant to be held in Atlantic City in September.

Where Quality Speaks for Itself

## New Mathematic Trends Result In Standardizations

New trends in school mathematics are rapidly outmoding present standardized mathematics tests. To meet the new need, Educational Testing Service's Cooperative Test Division has developed a new series of achievement tests in Algebra III, Analytic Geometry, and Calculus.

Students at Middle Tennessee State College who are taking advanced mathematics courses, will take the new tests developed by CTD in cooperation with a committee of outstanding mathematics educators. In addition they will take a general mathematical ability test, Jesse L. Smith, Associate Professor of Mathematics and local supervisor for the testing program. Mr. Smith stated that between 80 and 100 MTSC math majors would participate in the program.

About 3,500 students in 84 colleges and universities throughout the United States will take part in this special testing program designed to provide information on the performance of mathematics students across the country.

"We are in a difficult period of ferment and transition in the mathematics curriculum," Dr. Scarvia

B. Anderson, CTD's Director of Research and Development said, "and the new tests have been designed to reflect some major shifts while continuing to measure important aspects of traditional mathematics."

Dr. Anderson continued that "while some of the newer emphases in language and content are in the new tests, stress is placed on the student's understanding of mathematical ideas and on his ability to reason with insight."

The testing will take place from April 29 through May 17 and the tests and interpretive material from this survey will be published late this year by the Cooperative Test Division, Educational Testing Service, Princeton, New Jersey.
