Who's Who In Universities Names Local 30

Dean B. S. Keathley recently released the names of those students who have the high honor of being included in the 1958 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES. This honor is based on scholarship, leadership and loyalty to the college ideals.

Those students selected are: Jean Adamson, Watertown, daughter of Mr. and Mrs. Robert Adamson. While attending MTSC, Jean has been in the following activities: BSU, SCU, Buchanan Players; Speech Arts Society, secretary; Pi Kappa Delta, vice president and secretary; Social Science Club, and Tau Omicron. She is majoring in sociology.

Robert Emmett Askins, Fayetteville, son of Mrs. E. L. Askins, is a chemistry and math major and has been in the Buchanan Players, Alpha Psi Omega, Chemistry Club, Sigma Club, MSM, SIDELINES photographer, MIDLANDER staff photographer, and RESEARCH Project.

Glendel Bryson, Woodbury, daughter of Mr. and Mrs. Ewenty M. Bryson, is majoring in Elementary Education and has been in the following activities: president Rutledge dormitory, freshman ASB Congress member; SIDELINES, Feature Editor and Reporter; MIDLANDER, Copy staff; Church of Christ Group; secretary, Publications Office; SCU, Student NEA; sophomore class treasurer; senior ASB Congress member and ROTC 1st Battalion Sponsor.

Roy V. Crabtree, Fayetteville, son of Mrs. Jessie Crabtree, is majoring in social science. Roy is sports editor, SIDELINES; secretary, Circle K Club; sports editor, MIDLANDER; Sports Publicity and Statistician for MTSC.

Mary Lynn Wilks, niece of Mrs. Lewis Brinkley, Sr., Murfreesboro, is majoring in business education. Mary Lynn has been a freshman Congress member; sophomore class vice-president; MIDLANDER beauty; MIDLANDER staff; junior class secretary, Student NEA Pi Omega Pi secretary; Tau Omicron; Kappa Delta Pi secretary; and Church of Christ Group.

Isabelle Scales, Unionville daughter of Mr. and Mrs. W. C. Scales, is majoring in home economics. Her activities include: Home Economics club, vice-president, pub-

(Continued on Page 7)

THIRTY STUDENTS NAMED FOR WHO'S WHO

Thirty MTSC students will be included in the 1957 Who's Who in American Colleges and Universities. Twenty two of these met at the Union Building last week where Dr. Bealer Smotherman made this picture. Front row, from top, Robert Gene Greeson, Waynesboro; Anita Grayson, Nashville; Joan Startup, Donelson; Mary Ann Holly, Old Hickory; Mary Lynn Wilkes, Temple, Texas; Charlotte Gardner, Murfreesboro; Shirley Pogue, Huntland; Jane Panter, Old Hickory; Janet Lewis, Chattanooga; Peggy Jernigan, Beech Grove; Glendel Bryson, Woodbury; and Betty Osteen, Lewisburg. Second row, Clyde Brown, Cleveland; William Sugg, Burns; Jerry Williamson, Loudon; Robert Askins, Fayetteville; Bert Vanoer, Chattanooga; Charles Riley, Chattanooga; Bobby Stinson, Nashville; Donald McRady and Ronald McRady, Lewisburg.

Not present when the picture was made were Dorothy Jean Adamson, Watertown, Roy V. Crabtree, Fayetteville; Billy C. Davis, Lebanon; Mary Lou Divans, Liberty; Betty Jo McClain, Centerville; Ralph E. Massey, Murfreesboro; George William Mills, McMinnville; Isabelle Scales, Unionville; and Joanne Wright, Old Hickory.

Forty-One MTSC Students Will Complete Work For Bachelor Degrees This Week

Forty-one Middle Tennessee State College seniors will complete the work required for the Bachelor of Science degree by the close of the winter quarter, December 14, 1957, according to Dean N. C. Beasley. All are scheduled to receive their bachelor degree in the June, 1958, convocation.

All departments of the college are represented among the 41 prospective graduates with six each in

industrial arts, business administration, and mathematics; five in economics; four in both social science and health and physical education; three in both agriculture and elementary education; and one each in science, home economics, business education, chemistry, and sociology.

The 41 prospective graduates are: Martha D. Adkerson, resident of Murfreesboro and wife of W. D.

Adkerson, who has a major in social science and minors in secondary education and business administration.

Travis Akin of Columbia, whose mother is Mrs. Willa Mae Akin, has a major in health and physical education and minors in mathematics and secondary education.

Mallie C. Aldred of Murfreesboro, an industrial arts major, whose mother is Mrs. Allene Aldred. Mallie has a minor in secondary education.

Vernon G. Baird, son of Mrs. W. R. Baird of Murfreesboro, an industrial arts major with a minor in social science.

Kenneth Brown of Thompson Station, son of C. C. Brown, a major in business administration and minor in economics.

Earl Taylor Bruhn, son of Mrs. Susan Bruhn of Stanton, who has a major in economics and minors in business administration and geography.

Joseph V. Buchanan of Englewood, son of Mrs. H. H. Bennett, a major in health and physical education and minor in secondary education and social science.

Edison W. Caruthers, a Lafayette resident and husband of Wilma Caruthers, who is an industrial arts major and social science minor.

John T. Cassetty, son of C. H. Cassetty of Red Boiling Springs.

James Frank Pack of Cowan, son of J. F. Pack, a major in social science who has minors in mathematics and English.

Herman W. Parman of Nashville, husband of Florence L. Parham, an economics major with minors in science and agriculture.

Dorothy T. Pendergrass of Whitwell, wife of Basil Pendergrass, a major in elementary education with minors in home economics and social science.

Lestor Rizer of Nashville, husband of Bebe Rizer, a major in industrial arts and mathematics.

MTSC Bids Farewell To Dr. Sims

By Staff Reporter

Dr. Carl C. Sims will meet his last history class this week after 35 years of service to Middle Tennessee State College, 33 of which were as head of the department of social science.

Dr. Sims has endeared himself to hundreds of students by his profound knowledge and interest in the social studies and by his ready wit and repertory of stories and anecdotes. A modest and unassuming individual, he has attained wide recognition in spite of retiring nature and self-effacement.

As well as serving in the majority of the offices of the Murfreesboro Kiwanis Club, Dr. Sims became an elder and Sunday school teacher in the Presbyterian church after retiring as sessions clerk last year.

His colleagues in the Southern Political Science Association, the Tennessee Social Science section of the TEA, and other professional organizations have chosen him for responsible posts on numerous occasions. He is a member of the AAUP, the NEA, the APA, and the AJS.

An author of merit, Dr. Sims' first major contribution was a book on Country Government in Tennessee that developed from his Doctor of Philosophy thesis at the University of Chicago. He was also author of a text-workbook on orientation to the social studies and was seditor of *The History of Rutherford County*.

Dr. Sims was a native of Wartrace in Bedford county and still operates the ancestral farm of his wife, the former Sara Clark.

He received his L.L.B. degree from Cumberland University in 1913 but forsook the field of law for teaching. He received his B.S. degree from Peabody College in 1917 and was principal of high schools in Oak Ridge, Louisiana, LaFollette and Pulaski, Tennessee, before coming to MTSC in 1922, the same year he received his M.A. degree at Peabody. The doctorate degree was conferred by the University of Chicago in 1930.

Though a profound student of politics, Dr. Sims was never a candidate for public office until 1954, when he successfully sought the post as representative from Rutherford county to the State Constitutional Convention. There his legal training and profound understanding of the mechanics of government aided in evolving the amendments to the State Constitution.

(Pictures on Page 2)

Bills Passed By Congress Insure Fairness To All

The ASB has passed two new bills during this quarter. The first was passed to insure fairness in the operation of our new ASB government. It prevents anyone from holding more than one office in the ASB. More people will be able to hold offices under the provisions of this bill. The need for such a law was found this year when three members of one of the Dormitory Councils were also elected to the ASB Congress. Because two offices are held by some ASB officers, there are fewer individuals in the ASB than there should be.

The second bill was passed in the interest of promoting school spirit. The T Club has repeatedly requested that no high school letters be worn on campus. However, there are many high school letters seen on our campus. Because the T Club does not have the power to enforce its own rule on the entire student body, the ASB was asked to pass a bill prohibiting the wearing of high school

MISS MIDLANDER AND COURT

MISS SARA JANE CROFT flashes a smile for the cameraman, after being crowned Queen of the MIDLANDER Ball November 22 by Charles Riley, editor-in-chief of the yearbook. The Queen's attendants, standing from left to right, are: Miss Mary Jo Collier, Junior, Nashville; Miss Mary Ann Holly, Senior, Old Hickory; Miss Gale Wilson, Freshman, Nashville and Miss Judy Hult, Pulaski. Courtesy of Delbridge Studio.

Letters To The Editor

Editor:
I have been appointed the campus advisor for students seeking Fulbright Scholarships. I have just received information that Fellowships are available for research and study in Israel, Sweden, Italy, Austria, Germany, Holland, Switzerland, Denmark and France. Any student interested in knowing more about these scholarships should contact me.

Belt Keathley
Dean of Students

DEAR FRIENDS:

I am teaching at the Army Post of Fort Richardson six miles from Anchorage, Alaska.

The scenery here is beautiful and different each day. At this time of year the Chugach Mountains, which serve as a background to our school and also our living quarters, are usually covered with snow, but unseasonal weather has caused the mountains of Fort Richardson to be free from snow.

The dazzling Northern Lights have put on a show for Alaskans this year. Such bright reds and hues of other colors are seldom seen in Tennessee except in the leaves at this time of year! As if this weren't enough, the Russian Satellite, "Sputnik," was easily seen the same night that the Northern Lights were flashing their colors.

The school system here is up to date, to the very last word. The average class has twenty-eight students, and no teacher has over thirty. I have a class of fifth graders. There are twenty-two in my class. There are three schools on the post, about 1,500 dependent children, and more than sixty teachers.

Many of the students have had opportunity to travel to many places in the world, which makes their stories of life in other places very interesting.

The schools are not altogether departmentalized, but we do have a music teacher, a physical education teacher, and we take our children swimming once each week to the Field House.

We have a very active P.T.A. at Fort Richardson with over 1,000 members.

The salary is \$5950 base with a degree and four years' experience in the states. We teach 180 days, and have a Christmas vacation from December 20 to January 6. I plan to spend this in Tennessee.

The bus runs from Fort Richardson to Anchorage every 30 minutes for fifty cents each way.

Small airplanes are as common to people here as automobiles in our town. Transportation will be the most difficult thing here when winter sets in. Nearly everywhere we go, we have to fly.

The Alaskan Railroad, operated by the government, makes overnight trips to Fairbanks, which is 400 miles away.

Alaska is truly a land of promise. Here is the 49th state of the U. S., pioneered by gold seekers, developed by military planners, and hopeful of oil and statehood to bring it to its due recognition.

I'm not trying to entice any Tennessee teachers, but I really love this "Land of the Midnight Sun."

Best regards to all of my friends in Tennessee.

Odetta Jacobs,

Seattle, Washington

FEDERAL INSPECTION

It has recently been announced by Major Q. L. McNary that the annual Federal inspection will be held April 7 and 8, 1958. This inspection will be for the school year 1957-58.

There will also be a pre-federal inspection held the third and fourth of February, 1958, by the Tennessee Military District. This will be an informal inspection to precede the Formal Federal Inspection.

The cadets are showing considerable improvement, and there is evidence that they are working hard to get into shape for these inspections. Last year the ROTC Unit of Middle Tennessee State College received an outstanding rating, and I am sure we will obtain the same high rating again this year.

R. C. Norvell

Club Comments

BOB GREESON

STUDENT NEA

The Student NEA met Thursday night November 7, 1957. The picture was made for the annual at this time. A skit entitled "Do You Know Liz?" was presented by a group of the members. The cast of characters were as follows: Joanne Wright, Anita Grayson, Shirley Evans, Annette Walker, Alton Smith, Mary Lou Givan, and Carolyn Gounce. Mildred Dorris was in charge of the program.

Dean Kirksey concluded the program with his discussion of the NEA Code of Ethics. He pointed out several factors that every teacher should practice. Copies of the Code of Ethics were distributed to the members.

Submitted by Imogene Spears

SPEECH-ARTS SOCIETY

Two of the MTSC debating teams met with David Lipscomb teams November 8 for a preliminary debate. The Adamsons, Jean and Joyce, debated the affirmative, and Bob Greeson and Joe Bartrap debated the negative side of the debate question. Several debaters from DLC attended the debate along with other guests from MTSC. The debate was held in the SUB and served to give the different teams a 'feel' of the topic for this year.

On November 16, after a hearty breakfast at the home of the Forensic director, Mr. Lane Boutwell, six of our debaters departed for the annual Interstate Forensic Meet at Western State College in Kentucky.

Those attending the tournament were Mr. Lane Boutwell, director; Jean and Joyce Adamson; Bill Sugg, Bill Davis, Ted Humble, and Bob Greeson.

SOCIAL SCIENCE CLUB

Members met Thursday night to listen to the President's radio address to the nation. After the President spoke, an informal discussion was held by the members.

On November 14, Dr. Windham, professor of social science, spoke to the club on NATO.

INDUSTRIAL ARTS CLUB

The movie, "Steel Servant of Man," was a highlight of a recent meeting of the I.A. Club. Another feature of this meeting was a speech by Mr. O. L. Freeman on the history of the club, which was organized in 1935.

Membership in this club is open to all Industrial Arts majors and minors. Students are able to learn more about their field by taking advantage of the socials and field trips planned each quarter. Some of the new members this quarter are: Billy Banks, Robert Crain, Roy Apple, John McMahan, Wayne Whitehurst, Allen Fuller, Raymond Hunter, James S. Watson, William Archie, Harvey Rochell, Terrell Curtis, Joe Casteel, Carnell Howell, Bob Bates, Russell Bailey, Newson Monks, Charles Gibson, and Kenneth Cooper.

PRE-ENGINEERS SOCIETY

Mr. James Gardner, of the Tennessee Valley Authority, gave a

Charlotte Heinz Honored At Coffee

Mrs. Charlotte Heinz was honored at a coffee, held at the Woman's Club Saturday, November 16. The coffee was given by Mrs. Clayton James, Carolyn Holloway, and Virginia Muncie.

Mrs. Heinz has been secretary to Belt Keathley, Dean of Students, for ten years. She is moving to Asheville, North Carolina, December 13.

Approximately one hundred guests attended the coffee. Mrs. Q.M. Smith and Mrs. Belt Keathley served. Greeting guests at the door were Mrs. William Beasley, Mrs. R. T. McHenry, and Mrs. Alvis Huddleston. Assisting in the dining room were Mrs. Evelyn Turney and Mrs. Margaret Woods.

Gold salads, canapes, caterer's cokes and cookies were served. The table was covered with a cut-work Haitian cloth. The centerpiece was composed of grapes and yellow roses with yellow tapers.

Roving Reporter

By Frances McBroom

QUESTION! "Do you think that space travel will cause a war between Russia and the United States?"

Rosalyn Ward — I think that these rockets just go to show us that Russia can really do something. They have proved by sending up the satellite that they haven't really been asleep. If the USA and Russia are in war, the satellites, which Russia has been sending out into space, will prove that we aren't fighting a backward country.

Marjorie Fyke — I really don't think so, because Russia and the US will be so busy making Sputniks and Mutniks that we won't have time to fight.

Nancy Alsup—Not necessarily, because wars are not usually started because of one particular thing. Russia and the USA haven't been on the friendliest terms for years. This space situation could be the turning point for war.

Kippy Jones — I believe that good will triumph over evil in the end, but we will not see this in our generation.

Peggy Waller—I don't believe that space travel will cause any more trouble between Russia and the USA than there already is.

Housemothers Feted At Living Center

The Home Living Center entertained the housemothers on Thursday evening, November 21. Martha Duck was the hostess, and Jerry Rolman acted as host. A tomato juice cocktail, baked chicken with dressing, creamed corn, broccoli, and cranberry salad were served. The dessert was orange-coconut pie.

Martha is a home economics major who is now spending her required one quarter's residence at the Home Living Center. Home economics majors must live at the Living Center one quarter during their senior year. Two girls share an apartment, and they must manage it entirely by themselves, just as if they were housekeeping on their own. They are given a strict budget and must operate within limits.

The girls must plan and prepare three daily meals. Once a week a girl plans and serves a meal for the rest of the girls. Twice during each quarter, a girl entertains and gives a special dinner. Martha Duck gave one of her dinners in honor of the girls' housemothers, Mrs. Patterson, Mrs. Sullivan, Mrs. Parks, and Mrs. Ball.

talk on "The Young Engineer in TVA". He also showed slides of the Kingston Plant.

CIRCLE K CLUB

Mr. Bob Abernathy spoke to the club this week on "People I've Known." Mr. Abernathy emphasized the role of the citizen today, by presenting a ten-point program for meeting today's problems. The need for individual integrity, tolerance, and 'look ahead' initiative were clearly illustrated.

The Spyglass

Rutledge Roundup

by Sarah Horton

I want to get my bid in early and wish you all a very, very Merry Christmas and a Happy New Year, if that's possible with classes being held. Oh, well, everything can't be perfect, can it?

The main topic around the dorm is, "What in the heck can I get my boyfriend for Christmas? I just can't think of a thing." Everyone is trying to help everyone else. I think about half of us have decided to buy red and gray crew neck sweaters. So, after Christmas when you see one of our handsome MTSC boys in one of these fabulous looking jobs, chances are you will find it's one of the boys whose number one gal is in Rutledge. Boys, why don't you drop some hints? It would make our Christmas shopping much easier. Boys, I can solve your problems in a minute—remember diamonds are always a girl's best friend!

What's this I hear about all the girls crawling in bed at night and their amazement finding only one sheet? In case you are interested, just ask Virginia Geer. I understand she not only found a short-sheeted bed, but one filled with cracker crumbs also. Virginia, what have you been doing to the girls to get such a dirty deal?

Don't judge the intelligence of all our inmates by the mistake Kay Witt made the other day. Rumor is that in a mad rush one day she dashed into an uptown department store to buy a pair of hose. She found a shade which she thought was just perfect, but the size never entered her mind. In the rush and confusion of dressing one morning she put them on and found them to be size 11, about three sizes too large for her. Brother, has this caused a problem! Kay decided to give them to Adelia Denton since she had the largest feet of anyone in the dorm. Just when we thought the problem was settled,

Kay Charlton turned up with feet that will run Adelia a close second, so now they are flipping to see who will save a \$1.25. Boy, that is another way to economize, isn't it?

The dorm's annual Christmas party was held Monday night, in spite of all the girls' worrying about whether old Saint Nicholas could succeed in getting into the dorm after closing hours. Boys, you had better take a few pointers from him. But, on second thought, we had better forget the whole thing, at present anyway—O.K.!

Until next quarter, have a cool yule and a frantic first. Girls, don't eat too much — remember there are two more quarters, and you must not lose those streamline figures.

Town Topics

By Sarah Neele Follis

Helen Jetton has recently been the inspiration for several pre-nuptial parties. During the Thanksgiving holidays, she was honored at a shower given by friends in Cleveland, Tennessee. A dessert bridge party was given in her honor by Carolyn Dixon and Sarah Follis on December 2. Last Thursday night, "Bit" was honored at a miscellaneous shower given by Jo Ann Thompson and Peggy Wall. Several more parties have been planned for "Bit" before her marriage on December 21.

Mary Anne Shearin had a visitor from Georgia for the Thanksgiving holidays. Tom Griffin journeyed up from Georgia Tech to enjoy our last football game of the season and to visit Mary Anne.

The engagement of Jane Davis and Jerry Harrell was recently announced. Jane is a graduate of Central High School and is presently a student here at MTSC. Jerry was also graduated from Central and is employed at Rone Jewelers here in Murfreesboro.

These Stalwarts Compose the 1958 Raider Basketeers

1st row kneeling, left to right, Mike Batsel, Oscar Fitzgerald, Wayne Coomes, Ray Hammers, Wally Johnson, Ronnie Newman, Sonny Peters. 2nd row, left to right: John Price, Dickie Baugh, Bob Williamson, Jerry Hurst, Lew McManus, Jim Beard, Frank Davis, Bobby Tillman.

John Price Captains Basketball

John Price, a senior center from Bowling Green, Kentucky will lead the Blue and White of Middle Tennessee State College on the hardwood court this season. In an election Thursday the Raiders chose Price as captain and Oscar Fitzgerald, a senior from Burnside, Kentucky, as the captain and alternate captain of the team.

Price spent two years with the Raiders, before he entered the service. Last year he returned to lead the Raider attack with an average of 15.2 points per game, scoring 121 field goals in 25 games for a percentage of .465 and 157 free throws for a percentage of .683. He is 6' 3" tall. His parents are Mr. and Mrs. W. R. Price.

Fitzgerald, a six foot guard, is a transfer from Lindsey Wilson Junior College, and in his first year with the Raiders last year scored 245 points for fifth place scoring honors. He had a .697 foul line

accuracy and shot .335 per cent of 96 tosses from the floor. He is the son of Mr. and Mrs. Jon Fitzgerald.

Coach Eddie Diddle, Jr., starting his second year as mentor for the MTSC team, will open the season

against Kentucky Wesleyan, Monday night. Following quarter exams later in the week the team will leave on the most extended tour an MTSC team has taken. After a December 13 game at Austin Peay

RAIDERS BOAST PERFECT RECORD

One of the most exciting football seasons, which featured several dramatic moments, both good and bad, has drawn to a close. Only sixteen teams weathered the storm of the undefeated ranks.

Middle Tennessee State College stands high among this group of undefeated elevens, boasting a perfect record of ten straight wins, without tasting defeat. In establishing this record, they captured the Ohio Valley Conference and the Volunteer State Athletic Conference championships for the second time in a row, and established themselves as the top power among small colleges in the nation.

This tremendous record has been equalled only once in the history of the school. This happened in 1935 when a swiveled-hipped half-back by the name of Murphy wore the colors of the Blue and White.

The Big Blue rolled up 3,087 yards in total offense, while holding their opponents to 1,772 yards by this route. Only five teams managed to score on the Raiders' forward wall, and this shows the tremendous defensive play dished out by the men up front.

Test your personality power

(You're as Jung as you feel!)

1. Do you let the opposite sex make up your mind for you when you're buying clothes?	YES	NO
2. Do you always ask to see the menu, even when you know what you want?		
3. Do you choose your brand of cigarettes because of the package, rather than what's inside?		
4. Do you agree that "The hand that rocks the cradle is the hand that rules the world"?		
5. Do you look upon the sports car craze as kid stuff?		
6. Do you consider puns the lowest form of humor?		
7. Do you disagree with this statement: "The best tobacco makes the best smoke"?		
8. Do you think TV will ever replace bundling as an indoor sport?		

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

WIN \$25 CASH!
Dream up your own questions for future "Personality Power" quizzes. We'll pay \$25 for each question used in this college ad campaign. Send questions with name, address, college and class to: Camel Quiz, Box 1935, Grand Central Station, New York 17, N. Y.

If you answered "No" to all questions, you obviously smoke Camels — a real cigarette. Only 6 or 7 "No" answers mean you better get onto Camels fast. Fewer than 6 "No's" and it really doesn't matter what you smoke. Anything's good enough!

But if you want to enjoy smoking as never before, switch to Camels. You'll find nothing else tastes so rich, smokes so good and mild. Could be that's why more people today smoke Camels than any other cigarette. Love that Camel!

Have a real cigarette — have a **Camel**

Blue Raiders Capture OVC By Downing Eagles 22-0

Middle Tennessee State made it ten in a row as they outsplashed the Tennessee Tech Golden Eagles 22 to 0 in their annual Thanksgiving Day classic. This victory captured the Ohio Valley Conference for the Big Blue, making it two in a row, and this win gave them their best season in many moons.

Not since 1935 has such a magnificent record been established. That was the last time the Middle Tennessee State Blue Raiders sported an undefeated, untied season.

The leadership of MTSC's brilliant field general Bob Hallum on a rain soaked turf highlighted the annual contest between the Raider's and Tennessee Tech's Golden Eagles on this year's wet Turkey Day field.

Hallum scored two six pointers and toed a 12 yard field goal to lead the Big Blue to win number 10.

The water was soplentiful on the field that at times when the pigskin was being scrambled for it seemed as if it would float.

Neither Coach Wilbern Tucker of Tech or Charles Murphy of the Raiders could show the rain soaked crowd of 7,000 or more what their forces were really capable of doing.

After Hallum intercepted a Bill Robinson pass midway in the opening period, and after sizeable dashes by Ray Purvis and an incomplete pass to Hurst, the Raider quarterback stepped back on the 12-yard stroy and booted the only field goal of the season for the Raider outfit.

With a three point lead, Coach

Murphy sent his number two unit into action and after a few exchanges of punts the second unit quarterback Bobby Tillman guided the club, principally on short dashes, to the two yard marker, where fullback Gene Windham bulled over for the score. Bucky Pitts converted and the halftime score stood 10-0 in favor of MTSC.

In the third period, the Raiders capitalized on a blocked punt by guard Harold Greer which was recovered by Ralph Massey on the 5, and a few plays later, Hallum sneaked over from the two yard line for the score.

With 12 seniors performing for the last time in a blue and white uniform, again the little sophomore field general is responsible for the score; this time he runs for 30 hard fought yards to move across the club's final score.

Great defensive play by the two Raider captains, halfback Buck Rolman and tackle Ralph Massey, played a great part in shutting the Eagle team out.

John Price - - -

(Continued from Page 3) the squad will go to West Texas State for a December game, on to College New Mexico with a game with New Mexico A and M on December 18. On December 20 they meet Midwestern at Wichita Falls, Texas.

Of these only West Texas has played the Middle Tennesseans previously. Last year the Raiders beat the Texans 98-78. Kentucky Wesleyan lost by 18 points to Murray State in an opening game this week. This should give fans some idea of the comparative strength of the Raiders in the Ohio Valley Conference this year.

Jerry Hurst, a center, Bob Williamson a forward, Frank Davis a forward, are other lettermen returning to the squad this year. Davis is from Donelson, Tennessee.

Bills Passed - - -

(Continued from Page 1) insignia on our college campus. All students, especially the T Club members, are responsible for enforcing this law.

The ASB has also been carrying on a project to buy more new records for Fun Night. Each Tuesday night during Fun Night the checkroom is kept by two ASB Congress members. The money made from the checkroom is used to buy the new records for Fun Night.

MTSC, National Leader In NAIA, Declines Bowl Bid

The 1957 Raiders are the unofficial small college champions of the nation. They led the final poll of the NAIA with 170 votes. The organization includes about 430 colleges and universities in the United States.

MTSC closed the football season Thanksgiving with a 22-0 victory over TPI to give Coach Murphy his first undefeated season. The Blue Raider Club of downtown supporters presented Coach

Murphy with a new blue Ford station wagon and each of the other Raider coaches a Bulova wrist watch and a \$50 cash honorarium.

The Raiders were forced to decline the invitation to participate in the Holiday Bowl at St. Petersburg, Florida, on December 21 since the NCAA has not placed this bowl on its "approved list."

President Smith and Raider supporters downtown tried to prevail on NCAA to permit MTSC to play in the contest, but this request was refused by the rival organization of the NAIA. Hillsdale College of Michigan, which has won 34 straight games resigned from the NCAA in order to accept a bid. This route was closed to the Raiders since they must be a member of the NCAA to remain in the Ohio Valley Conference.

In the meantime, MTSC was one of the four teams in the nation to go undefeated and untied in a ten game schedule. The others are Arizona (Tempe) State; Auburn, and Pittsburg, Kansas.

Of these only Auburn has a better defensive record. Arizona score (Continued on Page 7)

Wrestling Sparks Intramural Feats

By Paul Perry

A big wrestling program consisting of eight weight classes climaxed what has proven to be one of the better fall quarter intramural sports curriculums at this institution.

This popular spectator sport, along with volley ball and tug-of-war will replace touch football, which went over in an impressive way.

On the wrestling scene, the evenings of December third, fourth, and fifth were filled with the roaring entertainment of strong men. These matches were big in the eyes of most students. The warm atmosphere filled the huge Memorial Gymnasium with sparkling flares and daring amusement.

A top feature of the matches was an unknown masked phantom wrestler whose secrecy was not revealed.

The weight divisions on tap for the programs were: 127 pound, 137 pound, 147 pound, 157 pound, 167 pound, 177 pound, 191 pound, plus the ever popular heavyweight.

Glen Shirly, promoter of the bouts, stated these words about the show, "we have many intramural events staged during the year, but this wrestling program is the largest of them all."

Touch Football

The touch football season made history with the Green six of the American Loop on top. In the championship battle, Green, a slight favorite, nudged out a close 7-6 victory over White, the National League's number one outfit.

Other Sports

The dope on the volley ball agenda is that each Thursday at 11:00 a.m. the contests are held at the school gymnasium.

The news was also reported that the much talked about tug-of-war event would come off at an unknown date this quarter.

West Side of Square MURFREESBORO

Hal Christiansen, MTSC Graduate, Commissioned

Hal Christiansen was recently commissioned as 2nd Lt. in the U. S. Marines. Hal is from Manchester, Tennessee, and graduated from MTSC in 1956. He served as alternate captain of the basketball team while here and is married to the former Miss Nancy Fletcher of Murfreesboro.

Hallum Shines In Scoring; Raiders Run Up 241 Total

Final statistics released by Roy Crabtree of the publicity department at Middle Tennessee State College reveal that 13 Raiders participated in running up 24 points, while limiting the opposition to 40 points in compiling the first undefeated, untied season since 1935.

Bobby Hallum, the sophomore sensation from Lebanon, scored 56 points to lead the team, while operating as a T quarterback. Ray Purvis, another sophomore, was second in point-making with 42 points, while G. E. McCormack, senior end, scored 25. Hallum thus becomes the fourth high point man in the college history for a single season and could break Coach Murphy's school record established in 1934-36, before he graduates. Buck Rolman, who led the Raider scorers in 1956 with 40 points, ranked fifth with 18 points this year, but he gained 461 yards rushing on 67 attempts this year.

Hallum and Bobby Tillman, another sophomore quarterback, paced the Raider passers. Hallum

threw 66 times for 3 completions netting 551 yards. Tillman had 11 completions out of 24 tosses for 130 yards.

G. E. McCormack proved to be the best pass catcher on the squad. He nailed 11 throws for 184 yards and four touchdowns. Jerry Hurst, caught more passes (12) but moved the ball for only 168 yards and two touchdowns. Ray Purvis hawled in nine throws for 177 yards and three touchdowns.

A lineman, Harold Greer, receives credit for the longest run-back of a pass interception, 73 yards for a touchdown. Hallum intercepted three passes, Purvis, Pitts and Tillman, two each.

Bucky Pitts averaged 8.8 yards on punt returns for the best average in that field while Bobby Tillman outpunted Bobby Hallum 39.5 to 32 yards on an average. Tillman kicked 17 times for 671 yards, Hallum 28 times for 896 yards.

Captain Buck Rolman led in kickoff returns, averaging 56.5 yards, including one for a touchdown. Ray Purvis was second, averaging 25.3 yards a try. Rolman's true worth to the team this year was his alertness on defense. Typical of his season's play was that against TPI in the 22-0 Thanksgiving victory. In the first quarter, he knocked the pass received out on the 21 after he had a clear field, and in the last quarter darted back to the goal line to knock down one of Robinson's aerials that would have been a certain touchdown.

Ralph Massey's recovery of the TPI kick Harold Greer blocked that set up the first Raider touchdown against the Eagles was another example of the fine line play by these two boys this season. Don Franklin and Jerry Hurst hawked opposition passers all season and were often downfield on top of punt receivers. William Hall, a junior, proved to be one of the best offensive centers MTSC has produced while his line backing was adequate.

The Raiders this year scored by all means set up in the football score book. Thirty touchdowns, 20 extra points, a safety and a field goal. Sharing in the scoring were Bobby Hallum, 56, Ray Purvis, 42, G. E. McCormack, 25, Bucky Pitts, 19, Bobby Tillman 18, Marvin Rolman 18, Gene Winfham 13, Jerry Hurst 12, Roy Hall 12, Johnny Moore 6, Whit Watson 6, Harold Greer 6, and Ray Bell 6.

For the historical record the team statistics were as follows:
SIDELINES ... 3962 ... TRA

Dr. Harris J. Dark was re-elected treasurer of the Tennessee Academy of Science. Dr. Dark is assistant professor of mathematics at Middle Tennessee State College.

Other members of the MTSC faculty attending this meeting were: Dr. Eldred Wiser, Dr. Exum Watts, Dr. Gerald Parchment, and Dr. John Patton.

Charles Greer Resigns Post As Coach

by Paul Perry

Middle Tennessee State College is losing one of its finest employees in Coach Charles N. Greer Jr., coach and physical education instructor here since 1949.

Greer, who also has served as dormitory counselor at Jones Hall for a number of years, has resigned his job here in favor of becoming Tennessee representative for the Fowlett Publishing Company, a large firm which handles and distributes elementary school textbooks.

A 1941 graduate of MTSC, the likeable fellow is a native of Nashville and attended East High School there.

During the span of time between the days the Coach was a student, and his returning here as head basketball coach and football assistant in 1949, he taught and coached at West, Cohn, Howard, and Good-

lettsville High Schools in Nashville and Davidson County.

He was succeeded at the cage helm by our present coach Ed Diddle, Jr., after the close of the 1955-56 campaign.

The departure of the coach also leaves a gap in the Raider baseball picture, because he has also been the cowhide mentor for the past few years.

When asked about his resignation of his present position, the Coach stated, "It's not as easy as some people may think to change your profession, especially when you've been in it for some 15 years, as I have."

Nashville will once again be home for the Greers as that is where the headquarters for the new job will be.

It is not officially known yet just who will replace Greer as end coach on the football coaching staff. But, a successor is expected to be named soon according to reports.

The successor to the position of physical education instructor, is Robert Murdock, a third year graduate student at Peabody College. He is an Army Veteran.

In departing from the Raider campus, Coach Greer leaves behind him a great number of remarkable records which he has established throughout his past years of service as both coach and instructor.

Recognize Your Raiders

GLEN EADEN

Glen Eaden (21, 5' 11", 190), son of Mr. and Mrs. J. C. Eaden, hails from Nashville, Tennessee. Glenn played high school ball at East High

School. He lettered three years in football and three in track during his high school days.

Glenn was one of the pivot men on the Raiders this year. He has been with the Raiders for two years, and this year did an outstanding job on offense, as well as defense. Eaden is big and strong and gives the opposing backs plenty of trouble with his jarring tackles.

Lester Rizor (22, 5' 6", 175), son of Mr. and Mrs. Webb C. Rizor of Goodlettsville, Tennessee, held down a starting berth at guard for the Big Blue. Lester lettered four years in football for his high school. He made the All-City team in 1952 and was voted the Most Valuable Player in 1952.

Rizor is one of the few men at MTSC to have lettered three years in football. He has done an out-

LESTER RIZOR

standing job in the past and has not rested on his laurels. Although he is small, he has blocked and tackled with the best of the Raiders' wrecking crew.

WILLIAM HALL

William Hall (21, 6' 0", 190), son of Mrs. Edith Hall, of Portland, Tennessee, played center on offense and backed up the line on defense. Hall lettered two years in football at Portland. He was elected MVP his Junior year, made the All-Conference team of the NCC in 1953 and 1954. All-Midstate Team in 1953 and 1954, and was on the All State team in 1954.

Bill played freshman ball at Vanderbilt. He came to MTSC in 1956 and has proven an outstanding performer for the past two years. Hall is a good blocker on offense, and on defense makes the opposing backs

miserable. He covered a lot of ground from his line-backing position, knocking down passes one minute and throwing the ball carriers for losses the next.

Roy Hall (23, 5' 11", 180), son of Mr. and Mrs. James E. Hall, of Mt. Pleasant, Tennessee, played full-back for this year's Big Blue. Roy lettered three years in football and four in basketball during his high school career. He was captain of both teams his senior year.

Hall played service ball for three years, while he was in the Army with the 5th Division Artillery, Augsburg, Germany.

Roy started out as a halfback last season, but was switched to full-back during the middle of the season. He did an outstanding job at that position last year and took up where he left off. Hall has plenty of power and speed that enabled him to crack through the middle of

ROY HALL

the line or to race around end. Once he gets in the open he is very hard to bring down.

Marlin, Heflin Presented In Senior Recital

Miss Ella Lou Marlin and Miss Mary Runyon Heflin were presented in Senior recital at MTSC December 3.

Miss Marlin is the daughter of Mr. and Mrs. Abbie Marlin of Shelbyville, Tennessee. She is a graduate from Community High School at Unionville and a former piano pupil of Mrs. L. L. McNutt.

While at M.T.S.C., Miss Marlin has been active in the following organizations: chorus, band, orchestra, treasurer; Saundarian Club, M.E.N.C., treasurer, Organ Guild, treasurer; Pi Mu Sigma, and NEA.

Miss Marlin is a student of Margaret Wright. Her program included "Intrata" by Bach, "Fantasie D Minor, K 397" by Mozart, "Andante and Rondo Capriccioso in E Major, Op. 14" by Mendelssohn, "A Giddy Girl" by Ibert, "Lotus Land" by Scott, "Ritual Fire Dance," Manuel De Falla.

Miss Mary Runyon Heflin is the daughter of Mr. and Mrs. M. L. Heflin, 435 College Street, Clarksville, Tennessee. Her experience in music began with the piano in early life. It was in high school that she began the study of the clarinet which later became her major instrument. During her high school experience she played in the band four years and in various small ensembles. In the spring of 1953 she was selected to play in the All-State Band.

During her college career Miss Heflin has played in the band, orchestra, and clarinet quartet. She has been a member of chorus and M.E.N.C. and has been elected to membership in Kappa Delta Pi, honorary fraternity in education, and Pi Mu Sigma, honorary fraternity in music.

Her program included "Concerto in A Major" by W. A. Mozart and "Sonate pour Clarinette," opus 167 by Charles Saint-Saens.

Miss Heflin is a graduate of Clarksville High School and is now a student of Kenneth Pace, Middle Tennessee State College Music Department.

ed 396 points, Pittsburg 320, Auburn 207 to MTSC 241. West Chester (Pennsylvania), Hillsdale and Idaho State with nine victories were also undefeated. Nine other colleges including Ripon, St. Norbert's, Lock Haven, Florida A&M, Juanita, Fairmont, Elon, Hobart, and Jamestown finished the season without a defeat. The last three played only a six game schedule.

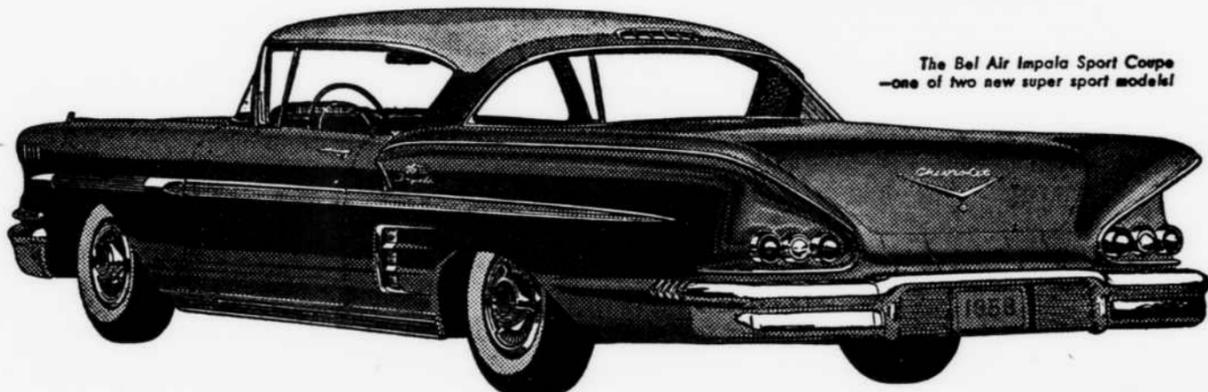

MTSC also finished the season in the lead of the NAIA. East Texas State was second and was chosen to play Mississippi Southern in the Tangerine Bowl on New Year's Day. Hillsdale resigned from the NCAA to replace MTSC as first choice for the Holiday Bowl. Idaho State was fourth, Pittsburg, Kansas, fifth and West Texas State was the MTSC opponent in the Refrigerator Bowl in 1956 at Evansville, Indiana.
