

More than 2,000 high school musicians were on the Middle Tennessee State College campus last week to participate in the State Band Festival. In the first picture Tom Hewgley, MTSC graduate, is shown directing the Columbia High School band. Early arrivals are shown in

front of the Administration building Friday morning. Joe D. Van Sickle, festival manager and director of the Murfreesboro Central Band, is shown registering some of delegates in the last photo.

Elizabethton, Millington Win Top Band Honors

MTSC played host Friday and Saturday to the largest gathering of high school musicians ever assembled in Tennessee. The annual State Band Festival brought over 2,000 visitors, representing over 40 schools, to the campus.

The various bands and orchestras performed all day Friday here and at Central High school before judges who rated each band. Friday night was set aside for a dance in the gymnasium given for the visitors and their guests.

The judging was continued Saturday morning but the Festival reached its climax Saturday afternoon when the bands massed in downtown Murfreesboro for a gigantic parade. The two day meeting was closed with a marching competition on Jones Field Saturday night.

The Elizabethton High School band was awarded the \$1,500 Lions club prize and the honor of representing Tennessee at the national convention to be held in New York this summer. The Elizabethton band won over a field of 29 other bands which participated in the two-hour parade through the city.

The alternates choices in the order named were Columbia, Giles County high of Pulaski, and Central high of Murfreesboro.

The bands competing in the parade were Central high, host band to the Festival, Carthage, Erwin, Tullahoma, Tennessee Industrial School, Springfield, Shelbyville, North Nashville, Millington, Lebanon, Harriman, Cookeville, Father Ryan of Nashville, Tyler, Jefferson, Junior high of Oak Ridge, Oak Ridge high, Isaac Litton of Nashville, West Nashville, Fayetteville, Columbia, Jackson, East Nashville, Maryville, Cohn of Nashville, Christian Brothers of Memphis, Pulaski, Elizabethton, Chattanooga Central, Bartlett of Memphis and Knoxville Central.

Margaret Scott To Be Featured In DuPont Booklet

Margaret Scott, junior co-ed from Old Hickory, will be featured in the trade publication of the E. I. du Pont de Nemours and Company publication in its September edition.

Miss Scott, the daughter of an employee of the Old Hickory division of the du Pont company will be the central figure in a story featuring "A Day in the Life of a Du Pont co-ed in College".

C. D. Barnes, public relations director for the Old Hickory division of du Pont and W. F. DeLoache, Jr., from the public relations department of the home office in Wilmington, Delaware were accompanied by photographer Paul Alexander of the Wilmington staff in their two day visit to the MTSC campus.

Miss Scott was photographed in the biology laboratory, on the tennis court, at various places on the campus, in her room for a "midnight" eat-and-gab fest with seven other co-eds, and during her initiation as a member of Tau Moircon honor society.

The magazine that will feature Miss Scott circulates to some 90,000 employees and their families of the du Pont Company and to some 10,000 other persons and firms. A part of the story will be reprinted in a fall edition of the SIDELINES.

Cast Announced For Spring Play

The Buchanan Dramatic Club will present "Out of the Frying Pan", May 12-13, in the MTSC auditorium, at 8:00 P. M. It will be directed by John A. Scott with Lane Boutwell acting as technical director.

The cast will include: Martha Powell, Murfreesboro; Buford Hines, Summertown; Bill Lewis, Madison; Doris Pigg, Petersburg; Ruth Griffin, Tullahoma; Norma Harter, Oak Ridge; Nell Hensen, Cleveland; Jim Lee, Birmingham, Ala.; Bill Langseth, Jersey City, N. J.; Bob Curlee, Woodbury; Roy Minor, Murfreesboro; Bill Willis, Gallatin.

This play had its start when Life Magazine (1941) ran an article about a group of young actors and actresses who pooled their resources and all moved into one big apartment. Here they set up their own rules of behavior which included a strict moral code. They spent their time job hunting and rehearsing plays.

Frances Swan, having read Life's article, went to visit these young people. The result was the hilarious three-act play "Out of the Frying Pan."

"The play was produced in 1942 and enjoyed a good run on Broadway. Said the New York Journal—"Screwball comedy. It kept an appreciative audience laughing almost continuously." New York Daily Mirror said—"A youth and laugh show."

State Authorizes Men's Dormitory, Cafeteria, Student Center For MTSC

President Q. M. Smith stated Monday morning that he expected official confirmation this week from the State Building Commission of a statement published by newspapers Sunday that \$900,000 had been authorized for the immediate construction of a men's dormitory, cafeteria and student center at Middle Tennessee State College. One-half of the amount will be available immediately for the construction projects, according to another statement recently released in Nashville.

Hart, Freeland and Roberts of Nashville are the architects for the new project.

The men's dormitory which will cost \$425,000 will be constructed south of the science building in keeping with the three-group plan for the campus that locates the housing units to the south, the instructional units in the center and the health and physical education department to the north.

The present cafeteria will be used as a part of the industrial arts buildings, adding a sixth unit in this department. The new cafeteria, convenient to all dormitories will cost \$355,000 and will include a student center and other facilities for the convenience and comfort of students.

The additional \$75,000 will be used for the completion of the health and physical education building.

President Smith stated that the work will probably take more than a year to complete, thus providing a new men's dormitory by the fall of 1951.

Baxter And Rockvale Take Top Honor In F. A. Judging Contest

Baxter and Rockvale took top honors among Middle Tennessee Future Farmer of American contests held at MTSC last Saturday.

The Baxter dairy judging team composed of Silas Maxwell, Glendon Herd, and James Field, coached by Cecil Smith won first place in that contest. The Columbia and Woodlawn FFA teams tied for second honors.

Using as his subject, "A Contented People Make a Great State", Frank Mangrum of Rockvale defeated 11 district winners in the public speaking contest. He will represent the Middle Tennessee area in the state contest at the FFA and FFA convention in Nashville May 6-7.

B. B. Gracy of the State college agriculture faculty aided state department and local agricultural leaders in the contests.

Construction Will Start on New Work Next Week

Contracts for the renovation of the plumbing and lighting fixtures in the administration building and Jones Hall have been let by the Middle Tennessee State College to the Martindale Brothers Construction Company of Murfreesboro. With a contract for the additions to the athletic field, also awarded to the Martindale firm, the immediate expenditure of \$106,931.30 is contemplated.

Work is expected to start next week on a \$33,950 renovation of the rest rooms and installation of fluorescent lighting in the administration building. New doors and new bathroom fixtures are to be installed in the boys' dormitory as a part of the second contract which amounts to \$72,981.50.

This contract also calls for new concrete and steel stands of the East side of Jones field and the extension of the stands on each side of the field to accommodate 3,600 additional spectators. The total seating capacity of the Raiders home field will be 7,220 for the first football game next fall. A new, glass enclosed press box and radio booth is to be erected on the East side of the playing field and the lighting system is being relocated and improved.

MTSC To Graduate Largest Class In History: 192 Seniors Listed

There are 192 members of the senior class, the largest in the institution's history, scheduled to receive degrees in the Middle Tennessee State College commencement exercises to be held June 3.

Of this number 103 will complete their work with spring quarter and the remainder in August. Following the usual custom the August class will participate in the June exercises.

Class officers are Elmer Bain of Nashville, President; Gene Gotcher of Fayetteville, Vice-President; Julia Parnell of London, Secretary; Martha Sue Cassey of Red Boiling Springs, Treasurer; and Robert Allen Eskew of Lebanon, Sergeant-at-Arms.

Members of the June class are: Charles Edward Adwell, Nashville; Nancy Deleray Aikman, Dayton; Jack Douglas Allen, Tullahoma; James C. Arge, McMinnville; Woodrow Hall Arnold, Murfreesboro; Elmer A. Baig, Nashville; George Batey, Nolensville; Martha Sue Becton, Murfreesboro; William Greshman Blackman, Murfreesboro; Mildred Louise Bouton, Lebanon; Ann Carolyn Brown, Nashville; Mrs. Mary Frances Gunn Bryson, Decherd; Perry Lee Bullock, Walter Hill; Frank Howard Busby, Lawrenceburg; Jordan Caldwell, Walter Hill; Lillie Pauline Campbell, Dayton; Wiley Burton Carnahan, Jr., Murfreesboro; Thomas Houston Carter, Jr., Murfreesboro; Harry Grigsby Clark, Nashville; Thomas S. Cole, Nashville.

Katherine Jean Coleman, Murfreesboro; Robert Laughlin Couch, Jr., Tullahoma; Irma Stephens Crowell, Beech Grove; Allan Sidney Curtis, Nashville; Lilburn Lee Davis, Liberty; Noel E. Davis, Morrison; Robert Taylor Davis, Liberty; Charles Edward Dickey, Carthage; Cornelia Geraldine Donoho, Portland; Mrs. Mary Freeman Duldt, Law- (Continued On Page Four)

"T" Club Names Officers For 49-50

At their last meeting of the month of April the MTSC "T" Club elected their officers for the year 1949-50. The "T" Club is made up of lettermen that received their awards by their participation on any athletic team. Rudy White of Nashville was elected president for the coming year with Douglas Cone serving as vice president. The other officers that were honored were James Adams of Murfreesboro as treasurer, Charles Harmening of Flintville as secretary and Frank Atchley of Nashville as sergeant-at-arms.

President Joe Jackson presided at the meeting and plans were laid to expand the active membership of the club. Approximately thirty members attended the meeting. Plans have been formulated to revive the initiation proceedings and to clarify the entrance requirements for all eligible members. The new officers will appoint suitable committees at the next meeting to carry on the rejuvenating plans of the club for the coming year.

High School Girls Guests For Play Day

Selected students from various high schools in Rutherford County were guests of the pageants and Festivals class of the physical education department April 21.

The program consisted of team games, individual challenges, relay and social games.

This is the third annual play day sponsored by the women's division of the health and physical education department.

CLYDE CROMWELL

ted as the best all round student of his class. Cromwell states that, although he did not take home economics courses in high school, he became interested in designing in the (Continued On Page Four)

Clyde Cromwell To Major In Home Economics, Then Design Dresses

By E. Blackburn

Does milady's chapeau need re-designing? Or could she use an individually styled off-the-shoulder frock? If so, Clyde N. Cromwell, Jr. is the man to see. Clyde is a sophomore from Murfreesboro majoring in art and designing, with the objective of becoming MTSC's first bonafide dress designer.

Clyde is a veteran of several courses in home economics where he has the dubious honor of being the only male member of the class. He is at the present enrolled in a class in tailoring under the direction of Miss Agnes Nelson. The work in this course deals with the latest French formal dress designs. In past quarters, Cromwell has taken courses in textiles and designing and has turned out several original creations. These include his own corduroy sport jacket, a formal gown for Mrs. Frances Minor, MTSC music major, and several home dresses for his mother and other members of his family.

Cromwell is the son of Mr. and Mrs. Clyde N. Cromwell, Sr., of 1203 N. Spring Street, Murfreesboro. He was graduated from Central High School in 1947, where he was selected

TPI To Present Chapel Program Here May 17

Tennessee Tech will present the chapel program for May 17, according to announcement made by Joe Jackson, ASB president.

A group from MTSC is in Cookeville today presenting a program. The exchange with TPI will mark the second time this has taken place this year with other colleges. Last quarter Cumberland visited the campus with a group from here going to Lebanon.

Press Association Honors Delegates From Mid-State

Bob Eskew, Dave Willis, and Gene H. Sloan were all honored by the Tennessee College Press Association at the organization's second annual meeting which was held Friday and Saturday April 15 and 16 at Tennessee Polytechnic Institute, Cookeville.

The resolution committee of the T. C. P. A. formerly thanked retiring president Bob Eskew, present editor of the Side Lines, for his work in reorganizing the Association which has been out of operation for a number of years. Eskew presided over the two day meeting.

Dave Willis, sports editor of the Side Lines was elected first vice-president of the association at the final business session on Saturday morning.

Gene H. Sloan, faculty advisor for the Side Lines, was elected to the advisory council as the representative for the Middle Tennessee area.

Elmer Blackman, feature writer for the SIDELINES also made the trip to the meeting.

Delegates from seven Tennessee college newspapers attended a banquet held in the TPI cafeteria Friday night. Everett Derryberry, TPI President, and Robert Battle, Nashville Banner reporter were the speakers.

The officers of the Association for the coming year are: President, (Continued on page two)

Babb Announces Square Dance

Jim Babb, director of Intramurals at MTSC, announced that a square dance will be held May 10, on the tennis courts. The proceeds from this dance will go toward the purchase of trophies to be given to the winning team of the intramural program of the year.

The softball tournament is in full swing this week with 1st and 2nd floors playing this afternoon at 3 o'clock and 3rd floor playing Town Team tomorrow at 3 o'clock.

The tennis tournament is progressing into the semi-finals.

WANTS CHICK VITAMINS

A reader in Chattanooga saw the story about the phenomenal growth of chickens fed with Vitamin B-12 by B. B. Gracy, head of the agriculture department at MTSC as reported in the last edition of the SIDELINES. He has written Mr. Gracy for the formula and feeding information.

Peyton Paintings Will Be Exhibited At MTSC In May

An exhibition of water color painting by Joe D. Peyton will be presented by Middle Tennessee State College early in May, according to the announcement of Miss Hester Rogers, head of the MTSC Art Department.

Mr. Peyton is a native of Columbia, Tennessee and now lives in Sarasota, Florida, where he is head of the English department at Sarasota High School. He is a graduate of MTSC and received his art training under direction of Miss Rogers.

Two of his paintings of Maury County subjects were shown recently in the famed Ringling Museum of art in Sarasota. One was "Tabacco Barn Interior." The other, "White Accents" is a study in wash and dry brush of an old white-washed spring house.

A water color received first prize in the University of the South's local artists show in 1947 and another received honorable mention in the 1948 fall show.

Mr. Peyton still finds time to paint many Florida subjects. His paintings are shown frequently in the Sarasota Art Association exhibits which he is a member.

Mary Jo Ladd Is Queen in Home Economics Dept.

Queen of homemakers at Middle Tennessee State College this year is Miss Mary Jo Ladd of Williamsport in Maury County. Chosen as "Miss MTSC in Home Economics" Miss Ladd is shown above as she removes

a tempting chocolate cake from an oven in the college laboratory.

Miss Ladd is the daughter of Mr. and Mrs. Emery Ladd and is a graduate of Columbia High School, class of 1945. She has been active in the home economics club, the Student Christian Union, and the Physical Education Club.

For the past two years she has been employed in the MTSC college book store. She plans to teach home economics.

Music Group Entertain

The Women's Trio of MTSC sang at the Christiana Basket Ball Banquet, Monday evening, April 18, and at the Rotary Club of Shelbyville, April 19. The Men's Quartet sang at Lascassas, Friday morning, April 15.

Those making the trips included: Women's Trio; Donna McHenry, Martha Massey and Betty Tipps; Men's Quartet; Ray Tanksley, James Williamson, Dan MacMillan and Jack Allen. Their accompanist was Margaret Wright.

SHARP'S AND FLAT'S

By BOB ESKEW
In the history of MTSC I doubt if there has ever been such an invasion as there was last week-end with the Tennessee Band Festival holding its mass migration here. A person for an ear for music was surely in paradise, but then whether you have a craze for the stuff or not, you heard it as 'overtures' definitely had their place in the classes Friday and Saturday.

The first notice of the coming events in the physical state came about late Thursday as four bands made an appearance on the State campus. With this as a starter for the two day show we saw what must have been the larger part of the Greyhound Bus system arrive by the middle of Friday afternoon. I doubt if New York City has witnessed as many buses at one time.

Friday morning found things in a most hectic condition as far as the visiting people were concerned. But the situation was relieved considerably by the efforts of students from Murfreesboro Central who acted as guides. Among the Central people fighting their way around the administration building during the day were ASB President, JOHN HOOD, BETTY JEAN WILLIAMSON, LIBBY WILSON, PATSY LANIER, and many others that I can't remember . . . In the basement of the same building a group from the State music department could be seen busily working with the snack bar . . . They found competition in the "T" Club who set up shop at the gym and on the athletic field. Wonder who did the top business—MASSEY, McHENRY, HARLEY, COBB and Co. of the music department or VARALLO, KENNEDY, WARDEN and partners of crime representing "T" Club????

Friday afternoon many of the visitors found time to slip out to the baseball diamond to watch the Raider-Murray fray . . . One of the favorite musical groups to visit the campus was the Whitthorne Jr. High band from Columbia with (Continued on Page Two)

ACP Feature

Austin, Texas—(ACP)—A feature writer for the "Daily Texan" summarizes a recent survey made by a national magazine among college graduates. 9,065 degree-holders considered representative were questioned. If you get a degree and go to work, according to the survey, here is what you can expect:

You will become a professional man or an executive with a salary of about \$4,500 a year.

You will own your own home which will have six rooms and a monthly rental value of \$84. You will marry only once and will not become divorced. You will plan to have three children but will probably have only two.

You will read most of the best sellers, both fiction and non-fiction. You will also read from one to four magazines, concentrating on the "Reader's Digest," "Life," "Time" and the "Saturday Evening Post."

You will attend church fairly regularly and belong to about three other organizations. But the other organizations will have to do without you at about half of their meetings.

You will engage in about five political activities which includes reading about politics in newspapers and magazines and discussing it with your friends. You will keep up with local civic activities and take an active part in the civic affairs of your community. You will also keep up with national and international developments, but your active status in politics will probably be confined to voting.

Interestingly enough, you will not arbitrarily identify yourself with any (Continued On Page Two)

THERE ARE TWO SIDES TO EVERY QUESTION EVEN WHERE THE CAFETERIA IS CONCERNED

The big question concerning the food situation at the cafeteria remains just that following the discussion held between the students and management last week.

The group representing the students (Joe Jackson, Ruth Arnold, Lois McMurtry, Loraine Parker, Martha Massey, Robbie Gregory, Sadie Dossett and Bob Eskew) met with Bill Grandstaff in Dean James office and came out with three problems that stand in the way of the request of the students.

- (1) The top salary paid the cooks in the cafeteria is \$65 per month.
A. What calibre of cooks can we expect at that salary? That is not a reasonable salary to pay anyone.
- B. Provided you had the best cooks available they would not do their best at that price.
- (2) The galley is not equipped as it should be. To what degree of excellence would any department have working under that handicap?
- (3) The management is unable to purchase the best quality in buying foodstuff for the cafeteria.

The reason for that is that all purchases must go through the state purchasing office. They actually buy after the request is made. Grandstaff stated that he has records showing that he has asked for the best in foods but receives a lesser grade as a result of state buying.

With these three in mind as the big three in requesting a better cafeteria, maybe the so-called 'proving ground for ulcers' can be remedied.

A new cafeteria is to be built soon with complete new equipment. Along with that, number three may be answered come July if the power to buy the food is put in the hands of the management.

As for results now—Grandstaff did agree that there could be some improvement and if possible it will be forth coming.

How About Used Texts?

According to the latest statistics on college enrollment, the number of veterans that are entering college as freshmen is decreasing and the number of non veterans just out of high school is steadily increasing. Now this means that these non veterans have to pay for their own supplies, or at least someone does. Now certain expenses necessarily go with attending college, but they can be kept to a minimum as far as text books are concerned, with a little cooperation on the part of the faculty, students and the bookstore.

We definitely seems like a waste of money and material when a student has to purchase a new text for a course when there are perfectly good copies of the same book gathering dust on the shelves of some student's who has had the course previously.

Recently the bookstore started handling some used books and they are to be commended for this, but in certain instances they would not handle books because new volumes were easily obtained. It is to be supposed that a greater profit was to be made on these new books. Now the bookstore certainly should be permitted to make a profit on the books that they handle and students who prefer new texts should be able to purchase them, but those students who have to watch their budgets should also be permitted to buy used texts that will meet the need just as well. The SIDE-LINES will be happy to cooperate with and play that might be worked out to bring about a greater turn over of the used books and we are sure that the student body would do their part.

Me and Baseball

By Speedy Green

Baseball, ah, baseball! I'll never forget how thrilled I was when I got to go to my first big game in Nashville. However, I still stoutly maintain that when everybody stood up for the seventh inning stretch, I did not stand at attention for the National Anthem!

Wishing to learn more about the game, I ambled down to watch our faithful team lose a game. I didn't have a very good seat so I amused myself by lookin' around. I decided that people come to baseball games for various reasons. Boys come to see boys, girls come to see girls, and some darn fools come to see the game.

I was simply fascinated by some of the yells they use at baseball games but I can't use that kind of language so I kept quiet.

I don't think I understand the game to well so I finally resorted to my favorite pastime, talking to boys. We were doing very well, too, until some sweater girl walked by and all of a sudden—silence.

After slowly freezing to death I decided it was silly to stand and watch nine men toss a little ole ball back and forth so I went home. But as I have said before, there's nothing I love like baseball!

Sharp's And

(Continued From Page One)

TOM HEWLEY, former State student directing as he does the Columbia High band . . . Another HEWLEY, J. B., was here with the Shelbyville band . . .

To prove the dance Friday night seemed to be entertaining for more than the dancers as many of the musicians sat in with the "Townsmen" . . .

Saturday found many high schoolers visiting the buildings around the campus and amusing themselves with ball games, etc., on the campus. Even old 'ZEKE' got in the football game with some Fayetteville gals in the afternoon . . . The highest event was the parade downtown . . . I had the "pleasure" of watching the late starting event with JACKSON, HICKERSON, DANIELS, COOKSEY, SNODDY and holding EARL MAJOR on my shoulders . . .

Thanks for the ice cream JIM . . . Some of the places people scaled to watch the parade. DR. MCHAREN took to the top floor of the Polk . . . Probably the out-of-town best represented was the Jackson High band. They were here . . .

The drill maneuvers of the bands on the athletic field Saturday night were tops in any book . . . In the press box was Mr. Haste, music director of Tennessee Tech. Asked as to the top marching band in the parade, he named Christian Brothers College of Memphis . . . He was interested in the Cookeville band as students of TPI direct the fine group . . . Also located in the press box was MR. HOOD of paragraph three. He was giving a color pic for the radio audience . . . The State students running wild getting the night's program under way with GENE MOORE on the mike . . . For me the two day event had its most entertaining moments when the massed bands under State's Neil Wright directing our NATIONAL ANTHEM . . . Carthage directed the night's drills . . . Director WALKER of Chattanooga briefing his band before taking the field . . . Jones Field turf in excellent shape . . . The small majorette of Elizabethon giving a wonderful performance as the massed bands played . . . She did her part to get the New York trip for the East Tennesseans . . . Hats off to Millington for winning the "Sportsmanship" award.

PUT & TAKE

By William Landers

The 76th General Assembly of Tennessee closed its 73-day session April 15th. The laws are passed now, so its up to Governor Gordon Browning to carry on from here. The administration can be proud of its record, for they enacted every major platform promise.

Looking at the various bills passed, there are several that pertain to education. The \$119,000,000 for the biennium under the general education bill was probably one of the outstanding pieces of legislation.

Also, now the various state colleges are authorized to grant masters degrees. This doesn't mean that this will take place on the campus of MTSC next month, but that they have the right to do so.

Another outstanding bill is that state colleges are exempted from the jurisdiction of state purchasing agent. This takes effect July 1st. This means that every department, for instance the cafeteria, can do their own buying and don't have to depend on what is sent to them to have to get by on. There should now be no waste or inferior materials on hand.

The veterans did not get a bonus bill, through nor is there to be a referendum called for the public to decide the question. Veterans are now exempt from the poll tax though.

On the Social Science bulletin board there is a record of the 76th General Assembly, take a look at what your legislature did during their recent session. * * *

Have you heard the whistle? At first the thought of a traffic cop on a busy intersection comes to mind, but with a little investigation you'll probably find Coach Durwood Stowe sparking his baseball team on with a few tweets on the whistle.

The whistle may be O. K., but the echoes of "timber" around the ole diamond will be missed. * * *

The lovers of band music were really in heaven last week when the State Band Festival was held on the campus of MTSC. There were around 49 bands present from every corner of the state, with 2,000 participants.

The TOWNSMEN played a dance last Friday night for the band guests. Everyone seemed to enjoy it, especially several of the visitors who sat in with the orchestra to give dance music a try. Several times the Townsmen made a complete change in personnel. There should be a fine dance orchestra on this campus next year if a few of those who sat in enter MTSC. * * *

Today we are sending a chapel program to TPI on an exchange program similar to the one with Cumberland University. TPI is to present their program here May 17th.

There have been several editorials written on the ineffectiveness of student government at MTSC. If the school activities are to really function for the student, then they should have a part in planning these activities and carrying them out.

An incident came up a couple of weeks ago and a committee went to a professor to offer suggestions. Now if there was an effective and active student government to report these suggestions to first, there would probably be better results. It takes organization to accomplish anything worthwhile.

Congress has not met one time during this school year. * * * President Q. M. Smith has a set of rough plans on his desk for a new boys' dormitory and cafeteria. This school has been allotted \$900,000 for new buildings, etc. These two buildings mentioned are to be the first undertaken.

The boys' dormitory is to be one of the most modern to be found around anywhere. It will be on the suite style, similar to the Melrose Hall at the University of Tennessee. The new dorm is to be located below the Science Hall.

The new cafeteria is to house just about everything. The lunch room, post office, book store, banquet halls, and recreation halls, along with the regular dining hall. This building is to be located between Lyon and Rutledge Halls.

A few of us may not be around to use these new additions, but its good to see progress being made. There are other buildings under this plan for the future also, but nothing definitely named as yet. * * *

Nope—no "Roving for the Socialite"—practice teaching. * * *

Say-Hickerson! How about that new horse craze of yours. And The name — THUNDER ? ? ?

It seems like everyone on the campus is playing "Fruit Basket, Turn Over." I never have seen so much swapping around in my life. I wish I knew what was going on.

I hope Bill Clark will be able to console himself since the little majorette he squired around at the dance last Friday night has gone. The rest of the boys weren't doing so badly either.

Ann Brown doesn't seem to be losing any time since she and Doug Watson broke up.

Girls, have you noticed how J. B. Wittman has come out of his shell? And he's not bad, either—so I hear.

What about Lavada and the mob? Just like the Kentucky Derby—Dee's ahead by a length, but who knows? There are others in the running.

Are Ora Burroughs and Delta Ford going steady or is it just plain Spring fever?

Enough has been said about Bobby McKnight.

Rose Marie Hoover has been seeing a lot of Bob Lawhorn lately. What happen to "Big Bull"?

Scottie and Don were busy looking at the birdie a few days ago. Can we have your autograph?

Turkey, it does look like you'd give Bobbie Huff just one little date or can't you stay away from Susie long enough?

Betty Jo Robertson seemed to have a big Easter. She got two corsages—from two boys. Tell us how you do it, B. J.

Why does Bobby Webster keep hanging around Rutledge Hall? Could it be Mildred Barker?

Goodbye—watch yourself— you may be on the sack list next.

Johnson-Brown To Be Wed

Mrs. Jeffie Johnston of the Midland road announces the engagement of her daughter, Doris Marie, to John Douglas Brown, son of Mr. and Mrs. John Thomas Brown of Lascassas.

Miss Johnston was graduated from Middle Tennessee State College and was formerly employed by the Nashville Corporation. She is now secretary to Robert Abernathy of Middle Tennessee State College.

Mr. Brown served for three years with the United States Army Air Corps, twenty-three months of which were spent in the Pacific theatre. He is now a member of the junior class at Middle Tennessee State College.

The wedding will take place June 3 at the Farris Chapel Methodist church at Barfield.

ALONG THE SIDELINES

By DAVE WILLIS

RAIDERS BATTLE 'MAN WEATHER'

Of man weather has set back the Raider nine and forced postponement of three of the scheduled games. This could be looked upon with favor as the lay-off should have given a chance for more practice but that wasn't the case. Over a week of bad weather stopped practice and a few indoor work-outs were squeezed in but have proved far from satisfactory.

The team as a whole has proven to be quite a pleasant surprise to all fans and local railbirds. With the nucleus of old players such as Joe Jackson, Shorty Adams, Charlie Martin, Fred Grider and Sonny Cone, Stowe has sprinkled a liberal amount of rookie freshmen and their work has been pleasing.

Especially noted has been the stick work of Harry Gupton, and Fred Grider who have rapped a string of hits that have been music to the ears. Gupton and Maxie Runion seemed to be endowed with that extra something known to many as natural ability that will one day make them Class A ball players. Joe Jackson and Shorty Adams have kept that "down the middle" well covered and it is one of the strongest points of the team. One thing the team could very well as could most teams are consistent long ball hitters on the order of Cromer Smotherman or Jim Cloud if any of you old timers remember them.

SOFTBALL BEGINS ON CAMPUS

Any softball fiends in the crowd? If there are any of you interested in bouncing the ol' pellet around, there is a game that goes on nearly every afternoon but you will have to hunt to find it. The game is usually carried on in deep right field of the baseball diamond in the shadow of the baseball goals in the vicinity. Numerous ground rules are the order of the day with the game carried on against many hindrances. Generalissimo Pete Holmes seems to be in charge but suffered defeat in the first game at the hands of the Town Team. Close game. The score was around 16 to 20. Everybody hits!

SPORTS STAFF LOOKING FOR HELP

Anyone interested in joining the sports staff of the Side Lines for the remainder of this school year and next year, please contact me at the Side Lines office.

LOVELADY SHOWS PROMISE IN SOUTHERN LEAGUE

Willard Lovelady, rookie left-hander for the Chattanooga Lookouts and former student here, is looking good in the Southern League. His first two stints on the mound were in a relief role and was under a slight handicap both times. The bases were loaded each time he went in. That's the way of all rookies, getting what's left. With only a year in the bush leagues, Willard has a better than even chance of staying with the Lookouts the rest of the season. Lovelady can be used to advantage as Myatt, manager of the Lookouts, has a definite shortage of wagners.

ODDS AN' ENDS

Spring football is continuing until the end of the school year. Coach Murphy has spaced it on once-a-week basis with the guys practicing in shorts. The players will run plays and keep in condition over the slack period.

Congratulations to Rudy White, 1949-1950 "T" Club President, and all the other officers. Sonny Cone is holding down the V. P. post for the coming year.

Track coach Lomas Moffett announced a track meet at Western Kentucky next Friday. He plans to take a squad of 10 men on the trip. J. S. Holmes explained to me one day what the height of diplomacy was. To say,—on surprising a lady in a bath tub: "I beg your pardon, sir."

Nobody is going to have trouble finding good seats next year in the new stands around the football field. The stands are slated to seat 7,220, with a NEW PRESS BOX!

Raider Nine To Be Tested On Road, Athens, Murray, Lipscomb Scheduled

By DAVE WILLIS

Friday, the Raider nine hit the road for a three game schedule with the first game on Friday with Athens College in Athens, Alabama. On Tuesday the third of May they meet the Thoroughbreds of Murray Kentucky in the return match of the season. To wind up the trio of games, the Raiders come to grips with the Bisons of David Lipscomb in Nashville on the fifth of May.

Coach Durwood Stowe plans to take a full squad of fifteen on the trips. Stowe is anxious to test the Raider nine on the road since so far this season, handicapped by bad weather and lack of practice, the baseballers have had their tests under fire in broken stretches.

Two rookie pitchers, James Ballard of Cullman, Alabama and Jack Sullivan of Nashville, have brought gleams of delight to the eyes of coach Stowe. Moans of anguish were heard in the Raider camp at the beginning of the season over the lack of inexperienced pitchers. With the addition of the new blood, the mound staff has started the up hill climb and with a little more seasoning the Raiders should have one of the best set of pitchers in the conference.

Two of the three games on the road trip promise to be a real test for the Stowemen. The tilts with Murray and Lipscomb will be of the toughest sort while little Athens College will be no push over. In the battles with Murray and Lipscomb, the Raiders will be in the role of under-dog while in the game with Athens the team will have dubious honor of being the favorite.

GEBHARDT HURLS RAIDERS TO FIRST WIN

Netmen Loose To ETSC, Western

The Raider netmen met the East Tennessee State College in the annual match and ETSC prevailed by the score of 8 to 1. Again lack of practice and a lack of suitable playing court hampered the Raider squad. There are potentially fine ball players on the squad but they haven't had enough seasoning to give a creditable account of themselves. The double combination of Frank Ford and Horace Smiley were the only ones to administer defeat to the East Staters by the score of 4-6, 6-2, 6-3. Ford lost to Gene Derrick in the first of the single matches, 2-6, 6-3. Jim Isbell of East Tennessee beat Smiley, 1-6, 6-3, 4-6. Pete Akers (E) set down Homer Belles (M) 6-3, 6-4; Hugh Clark (E) won over Charlie Cates (M) 6-1, 6-2; Leon McKenny (E) defeated Jim Sides (M) 6-3, 10-8; and Jim Kyker (E) beat Joe Cannon (M) 6-1, 6-0.

To finish the doubles, Isbell and Akers (E) teamed to beat Belles and Cates (M) 6-1, 6-3; McKenny and Kyker (E) set down Sides and Cannon (M) 6-4, 6-3.

In the second match of the week, the Raiders were handed another loss at the hands of Western Kentucky, 5 to 2. Frank Ford won the only single match for MTSC defeating Carter Seward 6-1, 2-6, 6-3. He then teamed with Horace Smiley to set down Seward and Bob Wagoner 6-3, 6-4; Smiley lost to Wagoner in the singles 4-6, 6-2, 3-6; Red Smith (W) defeated Homer Belles (M) 7-5, 6-4; Vernon (W) set back Charles Cates (M) 7-5, 6-1; and Arthur Anderson (W) won over Jim Sides (M) 6-3, 6-0. In the other double match Anderson and Price (W) beat Belles and Cates 6-2, 6-1.

Raiders Loose To Millikin 4-3

The "Big Blue" team of Millikin College of Decatur, Illinois set back the Raiders in their second game of the season 4-3. This was the first time the two teams have met with the Millikin nine displaying a fine brand of baseball. Maxie Runion, Dick Beck, and Sonny Cone were the big sticks for the Raiders. Runion got a booming triple and a single for the day's work. Cone ripped off a couple of singles and Back slammed out a triple.

James Bauard was touched for six hits by the visitors while the Raiders collected eight. The difference in the game proved to be the three MTSC errors. Jack Sullivan relieved Ballard in the ninth and set the opponents down in order.

Charlie Martin was behind the bat for the Raiders with Ken Schroeder the winning pitcher with Bill Smith catching for Millikin.

Millikin	0	12	001	000	—	4	6	2
MTSC	1	20	000	000	—	3	8	2

Murphy Releases Football Schedule

Charles Murphy, head football coach of MTSC, has released the football schedule for 1949. This is the set schedule of games and there will be no changes made as to opponents.

- The schedule is as follows.
- Sept. 22—Millington Naval Base
 - Sept. 30—Maryville College Here
 - Oct. 7—Union University, Here
 - Oct. 15—Arkansas State College, There
 - Oct. 21—Milligan College, There
 - Oct. 29—East Tenn. State College, Here
 - Nov. 5—Florence State College, There
 - Nov. 12—Murray State College, There
 - Nov. 18—Cumberland University, There
 - Nov. 24—T. P. I. (Homecoming), Here

1949 MTSC RAIDER BASEBALL SQUAD

The 1949 Raider Baseball squad; 1st row left to right: Fred Gebhardt, Nashville; Guy Erwin, Lynchburg; James Adams, Murfreesboro; Dick Beck, Nashville; Harry Gupton, Old Hickory; Bob Searcy, South Pittsburg; Charlie Martin, Normandy; Jimmy Await, Tullahoma; Fred Grider, Tullahoma. 2nd Row; Joe Jackson, Chattanooga; Charles Harmening, Flintville; Wayne Yearwood, Nashville; Howard Busby, Lawrenceburg; Jack Sullivan, Nashville; Walter Carr, Lebanon; John Cox, Bridgeport, Ala.; Reed Conder, Linden. 3rd Row; Charles Lyons, Nashville; James Charlton, Antioch; James Ballard, Cullman, Ala.; Maxie Runion, Nashville; Douglas Cone, Old Hickory; Coach Durwood Stowe.

Stowmen Topped By Kentucky

The Middle Tennessee State College baseballers were topped by a powerful Maury State nine in an eighth inning rally, 7-5. Fried Grider led the stick work for the Raiders with a double, two singles for four time at bat. He drove in two of the five runs in the first run burst in the fifth inning. Jack Sullivan, freshman hurler, showed great promise for the first seven innings scattering seven hits but tired out and the Thoroughbreds got to him to lower the boom.

Murray moundsman, Mel Sanders, pitched no hit ball for four innings but was snowed under in the fifth. Nunnally and Laughary were the leading batsmen for Murray.

Taking A Look At The Raiders

By Hardaway

Dick Beck is a sophomore from Howard High School in Nashville. While in high school he played three years a fullback with the football squad, one year with the cagers and served behind the plate for two years on the baseball team.

He enrolled at M.T.S.C. in the fall of 47. During his stay here he has earned two football letters and is playing baseball his second spring.

On the gridiron Dick is a hard charging fullback and his hitting ability has proved powerful so far in baseball. He has been converted from a catcher to an outfielder and is still a bit shy at his new position. He is expected to fill the spot well with a few more practices.

Charles Martin, a veteran catcher of two years is doing a fine job again this year. He was a graduate of Tullahoma High School with the 42 class.

He left for the Navy in December of that year and served on Okinawa. He was discharged in February of 1946.

Martin enrolled here in the spring of that year and has played basketball and football besides baseball. He does a good job behind the batter but right now he has a bad finger which keeps him from his best. He graduates this year with a physical education major.

Wayne (Little Axhead) Yearwood is a twenty year old freshman hailing from Nashville. He attended Isaac Litton but then transferred to Hendersonville High where he graduated last year.

He played three years of football as tailback and also three years as guard on the basketball team. His

Staters Make Red O'Donnell's Feature Column

Red O'Donnell, whose ever popular "Top of the Morning" column is widely read in Middle Tennessee has saluted four MTSC students in recent articles.

He first complimented Mrs. Edith Larsen, former VA nurse, for returning to college.

Further quotes from O'Donnell's recent columns read as follows:

"Makes Good Dept. — Versatile could be adjective to describe Campbell White Williams of Mid-State college. Williams won Southern oratorical contest at Waco, Texas. Starred in football at Vanderbilt, where he was member of Kappa Alpha frat. Graduated from Morgan football team, standout in dramatics. Williams also handy with dukes. He participated, won matches in Tennessee's Golden Gloves tournament."

Unusual Mid-State Teachers (Murfreesboro) has other unusual folks enrolled there. Gordon O'Kelley serves as "Mayor" of Veterans' Village. O'Kelley spent 10 years as a Chicago cop before deciding to become freshman. Another former army Lieut. Marion Weatherly, who plans to become teacher, served 30 years with Uncle Sam.

Track Team Places In Seven Events

The Raider thin clads made a very substantial showing in their first outing of the year in the triangular meet with TPI and Sewanee held at Sewanee. With only a five man squad, the team entered in seven events and placed in seven taking one first, two seconds and five third places. Their total score was 22½ placing third in the event which Sewanee won with 112½ points.

Talmadge Sharber was the top scorer in the javelin event with a winning heave of 146 feet.

Lomas Moffett, track coach, was very pleased at the showing of the team. Lack of depth was the deciding factor in the event and as the season progresses as more men become qualified, the team will make a good account of itself.

The results of the events in which MTSC participated were: 100 yard dash: Green (Sewanee), Austin (Sewanee), Moore (MTSC) 220 yard dash: Green (Sewanee), Smythe (Sewanee), Moore (MTSC) Shot Put: Austin (Sewanee), Willard (Sewanee), Williams (MTSC). High Jump: Lamb (Sewanee), McFerrin (MTSC), Williams (MTSC). Javelin: Sharber (MTSC), Laws (Sewanee), Warwick (Sewanee). Discus: Wynn (Sewanee), Williams (MTSC), Odum (TPI). Broad Jump: Lamb (Sewanee), Seagram (Sewanee), Williams (MTSC).

last year he was elected on the All-Tournament team. Besides two years of baseball as third baseman he has played several seasons with the junior league teams in Nashville. He is now playing second base and may prove to be the utility man later on.

Martin, Adams, Searcy Lead Hit Barrage, Down Lipscomb 23 to 10

By DAVE WILLIS

Unleashing a 18 hit barrage, the Raider baseball team took their first foe of the season, David Lipscomb, 23 to 10. Loosening one of the most vicious batting attacks seen in many a day, the Stowemen completely dominated the game after the second inning due to the mound duty of Fred "Pretty Good" Gebhardt and the stick work of the team. In the eight run second inning, Bob Searcy, subbing for injured third baseman Harry Gupton, cut loose with a grand slam homer to drive in four runs. Charlie Martin did a full day's work compensating for four hits at four trips at bat including a triple and three singles.

One of the big surprises of the game was the stand-out twirling of left hander, Fred Gebhardt. "Pretty Good" held the Bisons to six hits in the six innings he toiled allowing three runs. He scattered the six hits where they were most ineffective.

The seven run eighth inning, Shorty Adams singled and scored from first where there was a wild pitch trying to cut him off base. Bob Searcy was safe on a fielder's choice that got Gebhardt on second who got on by being hit by the pitcher. Searcy went to third on an error. Jackson walked and Grider walked filling the bases. Searcy scored on a passed ball, Martin singled to score Jackson. Maxie Runion, who got three for four in the game, singled scoring Martin and Grider. Conder walked and both he and Runion scored on a wild pitch.

Backing up the heavy batting of Martin and Runion was Sonny Cone with three for five, Adams three for six, Grider and Jackson both with two for five.

Both teams suffered from wildness with a total of ten miscues for the game. Charlie Dougherty was the only Bison to collect for extra bases slamming out a triple with one mate aboard.

Lipscomb	107	010	010	—	10	11	6

Sain Fires 69 Possible Record

Robert Sain, number one man on the Raider golf team, came up with a three under par 69 in the match with Western Kentucky but was to no avail as the Raiders dropped the match 11 to 7. Sain's 69 is possibly a course record at the Murfreesboro Country Club and will stand until the records can be checked.

The scoring is as follows: Sain (M) 35-34-69; Owen Chapman (W) 37-39-76; John Blane (W) 37-36-73; Charles Embry 39-40-79.

The back foursome scored; Norman Head (W) 40-33-73; Howard Payne (M) 40-45-85; John Roundtree (W) 37-37-74; Bubber Adwell (M) 40-37-77.

Duggin, Tullahoma; D. Jackson Dunaway, Rutherford; Robert A. Eskew, Lebanon.

FORENSIC TEAM PLACES IN NATIONAL MEET

Carl Lappin, second from left in front row, placed fourth in the oratorical contests in the national speech tournament at Frederickburg, Va., last week. Lappin, who comes from Monteagle, was second in the competition in 1948. He says that the range and ability of the competition this year was superior to that of last year. Campbell Williams, first row, left, after winning first in the Southern meet in Waco, Texas two weeks ago joined debaters Alfred Fischer, Wade Wheeler, and James McCullough in Fredericksburg. The MTSC debate team won several of its debates in the national contests, final rating of which have not been released.

He plays the piano and organ and has written several original compositions for these instruments. He is the organist and choir director at St. Paul's Episcopal Church, Murfreesboro. He is at the present time playing in two bands in the mid-state area.
Cromwell stated that his interest in feminine clothing and hats has made him "the general consultant for the neighborhood." "Does this hat go with this dress?" and "are these ruffles too decorative?" are questions which he frequently answers.

Clyde, in laying out the essentials for a happy life, expressed a desire for a nice home which he intends to decorate himself with ultra-modern furniture. His qualifications for a wife are somewhat more detailed. The ideal woman, to Clyde must: (1) be an excellent cook; (2) be dressed to perfection at all times; (3) be nice looking (not necessarily beautiful); (4) have a wonderful disposition; (5) have musical interests and talents; (6) and last of all, be able to model well all of the designs which Monsieur Cromwell intends to create.

Clyde Cromwell

(Continued from Page One)
eighth grade.
Clyde's hobbies run parallel with his vocational plans. He

designs and remodels women's hats "when he finds the time." He is also interested in all phases of interior decoration for the home, and hopes to incorporate all of these interests into a single profession. In the future he plans to transfer to some school, as yet unchosen, and carry his work in clothing design further. He hopes to secure a position as a buyer of women's clothing for some firm, and with this experience plus his schooling in the subject, set up his own business as a designer and interior decorator. Cromwell is minoring in music.
