

Seven Bands Receive AA Ratings in MTSC Meet

By JIM HAILE
The strains of band music were heard on the MTSC campus when some 34 bands competed in the Thirty-Fourth Annual Middle Tennessee band festival. The musical selections ranged from marches to familiar symphonic overtures and suites.

The bands were divided according to their respective size—small, medium and large, and judged accordingly in their group. The bands were classified into A, B, C, or D, ratings which show the individual band's meticulous concert and sight reading abilities.

The bands receiving double A ratings, which show excellence in both these fields, were Tullahoma, Franklin, Springfield, Peabody, Murfreesboro, Marshall County, and Chattanooga City High. Those receiving one A ratings in the junior high school group were East Junior High, Whitthorne Junior High, and the all City Junior High Orchestra.

On Thursday, April 23, the Nashville all City Junior High Orchestra highlighted the day's events. The orchestra, which is composed of a hundred and twenty-five young musicians, presented a concert in the old gym. The concert was an amazing and exhilarating performance by a group of exquisite musicians. The group showed their concert ability by playing Mendelssohn's Festival March, The Two Guitars, and Isaac's Passion Choral and Overture. Mr. Howard F. Brown directed the young group.

On Friday, April 24, the day's events were highlighted by the Peabody College Band performance, which was held in the auditorium. Dr. C. B. Hunt directed the orchestra in Holt's Suite in F, Creston's Legend, Bach's Jesu, Joy of Man's Desiring, Texidor's Ampanto Roca, Persichetti's Divertimento for Band and Hall's New Colonial March.

After the symphonic concert, the Peabody Dance Band thrilled the "long-hairs" as well as the "beeb-boys" by playing several modern dance band selections.

In the second scene the fumed oak, with several drinks to bolster his courage, turns in his resignation with appropriate language and actions, as husband and son-in-law. John Keith Jackson, freshman from Shelbyville, will portray the husband, Henry Gow. His wife, Doris, will be played by Gloria Gattis, senior from Murfreesboro. Mrs. Rickett, the mother-in-law will be played by Martha Ricks, sophomore from Nashville, who directed the winter quarter arena play. Outdoor Concerts Begin McDonald, Jennings To Sing Lead In 'Down In The Valley' Saundarian Opera To Be Presented On Outdoor Stage

By JIM HAILE
The Saundarian Society of the MTSC music department will present a folk opera entitled "Down In The Valley."

The opera which is under the auspices of Miss E. Mae Saunders will be presented on May 4, at 7:30 P. M. There will be no admission charged to see the performance.

The opera will be comprised of some twenty people blending their voices to bring this story to the MTSC outdoor stage.

The opera is discerned in a love plot between Brach Weaver and Jennie Parsons Brach is a condemned prisoner who escapes from prison in order to see his lover. In a vision of the past Brach and Jennie are depicted at prayer meeting where Brach first met Jennie and took her home.

Afraid to declare his love for her, Brach asks Jennie to accompany him to a Saturday night dance at Shadow Creek, but Jennie's father forbids her to go with Brach. He wants his daughter to marry Thomas Bouche, to whom he is in debt, but Jennie refuses to marry Bouche. Instead she joins Brach at the dance. Bouche gets drunk and picks a fight with Brach who kills Bouche when he pulls a knife out of his pocket.

Before he is captured and brought back to jail Brach spends his last hour with his beloved down in the valley.

Some of singers who have lead parts have been seen in a number of other MTSC programs. The leads are portrayed as follows: Brach Weaver will be played by Doug McDonald; Jennie Parsons by Gay Jennings; Thomas Bouche by Thomas Darnell; the leader and The Preacher will be played by George Pidcock.

Students Attend Special Programs; Candlelight Supper For Courtesy Week

By MARIE SMITH
This week, April 27 through May 1, has been set aside as Courtesy Week on the MTSC campus, with Mrs. Virginia Muncie and Mrs. Evelyn Felder as sponsors. Courtesy Week is for the purpose of making each and every student conscious of his manners and to help everyone to be more courteous at all times.

This week's chapel program consisted of an Emily Post movie and musical entertainment in observation of courtesy week. Three additional Courtesy films were shown last night in the Student Union Building when everyone was treated to free popcorn.

On Thursday evening, supper will be served in the cafeteria by candlelight at which time everyone will come dressed up.

These are just the highlights of Courtesy Week. Everyone should be conscious at all times of courtesy in order to make this week a success. For courtesy is an important subject that is concerned with human relationships in our everyday life.

State ASB Will Discuss Rules, Publications and Religion

Tennessee Association of Collegiate Governments will have its first convention at MTSC, May 8 and 9. The convention is open to all students and it is hoped that MTSC will have a large delegation of students there. Welcome will be extended to the group by Jim Crawley, MTSC ASB president. Among these will be selection of Miss Campus of Tennessee and announcement of Mr. Campus of Tennessee. They will be presented and crowned at the spring formal and junior senior dance to be held in the Tennessee room on Friday night.

Selection of Mr. Campus will be chosen from the schools represented on the basis of leadership, scholarship and achievement qualifications which will be compiled and judged before the convention. MTSC's candidate is being selected by a faculty committee. There will be one candidate from each campus.

Two Miss Campus candidates are now being selected from the girls of MTSC by a committee of eight boys, two representatives from each class. The only qualification for Miss Campus is beauty. The girls chosen will be notified in time to make preparations for the beauty review to be held Friday night preceding the dance.

Saturday morning meetings will resume at 8:00 o'clock. After seating of delegates and roll call the state constitution will be presented to the convention. After a short recess state officers will be elected. Installation ceremonies will conclude the convention.

Despite Late Freeze Spring Has Arrived; Here Is Proof!

That old sun makes a girl feel lazy, but in the next minute she is up in her room washing clothes or scrubbing floors. Yes, this spring fever can make a person do unusual things. These girls sunning and strumming ukeleles on steps of Rutledge Hall are: front row, Betty Lewter, Shirley Dimple Moncrief, Joyce Cooper, Shirley Turner, Emily Noel and Martha Sorrell. Second row: Frances Carter, Kathryn Knight, Maxine Chambers, Lillian Swann and Betty Jean Guernonprez.

Mr. Phillips, don't take it so hard. Everybody can't catch fish. Along with Mr. Charles Phillips, bookstore manager, are Coach Frances Riel, center, and Jimmy Jackson, assistant bursar who seem to have gone fishing just because they couldn't resist these beautiful spring days. Well fellows, Betty Ann Hall didn't do so bad on the bank. Just look at that string of fish. Coach Riel and Mr. Phillips have each had their picture in the Nashville papers recently along with their prize catch on fishing trips.

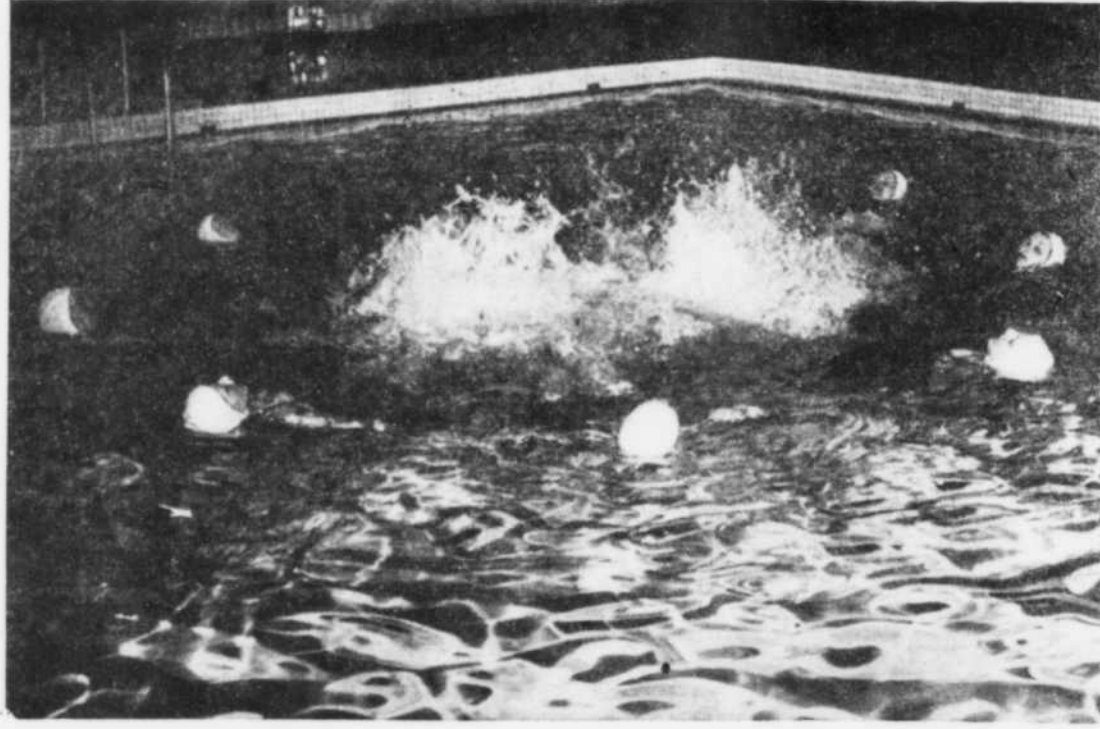

Vet Village is the little community on the east side of the campus that goes all out for spring. The mothers move out of the tiny apartments and trailers with their children into the fresh spring breezes. While the mothers sew and talk, the children play and Daddy washes the car. This is the surest sign of Spring on the MTSC Campus.

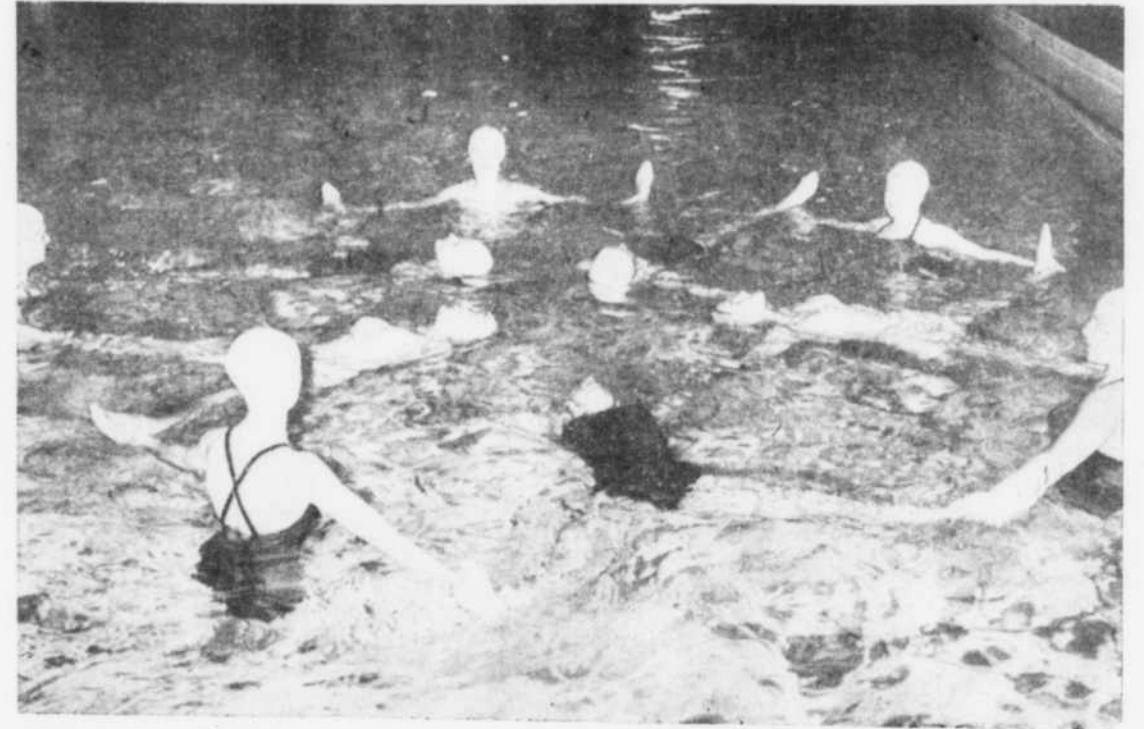

WHEE! IT'S BEEN FUN!

RUTLEDGE ROUNDUP

by LIZ HAY

Well, Rutledge is back in the old groove again after a gala opening house which tended to slow down the usual pace of things for a few hours. After many hours of last minute cleaning, Rutledge opened its doors to the public eye and thus ensued an open house which it shall long remember. Say, girls, that spring cleaning wasn't so bad, was it?—after all such an occasion only happens once a year.
Peggy Dorris, golly what a ring!!! Say, Peggy, sure was wonderful hearing of your engagement. Congratulations, to you and the lucky one! Postscript — just heard the wonderful news; Peggy became Mrs. Harold Fuqua last Friday night.
Shirley Turner, my who is the latest? From all evidence, well, he must be swell.
Rutledge boasts two newcomers: Barbara Witham and Eleanor Sheld who have recently joined our midst. Welcome, girls, we hope you find Rutledge as "homey" as your various abodes in town.
Heaps of orchids to Joan Jennings, Carolyn Shelton, Gay Jennings, and Laura Ann Harris for their most superb performances on "Varsity Varieties". Keep up the good work, girls and the varsity title might soon be yours.
Dimple Moncrief, whom have we been spying you with lately? Looks as if this wonderful spring weather has also had its effect upon you.
Girls of the week: Gloria Gattis, Greta Moore, Sara Connelly, Janet Hooper, Sue Kirby, and Eleanor Sheld whose fine talent for music combined with their various personality traits spells nothing but success and happiness in the years that lay ahead.
News is short, but promise more next time—Luck on mid-terms.

COMMUTER'S TATTLE

by ALONZO RANDALLS, JR.

Hi, guys and dolls, we're back with some news from the commuters. Time sure does pass because mid-term exams are about over. I suppose the reason is, that it's spring.
How many of you guys and dolls got to see the Middle-Tennessee State Band Festival. We were certainly glad to have them and we understand there are several future Raiders in those Bands. (Commuter Raiders that is.)
Each week we are going to interview a MTSC Commuter and give you his opinions of the News of the Day. This week we have selected James McKTigue, of Nashville.
Question:
What do you think of the Prisoner of War Exchange?
"Why should we give 10 times as many men back to the communist as they give us? Why don't we have an even exchange?"
2. What do you think of Britain's Great Show?
"I think it is wasting a lot of our American dollars."
3. What do you think is the most important thing in the world today?
"I believe that God is the most important thing. As the years pass the world seems to think less about God, their creator, and more about material things which will pass away. We may forget about God, but think what would happen if God forgot about us."
4. What's your favorite song?
"Without My Lover."
5. Who's your favorite T.V. star?
"Wally Cox."
6. Who do you think will win the Kentucky Derby?
"Money Broker."
7. What do you think will do the most to improve our college?
"More girls."
Thanks very much, James, for your opinions and we'll have another interview next week.
Reward! Reward! Lost one Green DeSoto in the area around Nashville. If you happen to find a green DeSoto, don't get alarmed, just write Box 36. I'll return it to its owner.
Getting down to bare facts, we understand there is a certain party going to join a certain organization during the summer. Have a nice time Dave.
I hear there are several of you commuters going up to the Kentucky Derby. Be careful Sam or they'll put a harness on you.
The Spring Formal is May 8. We hope to see quiet a few commuters there.
We understand Jean T. likes those side shows at the Carnival. We do too, Jean.

ALONG THE SIDELINES

By BOB HETTISH

Table with batting averages of the 'regulars' on the Raider baseball team to April 25. Columns include player names and statistics like hits, runs, and RBIs.

Most unusual statistic discovered in exploring the books is that of substitute Joe Evans, who has been at bat offensively two times and scored two runs without getting a hit.

RAIDERS BEAT AIR FORCE TEAM AS JIM EVANS HITS HOMER

MTSC dropped Sewart Air Force Base 9-5 on the Sewart Field April 16. Wildness by Air Force pitchers and poor support were major factors in the loss.

Wakefield who opened the first inning with a double, scored on Johnson's single. Johnson subsequently scored on a fielders choice after moving to third on an error.

The fourth and fifth inning found the Flyers crowding the Raiders with Bass collecting a triple and a single; Smiko Reed, and Tsacans Hansen hitting singles and Duncan Hunter came in relief with the score tied and went on to win with four innings of three hit ball.

Hilltoppers Take Raider Baseball Team By One Point

The Hilltoppers of Western Kentucky knocked the Middle Tennessee Blue Raiders 9 to 8 on the local diamond on April 21.

Western made a come back in handing the Raiders their third defeat in seven outings. Though the Raiders out-hit the Hilltoppers nine to seven, they just didn't have the power when it was needed.

Dan King, Western's fine basketball star, paced the winner's hitting with a bases empty home run in the fourth inning.

Raymond Hunter started the ball game for the Raiders with Bobby Osteen behind the plate. Doug Shrader came on in the fifth and was charged with the loss.

Big Art Spoelstra started for Western and was blown out in the fifth inning. Pritchett came in and was relieved by King in the sixth. King got credit for the win.

INTRAMURAL OUTLOOK

By James Bagwell

In this column on April 15, 1953, yours truly gave a list of 23 names which were said to be the participants in the table tennis intramural for this quarter. Here and now, I would like to extend my sincere apologies to the other 75 men who are also taking part in this contest.

Before I leave the table tennis, let me mention the favorites at each of these before named tennis. At the Community Grocery, last year's champion Jimmy Smith, is favored for the number one spot with Lee Foster next.

The winners and runners-up of these four tournaments will then have a playoff in the New Gym. I might add for all those who do not know differently, this whole tournament is being carried on without a faculty member required present.

STUDENT MANAGERS

As you know it is the practice of Coach Hayes to appoint a student manager or managers to help supervise each quarter's intramurals. The student managers for this quarter are Gerald Johnson and George Brown.

- Table Tennis—Jean White
Softball—Joe Bean and Howell Lehing
Tennis—Margaret Holland and Dimple Moncrief
Golf—John Raymond Smith (who is the number 1 man on the golf team)
Track—Gerald Johnson and Don Williams
Swimming—Dallas Cook

Top Men in Intramural Points

Table with columns: Name, Team, Points. Lists top performers in various sports like Don Stotser, Garnett Rather, and Sam Woodfin.

From these figures it is not very difficult to see why the White team is ahead. Of the 16 men listed above, 5 of the leaders are on the White team.

SOFTBALL

By time this paper comes out, the Intramural softball games will be well on their way. However, here is the schedule of the games that are left to play:

Table with columns: Date, Teams, Time, Field. Lists softball game schedules for May.

Field 1—Boys Dorm.
Field 2—Football practice field.

Coach Hayes requests anyone wishing to umpire these games to please turn in their name to him and let him know what day they want.

INTRAMURAL TRACK MEET

On the same day that the next issue of this paper comes out, the Intramural Track Meet will be held at Jones Field. This Track meet is sort of a climax to the intramural program is the fact that it usually takes the longest, covers a wider range of sports, and combines both the intramurals and the WAA, who has pledged its help this year and any and all girls are welcome to come.

Table with columns: DUTY, SPORTS, WHO MAY ENTER. Lists track meet events and participant eligibility.

A faculty member will be helping with each meet to serve as judge. It is the hope of the intramural personnel that the day may come when the school will turn out afternoon classes for this meet and make it into a school outing, where refreshments could be served.

Two members from each team may participate in each field event, and 3 members of each team may enter in the track. The team with the highest number of intramural points when the meet is over, will have their name engraved on a cedar keg which may be seen in the main lobby of the new gym.

Until the next time then, this is James Bagwell reminding you to take part in these sports; but if you can't, go see them anyway, won't you?

EAGLES CLOUT HOME CLUB IN 10 INNINGS

A tenth inning base on balls served up by Shrader, followed by a clutch single by Hampton broke a tie and gave the TPI Eagles an 8-7 win over the Raider diamond team, April 17.

MTSC out hit the Eagles 13-8, but failed to take on the power when needed. Wakefield, Jim Evans, Ralph Osteen and pitcher James Sellars got two hits each. Branch got two singles for the Eagles and McKee also hit twice, one for two bases, the only extra base hit of the game.

MTSC Dominates Singles to Beat TPI Netmen 4-3

MTSC won its first OVC tennis match by beating TPI netmen 4-3 on the Cookeville courts last Friday.

In the singles the locals had the going all their way, but the doubles found the Eagle flying too high and fast.

Best match of the day was Gene Porter's rally after losing 2-6 in the opener to down Joe McClellan 6-3 and 7-5 in the final sets. Garnett Rather did a workman-like job in his 6-4, 4-6, 6-4 triumph over Jack Leath. Bill Clark had an easy time in the number one match, eliminating James Dean 6-2, 6-1 while G. P. Long coasted to an easy 6-2, 6-1 victory over Jimmy Draper.

Leath and Dean teamed up to power Clark and Long in a 3-6, 6-0, 6-1 rough going before they were able to knock off Porter and Rayburn in a 6-4, 4-6, 6-4 match.

Hilltoppers Edge Tennis Team 4-5

The Western Hilltoppers edged the Blue Raider tennis team 4 to 3 on the local courts on April 21.

The strong Western squad captured three of the five singles matches while splitting the doubles with the Raiders. In the feature match of the day Roger Otten defeated Bill Clark of the Raiders 6-8, 6-3.

The results: WESTER KENTUCKY 4: MTSC 3; Otten (WK) beat Bill Clark 8-6; 6-8, 6-3; Taylor Rayburn (MTSC) beat Drake 6-3, 6-8, 6-1; Gene Porter (MTSC) beat Chestnut 6-8, 6-4, 6-3; Brooks (WK) beat Garnet Rather 5-7, 6-3, 6-1; Oliver (WK) beat G. P. Long 6-3, 6-1; Otten-Drake (WK) beat Clark-Rayburn 6-2, 6-0; Porter-Rather (MTSC) beat Chestnut-Brooks 6-4, 1-6, 6-0.

Three TPI Teams Will Be In Town For April 30 Game

Before the next SIDELINES hits the disposal racks the Raiders will have pretty well sewed up the spring sports season.

It all gets started here tomorrow (April 30) when TPI comes to Murfreesboro with three teams, baseball, tennis and golf. At Cookeville two weeks ago the diamond boys were turned back in ten innings in an 8-7 thriller, the net team won 4-3 and the golf team went down 11-7.

All three Raider coaches believe that the Raiders will make it a triple header killing here tomorrow.

On Tuesday, May 5 the Murray baseball team will be played there, followed with a return VSAC game against Union May 6 in Jackson.

On May 8 all three teams go to Western. Here last week the Raiders took a three-way loss by the closest possible margin. The baseball team blew a good lead and lost 9-8. The tennis team was nosed out 4-3 and the golf team lost 9 1/2 to 8 1/2 when two Raider putts on the 18th hole fumbled.

David Lipscomb comes to town with tennis and baseball May 12. The Bisons have decided to drop golf as an intercollegiate sport this year. The tennis and baseball games scheduled in Nashville for Friday were rained out and have been scheduled for early this week.

Vanderbilt will be here on May 14, followed by Florence on May 15 and Murray on May 19.

J. Paul Shedy Switched to Wildroot Cream-Oil Because He Failed The Finger-Nail Test

"HURRPH!" trumpeted Shedy. "What a elephant time to have my hair cut up. Might as well break my date and get trunk!" Luckily he was overheard by a Pachydermitologist who said, "Tusk, tusk! You've got a messy big top from pouring those buckets of water on your head. Get out of your ivory tower and visit any toilet goods counter for a bottle or tube of Wildroot Cream-Oil, 'Your Hair's Best Friend'. Non-alcoholic. Contains soothing Lanolin. Relieves dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Paul got Wildroot Cream-Oil, and now all the girls tend to him more than ever. So why don't you try Wildroot Cream-Oil? It only costs peanuts — 29¢. And once you try it, you'll really have a circus.

production of a season of great plays irrespective of patronage. Inasmuch as education has never been considered a dividend producing investment, it is a sign of immaturity or misconception of the purpose of education, and academic theater in particular, to try to place general education and theater on such a basis.

Mr. O'Shea told the club what dramatic achievement-levels could be expected on the different grade levels. In the elementary school the student should be educated toward a perceptive and intelligent creative imagination. This is fostered by a dynamic, creative teaching personnel, and by a coordinated program in children's theater.

He remarked that there was no reason why secondary schools must produce such meaningless drivel as "Wildcat Willie," "Who's Got My Penny" or "Fog Island." The high school theater is fully capable of producing the classics but on a reduced production schedule. "Surely the comedy of Moliere is superior to any contained in the above plays and also immeasurably widens the educational experience of spectators and cast."

The speaker insisted that the college theater must be a vital center of common cultural interests. "It must work in close connection with the departments of English, Fine Arts and Languages to make the jewels of our cultural heritage available to the entire student body, and to the community as well," says Mr. O'Shea.
