

Digital Scholarship Initiatives

Highlights 2016-2017

Digital Scholarship Lab

Serving as a hub for collaboration among campus centers, faculty and students, the Digital Scholarship Lab at Walker Library creates and applies new technologies that enhance interdisciplinary research. The products produced in the lab are often grant funded, strengthen the scholarly output of MTSU, and add to the collections of Walker Library.

Digital Scholarship Initiatives Statistics

Digital Scholarship is scholarship enhanced by the design of digital projects, incorporation of digital tools, collaboration among digital partners, and dissemination through digital platforms.

Overview of Programs

JEWLScholar

Stable URL · Cost-Effective · Submit Online
Increased Visibility · Search Statistics

JEWLScholar@MTSU is the institutional repository (IR) of MTSU, providing open access to scholarly materials produced by MTSU faculty, staff and students.

Journals

Editorial Workflow · Stable Online Access
Technical Support · Cost-Effective

Journals@MTSU enables open access publications created by MTSU affiliated journals to be freely accessible through the Open Journal Systems software.

Seed Grant

Digital Seed Grants were developed to encourage and create opportunities for faculty members and researchers to use digital technologies in their research or teaching. Applications due in the spring.

Events

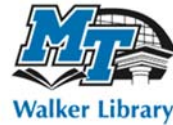

DH Seminar Series provides a venue for students and faculty to learn and explore digital humanities (DH) topics.

Digital Workshops were created to introduce digital tools and provide hands-on learning of data and mapping applications.

Digital Partners

Digital Scholarship Initiatives, an extension of the mission of the Walker Library as an active partner in the scholarly communication process, supports the educational mission of the university by providing access to information and collaborating with academic partners.
