## MTSC Hosts 24 Squads In Prelude To Debate Contest

Twenty-four debate squads, representing Vanderbilt, David Lipscomb College, Tennessee Tech, Belmont College and Middle Tennessee State College, participated in the debate tournament at MTSC as a prelude to the state contest, scheduled for later in January.

Vanderbilt and David Lipscomb College tied for top honors for the debate squad, with TPI as runner-up. The squads were composed of one or more teams in both a senior and junior division. Each college also entered a team of debate judges.

The best team in the senior division was composed of Chester Burns and Joe Sills of Vanderbilt. Sills was chosen as the best individual debater in the tournament. The runner-up senior division team was also from Vanderbilt. It was composed of Stan Ruby and George Stern. Stern was voted the runner-up to the most outstanding debater.

In the junior division the team of Noel Loper and A. W. Powell of Belmont College won first honors, with Misses Pat Suddarth and Jeanette Williams of TPI winning runner-up. Joe Roby of Vanderbilt and Lynn Fulham, David Lipscomb, tied for first place honors, as the best junior debaters, with Bob Phillips of David Lipscomb as runner-up.

Miss Jean Adamson of MTSC was rated as the best debate judge. Gary Cohen of Vanderbilt was given the runner-up honors as a debate judge.

Lane Boutwell, head of the MTSC speech arts division, was in charge of the tournament, assisted by students in this department.

Miss Adamson took first place in the judging competition, a new switch in debate competition which was introduced on the program.

The MTSC teams, composed of Jean and Joyce Adamson of Watertown, Bill Davis of Lawrenceburg and Bill Sugg of Burns, participated in six rounds of competition. Lane Boutwell, head of the MTSC speech division and coach of the team, accompanied the debaters to the meet.

## Straight A's Earned By 15 Students

Fifteen Middle Tennessee State College students made the exclusive "straight A" list at the college for the fall quarter, according to the announcement of Dean N. C. Beasley. Six of these were seniors, four were sophomores, four were freshmen and one a junior.

Carrying the maximum load of 18 hours were Harry Parker Harness of Dyersburg, senior; Anne Carolyn Holloway, Murfreesboro, junior; Martha Ann Roach, Woodbury, sophomore and Alton Loyd Smith, Sparta, senior.

Others who were carrying a normal student load who made all "A" were Peggy Dolores Harrison, Springfield, senior; Katherine Linda Laird, Nashville, freshman; Donald Roe Luther, Centerville, senior; Nena M. Miles, Murfreesboro, sophomore; Harold Lee O'Brien, Nashville, freshman; Helen Maxine Smith, Shelbyville, freshman; Joan Frances Startup, Nashville, senior; Charles K. Trimble, Nashville, sophomore; and Mary Lynn Wilkes, Temple, Texas, senior.

Two other majors in aviation made straight "A" in 15 or more hours work in that area. They were Francis T. Metcalf, freshman, Nashville and Joe S. Patton, senior, Murfreesboro.

## Five Chosen For Tau Omicron

Five girls were recently selected to become members of Tau Omicron Society: Ann Holloway, Carolyn Dixon, Carol Hanes, Ann Porterfield, and Shirley Vick.

Two of the girls are from Murfreesboro; Ann Holloway, a home economics major and Carolyn Dixon, a business major. Shirley Vick is a music major from Nashville; Carol Hanes, a business major from Westmoreland; and Ann Porterfield, a social science major from Augusta, Georgia.

The Tau Omicron Society is an honorary society which honors junior and senior girls who excel in scholarship, leadership, service, and character. The girls are selected at the beginning of each quarter.

## Editorials

The theme of the 1958 March of Dimes is "Survival Is Not Enough."

This slogan, in the view of Basil O'Connor, president of the National Foundation for Infantile Paralysis, "is really just a four-word definition of rehabilitation. A very substantial part of the citizen's contribution to the 1958 March of Dimes must go toward caring for the backlog of patients in iron lungs and other respirators—and to pioneer the kind of care that offers a degree of hope for some 100,000 men, women and children in the United States today still disabled by polio paralysis."

This new stress on polio rehabilitation has also been given the name "Operation Comeback," Mr. O'Connor added.

To the National Foundation, now completing its 20th year of service to the American public, pioneering is taken for granted. With March of Dimes funds, the National Foundation pioneered the first massive offensive against polio.

Down the years since 1938, it set up the first polio epidemic emergency service; launched the training of physical therapists and other specialists for treatment of polio victims; established respiratory-rehabilitation centers across the nation; and directed the expenditure of millions for virus research which culminated with the development of the Salk vaccine.

We can all help by supporting the 1958 March of Dimes.

## Mission Accomplished

Lucy Tucker, 33, died Christmas night at her home, 2549 Beverly Street, Birmingham, Alabama. Funeral services were conducted December 27 at Woodfin Memorial chapel with the Rev. Hubert Covington officiating. Burial was in Roselawn Memorial cemetery.

To those of us who knew Lucy in the more than five years she was at Middle Tennessee State College, her passing marked the end of a life, that, for courage and optimism in the face of adversity and frustration, is without parallel.

As the officiating minister so well put it, "Lucy has left all of us better able to cope with the troubles that arise, for they seem so inconsequential, when measured by the obstacles she overcame."

It has been said that each of us has a mission to accomplish. Lucy accomplished a great deal in her 33 years. Left an orphan at an early age, stricken with tuberculosis before she finished high school, she knew suffering as few her age have experienced. In the state tuberculosis hospital, with her family resources exhausted, she became the particular interest of the Nashville TENNESSEAN in 1947. Two devoted brothers aided in meeting her hospital bills while they were educating themselves. With her disease arrested, Lucy was admitted to MTSC and by her intelligence, poise, good humor and fine character earned the admiration of even the most casual acquaintance.

From the freshman year she took an active interest in all student affairs and the work of the Cumberland Presbyterian young people. By her junior year she had earned the high honor of editing the SIDELINES and was elected vice-president of the student body. Her meticulous devotion to the details of her offices may have undermined a strength that never matched her will. In any event, Lucy was forced to return to the hospital for a stay of more than a year. Once again recovered, she returned to MTSC and, by husbanding her strength and taking a few hours each quarter, won her coveted degree in 1955.

She had attained some success in her field of interest—creative writing, especially religious and children's work, but last summer and fall her depleted lungs gave way under the battle to supply enough oxygen to her body, and another malignancy developed.

Everyone present for the funeral service concurred heartily in the Rev. Mr. Covington's valedictory for Lucy. "She has fought a good fight." . . . "All who knew her are better persons from the experience" . . . "She accomplished her mission in life."

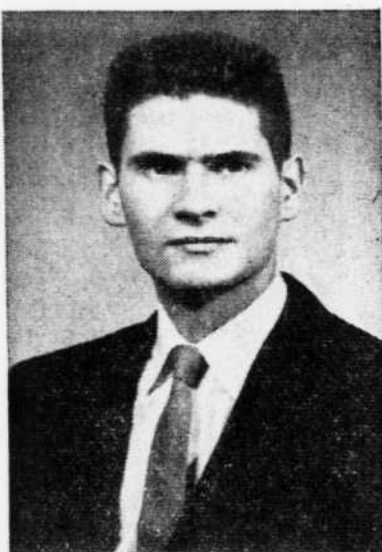

## Join NROC

The Navy's Reserve Officer Candidate (ROC) Program is now open to qualified college freshmen, sophomores, and juniors. By participating satisfactorily in the program, a man pursues a full college academic course, has his active duty obligation deferred until graduation, and then goes on duty as a commissioned officer in the Line, Supply Corps or Civil Engineer Corps based on college major and the needs of the service. He participates in weekly drills with the local Reserve unit, and takes two 8-week summer courses at ROC School, Newport, R. I., during his college years.

Anyone interested in this program should contact Dr. W. T. Windham in Room 313 of the Administration Building, or the Stationkeeper at the Naval Reserve Facility, College Heights (near the Henry Drug Co.). As the deadline for applying is February 1, it is necessary that the application forms be secured by January 17.

The Reserve unit at College Heights also has openings for recruits, apprentices, seamen, and a number of petty officer rates. By affiliating with the Reserve Program, a man receives a day's pay for each weekly drill and is granted 14 days annual training duty with pay and travel allowances. Most of the Reserve cruises leave from Charleston, Jacksonville, or Pensacola with liberty at some port in the West Indies. Interested persons are cordially invited to visit the local Reserve unit on Monday night at 7:30, or call the Stationkeeper (TW 3-4701) during the day.

Jimmy Hall, freshman business major from Nashville and member of the famous "Crescendo" the singing group that has met music fame with their smash record "Oh! Julie," didn't return to school this quarter.

He left in favor of going on a tour of show dates including the American Bandstand Television show with the vocal outfit.

The crew plays out of Nashville and records for NASCO records.

### Rutledge Roundup

By Sarah Horton

"Happy New Year!" Well, here we go again with 1958 getting into the swing of things. Hope everyone had a Merry Christmas and that Santa was real good to you.

I think he was especially good to some of the girls in the dorm; Mary Kay Johnson, Wanda Riggsby, and Barbara Hunter, in particular. He sent them one of those great big beautiful rings, a diamond, I think they call them. Wedding bells will start ringing for them in September, if not sooner. Good luck, gals!

Rutledge opened its doors at 2:00 on Sunday afternoon. Everyone was full of juicy home town gossip, and bubbling over with happiness. It was great to see all our old buddies again. Oh, yes, there were three new girls with whom to get acquainted: Polly Dinges from Alexandria; Carol Ann Lambert from Shelbyville; and Lois Dean Patton from Harrisburg, Illinois. Girls, we are glad to have you and hope you will love Rutledge as much as we do.

Two weeks wasn't enough time for Adelia Denton and me to be with our friends, so we brought them with us. Guests over the weekend were Gay Newson from Shelbyville, guest of Maxine Smith; Mrs. George Purdy and Mrs. Orman Altum of Loudon, guests of Mary Louise Purdy; Ellen Bonner, McMinnville, guest of Adelia Denton, and student at Vanderbilt, and Anne Brady, McMinnville, guest of Sarah Horton. Anne is a freshman at Christian College in Columbia, Missouri. With our guests and the new girls we really had a grand time.

Boys, I've noticed quite a few new crewneck sweaters on campus. I must admit your girl friend have excellent taste. Remember, I told you that was the most popular Christmas gift of the year.

### Boner's Boner

Boy, I'd hate to think we haven't got some smart girls in the dorm. Take Doris Boner for instance. She tried to be real sharp and breeze through registration, but the fact never entered her mind that she would make a pretty big mess of the deal. The first day classes met, Doris was sitting looking over her schedule to see where her next class was, and to her surprise found she had registered for two classes at 1:00 o'clock. Doris's economy is great, but—I'm afraid she'll have to start economizing somewhere other than killing two classes in one hour.

I'll make this issue short, because at the beginning of the quarter I know everyone is just dying to study. Hope you got your schedules the way you wanted them and that the new year will hold nothing but happiness for each of you. Until next issue, see you in the "Coffee Shop."

### Lying Lyons

by Dottie McQuiddy and Dorcas Gunter

Everyone arrived back at school with high hopes and willingness to work hard another quarter.

Lots of things have been happening in Lyon Hall lately. Santa Claus left Hazel Matthews a miniature pool table for Christmas. All the girls on third floor have been having fun playing pool, some of them 'til two in the morning.

Lyon Hall is happy to welcome "Nita" Brantley into the dorm this quarter. Nita is a cute blonde from Springfield, Tennessee. She is rooming with Sandra Harriseon.

Of course, everyone has seen the beautiful diamond on the third finger, left hand of Barbara Tenpenny. Barbara is engaged to Kenneth McAfee. Another lucky girl who got her ring during Christmas was Carolyn Scales, Carolyn is engaged to Cris Christian.

Janice Craig, a transfer from U.T. is another new addition to Lyon. She is rooming with Eloise De John.

A surprise birthday party was given for Hildas Tipples and Faye Rogers on January 1. Popcorn and cokes were the refreshments. The guests included: Martha Morgan, Barbara Tenpenny, Patty Wilkenson, Yvonne Powell, Wilma Jean Thomas, June Neal, Rose Blevins, Nancy Westbrook, and Freda Short. Hilda received a blouse and Faye, a stuffed dog.

It seems Monahan Hall was invaded by some Lyonites last Thursday night. Virginia Yancey, Dot Hunter, Dottie McQuiddy, and Sallye Beane cooked spaghetti in Monahan's kitchen with Jane Panter.

Dancing lessons are held every night at Lyon in room 312 for the unskilled in that art. The head dance instructor is Sandra Harrelson. Sandra says that there is no charge for lessons.

Lyon Hall is especially proud that one of her girls was elected ROTC sponsor. The lucky girl was Tavye Pack, Tavye is a tall, lovely, well-liked girl from Antioch, Tennessee.

The girls from Lyon would like to wish everyone a very joyous and successful New Year.

## Along The Sidelines

by Roy Crabtree

Middle Tennessee State's athletes can look back on 1957 as a year they will remember for a long time to come as one in which tremendous accomplishments were made in the field of sports. Four trophies were won by the 1957 teams and old records were broken and new marks set.

### New Year Spotlights Basketball

Basketball was in the spotlight as the year began. Coach Ed Diddle Jr.'s cage squad gave the big year a start when they brought home the Volunteer State Athletic Conference Tournament championship.

In his first year as a college basketball coach, Diddle faced a rebuilding job, which he handled successfully, as he led the Big Blue to a 12 won, 13 lost record. This record alone is something to be proud of considering the competition. Co-captain John Price, from Bowling Green, Kentucky and Jerry Hurst, 6' 7", center from San Diego, California, were the big guns throughout the season. Together they scored 797 of the 1885 points scored by the Raiders. Price and Hurst were both selected on the VSAC tournament team and Jerry was honored later by making the Ohio Valley Conference first five.

Baseball and Tennis were the only sports that didn't bring recognition to the school so far as trophies and championships were concerned, but they had individual athletes that could hold their own against the best in the OVC and VSAC conferences. G. E. McCormack, Blue Raider catcher, established himself as the best catcher in both conferences as he hit over the .400 mark in 16 games, and captain Buck Rolman was not far behind as he smacked the ball at a click of .396.

Track, a relatively new sport at MTSC, came to the front with a successful season as the team won seven meets to go undefeated in regular season competition. Ed Carson, the phantom of 120 and 220 high and low hurdles emerged as the number one point producer for the Big Blue with 90%, while co-captain Marvin Jinnette, star dash man and relay team anchor man placed second with 85%.

The Raiders placed fifth in the Ohio Valley Conference Eastern field meet just eight points from the top point producer Eastern Kentucky, which captured the meet with 39.

Carson won first place in the low hurdles but had trouble clearing the highs and placed third, while David "Bucky" Pitts, the Fayetteville flash, finished third in the 100 yard dash behind the sensational Olan Cassell, ETSC, who broke the conference record with a 9.7 performance.

Bucky stayed even with Cassell for about 60 yards but ran out of gas as they approached the finish. Olan, later in the summer, participated in the AAU track and field events at Dayton, Ohio where he tied the 220 yard dash record.

Jerry Hurst tied Leo Cooper, ETSC, and Kenneth Thompson, Morehead, for first place in the high jump to add 4 points to the Big Blue total of 31.

Golf was the spotlight in two conferences as the Raiders placed second in the Ohio Valley tournament and took the Volunteer State Athletic Conference championship easily.

David "Doc" Tant, a golf star on the links in and around Nashville, cracked the Stones River Country Club course record with a sizzling five under par to pace the Raider attack for the VSAC championship.

The most spectacular accomplishment on the fairways, as for as individual effort was concerned, goes to Marty Graham, who scored a hole in one against the University of the South, only to lose to the match to Crawford Flowers 71 to 73.

### Football Squad Smashes Past Records

Football, which brought publicity to Middle Tennessee State College from all sections of the nation, has gone in the record books as the best ever produced in the history of the school.

The Big Blue re-enacted an old 1935 record by going undefeated in 10 games, which saw them emerge as the number one small college team in the nation, and no place to display their ability and fortune in a post-season attraction usually awarded a team of its caliber.

It enhanced the record of coach Charles M. Murphy to 79 victories against 29 defeats and six ties over the eleven year span he has been head mentor of his Alma Mater. He and his assistants saw three players chosen for national All-Star recognition and three others receive honorable mention—an accomplishment unparalleled by any team in the past.

Jerry Hurst, end, was placed on the Associated Press "Little All-American" second team. Ralph Massey was named as a tackle on the Williamson Rating System "Mid Bracket All-American." G. E. McCormack was selected on the NAIA "All-Star" first team. All of these received honorable mention on other picks, as did quarterback Bobby Hallum, halfback Marvin "Buck" Rolman, and guard Harold Greer.

Not only were the Raiders undefeated, untied and untested but they repeated their 1956 championship of the Ohio Valley Conference and for the sixth time won the VSAC football title. They dominated the All-OVC team by having six men placed on the first unit and three on the second team squad. Players receiving this honor were ends Jerry Hurst and G. E. McCormack; tackle Ralph Massey and guard Lester Hizer, plus two outstanding backfield stars in quarterback Bob Hallum and captain Buck Rolman.

Athletes, being selected for second all-AVC team recognition, were center Bill Hall, guard Harold Greer and tackle Don Franklin. Hurst was the only man that was on the team a repeater from last year's OVC pick.

MTSC was forced to decline an invitation to participate in the NAIA "Holiday Bowl" at St. Petersburg, Florida, when the NCAA refused to approve the rival organization post season attraction.

There were several other team selections too numerous to mention and other fortunes that were bestowed on the Big Blue that would take pages and pages to write, rather than doing this we will close out the 1957 season by congratulating the men in Blue on a job well done!

### Coach Murphy At NCAA Speakers Table

Coach Charles Murphy was honored at the NCAA convention in Philadelphia last week by sitting at the speakers table when vice-president Richard Nixon, addressed the group. This honor was accorded the head football coach from each school that had won a conference championship in football.

Others from MTSC attending the 1958 National Athletic Association Convention were coaches Joe Black Hayes, Billy Mac Jones and Elbert Patty.

## Rolman, Greer Are 'Most Valuable'

Middle Tennessee State College football team members have selected Marvin "Buck" Rolman and Harold Greer as the most valuable players for the year, according to the announcement of Coach Charles Murphy, who polled the members of the 1957 undefeated football team in a secret ballot just before the holidays.

Rolman, former Raider captain, was the leading scorer in 1956 and the leading ground gainer in 1957. He played halfback and is from Lynchburg, Tennessee. He was All-VSAC in 1957 and received honorable mention for "little All-American" this year.

Greer is a graduate of Lebanon High School and attended Castle Heights. He rated All OVC as a sophomore in 1956 and was given honorable mention on one little All-American selection this year. He is regarded as one of the all time great guards at the Murfreesboro College.

### WANT TO TEACH IN MEMPHIS?

Miss Margaret Williams of the Memphis School System will be on the campus Monday, February 3, to interview students who are interested in teaching in the Memphis city schools next year. Bob Abernathy, director of the MTSC placement bureau, may be contacted for additional information as to time and place.

## Seven Games Display 4-3 Record For MTSC

By Ralph Englert

The Middle Tennessee State College Blue Raiders, after the first seven games of the infant season, found themselves displaying a 4-3 record. They also held a tie for first place in the Ohio Valley Conference with a 1-0 mark.

After an opening loss to Kentucky Wesleyan, 79-69, and a double-overtime triumph against Austin Peay, 78-74, the men in blue made a disastrous western trip which saw them drop two of three. The lone win, which came over West Texas State, was an 88-85 squeaker, while the two defeats were at the hands of New Mexico A&M, 82-71, and Midwestern university, 84-65.

The Raiders then began to develop their poise and team work considerably, as they edged out a favored Morehead State five, which was led by a pre-season All-American nominee, Steve Hamilton. Hamilton, who was mentioned eulogistically by several sports magazines, tallied 14 points, but the all-around play of MTSC earned them a well-deserved 71-68 victory, after falling behind by as much as 15 points.

The men continued to verify their sudden about-face when they made it two in a row against David Lipscomb 68-67. The Raider big men so dominated the boards that they were able to protect their lead throughout the game.

One of the more conspicuous items concerning the Raiders is their well distributed height. Jerry Hurst, at 6'7" is the tallest of the crew, while close behind are Frank Davis, at 6'5", and Bob Williamson and Dickie Baugh both reaching the 6'4½" mark.

The guard play has been performed auspiciously in the first few games. Headed by brilliant display by Wally Johnson and Ronnie Newman, in the Austin Peay game, the Raiders went into a full court press. Also, valuable outcourt men are John Price, Oscar Fitzgerald, and Mike Batsel. Price, the team captain, has not been available for full time duty because of an injury obtained during a practice session.

The first seven games' statistics show the Raiders scoring at an average of 73 points per outing, but the opposition overwhelm this margin by posting 76 as an average scoring mark. According to these figures, the offense seems to be set for the rugged OVC competition which the Big Blue faced for

### NOT JUST JUNK

(ACP) — Old newspapers, wood shavings, bits of cloth, leather, yarn, string and buttons hung from the ceiling of the University of New Mexico student union dining room, NEW MEXICO LOBO reports, but no one complained.

The waste material had been fashioned into animals and "things" by students in art education. Articles were selected for exhibit for their clever use of common materials and imagination.

The union hopes to have exhibits from other school sections "to give students an idea of what is going on in other departments of the university," according to the union program director.

## Riflemen Show Fine Improvement

Fine improvement by freshman members of the Middle Tennessee State College rifle squad give promise of a good rifle team in the future, Major Q. L. McNary, PMS&T, stated in awarding decorations to five members of the rifle team this week.

These five men, one of whom was Ewell McDaniel, a freshman, fired the highest score on record for any rifle team at MTSC. The team scored 1893 points out of a possible 2000 in a paper match with Canisias College of Buffalo, New York.

The men firing and their scores were George W. Mills of Sparta 390; Kenneth L. Wall, Portland, 383; Ewell McDaniel, 431 Haynes Street, Lewisburg, 378; James D. Parks, Jr., 715 East Lytle St., Murfreesboro, 374 and John Hughes Stasser, 2635 Pennington Bend Road, Nashville, 367.

the first time this year against Morehead. But, on the contrary, the defense seems to need a little revising.

After this article goes to press MTSC plays Tennessee Tech, a team they face twice every year, and if they keep their brief winning streak intact, the Blue and White can be on the way to another successful hoop season.

## Baby Blue Bows To Vandy Frosh

The long layover during the holidays plus some hot shooting and rebounding by Vanderbilt Freshmen caused the Baby Blue Raiders to lose their first game of the season, 71 to 80.

During the first few minutes of play the Baby Raiders held a slight lead over the Vandy five. Great defensive play by forwards Ralph Bryant and Robert Burden kept the Black and Gold of Vanderbilt from doing much scoring. John Donniger, Larry Banks, and John Laurent finally found their scoring eyes, and Vandy began to pull away to lead 42 to 37 at the half.

During the early stages of the second half MTSC started to get hot and on several occasions came within three points of tying the game.

Scoring honors for MTSC went to Robert Burden with eight field goals and five free throws. He was closely followed by Raymond Burden with eight field goals and three free throws, and Ralph Bryant with nine field goals and no free throws.

John Laurent of Vandy was the high scorer of the game with 25 points, followed by Donniger and Banks with 17 and 14 points, respectively.

Attendance at the freshmen games has been very small so far. These boys play good ball and need your support in order to play an even better brand of ball than they have been playing.

Aid for polio victims in 1958 will require \$21,100,000 or only \$600,000 less than last year, according to estimates of the National Foundation for Infantile Paralysis. Help those already crippled by giving to the March of Dimes.

## Coaches Attend Meet; Raiders Sign With Pros

Four members of the Middle Tennessee State College coaching staff were in Philadelphia, Pennsylvania last week attending the meeting of the NCAA. Coach Charles Murphy, athletic director; Joe Black Hayes, football line coach; Billy Mac Jones, backfield coach, and Elbert Patty, athletic business manager attended the meeting.

Jerry Hurst, the 6' 7" end, is under draft to play professional football with the San Francisco Forty-Niners. The rumor is that the Californians will try to add some weight to the 220 pound flankman and use him as a tackle.

Meantime, Ralph Massey, picked on the Williamson system's "mid-bracket" all-America as a tackle, has been contacted by the Green Bay Packers for a possible pro contract.

Jerry DeLucca, the Peabody,

Massachusetts tackle, who was ruled ineligible this year due to freshman participation when a student at the University of Tennessee, has signed an agreement to play with Toronto in the Canadian League. The Toronto management had Mr. and Mrs. DeLucca fly to the Canadian city to talk terms.

The high school fullback stars have signed on at Middle Tennessee State College as possible guards for the 1958 team. Ralph Adams, a 200-pounder who played two years for the University of Tennessee before going into service, comes from Lawrenceburg. Adams, from Lawrenceburg, registered in the fall quarter and worked out with the team this season. He demonstrated great proficiency as a kick-off and place-kick specialist. Latest addition to the MTSC roster is freshman Larry Holden, who played at Fayetteville with Bucky Pitts, a star halfback with the Raiders. Holden went into service following high school and has two years of service football experience.

At last year's end (1957), the National Foundation for Infantile Paralysis estimated that 57,800 polio victims received March of Dimes aid during the year, of which about 53,000 were post-acute cases stricken a year or years ago. Help them to a life better than bare survival by giving to the 1958 March of Dimes.

## Riel and Davis Named To Offices of TCPEA

Two Middle Tennessee State College teachers were honored at the recent meeting of the Tennessee College Physical Education Association meeting at TPI in Cookeville by being named as president and secretary of the organization. Dr. Fran Riel, head of the health and physical education department at MTSC, was named president of the group with Miss Buleah Davis as secretary and treasurer. P. V. Overall, athletic department head at TPI was named vice-president. They will serve for a two year term.

There were more than forty representatives at the meeting which laid plans for three area meetings to be conducted in February to organize the state in carrying out the physical fitness program planned for the state, and to aid schools of the state in providing a functional activity program.

# Hurst Sparkles As MTSC Trips Morehead, 71-68

A tip-in by Jerry Hurst and a free throw by Jerry Hurst and a free throw by Ronnie Newman downed Morehead 71 to 68 here as Middle Tennessee State successfully launched its Ohio Valley conference campaign, January 4.

Even with home court advantage, the Blue Raiders fell behind in the opening moments of the OVC curtain-raiser and at times trailed by as much as 15 points. However, with less than two minutes left on the scoreboard clock, the Raiders had knotted the count at 68-68.

Hurst, 6-7 Raider pivotman, put MTSC ahead to stay with a clutch tip-in with 1:10 remaining in the game. Newman iced the contest with his solo free throw with just 20 seconds to play.

Hurst led the Raider scoring with 10 field goals and two free throws for 22 points. The well-balanced attack also found Bob Williamson hitting for 18 and Dickie Baugh pumping in 19 for the winners.

Forward Dave Keleher had 19 to top Morehead's offensive and was closely followed in the scoring column by Steve Hamilton

(41), Kenny Meyers (14) and Thornton Hill (11).

It was MTSC's first OVC game this season and the win ran their season's record to 3-3. Morehead is 0-2 in conference play and 6-4 for the season.

In a preliminary freshman game, Vanderbilt rolled over the Blue Raider yearlings 80 to 73.

In capturing the second OVC championships the Raiders placed first in the National Association of Intercollegiate Athletics 400 members but were forced to decline the invitation to participate in the Holiday Bowl game at St. Petersburg, Florida when the NCAA (of which MTSC is also a member) refused to "approve" the rival athletic association's bowl game.

Final statistics released by the athletic publicity department at MTSC reveal the Raiders scored 241 points to opponents 40 with the scoring being divided as follows: Bobby Hallum, 56, Ray Purvis, 42, G. E. McCormack 25, Bucky Pitts 19, Bobby Tillman 18, Marvin Rolman, 18, Gene Windham 13, Jerry Hurst 12, Roy Hall 12, Johnny Moore 6, Whit Watson 6, Harold Greer 6 and Ray Bell 6.

# Intramural Basketball Steals Sport Spotlight

by Paul Perry

Basketball has all but stolen the picture, with the volley ball events not far behind, in the way of intramural sports activities here for the past two weeks.

The cage season jumped off to a clattering start on the afternoon of January 7, when Green rocked out a 37-27 victory over Black, and the Orange five downed White, 52-42.

Travis Akin led the Green attack on Black by pitching in 15 points. High point man for the losers was Connelley with 12.

Orange featured an array of scorers in its win over White with Nickey Lynch pouring in 11, Jim Burks 9, and Bobby Tillman 6. G. E. McCormack threw in a total of 16 markets for the losing cause.

A two league system exists in the hardwood picture, as it did in the previous football scene. A single elimination tournament will

be played at the conclusion of the season, on February 5, 13, and 18. It is rumored that the tourney will be held at night because of the wide interest existing around the campus.

Director Glenn Shirley announced that the cage captains are: Black—Richard Wagster, Yellow—"Moody" Gibbs, Brown—"Junior" Price, Green—Bob Locke, White—Ernie Ryman, Red—"Doc" Tant, Orange — "Blackie" Davis, and Blue—"Bud" Earle. "We're having the best participation that we've had here in over two years," stated the smiling Shirley.

On the volley ball schedule Orange and Brown were the first winners on January 9 as they romped over the Yellow and Green crews respectively.

Students interested in taking part in table tennis can sign now to play; the date has not yet been set for the action packed contests.

## Raper's Education Classes Explore Murfreesboro

Dr. Elmer Raper's School and Community classes are conducting a project which is tentatively called "Exploring Murfreesboro." The purpose of this project is to acquaint students with the city government and the community organizations of Murfreesboro.

Individual students interview the various clubs and collect information which will be filed and made available to students, in order that they may make use of the clubs' chief activities. Interviewing students must fill out an outline, the main points of which are the name of the club, its purpose, the place of meeting, average attendance, the organizations with which it co-operates, the name of its present president, and any other pertinent comments.

In addition to clubs, Dr. Raper's classes are also studying site, its enrollment, and the number of regular and special classrooms. The seating capacity and the uses of the gymnasiums and cafeterias are noted. The auditorium, art, and music rooms are similarly observed.

As a part of this project, Dr. Raper's classes are making four spot maps of Murfreesboro. One will spot the industries, another, the recreational areas, and still another will locate the schools. All of these projects are continu-

The money earned from the party will help finance the junior-senior prom and the class float in the Homecoming parade next year.

## Men's Council Dismisses Three

Last quarter three boys were dismissed from school by the Men's Dormitory Council; one for possession of intoxicating beverages in the dormitory, and two for unnecessary noise while under the influence of alcohol.

The purpose of the Men's Dormitory Council is to see that the laws and by-laws of the boys dormitories are carried out.

There are three acts for which students are automatically dismissed:

1. Gambling
2. Intoxicating beverages in dormitory
3. Destruction of property

The other offences are dealt with by the council. Their decision depends on the offence which has been committed.

If the decision of the council is not satisfactory to the student, he has the privilege of taking the case to the Supreme Court. The verdict of the Supreme Court is accepted as the law of the campus.

It is estimated the 100 yard trek across the campus with boxes and stacks will take about a week. It may be two weeks before Miss Catherine Clark and her efficient staff are really "at home" in the new building. Formal dedication services for the new building, to be known as the Todd Library, will be held later in the month.
