119 Students Due Honors In A Special Assembly

One hundred and nineteen members of the student body will be recognized as honor students at a special assembly in the dramatic arts auditorium Thursday, May 20 at 10:50 a.m.

At the same assembly 34 seniors, who have received the honor of being mentioned in the 1965 edition of Who's Who in American Colleges and Universities, will be presented certificates.

Roy Dowdy, superintendent of the Lebanon City Schools and an alumnus of MTSU, will be the principal speaker for this Honor's Day program which will honor departmental leaders with special awards.

The program will include farewell comments to the student body by the Associated Student Body officers Jerry Owens, Betty Jane Graham, and Mike Rothman. President Quill E. Cope will extend his message of congratulations to the honor winners and Dean Howard Kirksey will announce the names of the honor students and introduce Mr. Dowdy.

The departmental awards for 1965 are as follows: B. B. Gracy award in agriculture to Mike Lish, presented by Dr. R. A. Alexander; the Dearman Accounting award, presented to Joe Marshall Cottrell by Walter Chatman; National Business Education Association award, presented to Delmar DeVoss by Dalton Drennan; Wall Street Journal award in economics to Marion

Scott Hendrick presented by Robert L. Martin; Forensic award to Meyilan Judd by Lane Boutwell; Tennessee Historical Commission award presented to Joan McBee as the senior with the highest average in history by Sam B. Smith; Colonial Dames XVII Century award in history to Jean McBee by Robert Corlew.

Home Economics award presented to Betty Ann Robinson by Miss Margaret Putman; Industrial Arts award presented to Antonio C. Casanova and Lewis Davis, Jr. by Edwin S. Voorhies; the Chemical Rubber Publishing Company's Freshman Mathematics Achievement award presented to Pamela Ann Garner by Jesse L. Smith; the Lewis Freshman Mathematics Award to Frankie Kay Baskin presented by Professor Charles Lewis of North Carolina State College by Jesse L. Smith; Biology award presented to Annie Sue McKnight by Terry Webb; George Davis Biology award presented to Annie Sue McKnight as the senior with the highest average in biology by Dr. Homer Pittard; C. C. Sims award in social science to James R. Hicks presented by J. Pope Dyer by Robert Abernathy; Acting award presented to Don Massey and the Drama Production award presented to Bob Crowder by Mrs. Dorethe Tucker.

Honor students in the Graduate School for 1964-65 are those candidates. (Continued on Page 8)

Students Choose Seven '65-'66 Cheerleaders

Seven pert co-eds were elected in a student assembly last Thursday to serve as '65-'66 cheerleaders at MTSU. These girls are Lela Baxter, Janie Campbell, Pat Kyle, Sharon Long, Priscilla Palmer, Rita Pulliam, and Judi Schrichte.

Pat Kyle, Janie Campbell, Rita Pulliam, and Priscilla Palmer will be returning to the squad from this year, while the remaining girls are freshmen and newly elected, with the exception of one senior.

Pat, the daughter of Mr. and Mrs. J. M. Kyle of Nashville, will be a senior elementary education major. Janie is an English major from Oak Ridge and the daughter of Mr. and Mrs. James H. Campbell. Priscilla, the daughter of Mr. and Mrs. Jack M. Palmer, is a home economics major from Signal Mountain.

Sophomore cheerleaders will be Lela Baxter, daughter of Mrs. Doris Baxter and a history major from Murfreesboro, Sharon Long, daughter of Mr. and Mrs. Harold S. Long

and a home economics major from Chattanooga, and Rita Pulliam, daughter of Mr. and Mrs. A. C. Pulliam and an elementary education major from Hermitage. The newly-elected senior cheerleader is Judi Schrichte from Hermitage also. Judi, the daughter of Mr. and Mrs. Robert G. Schrichte is a sociology major.

These girls won their positions from fourteen finalists which had been selected earlier in the week following tryouts.

MUSICALE TONIGHT

Tonight at 7:30 p.m. the Delta Psi Chapter of Delta Omicron International Music Fraternity will present Mrs. Mary Martin, soprano in a Musicale. The public and all students and faculty are invited to this event in the Choral Hall of the Fine Arts Building.

VETERANS CLUB OFFICERS: New officers pictured left to right are Bill Hix, vice commander; Dave Rice, adjutant; Art Mader, commander; Dick Call, treasurer; and Bob Slaymaker, sergeant-at-arms.

A Vicious, Mushrooming Problem

Often, even when warned of the undesirable consequences of their actions, people continue certain behavior patterns out of sheer laziness and unconcern. Perhaps this is the case among many of the students of MTSU.

Those who ignored the pleas of Mrs. Wheeler and the cafeteria staff and the leadership of Associated Student Body and College officials concerning the return of trays in our cafeteria may take note of the fruits of their action or lack of action.

Many students are inconvenienced occasionally by a shortage of silverware and trays, mainly because these items are still scattered throughout the dining area. Valuable help, required for the smooth functioning of our cafeteria lines must be sent to round up volumes of dirty dishes and silverware so that the meal process can function properly. New cafeteria assistants have been hired to help with this ever increasing work burden. New tray racks, signs, and equipment have been purchased to help meet these increasing demands. All these increased expenditures, as in any efficient business, must be balanced by increased receipts. Have you noticed a gradual increase in your cafeteria meal expenses lately?

Even closer perhaps to we who love and cherish our alma mater and who wish to do credit to her image, is the picture of our cafeteria tables cluttered with waste which must be shoved aside even to find a place to sit, despite the valiant struggles of overtaxed cafeteria assistants. All because some people are too lazy to go a little out of their way to fulfill their duty as responsible students. Is this the image of mature, sensible college students and responsible citizens of this community we wish to reflect to the many visitors on our beautiful campus? Go a little out of your way and return your tray to the window!

And All That Jazz

Louis Armstrong just returned from his four week tour of Communist-run European capitals. He and the sextet were stopping over in Hollywood to tape a "Hollywood Palace" TV show when he was interviewed by reporters. "I didn't see any iron curtain," Louis declared, "Where do they keep it?" Armstrong, now 64, said he would go to Vietnam if his manager books him there. His wife, Lucille, apparently thought this would be a good idea. "They should send him," she said. "When they sent him to the Congo, the fighting stopped."

New York's famous jazz spot, Birdland, switched to a rock and roll discotheque dance club last month. Oscar Goldstein, proprietor of the historic place, commented, "To me, there is no finer form of entertainment than jazz, but I couldn't keep going broke." A rock and roll combo now occupies the bandstand nightly that hosted such greats as Charlie Parker, Lester Young, Count Basie, Modern Jazz Quartet, Stan Getz, Miles Davis, Sonny Rollins, Dizzy Gillespie, and almost every top jazzman active since December, 1949, when the club opened.

On May 2 singer-pianist Ray Charles and his big band played an afternoon and evening concert at Carnegie Hall. . . . Trumpeter Al Hirt will be the summer replacement for the Jackie Gleason TV show beginning June 19. . . . Count Basie and the band and singer Tony Bennett will star at the Circle Star in San Francisco this week, then team up for some shows at Disneyland. . . . Basin Street South in Atlanta is now in full swing, headlining big names in jazz nightly.

MTSU Students Score High On National Test

This year 129 MTSU students took the American Institute of Certified Public Accountants achievement tests, according to Paul Dowell. The median for the 1965 tests by MTSU students was 41.0, five points above the nations median of 36.0.

Two students, Carolyn S. Kirkman and William Earl Eichelberger ranked in the 99 and 98 percentiles, respectively.

Individual students who scored above the 90th percentile were: Judith Elaine Anderson, Patricia Ann Bethel, William Eichelberger, Doria Anita Evans, David Randell Johnson, William Samuel Jones, Carolyn Kirkham, Franklin B. Mashburn, Robert Louis Mathe, David Worth Talley and Robert Arnold Yeargin.

EPI Elect Leaders

Members of Tennessee Alpha Chi chapter of Epsilon Pi Tau, honorary professional fraternity for industrial arts and industrial vocational education students, have elected officers for next year.

Thomas Mashburn is the new president. Other officers are Armin Windmueller, vice-president; Jim Smith, secretary and Kenneth Stacey treasurer. Professor Phillip Dalton, chapter laureate and Professor O. L. Freeman as co-trustees.

"And Away We Go"

By Don Gates

Yes, once again graduation time is near and approximately 330 seniors will be delving into new vast, exciting professions.

Jobs ranging from teaching to real estate agents seem to be the range for new occupations coming out of the class of '65.

As we look into a very cloudy crystal ball (because many seniors haven't filled out a questionnaire given them) we find that as of this date (May 7th) 20 seniors have no plans for the immediate future—come on seniors—let us know where you are going. Four students will be employed by the U. S. General Accounting Office in Washington, D.C. Several other students will do accounting work in different areas.

Of course, Uncle Sam always has his eye on college "grads." Thus far 20 senior men are going to serve our country. While these men are serving us, many seniors, 40 thus far, will be engaged in teaching in the following states: Tennessee, Michigan, Maryland, Florida, Alabama, Georgia and Alaska.

Twenty-five students also show an interest in doing graduate work. Colleges and Universities students will attend include: Middle Tennessee State, University of Tennessee, Peabody, Vanderbilt, University of North Carolina, University of Kentucky, University of Alabama, University of Illinois, Howard College, University of California, and Tennessee Tech University.

Other occupations listed by outgoing seniors include Peace Corps, legal secretaries, research laboratory, technicians, civil service, management trainee, quantity estimators, product developers, advertising and promotional work, ARO, Texaco, Inc., and selling real estate.

CHURCH GROUP ELECTS LEADERS

The Church of Christ group has named the following officers for 1966: Don Thornberry, president; Neil Hollman, vice-president; and Wanda Higgins, secretary-treasurer are the officers for next year and this summer. A wonderful experience of Christian fellowship has been enjoyed this year under President Jimmy Ealy, Vice-president Larry Ezell, and Secretary-treasurer Linda Duke.

DRAMA REVIEW:

"My Three Angels" Ends A Successful Season

Thursday night, May 6, the curtain rose on the premier of the Buchanan Players' last performance of the dramatic season, *My Three Angels*. The comedy was completely delightful if not enlightening, and the work put in by the more-than-forty people listed on the program deserved a much larger audience than was in attendance Thursday night.

Those that attended the opening performance, however, could not have passed their time in a more pleasing manner. Although the plot of the comedy was excessively weak and sometimes hard to accept, the casting of the characters more than made up for the weaknesses of the script.

The dry humor which appeared in print was reformed miraculously into a bubbling wittiness by the performances of John Bradley, Don Massey and Richard Boutwell as the three almost too lovable convicts. With more compliment to Mrs. Dorethe Tucker, the director, than to the writers of the script,

Best of luck to these graduates and here's hoping they find success and happiness in their new occupations.

Joni Ann Tucker Wins Research Trainee-Ship

A very outstanding honor has been awarded an intelligent and interesting member of our senior class. Miss Joni Ann Tucker from Ft. Worth, Texas, has been awarded a \$3,880 research trainee-ship plus tuition at Vanderbilt Medical School for next year. The grant has been awarded Miss Tucker for research in microbiology under the direction of Dr. Sidney P. Colowich who is connected with the American Cancer Society—Charles Hayden Foundation. He is Professor of Microbiology at Vanderbilt.

Joni was born in Houston but has lived many places in the United States. She was graduated from Evanston Township High School in Evanston, Illinois, and then attended Peabody College and Arling-

Joni Ann Tucker

ton State College before transferring to MTSU where she is majoring in biology and has minors in French and mathematics. She is a member of Orchestras and the French Club, collects books, and enjoys reading Campus and Gide. She has worked in various hospitals and is currently working in our biology department.

In addition to working on a Ph.D. in microbiology, Joni plans to enter medical school in the fall of 1966 to get an M.D. degree for future plans doing research and teaching in medical school.

the trio hung together in a refreshing and believable humor.

As equally well matched were the members of the Ducotel family. Carlton Sivells, the father, Gayle Elrod, the mother, and Michelle Meyer, the daughter, presented a perfect harmony, but there existed enough character differentiation so that the family remained believable.

Larry Barker, the haughty miser, and Bob Tiller, his son, added their own individual touches to the humor. Other members of the cast included Jan Alred, Madam Parole, and Terry Bird as the lieutenant. Virginia Branum was assistant director, and numerous others assisted in staging the performance.

A splendid set was supplied by Bob Jones and his assistants. Although the production failed to reach the effect of "Earnest" or "The Visit," two other productions this year, or the huge splendor of "Finian's Rainbow," it certainly stands above the average college comedy.

John Getsi Will Study German "By Living It"

By Gayle Elrod

At least one student in our midst will not spend his three month vacation frantically searching for a summer job or returning here for summer school. He is John Getsi, a junior from Oak Ridge, who is working towards a German major with French and English minors.

John Getsi

John has received a \$200 scholarship to study German intensively at Portland State College in Portland, Oregon for seven weeks this summer. The program is called *Deutsche Sommerschule am Pazifik* and the motto is to "learn German by living it." A distinguished faculty of German-born teachers, well-acquainted with the problems of the American student, have worked out a balanced curriculum.

The basic courses required of all students are "Conversation and Composition" and "German Life and Thought." Five other courses are offered from which the students may choose in order to obtain some twelve possible quarter

hours of credit. All work and no play makes John a dull boy. The school also provides excursions to the rugged Oregon coast, hikes in the foothills of Mt. Hood, swimming, tennis, and songfests.

John is a member of the French Club and will serve as President for the German Club next year. His summer interlude should be a valuable asset for working towards a Ph.D. in German and becoming a teacher of German.

Girl's Service Club Is Now Under Way

The second meeting of the newly organized women's service club was held May 11 with president Lana Plum presiding.

Charter members elected Mrs. Anne Farris of the English Department as their faculty sponsor. The members also voted to have a community sponsor for the club. The club's objectives include serving the community as well as the school.

The girls will assist the ASB in welcoming incoming Freshmen next fall. Thirty-one girls have volunteered to help with this project.

An official name for the club has not yet been decided upon. If any member has any suggestions for a name, please contact any officers or member of the Board of Directors.

It is hoped that with the strong interest and help already shown by the members and the administration that this service organization will obtain its objectives of woman leadership on MTSU's campus.

Davis Rifles Win At Meet

The "Sam Davis Rifles" drill team completed an eventful year with the winning of the second place trophy, senior division, at the Vanderbilt University Invitational Drill Meet recently.

The drill meet is an annual affair which is conducted at Nashville's Centennial Park. It consists of competition between senior division (college) teams and junior division (high school) teams from Tennessee, Kentucky, and Alabama. The team won the "Army division" trophy at the New Orleans Mardi Gras in February.

Team members competing in the drill meet were Tommy Vickers, McMinnville; Butch Bancroft, Murfreesboro; Jerry Howse, Sale Creek; John Chestnutt, Hixon; Charles Burley, Marietta, Ga.; Steve Tingle, Chattanooga; George Minter, Chattanooga; Bobby Harvey, Murfreesboro; Mark Babson, Murfreesboro; James Robinson, Chapel Hill; William Zuben, Somerville; William Drumright, McMinnville; Frank Hartman, Hendersonville; Terry Bird, Murfreesboro; Butch Pitts, Nashville; Charles Formosa, Nashville; Danny Jones, Murfreesboro; Bill Dyer, Smyrna; Jerald Baldwin, Chattanooga; Gene Neely, Murfreesboro; Edward Dotson, Nashville; J. J. Redmon, Eagleville; Dennis Crownover, Winchester; Mike Gresham, Murfreesboro; and Bill Landers, Murfreesboro.

STUDENTS INVITED TO AWARDS NIGHT

The Second Annual ASB Awards Night will be presented May 19 in the new auditorium with awards for excellence which has been achieved by members during the past year. Also other organizations will present some of their major awards at this time. All students are invited to attend.

Attention! Seniors

All seniors planning to graduate in either August, 1965 or January, 1966 please come by RECORDS OFFICE, New Administration Building, and fill in APPLICATION FOR GRADUATION.

Why not let the Placement Office help you get a job? Come by Room 210 in the New Administration Building to register with us. Now is the time to prepare for next year, and we will be glad to assist you in any way possible.

TESTS, AND HOW THEY GREW

Just the other night I was saying to the little woman, "Do you think the importance of tests in American colleges is being overemphasized?" (Incidentally, the little woman is not, as you might think, my wife. My wife is far from a little woman. She is, in fact, nearly seven feet high and mantled with rippling muscles. She is a full-blooded Ogallala Sioux and holds the world's shot put record. The little woman I referred to is someone we found crouching under the sofa when we moved into our apartment back in 1928, and there she has remained ever since. She never speaks except to make a kind of guttural clicking sound when she is hungry. To tell you the truth, she's not too much fun to have around the house, but with my wife away at track meets most of the time, at least it gives me someone to talk to.)

But I digress. "Do you think the importance of tests in American colleges is being overemphasized?" I said the other night to the little woman, and then I said, "Yes, Max, I do think the importance of tests in American colleges is being overemphasized." (As I explained, the little woman does not speak, so when we have conversations, I am forced to do both parts.)

But I digress. To get back to tests—sure, they're important, but let's not allow them to get too important. There are, after all, many talents which simply can't be measured by quizzes. Is it right to penalize a gifted student whose gifts don't happen to fall into an academic category? Like, for instance, Finster Sigafos?

She is a full-blooded Ogallala Sioux...

Finster, a freshman at the Wyoming College of Belles Lettres and Fingerprint Identification, has never passed a single test; yet all who know him agree he is studded with talent like a ham with cloves. He can, for example, sleep standing up. He can do a perfect imitation of a scarlet tanager. (I don't mean just the bird calls; I mean he can fly south in the winter.) He can pick up BB's with his toes. He can say "toy boat" three times fast. He can build a rude telephone out of 100 yards of string and two empty Personna Stainless Steel Razor Blade packages. (This last accomplishment is the one Finster is proudest of—not building the telephone but emptying the Personna packs. To empty a Personna pack is not easily accomplished, believe you me, not if you're a person who likes to get full value out of his razor blades. And full value is just what Personnas deliver. They last and last and keep on lasting; luxury shave follows luxury shave in numbers that make the mind boggle. Why don't you see for yourself? Personnas are now available in two varieties: a brand-new stainless steel injector blade for users of injector razors—and the familiar double-edge stainless steel blade so dear to the hearts and kind to the kissers of so many happy Americans, blades so smooth-shaving, so long-lasting that the Personna Co. makes the following guarantee: If you don't agree Personna gives you more luxury shaves than Beep-Beep or any other brand you might name, Personna will buy you a pack of whatever kind you think is better.)

But I digress. Back to Finster Sigafos—artist, humanist, philosopher, and freshman since 1939. Will the world ever benefit from Finster's great gifts? Alas, no. He is in college to stay.

But even more tragic for mankind is the case of Clare de Loon. Clare, a classmate of Finster's, had no talent, no gifts, no brains, no personality. All she had was a knack for taking tests. She would cram like mad before a test, always get a perfect score, and then promptly forget everything she had learned. Naturally, she graduated with highest honors and degrees by the dozen, but the sad fact is that she left college no more educated and no more prepared to cope with the world than she was when she entered. Today, a broken woman, she crouches under my sofa.

© 1965, Max Shulman

Speaking of tests, we, the makers of Personna®, put our blades through an impressive number before we send them to market. We also make—and thoroughly test—an aerosol shave that soaks rings around any other lather: Burma Shave®, regular and menthol.

Block And Bridle Holds Annual Awards Dinner

Block and Bridle Club members held their annual awards dinner May 4 with those attending being entertained in a witty, yet original and challenging address by Frank Nix, general manager of the Tennessee Farmer's Co-operative.

Henry Blankenship, retiring president of the MTSU chapter of Block and Bridle, was master of ceremonies and introduced 25 guests of the club whose contributions to the development of agriculture and the University program have been noteworthy.

Plaques were awarded Howard Vaughan, Murfreesboro, outstanding freshman; Ben Cates, Readyville, highest scholastic attainment and Miss Mary Ann Blankenship, Christiana, merit award for all-around chapter work.

Chapter members of Delta Tau Delta, installed at a meeting in Wilmington, Ohio last week end, presented Dr. Quill Cope the MTSU chapter charter. Those participating in the ceremony were Dr. R. A. Alexander, Embree F. Blackwell, Jr., College Grove; Robert B. Randolph, Birchwood; Lawrence W. Mashburn, Five Points; James H. McKee, Jr., Lascassas; Joe Buren Coble, Lewisburg; Mike Lish, Nashville; Evans Maples, Murfreesboro; Howard White, Franklin; Henry Dan Pickle, Lewisburg and Jerry W. Fox, Murfreesboro were other charter members not present. Delta Tau Delta is open to junior and senior students in agriculture who maintain a B academic average.

Members of the MTSU Livestock Judging Team, which won first honors in the Southeastern regional collegiate contests held at Berea College received awards. They are Kenneth Carr, Manchester; Henry Blankenship, Christiana; Miss Mary Ann Blankenship, Christiana and Miss Sharon Kay Tigue, Tracy City. Larry K. McElroy, Milton, received an award for his second place win in dairy judging, Embree Blackwell for second in soil judging and Henry Blankenship second in livestock. The first place in Southeastern judging contest in livestock went to Kenneth Carr.

Preston Fowlkes, Franklin, president of the Rodeo Club in the Agriculture department, was recognized for his work with the Club.

Retiring officers of the Block and Bridle Club are Henry Blankenship, president; Paul Fouch, vice-president; Mary Ann Blankenship, secretary; Ralph Smith, treasurer; Jimmy Francis, parliamentarian; Richard Thomas, herdsman, and Nancy Neel, ASB representative.

Newly elected officers, installed at the conclusion of the dinner are Paul Fouch, Falls Church, Va., president; Ben Cates, Readyville, vice-president; Nancy Neel, Tullahoma, secretary; Roger Goostree, Cross Plains, treasurer; Donald Cathey, Shelbyville, parliamentarian; Clyde Turner, Denver, herdsman; Dr. R. A. Alexander and J. E. Young, sponsors.

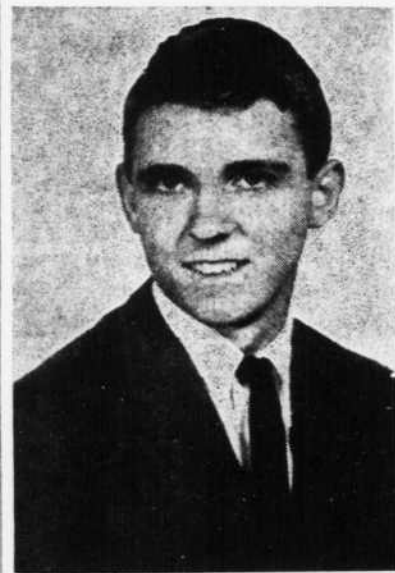

Jensie Peck Chosen Workshop Instructor

Jensie Peck, sophomore field director of the MTSU "Band of Blue" has been selected as one of the instructors for the precision drill and dance routine workshop for directors and students at Middle Tennessee State University May 31-June 2. A. R. Casavant, nationally-known authority and music author from Chattanooga is head clinician for the workshop. Miss Peck is from Chattanooga. Another Chattanooga instructor will be Miss Patsy Brown, who will handle the dance routines.

Joe Smith and Horace Beasley of the MTSU band department faculty will assist in the workshop. The workshop will have three sessions daily of three hours each and will cover a wide range of marching band, parade and pageant instruction.

ASB Officials Attend SUSGA, Bill Baskin Chosen For Office

Sixteen members of the ASB Government represented MTSU at

Bill Baskin

the annual convention of the Southern Universities Student Government Association, held April 29 through May 1 in Gatlinburg, Tennessee. The MTSU delegation included Jerry Owens, Betty Jane Graham, Mike Rothman, Sara Edwards, Jim Beasley, Bert Wakeley, Elinor Brandon, Harold Smith, Steve Jackson, Jim Sutton, Barbara Moore, Larry Blick, Bill Baskin, Frank Fly, Larry Gregory and Luis Morales. These students, accompanied by Dean Hampton and Mr. Cranford, spent three days attending conferences and panel discussions on various phases of student government. Approximately 700 student leaders from 89 Southern colleges and universities were present at SUSGA this year.

MTSU's Bill Baskin was elected Vice-Chairman from Tennessee and will serve on the 1965-66 Executive Council of SUSGA. Bill's duties will include co-ordinating SUSGA

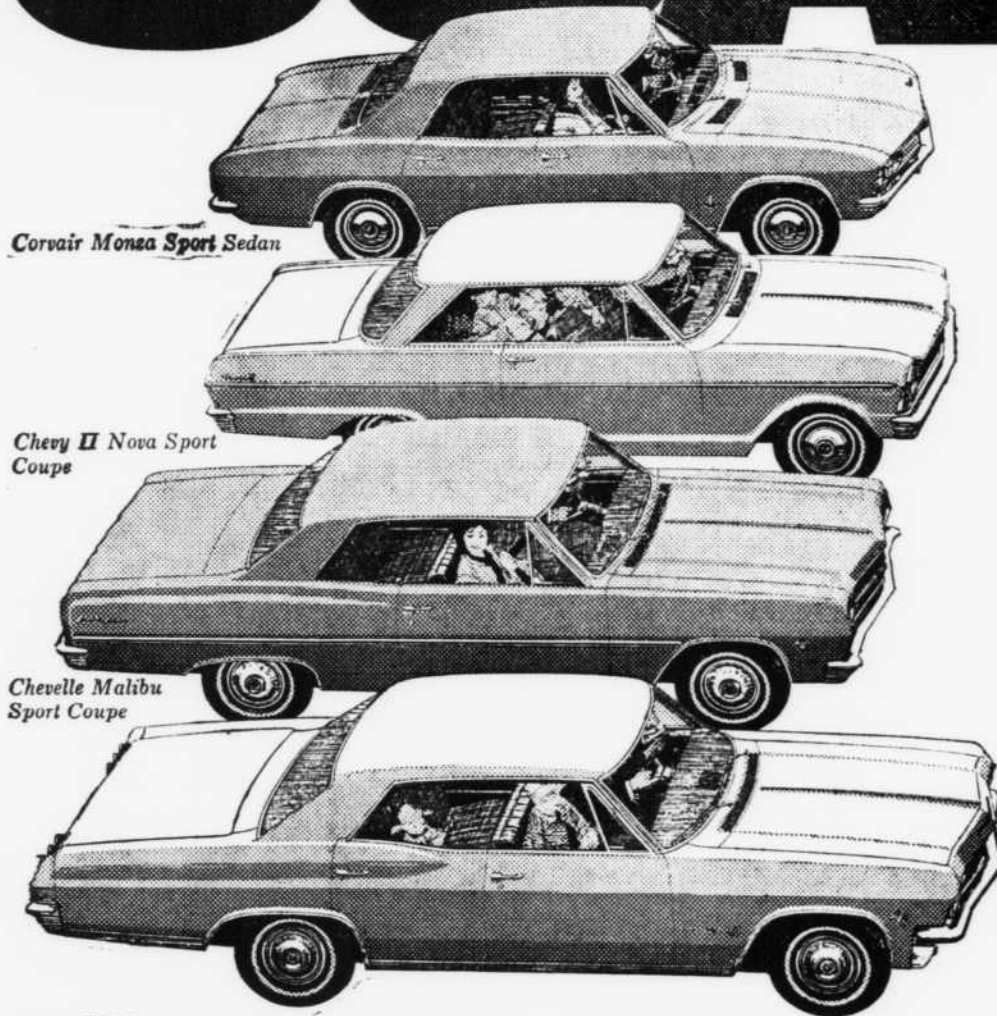

activities throughout the state and visiting Tennessee college campuses to tell non-member colleges about the organization. Bill is the second MTSU student to hold this office in the few years that Middle Tennessee has been a SUSGA member. Dennie Welsh served in this capacity during 1963-64.

The conference certainly was not all work. The delegates were treated to some of the finest professional entertainment, including the Platters, the Town Criers, the Serendipity Singers, the Four Preps, and the Womenfolk.

TEACHER EXAM SET HERE

Less than two weeks remain for prospective teachers who plan to take the National Teacher Examinations at Middle Tenn. State University on July 17, 1965, to submit their registrations for these tests to Educational Testing Service, Princeton, New Jersey. Dr. James A. Martin, Director of Guidance announced today. Registrations for the examinations must be forwarded so as to reach the Princeton Office not later than June 18, Dr. Martin advised.

Spring Attractions - - - Beauty And Birds

Center—BIRD'S NEST—The masks shown above are serving a double purpose now that warm weather is here. They not only symbolize the use of our new auditorium for dramatic productions but have become a home for birds on campus.

Left—MAY QUEEN—Miss Kathy Knowles of Smithville reigned over the Junior-Senior Prom last Friday evening as this year's May Queen.

Miss Knowles is pictured here with the winning smile that helped her capture the title of a spring beauty.

Right—MISS MTSU—Miss Sandra Wynne of Nashville is shown admiring the beautiful campus that she will be leaving this year as she completes a successful four years at MTSU. Miss Wynne, another spring beauty, received the coveted title of "Miss MTSU" in campuswide elections earlier in the year.

Changes Made In Student Classification

Dean John Weems has this week announced changes in classification and retention of students that is of immediate and imperative importance to every student. More detailed information may be gathered from pages 154-155 and 158 in the 1965-66 catalog of the University. All these regulations become effective September 1.

Classification of Students

No student may be classified as a sophomore until he has completed two semesters in residence and has passed at least 30 semester hours.

No student may be classified as a junior until he has completed four semesters in residence and has passed at least 60 semester hours with a cumulative 1.9 quality point ratio.

No student may be classified as a senior until he has passed at least 90 semester hours.

Retention Standards

The minimum ratio required to achieve the baccalaureate degree is 2.0. Students making less than a 2.0 quality point ratio are on academic probation. Any student may be required to reduce his load, repeat basic courses, or change his major. A student will be denied readmission for a minimum of one semester when the quality of his work fails to meet the following standards:

1. A student having attempted between 0 and 19 semester hours who passes less than 50% of his attempted load and does not have a 1.00 cumulative quality point ratio.
2. A student having attempted between 20 and 39 semester hours whose cumulative quality point ratio is less than 1.50 and does not make a 2.0 quality point ratio on the work attempted during the current semester. Beginning freshmen who reach this category by beginning their college work during the Summer Session and continuing immediately into the Fall Semester may make application for readmission to the Dean of Admissions if their quality point ratio is as much as 1.00.
3. A student having attempted between 40 and 59 semester hours whose cumulative quality point ratio is less than 1.70 and does not make a 2.0 quality point ratio on the work attempted during the current semester.
4. A student having attempted more than 60 semester hours whose cumulative quality point ratio is less than 1.9 and does not make a 2.0 quality point ratio on the work attempted during the current semester.
5. Any graduate student who fails to maintain a cumulative quality point ratio of 3.0 on all graduate work attempted.

Clubs Elect '65-'66 Officers

Industrial Arts

In one of the last meetings of the year, the Industrial Arts Club elected its officers for next fall. They are Dick Austell, president; Ned Brown, vice president; Mike Rogers, secretary; Jim Leinart, treasurer; Mike Crosswhite, sergeant-at-arms; Lynn Smith, corresponding secretary; Bob Warsham, publicity chairman, and John Perkins, representative.

Two of this year's officers recently refinished two desks for the local Red Cross office with members of the Red Cross expressing their appreciation to the club. These I. A. majors were Mickey George and David Kinney.

The club ended the year with an all-day outing at Center Hill on Saturday, May 8, with approximately forty members and their dates attending.

Track and Sabre

At a recent meeting of the Track and Sabre Club, the following officers were installed for the 1965-66 school year: Ken Lord, president; Bill Matthes, vice-president; Bob Steelman, secretary; David Jones, treasurer; David Galanti, sergeant-at-arms; Harvey Joiner, student body representative; and Richard Mullins, public informations officer.

French Club

La Societe Francaise held its annual election of president and representative for the coming year last week. The group elected Gayle Elrod president for '65-'66 and Neil Wright III representative to the House.

At their last gathering of the year, the French Club members were entertained at the Officer's Club of Sewart Air Force Base as guests of Captain and Mrs. John Lynch.

Pi Gamma Mu

The Middle Tennessee State University Zeta chapter of Pi Gamma Mu, national honorary society for social science majors, initiated 24 persons recently.

Dr. Roscoe Strickland, sponsor of the MTSU chapter, preside over the initiation team who were composed of Tom Gallagher, president of Zeta chapter, Winchester; Sam MacLean, vice-president, Murfreesboro; Barbara Jane Duke, secretary, Summitville; Joan McBee, treasurer, Shelbyville; and Allen Tolbert, sergeant at arms, Hollow Rock.

Those honored by society membership in the spring initiation were Hugh Darryl Adams, Lewisburg; John P. Branham, Lebanon; Richard Joseph Call, Murfreesboro; William Tompkins Cheek, Murfreesboro; Richard R. Clark, Nashville; Mildred Crow, Nashville; Lewis Hix, Nashville; Mary Hiller, Nashville; Robert L. Huskey, Tullahoma; Stephen Curtis Jackson, Chattanooga; Charles Lamb, Murfreesboro; Arthur Frank Long, Jr., Burlington, N. C.; Harold B. Murray Smyrna; Robert Neel, Murfreesboro; Richard Sadler, Nashville; Richard Sittel, Nashville; Glen Stewart, Jr., Nashville; Mary Lee Thompson, Petersburg; Carolyn Faye Vickory, Nashville; James L. Woodard, Nashville; Rebecca Yeargan, Ashland City.

After the initiation ceremony officers were elected for 1965-66. They are Carl George, president, Nashville; Robert Huskey, vice-president, Tullahoma; Olivia McBroom, secretary, Atlanta, Ga.; Richard Clark, treasurer, Nashville; and Richard Sadler, sergeant at arms, Nashville.

Young Democrats

The MTSU College Young Democrats Club recently elected officers for the coming year with Charles Fiske Minton being chosen as the new president. Other officers include Ramon Safley, vice president; Beth Hudson, corresponding secretary; Susan Shanfield, recording secretary, Carol Curry, treasurer; and Norris Brew, sergeant-at-arms.

With an off-year approaching on the election scene the Young Democrats are beginning to build for the future. They will aid in the field by expanding the already large organization at MTSU and scheduling a numerous amount of speakers for the club.

Everette Sams Appointed Asst. Dean At MTSU

Everett Eugene Sams has been appointed to the position of Assistant Dean of Admissions, Dr. Quill E. Cope, president, announced recently.

Mr. Sams, who will assist Dean John Weems, will be charged with the specific duties of counseling with prospective applicants, evaluation of academic credentials, and supervising registration procedures.

Mr. Sams, who has been serving as an assistant professor of education working with the student teaching program, will assume his new duties July 1.

He received the B.S. degree at East Tennessee State University, the M.A. and Ed.S. degrees from Peabody College. A native of Erwin, Tennessee Mr. Sams is a veteran of the U. S. Army, a Mason and a member of the First Baptist church of Murfreesboro.

"The All State," Austin Peay State College, Clarksville, Tennessee—

Austin Peay State's campus newspaper, "The All State," is sponsoring a contest to select the best campus club as evidenced by its accomplishments during the year. The three divisions for competition are departmental, independent, and religious clubs. The overall winner is selected from the clubs chosen best in each division. A plaque in the school library is devoted to honoring the yearly winners. The contest is intended to provide incentive for greater quality in the various clubs and to encourage interest in club activities.

"ETSU Collegian," East Tennessee State College, Johnson City Tennessee—

A need for more post office boxes at ETSU is creating a confused situation. Approximately one third of ETSU's students would be without post office boxes without the present policy of sharing boxes. Two and possibly three students share a single post-office box. Important mail has been lost as a consequence of the crowded situation.

I thought I had a problem in staring into an empty mailbox each morning. At least I have the satisfaction of knowing the always-empty hole is mine for use if I ever do get any mail.

"The College News, Murray State College, Murray, Kentucky—

The Fuze is an annual humor magazine published on the Murray State campus. It contains articles and cartoons concerning events on the campus of a satirical nature during the year.

Also at Murray State, students who cut the last meeting of a class before spring vacation and the first meeting after returning were penalized. An extra hour was added to the graduation requirement for every such absence.

Netters Place Third in OVC

The young Raider tennis team finished third in the tennis strong OVC Tournament at Johnson City this past weekend. Coach Buck Bouldin's squad, one of the big surprises of this season, had finished its regular campaign with a record of eleven wins against four losses and one tie before going into the tournament. The netmen scored eight shutouts during the season, with the amazement of the team being that five of the six netters were freshmen.

These yearlings include John Prevost, Chick Fuller, Steve Wakefield, Jim Seymour, and Jack Whitley. The other member is sophomore Neil Wright. Wakefield, the number five singles player, completed the 16 matches without a loss.

Linksmen Fall

Also at Johnson City last weekend were OVC tournaments in golf. The Raider linksmen failed to win the OVC gold crown for the first time in five years, producing what could be one of the greatest upsets in OVC history.

They finished third with a team score of 594, three strokes behind the winners, Western Kentucky.

However, the season was still one of success. The linksmen rolled over ten opponents to record another unbeaten season and ran their consecutive victory string to 52 dual wins. There were only two members of the team lost to graduation this year. They are Dan Midgett and Larry Gilbert.

Baseball Season Closes

The 1965 baseball team ended its season with a record of 9 wins and 12 losses. This placed the Raiders second in the Western division of the OVC. The hitting attack was lead by David Church with an average of .367. Church was followed by freshman Greg Twigs with an average of .364. Other top batsmen for the team were David Kirk, .303, Eddie Hobson, .288, and Richard Davenport, .283. Richard Davenport and Ken Victory paced in R. B. I.'s with 12 each.

On the mound the Raiders were lead by Billy Walker with a 3-3 record.

Coates Homer Gives "Insig's" Softball Win

The Insignificants rolled to their third straight intramural championship with a 3-2 win over Circle K in the softball tournaments.

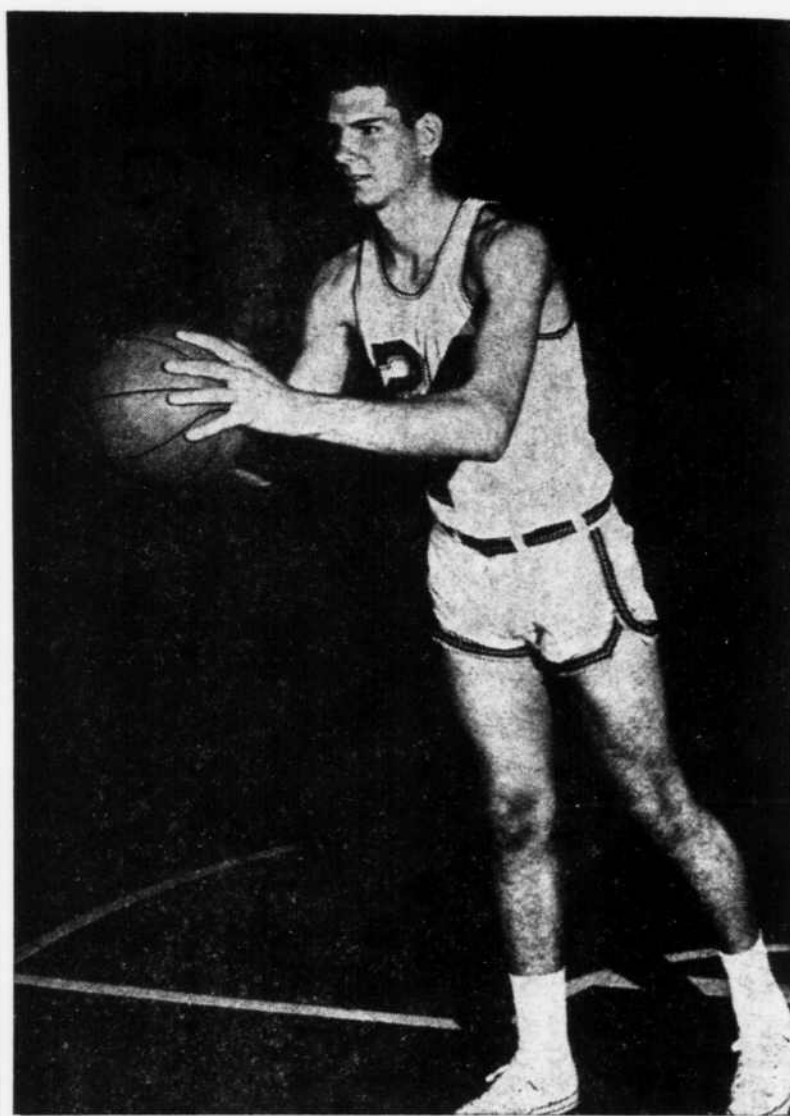

This game featured the pitching of Circle K's Bill Boner and Ray Osburn pitched for the insignificants. The high point of the game came when Ed "Sidney" Coates blasted a game-winning home run in the sixth inning.

Led by the pitching of Osburn and Butch Rutherford, the team finished the softball season with a record of 7-1.

The team with three first places and one third made shambles of the race for the overall intramural championship. Their wins included volleyball, basketball, and softball. The third came in the football.

Track Season Ends

The Raider track team closed out its season by placing sixth in the OVC track meet last weekend. The only bright spot for the team was Brian Oldfield's winning shot put toss. Oldfield's toss of 52 feet is far short of his best toss, but it did give the Raiders' their only first place in the meet. The season ended with a record of three wins, two losses, and the TIAC championship. They beat Austin Peay (97½-47½), Tennessee Tech (98-47), and Vanderbilt (84-61). Losses were to Western Kentucky (40¼-104½) and Murray State (42-103).

NEW BASKETBALL CAPTAIN: Tom Whittington, a 6'4" senior forward from Ewing, Illinois, is pictured above after having recently been selected captain of the basketball team for the '65-'66 season. Last season Whittington, bothered with an ankle injury, averaged 3.3 points per game and also a 3.3 rebounding average.

Trickey Announces Basketball Schedule

MTSU will play a 23-game basketball slate and participate in the Ohio Valley Conference Tournament in 1965-66.

The schedule released by new head coach Ken Trickey shows four newcomers on the slate. Trickey's roundballers will play Transylvania, Union, Dayton University, and Belmont in single contests.

This will be the first meeting between the Raiders and Dayton, but the other three teams have met the Bluemen in past years. MTSU last played Belmont and Union in 1956-57, and nosed out Transylvania 74-70 in the 1963-64 season.

MTSU will open the campaign with U-T Martin in a non-conference clash December 2 at Murfreesboro. Other out of league opponents will be Florence State and Chattanooga in home and away contests.

Play in the rugged OVC will begin on Jan. 4 with a home contest with Murray State.

"Buzzing Pilots" Not MTSU Craft

"It wasn't us," Miller Lanier, head of the MTSU aviation division stated this week in filing a strongly worded protest with the Federal

Aviation Agency following the "buzzing" of the campus by two low flying aircraft two weeks ago.

Mr. Lanier said the two aircraft had been identified as belonging to a Nashville flying service. They had been rented to two Airmen from Sewart, one of whom is said to be a student here. He was identified as a "Richard Smith."

On May 13 the Federal Aviation agency held a one-day course for Tennessee pilots at MTSU as a part of the orientation program. Fifteen pilots have been here for two weeks taking refresher instruction through use of the pilot-trainer shown above.

Student Classification

(Continued from Page 5)

6. Any first semester transfer student who had less than a 2.0 quality point ratio at the colleges from which he is transferring who fails to attain a 2.0 quality point ratio.

Any student who failed to achieve the required cumulative average but did achieve a 2.0 quality point ratio on the work taken during the previous semester may make application for readmission to the Dean of Admissions. A 1.9 average is required for conditional admittance to the Upper Division. A 2.0 average is required for candidacy for the bachelor's degree.

A student who has been dismissed from any college two times will be denied readmission. A student who has been dropped from any college two times and was not in college during the preceeding semester, can request permission to attend the summer session on a trial basis. If permission is granted the student must enroll for a minimum of 8 semester hours and make a "C" average on all work attempted. If a "C" average is maintained on this work the student will be allowed to continue during the Fall Semester.

Graduate students are required to maintain a 3.0 average on all work attempted with no more than six hours of "C" grades and no grades lower than "C".
