## Spring Play Places Two In Lead Roles

By Nadine King

A psychological fear of birds was fatal to the character Evelyn Heath in the spring drama club production, "A Guest in the House."

Sylvia Bankert, who played Evelyn as the visiting guest, shared the spotlight with Betsy Sims and Ann Proctor and Roger Wilkerson as Douglas Proctor.

The action of the three-act play took place in a Connecticut living room over a three month period.

Rachel Strickland, as Lee Porter, the daughter, gave a striking performance for a juvenile. Other members of the cast included Ann Petty, Dickie Barnes, Bonnie Hudgens, Linda Branum, Scottie Ward, John Spining, Burt Barrett, Sarah Horton, Barbara Simmons and Bill Hunter.

Janice Wynne was assistant director and Kent Brisby the house manager. David Gammons was in charge of makeup and Bill Hunter designed the sets. Carolyn Boatright was in charge of ticket sales. Linda Branum was responsible for rounding up the props, and June Vickery handled the publicity.

Bob Conwell designed the attractive slashing black and yellow program. John Spinning handled the sound effects with Ann Petty doing the lighting. Sarah Horton was in charge of costumes, and Bruce Hancock led poster promotion.

Sets were furnished by the Paschal Brothers Furniture Company with the MTSC art department and Haynes Hardware Company assisting.

Crew members contributing to the production included Cherry Barnes, Tag McMillen, A. W. Powell, Jeanie Stone, Jean Bonney, Jimmy Dean, Agnes Carlson, Vickie Wise, Glenda Vickery, Virginia Woodall, Brenda Sowell, Sara Haliburton, Carole Ervin, Jennie Pewitt, Carolyn Sanford, Carolyn Benson and Judy Ragsdale.

## King, Vannatta Chosen As 'Midlander' Leaders

NADINE KING, left, and Elaine Vannatta have been named editor and business manager of the 1961 'Midlander,' according to an announcement by Dr. Homer Pittard, faculty advisor. Shown with them is Sylvia Williams, this year's editor.

## Debate Team Receives Top Honors

Middle Tennessee State College debaters won honors last week at the Magnolia Speech Tournament, Columbus, Miss., sponsored by the Mississippi State College for Women.

With nineteen schools participating, MTSC's A. W. Powell of McMinnville and Roy Shelton of Nashville were ranked superior in senior debating. They won five matches and lost none.

Shelton won an individual superior rating in men's oratory and also an individual debating honor. Powell rated superior in men's oratory and after dinner speaking.

Martha Lynch of Watertown and Meyrill Judd of Murfreesboro rated excellent in after dinner speaking and women's oral reading.

Ann Lowery and Molly Lynch won 2 rounds of debate in their contest. The other two competing from MTSC were Dick Schoonman in extemporaneous speaking and Gordan Defriese in oral reading.

Four members of the speech team will accompany Clifton Trimble, speech coach, to Stillwater, Oklahoma for the national tournament during the week of March 26-31.

An English major from Nashville has been named editor of the 1962 Midlander with a junior from Shelbyville as her business manager. Nadine King, daughter of Mr. and Mrs. Gerald King of 1401 Straford Avenue, Nashville, was named editor of the annual last week, with Elaine Vannatta of Shelbyville as business manager. Elaine is the daughter of Mr. and Mrs. Marvin Vannatta and is a Graduate of Shelbyville Central High School.

Nadine, a sophomore, is a graduate of Isaac Litton High in Nashville, where she was editor of *Littonian*, the school annual. She was also feature editor of the *Blast*, the school paper; received the journalism award, was a member of the band for four years, and received the American Legion Citizenship award. She is a transfer from David Lipscomb, where she received the Journalism award her freshman year.

Elaine is a junior distributive social science major. At Shelbyville Central she received the American Legion Citizenship award, was FHA state secretary, 4-H all-star, and the 1959 Dairy Princess. She is a member of the drama club and has a scholastic scholarship this year at MTSC. She is a member of the Church of Christ group.

As last year, both girls will be working at Girls State this year in the publicity office.

## College U. N. Is Installed On Campus

Students and faculty members at MTSC have formed a chapter of the collegiate council of the United Nations.

A large number of students attended the organization meeting last Thursday in the college auditorium and witnessed the film "Prelude to Peace."

Appearing in the film was Bill Brinton, Jr., of Nashville, who is a junior at MTSC and spends the summer working with groups of young people chosen by the IOOF and Rebekah fraternal orders who visit the U.N. in New York.

The C. C. U.N. is the official organ of the United Nations on college campuses. The purpose of the organization is to stimulate interest in the United Nations. Chapters have the privilege of submitting resolutions directly to the United States Ambassador, Adlai Stevenson.

The program of the organization meeting was opened with Webb Pickard of Nashville describing the work of local chapters in relation to the C.C.U.N. and the parent organization, the American Association to the United Nations.

Tentatively the club will work on a project "Books for Asia."

Officers will be elected at the March 16 meeting, and program meetings will be held twice each month. The co-organizers of the local chapter, Webb Pickard and Bill Brinton, have already made plans to attend a workshop for chapters leaders in New York this summer.

Charter members of the organization include Charles Kemp, Fred L. Bonney, Maurice R. Bowen, Jr., Eddie Gross, Jerry Williams, Barry Jack Thedford, Clarence Edward (Continued on Page 3)

## Music Department Lists Programs; Band Returns

By Nadine King

Spring music events including three band concerts, senior recitals, and chorus and Sacred Harp Singer presentations are scheduled following the Concert Band's annual tour.

The 55-piece Middle Tennessee State College Band, under the direction of Mr. Horace Beasley, returned from a tour of four middle Tennessee high schools Thursday. The two-day event included concerts at Fayetteville and Lewisburg, and at Isaac Litton of Nashville and Donelson.

Students who accompanied the band were Sara Jones, Ann Pearson, Glenn Arnold, Steve Parks, Marie Harris, Ben McClure, Reddy Byrne, Patricia Porterfield, Billy Howard, Carolyn Callis, Kay Atkins, Betty Duggin, Bob Baker, Mary Nuckels, Jo Nell McCollum, Julia Hollis, Hershell Hixon, Virgil Farrar, Tommy Simpson, Jean Pewitt, Sue Murphy, Donna Holman, Howard Green, Nadine King, Norma Shelton, Bud Seward, Jerry Dooley, Nolan Barham, Jimmy Harris, Linda Davis, Bobby Dotson, Gary Guthrie, James Sadler, Pat Gore.

John Spinning, Lynn Eubank, Joe Clupper, Jack Raines, Ann Maggart, Ann Alford, R. L. Taylor, Jimmy Maxwell, Jim Bell, Jack Gilliland, Marvin Burton, Mack Fannin, Don McLain, Jimmy Hurley, Joe Mills, (Continued on Page 3)

BETSY SIMS, AS ANN PROCTOR, has something important to tell her guest, Sylvia Bankert, as Evelyn Heath, in the drama production given last week. "Guest in the House" was under the direction of Mrs. Dorothe Tucker.

## LETTERS TO THE EDITOR - - -

**"Operation Abolition"  
Blasted By Students**

NOTE: No event in the past four years has evoked the number of vitriolic letters expressing student indignation as the showing of the ROTC sponsored film, "Operation Abolition," at MTSC last week. A few of these letters are being published. There is not room for all.

The 'Sidelines' is ready to publish any signed defense of the showing of this film in subsequent issues.

**To the Editor**

I wish I could thank the ROTC Department for its role in the presentation of the controversial film "Operation Abolition"; but I cannot, for this film was not shown to illustrate the techniques of successful propaganda but was shown as the truth.

It is my contention that this film greatly distorts the real truth and places the blame on the wrong shoulders.

The badgering methods of the House Un-American Activities Committee have long been a subject for controversy. The intimidation of witnesses, guilty and innocent alike, is carried on by men who (in the words of Justice Hugo Black) "are afraid that this country cannot survive unless Congress has the power to set aside the freedoms of the First Amendment at will."

To brand the California students (who have the spark, the life, the love of liberty necessary to the further growth of our country) as Communists is an attempt to cover up violations of our liberty by focusing attention upon another group.

I also find the fact that the ROTC students were required, ordered to attend this 45-minute session of propaganda a deplorable advancement in the power which the army officers have on this campus.

I was glad to get the opportunity to view this masterpiece of deception, but I cannot say "Well done, Colonel," for this film presented only a twisted picture which the National Council of Churches terms "almost a total lie."

Claen

**To the Editor:**

A motion picture definitely was needed in this country to awake the self-content, lazy, spoiled, and apathetic American public to the danger that confronts our democracy by communism.

However, I must loudly deplore the methods used by this particular Army-sponsored film, "Operation Abolition," in awakening the public!

Never have I had the pleasure (??) to witness such propaganda. The film clips were all true happenings; however, when I left the auditorium, I had the distinct feeling that every California college student and teacher, every California longshoreman, and every citizen who opposes the House Un-American Activities Committee was a card-carrying, dues-paying, seditious Communist Party member.

If I had not taken a deep breath and considered the source of the film, I might have actually believed my "feeling."

We, as freedom-loving citizens, must awaken to the danger that we face from communism. However, the above mentioned film is not the way to do it!

"Operation Abolition" probably aroused more sympathy for the students who were removed from the building upon their posterior than it did for the anti-Communist cause!

**Dear Editor:**

We have just finished viewing the controversial film produced by the House Un-American Activities Committee entitled "Operation Abolition." After viewing this film we have come to the conclusion that this bias presentation is a drastic departure from the American way of life and those inalienable principles which we as students have been taught to defend and cherish.

We as students of Middle Tennessee State College challenge this paper to present the true facts concerning the students views. If this is not done then the true picture concerning the University of California students, and for that matter students universally, will always be falsely construed by the public and never revealed in its own right.

Gentlemen, in closing, we ask you to remember that we and many other students who oppose this committee of slander, mud slinging, witch hunting, and damage to honorable American citizens, are not or never will be Communist.

Respectfully yours,  
Don O'Donniley  
Tom Hardison, Jr.

**It Happened  
On Campus**

By Kenneth Love

There is still time to submit your entry for the "Ten Best Dressed Girls on Campus" contest. Ten lovely girls will be selected and given an opportunity to be photographed in campus wear, off-campus wear, and cocktail or evening formal. Entries of the top ten will be submitted to a top glamor magazine to compete with other girls. Write the name of your entry of a student on campus and put it in box 261 today!

Congratulations to the fine cast of **Guest in the House**, drama production given last week. All the members of the cast were great. Again this production was under the direction of Mrs. Dorothe Tucker. Overheard Betty Williams saying to Brenda Kerr between acts, "What a conniving little woman that is. How I would hate to have her in my house." She was referring to the character Sylvia Bankert portrayed.

**Anne Meets Elvis**

Anne Ellington had an experience last Wednesday that most girls would have had an heart attack to have experienced. She met Elvis Presley in Nashville, took him on a tour of governor's mansion, then rode off with him in his Rolls Royce. "He's really quite nice and very friendly, too," Ann murmured.

Presley was in Nashville at the invitation of the State Legislature, where he was made a colonel by Governor Ellington.

**Ernie Hits Town**

One of Tennessee's proudest men in television was in Nashville the weekend of March 3. The old pea picker, Ernie Ford, rocked the Fairgrounds Coliseum with music, laughter, and a great display of showmanship. This writer had the opportunity to see the famous television and recording star and observed that either off or on stage, Ernie is as calm as your next door neighbor, if he's calm.

The occasion was the annual "Furbelows and Fanfare" benefit show. The Jordanaires, Minnie Pearl, Owen Bradley's orchestra, and the Nashville Symphony Orchestra were also a part of the program. Among the songs rendered were "Your Cheating Heart," "You're Nobody Till Somebody Loves You," and "Sixteen Tons."

**Lyon Lines****Lyon Scores Hit  
With Musical Show**

By Bernice Nabors

"Few musical shows in the history of the American theatre have aroused the high-hearted expectations that **South Pacific** did." This was said about the original Broadway production of **South Pacific**, and it was repeated following Stunt Night when Lyon Hall received first prize for the skit taken from this outstanding musical. The Lyonettes worked diligently for several weeks and came up with an amazing comedy that had the audience roaring with laughter.

The skit was written and directed by Mary Lynn Nuckols. The mother and daughter narrating the skit were played by Beverly Montgomery and Judy Malone. Bloody Mary was played by Betty Jo White, and Faye Sawyer portrayed the Tonkinese girl.

The dancing girls were Faye Busher, Joan Barnette, Betty Smith, and Patsy Haws. The Honey Bun scene was done by Anita Oaks and Jane Spencer.

## ANOTHER LETTER - - -

**Movie Also Blasted  
By Faculty Member****To the Editor:**

The showing (at the instance of the Third Army) of **Operation Abolition** was the perpetration of a fraud upon this college community.

It was defended here on the grounds that, without regards for its distortions and fabrications, it was a good film because it served a good purpose — showing "what can happen here" and alerting the community to the threat of Communism. The justification of evil means by good ends, when projected to the extreme, killed 6,000,000 Jews "for the good of Germany."

On the basis of propaganda techniques used, the film could well have been made in Moscow. It appears to have used most of the Communist techniques of (1) lies, (2) half-lies, (3) lies by inference, (4) lies by omission of facts, (5) lies by exaggeration of facts, (6) lies by minimization of facts, (7) lies by rearrangement of facts, (8) lies by association of facts. It exploits prejudices and fears, establishes guilt by association, and convicts after the courts have held a man innocent.

One of the greatest American newspapers is the **Washington Post**. Its publisher, Mr. Meyer, has been president of the World Bank. Its cartoonist, Mr. Herblock, is acknowledged as supreme in his field. Its senior editorialist, Dr. Pusey, is one of the great authorities on American government. The **Post** has this to say:

"A propaganda called **Operation Abolition**, confected in large part by the House Committee on Un-American Activities, is now being given wide commercial distribution. The movie presents a mendaciously distorted view of the demonstrations staged by a group of college students when the committee held hearings in San Francisco last May. This is a flagrant case of forgery by film."

"The film warps the truth in two important respects. First, it suggests as its main thesis that the demonstrations were Communist-inspired and Communist-led. Diligent inquiry has led us to a conviction that his charge is wholly unjustified . . . Students who picketed the Committee hearings in protest were inspired only by their own valid and thoroughly creditable indignation at the Committee's conduct; and they were led by fellow-students loyal to American ideals and acting in accordance with that loyalty."

"Second, the film attempts to represent the rioting . . . as resulting entirely from student violence and disorder. In point of fact, San Francisco police acted with altogether needless brutality . . . In every respect — in its distribution for private profit, in its falsification of facts, in its whitewashing of the Un-American activities Committee — this film makes a dirty joke of the congressional investigation power . . ."

"When a corporation buys a print of this film, it is guilty of . . . wasting money that belongs to its stockholders and time that its employees could use much more profitably for a coffee break. When a Federal agency buys the film, it is wasting taxpayers' money and wasting it for a purpose which is essentially improper . . . For the aim and impact if the film is to discourage dissent. Student protests against the HUAC may be a threat to the Committee; but they are not a threat to the Nation. On the contrary, they are a heartening symptom of reviving national health."

Students of MTSC are encouraged to investigate into the distortions and fabrications of this film.

**Monohan Madcaps****South Monohan Is  
Victim Of Floods**

By Jean Allman and Sally Smith

There is no doubt about it; there is never a dull moment at South Monohan. For the last week or so, the girls on ground floor are literally doing without the comforts and conveniences of home. They have been barred from their rooms by two inches of water which has flooded the basement floor.

Sleeping on the hard couches in the lobby is not exactly their idea of a good night's sleep. Some of the teachers may think the girls are neglecting their work, but they really cannot get to their books. Old Monohan is also being invaded by all the girls of the new dorm who cannot use any water.

At our last house meeting a puppet show, which was written and acted by Carolyn Hale, Margie Patterson, Anne Lowe, Linda Himes and Lucille McGlohon, was thoroughly enjoyed by all the girls. These talented girls also made the puppets for the play, which they called "Ain't It Hainted."

The pastor was reading a long list of announcements from the pulpit, which included at least one meeting, sometimes two or three, for every night of the week. When he finished he observed, "Well, it looks like this week is all shot to heaven."

## Unusual Art Exhibits Are Displayed In MTSC's Fine Arts Building Now

One of the most unusual and interesting art exhibits that has been presented in the long series at MTSC is now on view in the art gallery of the Fine Arts Building.

This is a display of weaving, silk screen printing on textiles, doll making, and other crafts by Frauke Brackin of Birmingham, Alabama, and Bremen, Germany.

The display will remain in place until March 25, and the public is cordially invited to visit the gallery between the hours of 8 and 3 Monday through Friday.

Comprehensive shows in the areas of sculpture and painting have been presented before at MTSC, but this is the first showing of work by such a high level professional craftsman, according to the members of the MTSC art staff.

Frauke Brackin, whose mother is a well known sculptress and whose father, F. H. Gross, is a renowned expressionist painter, learned weaving at an early age. She studied at the Art Academy in Bremen and at the Handwebe Schule Alma Iden (the world famous art colony near Bremen). She operated her own block-printing business, filling orders for firms over Europe and for Macy's in New York.

She has won many honors with her work, including second prize in the German Craft Exhibition in Munich in 1949. In Birmingham, Alabama, she works actively in the craft and weaving classes at the art museum.

Of special interest in the local exhibit are wall-hangings in weaving and silk screen with religious subjects which are handled in precisely detailed representational style reminiscent of the Gorman "old masters," Holbein and Albrecht Durer.

### B. Hill Elected Rutledge Officer

By Elner Hamner

When the freshman class lost its secretary, Edwina Finley, to the tune of wedding bells, Beverly Hill was elected as the new secretary.

Rutledge lost one of its residents, Pat Cooper, who married Stanley Rogers March 4 in McMinnville.

Last week's presentation of "A Guest in the House" kept many Rutledge gals busy. Linda Branum was among the ones learning lines, while Brenda Sowell helped with make-up.

## Bob and Ray Burden Close College Basketball Careers

Bob and Ray Burden, the only seniors on MTSC's basketball squad, closed their collegiate basketball careers at Western Kentucky Saturday night.

The Morgantown, Kentucky, brothers played outstanding ball for the Blue Raiders throughout the 1960-61 season, as well as prior years.

The sons of Mrs. Euva Burden of Morgantown played high school ball under Coach Bill Warren at Butler County High, where both were chosen on the All-District team in 1956. Bob went on for selection to the all-regional squad, third team all-Kentucky and all-Kentucky all star, and was chosen as the outstanding player in his region during that year.

Ray, a 6'2", 175 lb. forward, scored 85 points during the 60-61 campaign, and scored the same number during the 1959-60 season. His hustle played a major part in MTSC victories.

Bob, a 6'5" 190 lb. center-forward, rewrote many pages of the MTSC record book while wearing the blue and white. During his junior year, he established a new record for most points in one game with 43 against David Lipscomb.

During his three years as a varsity player, Bob led the Raiders in scoring every year with 417 points as a sophomore, 434 as a junior, and 391 as a senior.

His 1,242 points broke the record of most points in a three year college career held by Render Carden with 1,034.

Bob played 70 games for the Raiders and had a career scoring average of 17.8 per game. He grabbed 673 rebounds during this span.

Hand-woven pieces is a stimulating contrast to the monotonous sameness often seen in mass-produced textiles. These exhibits have an especial appeal to women. Hand made dolls and hand decorated Easter eggs have an especial and seasonal appeal.

## Golfers Set For Spring

Dr. Elbert Patty, golf coach at Middle Tennessee State College, advises that the Raider linksmen have been selected to participate in the Florida Invitational Tournament at Ocala. Ten schools outside of the state of Florida have been invited to the March 16-17-18 tourney.

Some of the teams named to compete against the Raiders are Yale, Ohio State, Purdue, North Carolina, Houston, Georgia Tech, Florida State, Florida, Miami, Stetson, and Rollins.

Houston has been the NCAA golf champion for the past five seasons, while Purdue was the runner-up team for 1959 and 1960. Ohio State will have Walker Cup member Jack Nicklaus returning.

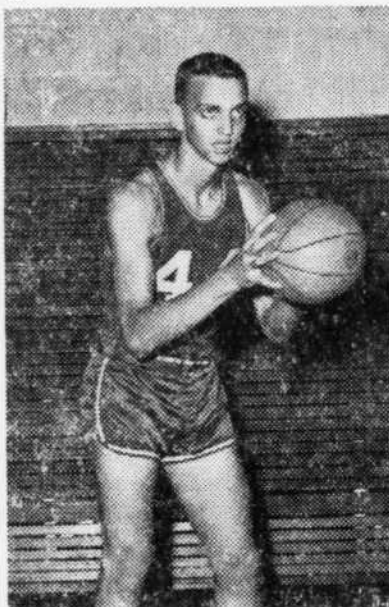

Coach Patty will choose a six-man team to participate in the 72-hole medal play tournament.

In recent years, Coach Patty's golfers have won eight Volunteer State Athletic Conference championships; and in the past five seasons have been three time champions of both the Ohio Valley Conference and the Tennessee Intercollegiate Athletic Conference.

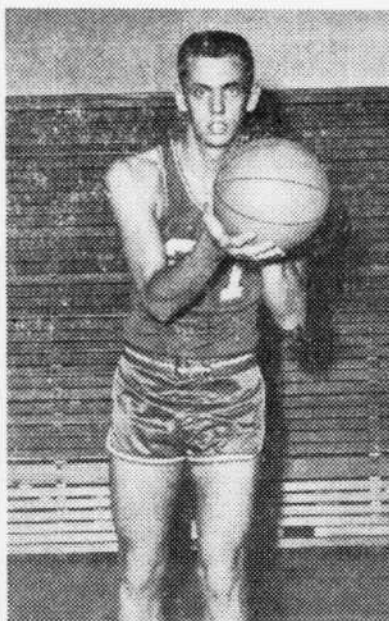

The 1960 MTSC team won both the OVC and TIAC crowns, while Joel Vinson was low medalist champion of the OVC. Five lettermen are returning from that team, with only Farrell Walters of the first six lost via graduation.

Other 1961 tournaments awaiting the Raider linksmen will be the Southern Intercollegiate at Athens, Ga. on May 4-5-6; the Tennessee Intercollegiate at Chattanooga on April 28 and 29; and the OVC Tourney at Murfreesboro May 19-20. This will be in addition to seven regular matches.

The 1961 team is composed of co-captains Doug Hall and Joel Vinson, David Dixon, Gary Head, Johnny Moore, Charles Maddox, Billy "Boots" Scott, John Culbertson, Steve Robinson and George Greengrass.

## Raider Roundup

### OVC FINALE

Another tough basketball season in the OVC has ended and as usual has ended in a down-to-the-wire race. With the final playoff last week between Morehead and Western Kentucky for the right to play in the NCAA tournament, the old roundball will be packed away for another season with the exception of the tourney-bound team.

The OVC did not have an outstanding year, although there were several good ball clubs. At least four of the teams were not ever considered as contenders after the first half of the season. The Blue Raiders, for example, put on a dramatic ending, and if it had started earlier, it would have put them in the top bracket.

Outstanding players were numerous. East Tennessee's Tom Chilton was ahead of all others. The Raider's Bob Burden, who contributed much to a fairly successful season for MTSC, is certainly one of the better players of the conference.

All in all the season was a good one for everyone. The OVC failed to produce a top contender in the major college rankings, but in a tough league as the OVC, the cellar team could defeat the top team at any time during the season.

### GOLFERS TRAVEL

The Blue Raider golf team travels to Ocala, Florida, for the Silver Springs Invitational this week. A veteran crew of golfers headed by Dave Dixon and Doug Hall will be out to back their high ranking and prepare to defend the OVC crown they captured last spring. Jack Vinson, Gary Head, and possibly Boots Scott, the NIL's 1960 golf tournament champ, will team with Dixon and Hall in the highly ranked college tournament. Several top colleges will be represented here, and a win for the Raider crew would certainly add confidence and prestige for the coming matches.

### THINCLADS TO CHATTANOOGA

March 18 will find the Raider tracksters participating in the biggest indoor track meet in the South when they travel to the Warner Field House in Chattanooga for the Chattanooga Relays. The Raiders will be engaged in tough competition, but with a veteran team that placed second in this meet last year could take the meet single-handedly.

Don Willingham, a veteran, will handle the pole vaulting chores. He currently holds the MTSC record with a 12-foot jump. Veteran Porter Maxwell and transfer Tommy Cannon, along with Don Casey, will run the mile and two-mile. Maxwell also holds a MTSC record. Another veteran, Dick Swain, and Ray Cooper are expected to be top men in the high and low hurdle events.

Other leading contenders are freshman Buddy Lever, javelin and discus; Gene Watson, shotput; Watson, Gary and Larry Whaley, Doug Tassey, and Jim Munday, the 100, 220, and 440; Frank Haliburton, also a veteran, the high jump; and Ron Miller, the broad jump.

The thinclads open their OVC campaign April 4 at Murray and hopes are high that the squad can take the OVC championship.

### THIS AND THAT

The Raider thinclads will sport blue nylon sweat uniforms this season, replacing the old grey ones.

It is very enlightening to see the Blue-White spring intra-squad game revived. Ardent Raider fans are able to see the future Blue Raiders in action.

Congrats go to Don Faulk and Jerry Pearson for being elected by their teammates as captain and co-captain of the '61 Raider football squad.

## Spring Edition Of '61 Eleven Looks Sharp

Coach Charles "Bubba" Murphy's spring edition of the 1961 Blue Raider football squad completed their practice with the 1961 "Blue and White" game sponsored by the Blue Raider Club.

Coach Joe Black Hayes directed one squad and Coach Jack Deere the other.

Raider coaches have reported that a number of returning lettermen have looked impressive during practice sessions. Three sophomore-to-be letter winners from the 1960 squad were among the ones getting recognition.

Those catching the eye of the staff were halfbacks Jimbo Pearson and Larry Whaley and tackle Bill White. All three crashed into the Raider starting lineup as freshmen last season.

Whaley led the team in yards per carry average during the 1960 campaign with 5.5 per try. The 5'10", 162 pounder from Sevierville carried the pigskin 48 times and ground out 263 yards. His 51 yard scamper against East Tennessee was the longest run from scrimmage during the season for a MTSC back.

Pearson was an interception artist for the Raiders during the last half of the 1960 season with 6 enemy grabs. He was the fourth leading ground gainer with 162 yards in 39 attempts, averaging 4.2 per carry. The 5'8", 160 lb. Springfield speedster led the team in kickoff returns with a 30.3 average in 4 runbacks, and put his name in the MTSC record book when he returned a punt for 95 yards against Morehead -- the longest ever recorded for the Blue Raiders.

White, a former all-state tackle for Bradley County, took over a starting tackle berth for the Blue Raiders in mid-season. The rugged 6', 212 pounder will be back for his second year of collegiate competition.

Of the new candidates, latest to win praise of the Raider coaches is Jim Mundy. The 170 lb. halfback candidate from Gallatin, Tennessee, had to wait out the '60 season to gain eligibility after playing freshman ball at the University of Tennessee.

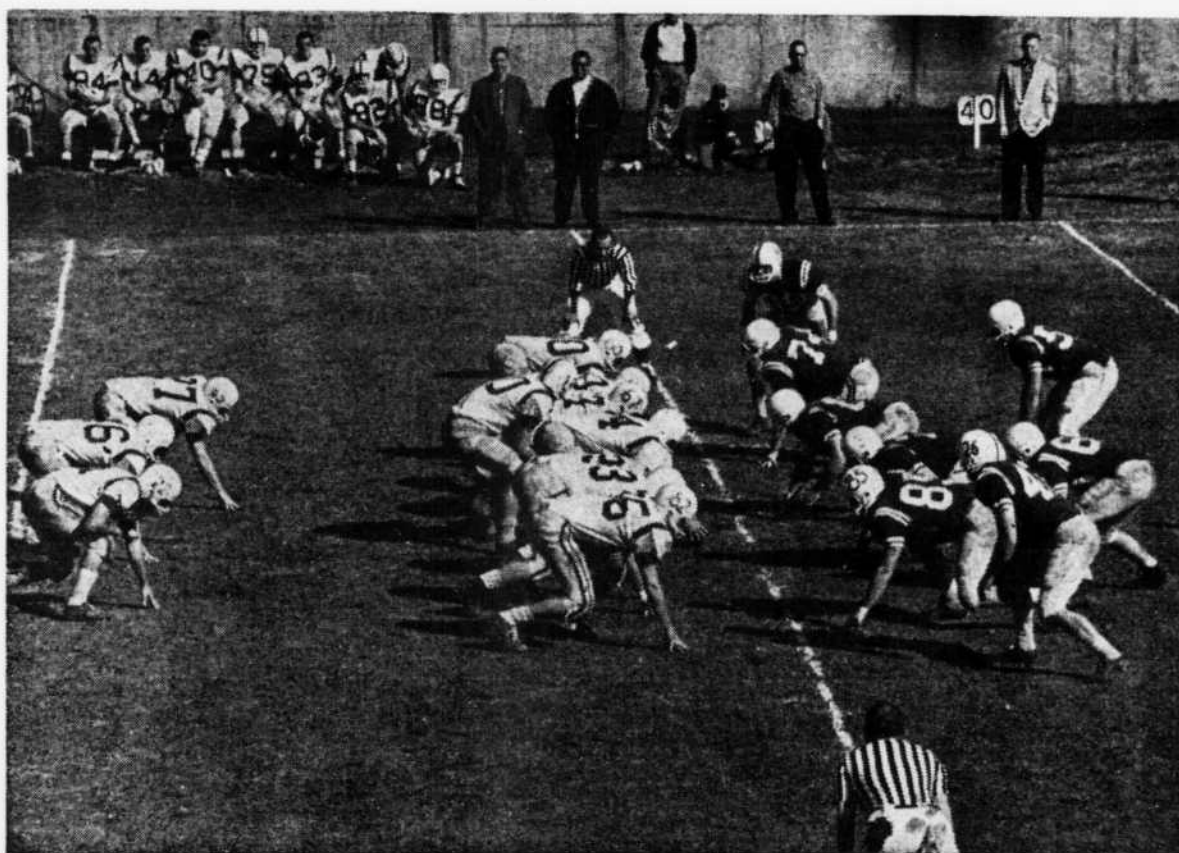

The 60 grid candidates include: Ends: (Lettermen) Frank Halliburton, Butch Williams, Gary Whaley, Bill Settle, #Bobby Gann. (New Candidates) George Dykes, John Towery, Jerry Allen, Robert Cantrell, Stan Shaver, and George Jones.

MTSC's frosh split game with the freshmen of Western Kentucky and East Tennessee and won single games from the Murfreesboro Untouchables and Sewart Air Force Base. Their only other losses were to the Vanderbilt freshmen, Austin Peay State's junior varsity, and two games to Murray State's freshmen.

Center Kenneth Peek, a 6'4", 203 pounder from Benton, Kentucky, led the scoring parade for the baby Raiders with 316 points in the 16 game slate. He closed the season with a 19.8 average.

Buddy Lever, a 6'6", 200 lb. forward for the first year men, scored 200 points in 14 contests for a 14.3 average per game. Lever is a former standout for East High School of Nashville.

Ronnie Wilmouth, a 6'1" guard from Bardwell, Kentucky, also finished in the double figure scoring averages with 14.1, tossing in 225 points in 16 games.

## Lynch Chosen Top YWA-er

By Louise Sullivan

Molly Lynch, president of the MTSC Young Woman's Auxiliary, was recently selected by her fellow members as YWA-er of 1961.

She was selected on the basis of church attendance, church leadership, YWA offices held, school offices held, and honors won. She was also judged on her participation in tithing, prayer, mission study, missionary reading, missionary periodicals, book club, attendance at meetings, community missions, witnessing, enlistment, and associational YWA Council.

Molly, who is one of the two girls in the local YWA holding a citation, will be judged along with other YWA-ers at the evening session of the Woman's Missionary Union's annual meeting, which will be held April 11 at the First Baptist Church in Knoxville, Tennessee. The presentation of the State YWA-er of the year will follow the State YWA banquet.

## State Swim Meet Dates Are Set In June and July

The dates for the Tennessee State Championship Swim Meet were announced here last week by Betty Littlefield, meet director and MTSC swimming instructor.

The three-day meet will be held on June 30, July 1 and 2, according to Director Littlefield.

The Flying Boros will sponsor the state meet, the first such swim meet to be held in Murfreesboro.

There are 26 teams in the state and Oak Ridge is the defending state champion.

"We are making our plans for the meeting now, and we hope it will be one of the best the state has had," Mrs. Littlefield said today.

"All entries have not been completed but the list is expected to be completed shortly," she added.

Several hundred swimmers, sponsors and swim fans are expected to gather here for the meet.

# Diddle Reviews Cage Season With Much Optimism For '62

Middle Tennessee State head basketball coach Ed Diddle, Jr. reviews the 1960-61 cage season with much optimism. The Bluemen, who posted a "so-so" 9-14 season record, revealed a bright future for Raider basketball.

Diddle's 1960-61 eleven-man squad listed 5 sophomores, 4 juniors, and only 2 seniors. Two sophs, center Bennett Jent and guard Dwain Jones, were starters throughout the campaign.

Jent, 6'7" pivot man, appeared in 22 of the 23 contests, and ripped the nets for 304 points, averaging 13.8 per game. This mark was second only to senior Bob Burden's 391 markers in 23 games. Jent pulled in 208 rebounds during the season, and hit 114 of 264 field attempts for a 46.3% mark.

MTSC's head mentor complimented his team, "The boys gave a good account of themselves during the season, and especially the final games. We started the season with a young squad, and they began to harmonize during the latter part of our schedule."

Diddle said he was very proud of the play of his sophomores throughout the season. He was referring to Jent, Dwain Jones, Phil Jones, Joe Barker and Bill Nickell, but pointed out that junior forward Ed Newton played a major role in their fast finish also.

MTSC's coach praised the Raider freshman squad and informed, "We (Continued on Page 10)

## Faulk, Pearson Will Lead Squad In 1961 Football

Middle Tennessee State's 1961 football captains will be Don Faulk and Jerry Pearson. The seniors were elected by members of the Blue Raider squad during their spring training session.

Faulk, a 5'10", 185 lb. center, is a two year letterman for the Raiders. He played high school ball for Shelbyville Central, where he was co-captain of the 1955 squad. Faulk was All Mid-South at Columbia Military Academy in 1957 before coming to MTSC. He will captain the Raider squad.

Quarterback Jerry Pearson, who will be alternate captain, is a 5'10", 165 pounder from Springfield. He is a two year letterman and led the team in punting last season with a 35.8 yard average in 20 punts. Pearson completed 13 passes during the '60 season and scored 3 touchdowns. His brother, Jimbo, is a halfback on the Raider squad.

## Do all Air Force Officers have Wings?

**Decidedly not.** In fact most executive jobs are on the ground. Of course, all officers may apply for pilot and navigator training if they meet the eligibility requirements. There will always be a need for piloted aircraft. And it is foreseeable that in your working lifetime, there will be piloted spacecraft—piloted and navigated by Air Force officers.

But right now, there is also a big future for college-trained Air Force officers on the ground. New and exciting technical jobs are opening up. Important administrative positions must be filled as World War II officers move into retirement.

**How can you—a college student—become an Air Force officer?** First, there's Air Force ROTC. Then for college graduates, men and women in certain fields, there is Officer Training School. The graduate of its three-month course wins a commission as a second lieutenant. Other ways are the Navigator Training program, and the Air Force Academy.

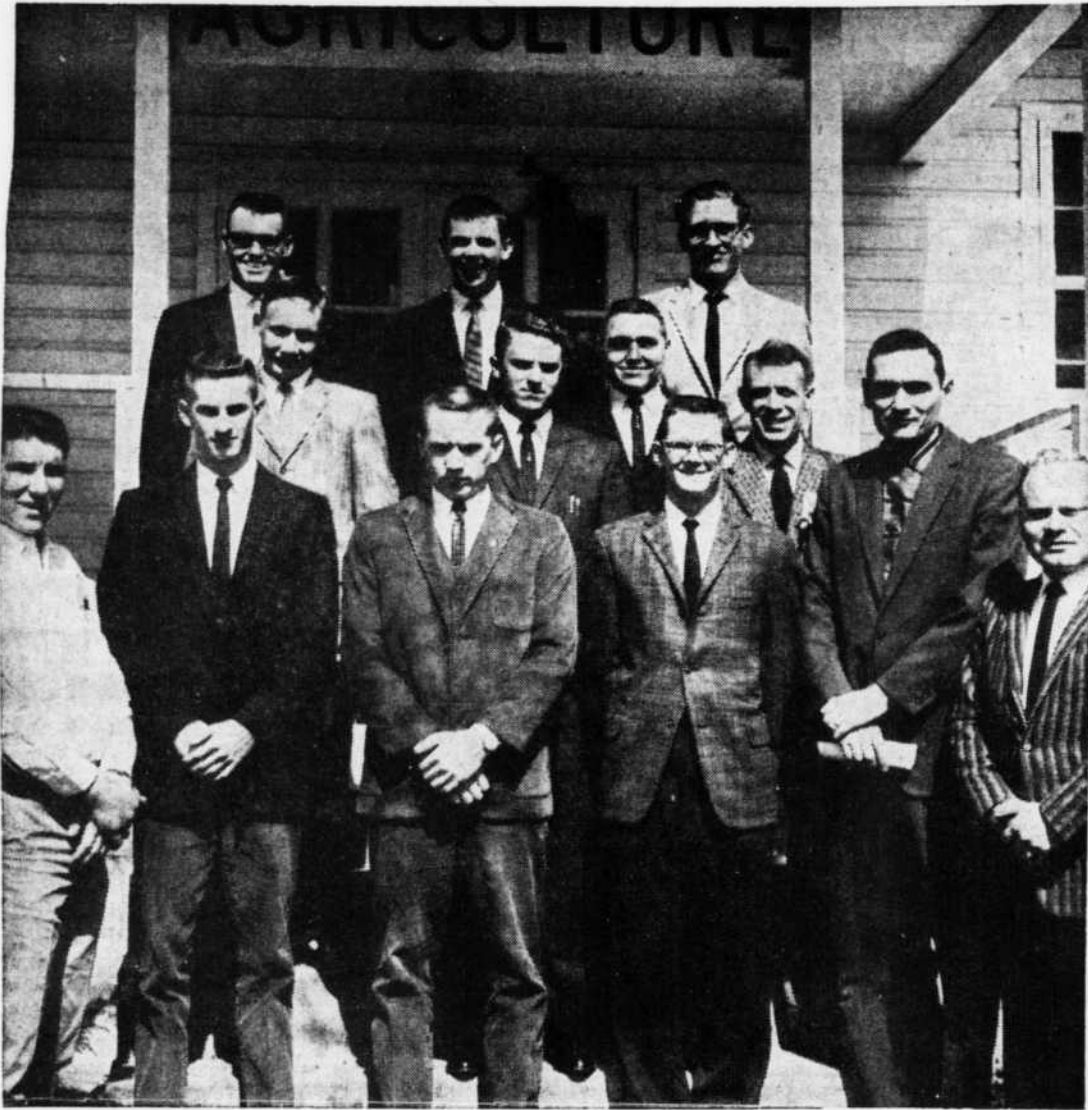

**Some benefits that go with being an Air Force officer.** Starting salary plus allowances compare with the average in equivalent civilian jobs. Then there's free medical and dental care, thirty-day vacation, the chance to win graduate degrees at Air Force expense, and liberal retirement provisions.

No, Air Force officers do not need wings to move up. There's plenty doing on the ground. Perhaps you could be one of these young executives in blue. Ask your local Air Force Recruiter. Or write, Officer Career Information, Dept. SC13, Box 7608, Washington 4, D.C., if you want further information about the navigator training or Officer Training School programs.

## Agriculture Major Offered Options In Course Work

The department of agriculture at MTSC offers students three options in agriculture course work; namely, general agriculture, agricultural mechanics, and agricultural business.

General agriculture prepares the student for occupations in commercial food, feed, seed, fertilizer and farm equipment companies as well as governmental services of soil conservation, farm and home administration, and other farm agencies.

This option consists of a major in agriculture with a minor in science, which gives the student a foundation of the basic requirements for scientific farming.

Agricultural mechanics prepares the student for occupations that involve machinery, farm services or farm construction. This option consists of a major in agriculture with a minor in industrial arts.

Those students desiring training in the mechanical phase of agriculture take advantage of the opportunities in agricultural mechanics.

Agricultural business prepares the student for the opportunities in various businesses that are closely associated with farming and farm people.

This option consists of a major in agriculture with a minor in business administration, requiring a one-year study of the principles of accounting and business law in addition to other business courses.

Agricultural students interested in marketing, land appraisal, insurance, co-operative management, banking and credit take advantage of the opportunities offered in agricultural business.

## Block and Bridle Initiates Pledges For National Body

Members of the Block and Bridle Club were called to a special meeting on March 2 for the purpose of initiating nine pledges into the national chapter. The initiation consisted of oral swearing-in of those pledges who had completed a week of preliminary initiations.

These students included Abner Alley, Talib Bahia, James Forbes, Thomas Lamb, Stanley Lyon, Joe Oliver, Almer Vance, Kenneth Womack and Eugene York.

The preliminary initiation consisted of wearing a coat and tie with the emblem and colors of the club on the left lapel of the coat. These new members are automatically lifetime members of the national chapter.

The new members make a total of 38 active members in the local chapter this year.

The officers administering the initiation were Hugh Parker, president; Bobby Haley, vice-president; Robert Woody, secretary; Paul Cantal, treasurer; Larry McCulloch, reporter; Larry Jobe, sentinel, and Mr. Earl Young, faculty adviser.

## Two From MTSC Placed On List For TEA Meet

Three persons from this area will appear on the program when the Tennessee Education Association holds its annual convention in Memphis on March 16-17.

Dr. W. B. Bowdoin of Middle Tennessee State College will speak to the elementary principals. Thomas Holden of Murfreesboro will preside at the Audio-Visual meeting, and Dorothe Tucker will preside at the meeting of the speech teachers.

The convention will have 35 sectional meetings along with the three general sessions. Subjects will range from specific topics as "Accreditation of Elementary Schools" to such as "Whiter, World?"

And herein do I exercise myself, to have always a conscience void of offense toward God, and toward man.

—(Acts 24:16)

What a wonderfully different world this would be if all of us followed St. Paul's example. There would be little need for police forces, prisons, armies and wars if each human being possessed a sensitive, God-inspired conscience and bent his efforts toward keeping it "clean."

## Dr. Ed Baldwin Is WSM Guest, Speaks On Tour

Dr. Ed Baldwin was the guest speaker on the Bill Williams "Portals of Information" radio show Sunday evening at 10:15 over radio station WSM.

Dr. Baldwin discussed the summer geography tour planned for MTSC students who want to travel while earning college credit in social studies this summer. Dr. Baldwin is director of the tour.

The tour leaves Murfreesboro July 17 and returns August 13. It will cover the states Tennessee, Kentucky, Missouri, Nebraska, Wyoming, Idaho, Montana, Washington, Oregon, California, New Mexico, Arizona, Texas, Oklahoma and Arkansas. Brief trips will be made into Canada and Mexico and an exciting week in Hawaii will be available for those who wish to take the flight out while the rest of the group tours the west coast states.

A visit to Disneyland, Yellowstone National Park, Mt. Hood, Crater Lake national park, Grand Canyon and a cruise from Seattle to Victorian, B.C., are among the special side tours included in the \$298.50 tour cost. To this will be added meals, tuition and the cost of the flight out to America's newest state.

## Prize In Library Contest Awarded To Ida Dunaway

Miss Ida Dunaway of the regional library located on the MTSC campus has been awarded the top prize in the Library Bulletin contest published by the Wilson Company for pictures of the regional library use in the United States and Canada.

The picture appears in the March issue of the Library Bulletin and depicts the regional library serving Floyd and Senia Yoeman of near Wartrace with an armful of the more than 200 books they read annually from the regional library service.

The Yoemans received national recognition a few years ago when Mr. Yoeman, a farmer, won \$16,000 in one of the television quiz programs for his knowledge of American history.

While Mr. Yoeman, according to Miss Dunaway, leans heavily on the non-fiction, particularly history and psychology, his wife, Senia, is an avid mystery-story fan.

Miss Dunaway, the daughter of Mrs. H. N. Dunaway of Murfreesboro, is a native of Bedford county. She received the Bachelor of Arts degree at the old Tennessee College for Women and the Master of Arts from MTSC.

## ROTC Drill Team Is Complimented

As was reported in an earlier publication, the Sam Davis Drill Team participated in the Centennial Celebration held at Winchester, Tennessee, in Franklin County, on February 24 this year.

Following the parade, the Drill Team was requested to perform in a special demonstration for the crowd gathered before the Court House. The impromptu demonstration featured some of the fancy drill maneuvers and weapons control that the members have shown in performances both on and off the MTSC campus.

The following letter of appreciation, dated 7 March 1961, from Mr. A. B. Chitty was received by the ROTC Department:

"Let me thank you and the members of your magnificent drill team for an outstanding performance. You added immeasurably to the centennial celebration of our Franklin County 'secession.' We were particularly pleased and grateful that it was possible for you to give us that special exhibition right before the 11 o'clock speaking began. You could tell by the applause how the audience felt about it.

You and your entire command are to be heartily congratulated on the attainment of such outstanding proficiency. Your appearance at our commemorative exercises was certainly in the best tradition of cooperation between the Army and the civilian establishment."

## Newman Club Initiates Thirteen New Members

By Sandra Barrett  
News Editor

The Newman Club held its initiation two Sundays ago with Vanderbilt and Peabody at Father Ryan High School in Nashville.

President of the club at MTSC, Leonidas Bell, assisted the Vanderbilt-Peabody initiation team.

Initiates included Anne Rose McAdon, Judy Simpson, Bill Strasser, Richard Pereirs, Patti Kelleher, Pat Turner, Brian Riel, Skip Garrett, Terry Cobillnick, George Salinas, Tony Spelta, Jim McHugh and Maria Salinas.

## Questions they ask me about the Women's Army Corps

—by 1st. Lt. Janet McManus, Women's Army Corps Officer Recruiter

In recent months I've met hundreds of bright college girls who want to know about a commission in the Women's Army Corps. They ask basic, important questions. They want facts, figures, straightforward information. A sample of the most frequent questions and answers might be interesting to you.

### What does a WAC officer do?

The WAC officer has an important job as an executive. As such, her duties are administrative and supervisory. The jobs open to her are equivalent to civilian jobs such as Management Consultant, Education Program Coordinator, Public Relations Director, Budget Director, and Personnel Specialist.

### Where are WAC officers stationed?

Currently they're stationed at over 150 posts

in the U.S. and around the globe. Some major ones are San Francisco, Chicago, New York, Munich, Rome, Tokyo, Honolulu, Monterey, New Orleans, Atlanta, West Point, Boston.

### What is a WAC officer's salary?

WAC officers receive the same salary and allowances as male officers. A 2nd. Lieutenant's starting salary plus allowances is \$328.00 per month. Also, there are medical and dental benefits, and thirty days' paid leave every year.

### How long must a WAC officer serve?

Exactly 2 years. The first few months are spent at the WAC Officer Basic Course. The remainder of the tour is spent at a post and assignment selected to reflect the individual's interest and abilities.

College juniors may "sample" the WAC without commitment. Under a special all-expense paid program they spend 4 summer weeks at the WAC Center, Fort McClellan, Ala. Here they receive basic orientation in

the Women's Army Corps. If they desire, they apply for commissioning after graduation from college.

### Is it "feminine" to be an officer?

Certainly, just as it's feminine to be a businesswoman, a doctor, or a diplomat. In today's fast-changing world women have taken on many new responsibilities, and they meet these without ever losing feminine poise and dignity.

### Historical Society Votes To Hold State Meet Here

The 600-member Tennessee Historical Society voted last Tuesday night to hold its annual meeting in Murfreesboro in 1962, according to an announcement by Attorney

General George F. McCanless, president of the Society.

The group will convene at MTSC early in May, with the exact date to be announced later.

Local members to be in charge of the arrangements include Robert

E. Corlew and Norman Parks, co-chairmen, and Robert Lasseter, S. C. Evins, Doc Earthman, W. T. Windham, Newell S. Moore, Wayne Pyle, Mrs. Bernard Alderson and Mrs. C. Hughes Lyon.

### FTA-SNEA Group Sets Annual Convention Here

The State FTA and Student National Educational Association members will meet on the MTSC campus April 28th for the annual state-wide convention, according to

the announcement of Mrs. Charlene Collier, FTA-SNEA consultant for Tennessee.

The program has been planned with a general sessions and will be climaxed with a banquet that evening.

Dr. Clarence Greever is in charge of arrangements.

## Pre-Veterinary Medicine Set For Fall Semester Of 1961

Pre-veterinary medicine will be offered at MTSC for students of this area who are interested in this profession beginning the fall semester of 1961.

Course requirements include sufficient amounts of agriculture, biology, chemistry, mathematics and physics to meet the needs for transfer to the School of Veterinary Medicine at Auburn University, Alabama, which is operating under a Regional Co-operative Program in which the state of Tennessee participates.

Under this program the University of Tennessee maintains a counseling and guidance service for residents of Tennessee who are interested in studying veterinary medicine.

A committee at UT evaluates courses taken at colleges other than the land-grant institution; consequently, the pre-veterinary medicine curriculum offered at MTSC will meet the approval of the evaluating committee.

The pre-veterinary medicine curriculum offered at MTSC is practically the same as the pre-medicine curriculum offered, with the exception of the required courses in agriculture.

Advisor for preveterinary students is Dr. T. C. Bigger, head of the department of agriculture.

## Students Hear Dr. Eric Rust In Assemblies

By Sandra Barrett  
News Editor

Religious Emphasis Week, sponsored by the Student Christian Union was observed on the MTSC campus March 6, 7, and 8.

Guest speaker for these services was Dr. Eric Rust, who is a noted theologian, author, scientist and lecturer.

The week's theme was "The Christian Faith In a Changing World."

The first of the programs was held on Monday morning at 9:00, and the message was entitled, "What Christianity Is About."

Those participating in the service were Dick Swain, Nolan Barham, Alvin Scott, Jerry Meadows, Jimmy Young and the Sacred Harp Singers. A message explaining the importance of this week on the campus was delivered by Dean Keathley.

Tuesday's service was devoted to the topic, "Does Science Leave Room for God?" Stanley Rogers, Sarah Jones, Pat Swan, Charles Holder and Nolan Barham took part in this service, while special music was presented by Jerry Dooley, Mrs. Ruby Sanders, Jane Pyle and Linda Davis.

"On Being A Christian In a Changing World" was the topic selected by Dr. Rust to complete and summarize this series of inspiring services.

Participating in this program were Barbara Garnort, Jerry Roper, Ruth Ann Ford, Bobby Hollingsworth and Elvis Williamson. Special music was presented by Mr. Neil Wright, accompanied by Mrs. Wright.

In connection with these services to observe Religious Emphasis Week, Dr. Rust held conferences on Monday and Tuesday afternoons for anyone wishing to speak with him.

Monday a candlelight supper was held in the cafeteria, and Monday night in the lobby of Monohan Hall a dorm discussion was held. Another discussion followed on Tuesday night in the lobby of Smith Hall.

As a result of Dr. Rust's visit, all those who took advantage of the opportunity to hear him have no doubt been inspired and now know what place a Christian has in a world that is changing as rapidly as ours.

The Marine Corps Officer Selection Team visited the MTSC campus on February 22-23 to discuss the various Marine Officer Programs.

## Rubens' Paintings Shown During Spiritual Emphasis

By Sandra Talley

A few of the religious paintings by Mr. Fred J. Rubens of the MTSC art department were on display in the lobby of the Student Union Building during Religious Emphasis Week last week.

Among these paintings were "Descent From the Cross," "Genesis, Chapter 1" and "Hour of Decision."

These paintings served to carry the theme and meaning of Spiritual Emphasis Week still deeper in the lives of those who saw them.

## Noted Speaker Set For Air Workshop

Dr. John Furbay will be the June 13 speaker at MTSC for the Aero-Space Educational workshop according to Dr. Bealer Smotherman, director.

Dr. Furbay graduated from Ohio State University and received his MA from New York University, his PHD from Yale, and attended Sorbonne in Paris. He taught at the University of Connecticut and Hawaii before becoming President of the College of West Africa in Monrovia, Liberia.

Furbay has served as Editor Attache to the US Embassy in Costa Rica and Columbia and is an annual guest lecturer of the World Seminar at Geneva, Switzerland. He was awarded the Brewer Aviation trophy in 1954 for the contribution he has made to Aviation Education.

Since 1945, he has served as Director of the Cultural and Educational Program for the TWA.

## "Operation Abolition" Stirs MTSC Interest

"Operation Abolition," the film now being shown to ROTC units throughout the nation, has made one point crystal clear — the techniques of the Communist Party in the United States are producing results.

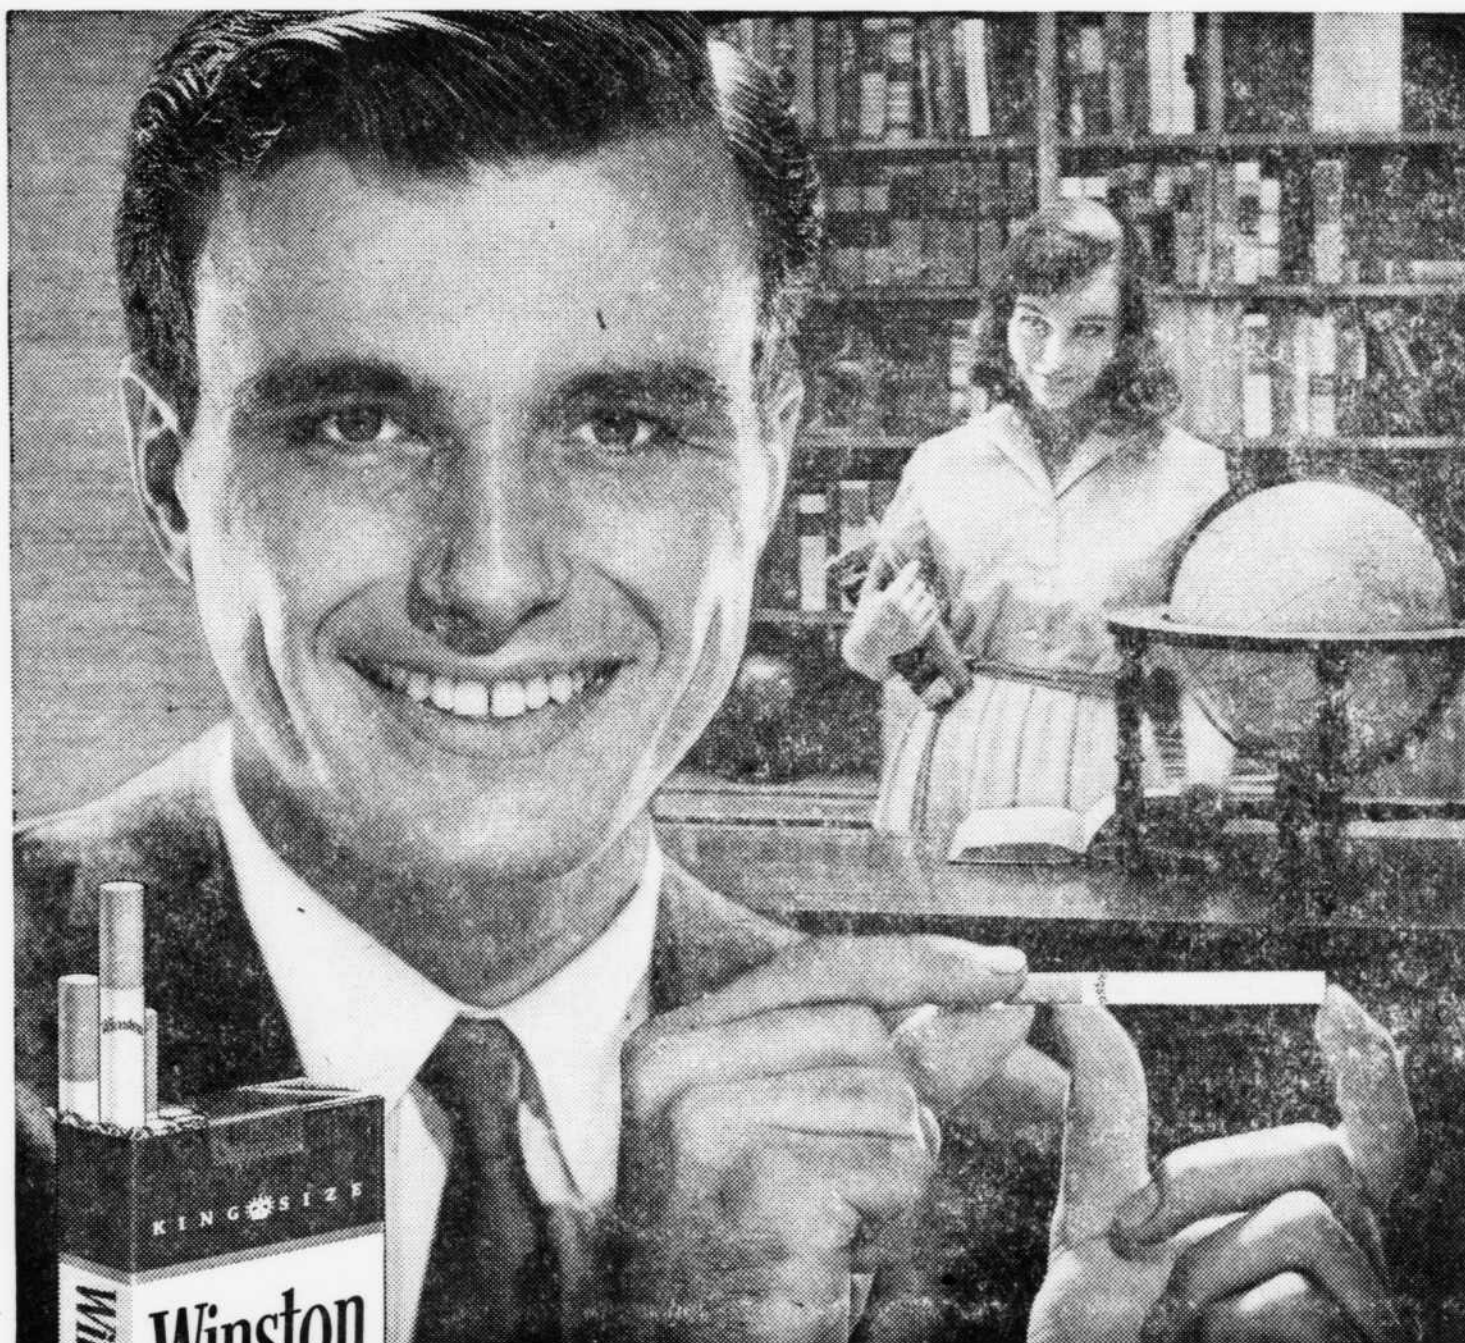

The film, shown to the Middle Tennessee State College unit on Tuesday, documented from news-reel films made during a hearing by the House Un-American Activities committee in San Francisco last year, purported to show how the Communists incite all kinds of Americans by undermining confidence in America.

The film has occasioned considerable controversy—some have also disagreed with the veracity of the film. In the nation, one of the latest incidents occurred at the University of Tennessee where a minister, handing out leaflets decimating the film, was asked to resign.

Dr. Norman Parks, head of the social science department and one time editorial writer of the **Nashville Tennessean**, circulated a thought provoking letter to faculty members here the day of the showing of the film.

In this letter Dr. Parks pointed out that the film was an Un-American Activities Committee propaganda instrument and should be recognized as such.

Quoting from a **Washington Post** editorial Dr. Parks said it was a "film forgery" and that the ROTC department denied him the right to present an analysis of the film either before or after the showing.
