Betty Caudill Elected Homecoming Queen

By Sandra Barrett, News Editor

Betty Caudill was elected homecoming queen on October 28 after a run off election with Betty Willard. The other candidate competing for this title was Lois Patton.

The girls were nominated at an assembly held on Thursday, October 20, and the first phase of the election was held on Thursday, October 27.

A close 316 for Caudill over 269 for Willard marked the run-off voting. Betty Caudill carried the Terrace Room voting station by 40 votes and the Administration Building polls by 7 votes.

Queen Betty will be presented at the homecoming game on November 5 at 2:00 on Jones Field when the Blue Raiders meet Murray State.

She will be crowned at the homecoming dance on Saturday night after the game.

Attendants to the queen will be presented by the various classes to represent them. Freshman attendant is Carol Ann Northern, sophomore attendant, Irene Carter, junior attendant, Sonia Willis, and senior attendant, Margaret Cantrell.

The election of homecoming queen is covered in Bill 21 of the constitution and was formed on November 22, 1954.

To qualify as a nominee, the girl must be a senior with 90 hours credit. The campaign period must not proceed the nomination and its duration is seven days from the nomination date.

At least 10 and probably 12 visiting high school bands will participate in the parade Saturday morning and in the pre-game ceremony at 1:30, according to Horace Beasley, director of the concert band at MTSC.

MTSC Polls Show Trends On Election

Two "unscientific polls" in two separate areas of study at Middle Tennessee State College reveal some interesting facts relative to the November 8 election as reflected in thinking two weeks before actual balloting.

Both polls were designed to discover registered and qualified voters who intend to vote November 8.

One poll showed a 27-19 preference for the Nixon-Lodge combination with nine undecided, and the other, limited to student "first voters," showed a 42-17 leaning towards the Democratic ticket of Kennedy-Johnson.

Corollary to the second investigation, the older the student voter, the more inclined towards the Republican thinking, while the non-voters were three to one in favor of the democrats.

The first survey, conducted by a class in American government taught by Dr. Charlotte Allen, attempted to find the voter preference and correlate that with the religious issue. The group included Presbyterian, Catholics, Baptist, Episcopal, Methodists, Mormons, Christian Scientists, Church of Christ, and an agnostic.

Two Catholics will vote for Nixon, one for Kennedy and two are still undecided. In spite of the alleged appeal of Kennedy to women voters, only three women among the group 15 of that sex interviewed will vote the Democratic ticket.

Eight of the 27 voting for Nixon indicate that the religious issue is involved in their decision. Other lists lack of experience, maturity, opposition to Democratic pro-labor policy and fear of Democratic fiscal policies as reasons for voting Republican.

Party regularity is the most frequently mentioned reason for a decision that is pro-Kennedy. One suggests that he is a better debater, two that he is more intelligent than (Continued On Page 4)

Ninety-eight Seniors Go Out For Teaching

Ninety-eight MTSC seniors are experiencing student teaching this semester. Some have chosen to teach all day for a period of eight weeks, or a half semester, while others are practice-teaching for the entire semester, part-day only.

Heading to Central High School in Murfreesboro daily are the following business education majors: Thelma Holman (Sparta), Janice Isles (Sale Creek), Thomas Nash (Shelbyville), John Moore (Du Pont), and Pat Turner (Chattanooga).

Sylvia Osborne Newman (Waterville), Bonnie Hudgens (Nashville), Nancy Johnson (Old Hickory), and Jo Moorehead (Winchester) and assisting in the English classes. Benney Bills (Lewisburg), Bobby Vaughn (Murfreesboro) and Pat Gillen are teaching history. Betsy White of Murfreesboro, Mark Jernigan of Deckerd, and Ralph Brazel are working with biology classes; and Marge Hickerty (Manchester) and Barbara Mills (McMinnville) are administering a program of physical education.

Mathematicians who are practice-teaching this semester are Peggy Dean (Lawrenceburg), Patsy Morton (Murfreesboro), Bobby Raby (Fayetteville), Jimmy St. Clair (Murfreesboro), Maxine Smith (Shelbyville), and Joe Thompson (Lewisburg).

Others at Central High School are James Woodward (Mt. Pleasant) and Earl Lane (Murfreesboro), assisting in the industrial arts program; William Eisele of Murfreesboro, physics, and Loyce Everett McBride of McMinnville, chemistry. Billy Ammonett (Library) is working in the economics field.

In addition to Central High School, MTSC is currently staffing numerous area high schools with seniors to provide for them their practice-teaching experiences.

Tau Omicron Takes Seven

Carolyn Cox, Billie Jean Crisman, Carolyn Cummings, Virginia Geer, Helen Harris, Gayle Johnson have recently been elected to Tau Omicron, honor for MTSC women students.

These seven new members will be initiated at a dinner meeting on November 10.

The girls were chosen on the basis of academic record, high moral character, personality, and leadership ability.

The society, which is sponsored by Miss Elizabeth Schardt and Miss Beulah Davis, has elected for its officers to serve this year Holland Bratten, president; Jerry Williams, vice president; Barbara Simmons, secretary; and Maxine Smith, treasurer.

Other club members include Sharon Brooks, Rosalin Crawley Curvin, Cecile Mayberry, Pat Turner, Betty Willard and Sylvia Williams.

Speech Arts Name Group For Run-Off

By Louise Sullivan

This year the Speech Art Society is meeting in two groups, one meeting at 10:50 Tuesday and Thursday and one meeting at 3:00 on Monday and Wednesday. Each group has selected a set of officers who will be in a run-off election sometime in the near future.

A. W. Powell is against Elvis Williamson for president; Larry Stanley will be opposing Dick Shooman for the vice presidency; the secretary will be either Molly Lynch or Janice Wynn; and Linda Marable and Sylvia Crowder are competing for the office of treasurer.

The Speech Art Society meets in room 20 in the math building. Mr. Trimble welcomes the public to attend any of these debates.

The debate team is working toward a discussion tournament which is to be held at the University of Alabama at Tuscaloosa, November 3-5.

The topic for discussion is "Should the United States adopt a program of compulsory health insurance for all citizens?"

There will be five rounds of discussion beginning at noon Friday and ending Saturday afternoon. The debaters will be graded on participation and four outstanding (Continued on Page 7)

Manhattan Artists Slated For Visit

Monday, November 14, will be the date for the next Middle Tennessee State College assembly program in which nationally famous artists will be presented.

The Manhattan Soloists, consisting of Nancy Cirillo, violinist, Barbara Lockard, mezzo-soprano, and Francesca Maria Cirillo pianist, will be on the MTSC auditorium stage for a 10 o'clock morning concert.

Nancy and Francesca Cirillo, two highly gifted sisters, come from a family of musicians. Nancy received her first violin lessons from her father and Francesca her first piano lessons from her mother.

Barbara Lockard says musical gifts and a flair for acting have propelled her to success in opera, (Continued On Page 4)

EDITORIAL --- YOUR Vote—

For many of us, this year will mark the first presidential election in which we have been able to vote. It is of extreme importance that we realize the significance of our participation.

Frequently we hear our friends and associates say, "What good will my vote do?" Well, one vote has had a lot to do with a lot of things in this country.

Thomas Jefferson was elected President by one vote in the electoral college. So was John Quincy Adams.

Rutherford B. Hayes was elected President by one vote. His election was contested and it was referred to an electoral commission. Again he was elected by a single vote.

The man who cast that deciding vote for President Hayes was a Congressman from Indiana, a lawyer who was elected to Congress by a margin of just one vote. And that one vote was cast by a client of his who, though desperately ill, insisted on being taken to the polls to vote.

Just one vote gave statehood to California, Idaho, Oregon, Texas, and Washington . . . and today all the millions living in those five states are American by just one vote.

Now you may say that the one vote situation applies only to the past. Well, don't forget that the Draft Act of World War II passed the House by just one vote . . . and we could carry this one-vote history on and on.

The right to vote is precious, and we must safeguard it.

P.T.

Eisenhower Speaks—

President Dwight D. Eisenhower has called for "the greatest turnout in our history at the polls" in the coming Presidential elections, as a vivid demonstration that "ours is really a government by the people."

The President notes that just one vote per precinct in one or more critical states actually decided Presidential elections in 1884, 1916, and 1948.

"If you do not vote," he says, "you increase the value of the vote of anyone who doesn't believe in the things you believe in."

In a reference to captive nations, Mr. Eisenhower writes: "Today there are thousands of people ready, actually, to die for the priceless privilege of voting. What we do with our votes will inevitably affect the stature and the status of democracy in other lands."

LETTER TO THE EDITOR ---

A Reminder—

Dear Editor:

Please remind the faculty and the students that they are cordially invited to hear Mr. Robert C. O'Connor, a nationally known tax research lecturer, at 1:00 p.m. Wednesday, November 2, in the college auditorium.

Mr. O'Connor will speak on Taxation (or Income Taxes). His visit to the campus is very timely, since in only two months this matter will automatically become most important to everyone (regardless of age) who earned \$599.99 during 1960.

His ability to personalize his talk, his wide and varied background, his personality and showmanship makes him very much in demand among the professional practitioners and college groups. He is a Vice-President of Prentice-Hall, Inc. He was head of the Western Division of Sales for many years before becoming a national tax research lecturer.

He is a graduate of Stanford University and Stanford Law School. His versatility as an undergraduate at Stanford won him honors as an All-American Guard . . . later, he played professional football with the Green Bay Packers before returning to Stanford to study law.

Last year MTSC was fortunate enough to be the FIRST college in Tennessee to hear Mr. O'Connor. He was invited to speak at other Tennessee colleges this year, which is indicative of the success of his appearance here last year.

Another Reminder—

To the Editor:

The National Poetry Association announces its annual competition, closing date for the submission of manuscripts by college students being November 5.

Any student is eligible to submit his verse. There is no limitation as to form or theme. Shorter works are preferred by the Board of Judges because of space limitations.

Each poem must be typed or printed on a separate sheet, and must bear the name and home address of the student, as well as the name of the college attended.

Teachers and librarians are invited to submit poetry for consideration for possible inclusion in the "Annual National Teachers Anthology," the closing date being January 1.

There are no fees or charges for acceptance or submission of verse. All work will be judged on merit alone.

Manuscripts should be sent to the National Poetry Association, 3210 Selby Avenue, Los Angeles 34, California.

It Happened On Campus

By Kenneth Love

We salute Coach Charles Murphy, who on the night of the 22nd of last month won his 100th victory while at Middle Tennessee State College.

With the help of other coaches, players, and supporters of the team, may we win many more games.

The Wesley Players are active again! This year, "Murder in the Cathedral" will be presented. Joel Underwood will be in the director's chair again. The date has not been set yet.

Rumors are that Mr. Adams, the night watchman, got a big kick out of the unexpected pep rally from a girl's dorm last week. Steam in some of the pipes of the heating system broke out and covered the ground outside. Some thought the building was on fire. False alarm.

The sophomore class is conducting their own election for President. The catch is—you pay a penny for a vote of your favorite choice. Who will win? The sophomore class, of course.

Don't go home this weekend or you will sure miss something. The parade is Saturday morning. And speaking of parades, the floats are not put together by themselves. They need your help.

The Beat Murray rally was held this morning. Did you attend??

A closing thought is not always pleasant. Mid-semester exams are next week.

Church Of Christ Schedules Movie

By Janice Bullion

"The Stones Cry Out" (a film), a song-fest led by Robert G. Neil of Nashville, and a joint MTSC-Vanderbilt panel, all coming in November suggest the varied religious activities sponsored by the Church of Christ group on campus.

In addition to the weekly worship service on Wednesday night, organized activities include a chorus under the direction of Dr. Madison Dill; the Bereans, a discussion group which meets on alternate Tuesday nights in the homes of different professors; and the bi-weekly newspaper - Campus Christiana.

The Wednesday night group, under the sponsorship of Dr. Exum Watts, has an average attendance of 70; but its record so far is 99.

Officers of the group are president, James Preston; vice-president, Larry Scott; secretary, Janice Bullion.

The purpose of the Bereans is to discuss the personal problems confronting Christians and to gain an insight into the principles directing Christian living.

Dr. Norman Parks is the sponsor of this group, and the officers are president, Arch Gregory; vice-president, Kim Foster; secretary, Yvonne Powell and Geneva Reed.

The Campus Christiana, has a circulation of more than 600.

The group occasionally has parties and other social functions which enable the members to become better acquainted with each other. A camping trip is held twice every year, once in the fall and then in the spring.

Other social activities which have already been held this year are a "get-acquainted" party for the freshmen members and a hayride.

My God's Own Song—

Our Lord, thine own is enough;
Thy nature to grasp the heart
with speed so like a sheba
and hold, with song, a meadow lark.
Inspiring song, thou movest these hands
powerless to an extent
to crumble as if sand,
when they song is rent.
By cries of hovering vultures,
waiting, antagonizing the lark.
I smile with joy.
The lark sings clear.
A silvery mountain stream,
to the eye, a light within the dark.
The angels soft blown song I hear.
So is a light breeze drifting through
and above withering blades of grass,
softly waving with gentle flavor,
to be revived at long last.
And the grass shines forth-
whispers into lonely ear,
a song silent, yet thunderous,
brings a smile, and yes, a tear.
The tear drops upon the ground
and a sun from a Godly atmosphere
draws the loneliness heavenward;
a reminder of before and after.
So my faith is born again;
the lark still sings his song.
The vultures cry out in pain;
and I, I can find no wrong.
The breeze is lightly billowing
with an impact of mass
through and above
the promising new grass.
The world sings my God's own song
and I, I can find no wrong.

Jones Hall Men Decorate Dorm

By Bill Hunter

Homecoming has been in the limelight around Jones Hall for the past week. The boys have been decorating the dormitory, as well as working on their class and club floats. In previous years, the boys of Jones have twice won first place in the dormitory decoration competition.

There is a lot of activity on Monday nights around Jones Hall. The boys spend hours on end polishing shoes and brass for R.O.T.C. drill and inspection on Tuesday. The dorm looks like the army barracks on Tuesday morning with shining uniforms everywhere.

The boys are becoming old hands with the household chores of making up beds and sweeping. Everyone is busy cleaning before room check, and some even find time to decorate their room walls with maps, pennants and decorative pictures.

In the evening there are usually two or three card games going on in the lobby, while still others are watching their favorite T.V. shows. The boys are making the most of their spare time, for soon they will be busy studying for their mid-semester exams.

Frosh Attendant Is Past Queen

Rutledge residents are very proud to say that the freshman attendant to the homecoming queen, Carol Ann Northern, comes from their midst. Carolyn is a graduate of Donelson High School in Donelson, Tennessee at which she was homecoming attendant during her senior year. She was also selected to be Band Queen during her sophomore year and valentine attendant for three years.

Rutledge Hall also boast of housing one of the ROTC representatives, Brenda Sowell.

All the residents have their rooms all dressed up now. Before the upperclassmen moved to the new wings of Monohan, several of the permanent residents did not know who their roommates were going to be. Now that they have moved they have been assigned specific

U. S., Lyon Hall Ready To Vote

By Bernice Nabors

While the outside world is debating the abilities of Nixon and Kennedy, the girls in Lyon Hall are discussing the candidates for the dorm officers.

Each girl was asked to fill out a sheet of paper stating the office that she would be interested in holding and what experience they have had. The new officers will be selected next week during the house meeting.

With the absence of machinery next door at Monohan, the Lyonettes thought serenity would fill the air; but, much to their disappointment, a new sound has been introduced. The reason for this clang-bang issuing forth from the radiators is not known; but on one grumbles because it may be due to the wonderful heat that we are now enjoying.

Homecoming?

The Old Timer

"The remarkable thing about school reunions is that your old classmates have gotten so fat and bald that they hardly recognize you."

CAROLYN HALE, CAROLYN BALL, Linda Hayes, Carolyn Callis, Joan Foster, Mary Payne and Suzanne Patty, MTSC majorettes, will lead the band in the annual homecoming parade this Saturday, November 5, at 10 o'clock. Carolyn Ball, a sophomore, is head of the group. Featured twirler during the games is Carolyn Callis. Both girls were head majorettes in their high schools, Chattanooga Central and Nashville Cohn, respectively.

Majorettes To Lead Band In Homecoming Parade

A major feature of the Middle Tennessee State College homecoming celebration November 5 will be the appearance of the MTSC band led by the college majorette corps.

This outstanding majorette corps is made up of solo stars who work in close harmony as a unit. The girls have all attended baton twirling schools from Florida to Indiana and combine their talents in a dazzling display of fiery red uniforms and sparkling silver baton gyrations with each appearance of the MTSC "Band in Blue."

Head majorette is Carolyn Ball, a sophomore. She is the daughter of Mr. and Mrs. A. L. Ball, 4323 Spring Street, Chattanooga. An elementary education major, she is a graduate of Chattanooga Central, where she was formerly head majorette. She has been the student of Bill Allen of Coral Gables, Florida.

Mary Whiteaker Payne, daughter of Dr. and Mrs. Charles S. Whiteaker, was formerly head majorette with the Isaac Litton High School band of Nashville. Mrs. Payne, who is a pre-optometry major, won top rating in solo competition.

A freshman, Carolyn Hale, was second runner-up in the Junior Miss Chattanooga contest and 1960 Homecoming Queen at Chattanooga Central, where she also won the "Miss Congeniality" trophy in 1959. She is the daughter of Mr. and Mrs. O. L. Drake.

Suzanne Patty, daughter of Dr. and Mrs. Elbert Patty, was formerly a majorette at Murfreesboro Central. She is a pre-law major and resides at her parents' home on Lascassas Pike.

Linda Hayes, a freshman art major, is from 510 Williamsburg Drive, Dalton, Georgia. Linda, who has attended many baton twirling schools, was formerly a majorette at Dalton high school. Her parents are Mr. and Mrs. Doyle Hayes.

A freshman, Joan Foster, daughter of Mr. and Mrs. Frank T. Foster, 313 Fieldcrest Drive, Nashville, was formerly a majorette with the Central High School band. She is a general education major.

The featured twirler during each

of the MTSC field concerts is Carolyn Callis, daughter of Mr. and Mrs. L. M. Callis, 5308 Nevada Avenue, Nashville. Carolyn was formerly head majorette at Cohn High School in Nashville. A sophomore, she is a vocational home economics major. She has studied privately from tutors in Tennessee and attended the Smith-Walling Camp in Syracuse, Indiana.

At Hobgood School Barbara Ann Payne (Eagleville) is teaching English, Lawrence Robinson (Loudon) is teaching social studies and physical education, and Wilma Gean Thomas (Woodbury) is teaching language arts.

In addition to the secondary majors located at the MTSC Campus School and the Murfreesboro City Schools this semester, there are twenty-three elementary education majors. In the first grade under the supervision of Miss Mary Belle Jordan, are Yvonne Powell

Davidson County Records High Student Number Here

Nashville and Davidson county supply 666 of the record breaking 2,850 students on campus at MTSC this year, according to statistics released by the office of Dean N. C. Beasley this week.

Rutherford county has 569 enrolled. Sixty one per cent

of the entire student body come from counties contiguous to Rutherford. Coffee county contributes 139 students and Hamilton county 138, with Maury, Bedford and Wilson each sending more than 100 students to MTSC.

The Davidson county enrollment surged ahead of Rutherford county this year for the second time in the history, due largely to the 1,309 freshman students enrolled. Last year Davidson county had 504 students enrolled and Rutherford 450.

The out-of-state enrollment has increased to 89 over last year's high of 61 over previous years. Although two thirds of the counties in Tennessee are represented in the student body, 88 per cent or slightly more than 2,500 come from 19 mid-state counties.

Twenty four religious faiths including eight Moslems, seven Jews and one of the Bahai faith are represented in the student body.

The Baptist church leads in members present with 884, the Methodist faith is second with 682, and the Church of Christ is third with 610. Other faiths with more than 100 students in attendance are the Presbyterian with 154 and the Catholic with 115. One hundred and fifty six students indicate no church preference.

The other faiths on the campus are Church of God, Cumberland Presbyterian, Disciples of Christ, Episcopal, Lutheran, Nazarene, First Evangelical, Christian Science, Christian Congregational, Seventh Day Adventist, Pentecostal, Mormon, Assembly of God, and Unitarian.

Seven of the faiths have organized church groups, some with full-time paid workers on the campus. Each Wednesday evening is set aside for meeting of the church groups, the largest of which is the inter-faith Student Christian Union.

MTSC Newman Club To Host State Meeting

By Agnes Carlson

Members of the MTSC Newman Club are presently making plans concerning the State Newman Club Convention to be held November 12 and 13 in Murfreesboro with this club as the sponsor.

The officers of the Newman Club for the year 1960-61 are president, Leonidas Bell; vice-president, Charles Reese; recording secretary, Agnes Carlson; corresponding secretary, Nancy Johnson; treasurer, Sue Pever, and sergeant-at-arms, Bill Strasser.

Club advisor is Father Philip F. Thoni, pastor of St. Rose of Lima Catholic Church.

The activities of the club thus far have included lectures by Father Thoni on "The Gravity of Venial and Mortal Sin," an informal get-acquainted social, and a guest speaker, Jimmy Morrissey, director of the Catholic Youth Organization in Nashville, who discussed "The Catholic's Position in the World Today."

After the convention, the club plans to continue the series of lectures by members of the diocesan clergy and local business people. There will also be an Amateur Night, at which time a "Mr. and Miss Newman Club" shall be presented with awards for outstanding work done during the year.

At St. Rose the Masses are Sunday, 7:30 a.m. and 9:00 a.m.; daily (except Friday), 8:30 a.m.; Friday, 5:30 p.m.; Holy Days of Obligation, 5:30 p.m. Confessions are Saturday, 7:00 to 8:00 p.m., before Sunday Masses and on request.

On the third Sunday of each month at the 9:00 a.m. Mass, the members hold their Corporate Communion.

The regular meeting of the Newman Club is held every Wednesday evening at 6:00 p.m. in room 315 of the Administration Building. Everyone is invited to attend.

Cicero:

Editor Vera M. Hall, The Danville, Ind., Gazette—Unfortunately, many people feel their votes "do not count." Each vote that is cast counts. It is the votes that are not cast that "do not count." Your choice to vote or not vote is not a matter of political belief. It is a matter of whether or not you are interested in preserving our democratic way of government.

Wedding Bell Still Ringing For MTSC'ers

By Shirley Humphrey

Announcement is made of the marriage of Miss Sylvia Qualls, daughter of Mr. and Mrs. Cooper Qualls, to Mr. Franklin D. Pendleton, son of Mr. and Mrs. B. Pendleton. The wedding vows were exchanged in a 7:00 ceremony on October 14 at the Bexler Chapel of Madison Church of Christ. Miss Qualls was attending MTSC before her marriage and served as a member of the Sidelines staff.

The engagement of Sandra Gail Hoffman, daughter of Mr. and Mrs. Everett Foster Hoffman, and Mr. Thomas Cunningham Garrett, son of Mr. and Mrs. James Watson Garrett is announced. Both bride and groom are from Madison. Miss Hoffman attended MTSC and Mr. Garrett will graduate from MTSC in June. The wedding is planned for November 24.

A January wedding is planned by Miss Ann Fanning, daughter of Mr. and Mrs. Toby Fanning of Tullahoma, and Mr. Jack Cashion, son of Mr. and Mrs. Lee Cashion of Lynchburg. The wedding will take place January 21 at the First Baptist Church in Tullahoma. Both Miss Fanning and Mr. Cashion are MTSC students.

Nixon, others that Kennedy seems more concerned with the general welfare of the people.

The pro-Kennedy forces include five Baptist and one Church of Christ communicant -- religious groups attacking Kennedy's Catholic religion.

Another survey, conducted among adult voters of Rutherford county persons who have voted in at least two previous presidential elections, revealed that of the six persons who will vote for Nixon-Lodge was claim membership in the Democratic party, two voted Democratic in the past two elections, two voted for Eisenhower in the two previous elections and two voted one-time-Democratic and one-time-Republican.

Among the nine undecided voters, three are Democrats by preference, one a Republican and the other independent. Only three "independent voters" and not one Republican indicates a Kennedy choice.

The second poll, conducted among members of the senior and junior class, represents 16 Middle Tennessee counties and two states. Ten students from Davidson county will vote Democratic, three from Rutherford county, two each from Smith, Wilson, Bedford, Lincoln, Cannon, Lawrence, Coffee and Maury.

Ten Davidson county students will also vote Republican with two votes coming from Rutherford for the Nixon-Lodge ticket.

Other counties represented in the poll include Democratic votes from White, Van Buren, DeKalb, Hickman, Madison and Sumner. Grundy, Marshall, and Lincoln are represented among the Nixon-Lodge voters.

Only three of the 59 qualified voters among the student groups say that religion will play any part in their voting preference. The most frequent statement for Democratic preference is that "It is the party that seems to get things done," or some variation of the theme that the records of previous administrations show greater prosperity under Democratic administrations.

Five pro-Democrats mentioned the failing prestige of America, two others the failure to take a firm stand in Cuba. Two stated that they had made up their minds as a result of the TV debates because Kennedy "appeared more sincere."

Those choosing to vote Republican among these "first voters" said they felt that Nixon and Lodge had more experience in foreign affairs or that they feared increased power of the Federal government.

1. Theodore Roosevelt, 42, was the youngest man to be elected President.
2. The President's salary is \$100,000 a year.
3. Virginia has produced more Presidents than any other state—eight: Washington, Jefferson, Madison, Monroe, William H. Harrison, Tyler, Taylor and Wilson.
4. Andrew Johnson never went to school. (Lincoln—general belief to the contrary—attended, for short periods, two schools in Kentucky before he was seven, and three other schools after his family moved to southern Indiana. His formal education totaled less than a year, but Johnson had no formal schooling whatsoever.)
5. The three Presidents who were assassinated were: Abraham Lincoln, 1865; James A. Garfield, 1881; and William McKinley, 1901. President to face impeachment. When he removed Secretary of State Stanton from office and replaced him with Grant, Congress denied the President's right to remove a cabinet member. At his trial by the Senate, the vote was 35 for conviction, 19 for acquittal. As a two-thirds majority is necessary for conviction, he was acquitted.

One-Act Play Is Presented By Dramatists

By Tag McMillen

The MTSC Buchanan Players are off to a busy start this year. There are 51 new members who show a great interest in The American Theater.

The Players gave their first presentation of "Afraid of the Dark" by William E. Callahan Tuesday night for the members of the Drama club and their guests. The members of the cast included Joe Young, Fayetteville, Tenn., as Willie Gulick. Joe has shown his ability as a member of the Radio station WEKR in Fayetteville.

Tag McMillen played the part of Juan Castanegos. Tag has been connected with drama for the last six years and in the future plans to attend the American Academy of Dramatic arts.

Jo Armstrong of Nashville played the part of the Captain. Joe is a speech major and plans to work father with the field of drama. Bobby Conwell of Ivoryton, Conn., played the part of the Chaplain. This is Bobby's first year in the field of Drama.

Kent Brisby of Allisora, Tenn., played the part of Guard. Kent has had several years of experience in drama in Chicago and later plans to go into drama as a full time profession. Joyce Edens of Tullahoma was the director. Joyce is a speech and drama minor and has years. worked for Radio station WJIG in the past years.

Richard Schoonman of Quaker Hill, Conn., headed the light crew. Dick has worked off Broadway for the Amoto Opera Co. in the field of lights for the past several years.

Dr. Pittard Announces Senior ACT Applicants

Dr. Homer Pittard has announced that more than 155 seniors from high schools in this area have applied for the opportunity to take the ACT college admission tests at MTSC Saturday, November 5.

These tests are being administered at several test centers at various times over Tennessee. Several of the colleges and universities and those in other states require the passing of such tests as prerequisite to admission.

The tests are scheduled to begin at 8 o'clock Saturday morning.

Indian Visitors Tour Department, Attend Socials

Four distinguished administrators in the field of Home Science Education in India toured the home economics department at MTSC Friday and Saturday.

Dr. A. R. Irawathy, president Queen Mary's College, Madras; Mrs. Fathima Aktar, Chairman South India Education Trust and the Governing Body of SIET Women's College, Madras; Mrs. Kusum Mehta, president of the M. H. College of Home Science for Women, Jabalpur; and Mrs. P. B. Menon, president of the Rajasthan Mahila Vikyalay College, Udaipur.

Dr. Orawathy received her doctorate at the London University of Political Science and is particularly interested in Home Management. Mrs. Akhtar's husband is a retired judge of the High Court (Supreme Court) in Madras.

Mrs. Menon has done her post graduate work in England and is responsible for a college with an enrollment of 750. Mrs. Mehta holds three degrees from Banares University and was formerly inspectress of School of Madhya Pradesh Education Department before assuming he present post where three faculties work under her supervision.

Miss Margaret Browder, former head of the Tennessee State Department of Education home economics department, is now co-ordinator of the University of Tennessee home economics program with India and is responsible for the visit of the distinguished women educators to Murfreesboro.

While here, the ladies will study the curriculum, syllabi, teaching methods, guidance, library facilities, and administration of the local vocational home economics program.

Saturday afternoon they were the guests of Dr. and Mrs. C. N. Stark at a tea at the Stark home.

Saturday evening Miss Margaret Putman, head of the MTSC home economics department, entertained with a dinner.

Mrs. Tucker, Dr. Parks Have Leading Letters In 'Nashville Tennessean'

MTSC students were interested in reading the "Letters to the Editor" column of the NASHVILLE TENNESSEAN last week.

On Wednesday, a three-star letter from Mrs. Bill Tucker appeared attacking the operation of the Nashville "blue sticker" law. Mr. Tucker's father had been fined while driving his son's car without a sticker. Mrs. Tucker, the former Jane Maxwell was ASB president at MTSC in 1944.

Thursday Dr. Norman Parks' letter was the lead in this TENNESSEAN feature. It deplored the action of Church of Christ ministers and press in making religion an issue in the current political campaign. Dr. Parks is a leader in Church of Christ activities on the MTSC campus.

Dr. Kirksey Scheduled To Address Meeting

Dr. Howard Kirksey is scheduled to address the Secondary School Principals sectional meeting of the Southern Association of Colleges and Secondary Schools in Memphis on November 29.

Dr. Kirksey will speak on the subject, "Newer Practices in Scheduling."

On October 24, he was the speaker at the dedication services for the new Antioch High School building in Davidson county.

For the second time in two years, Dr. Kirksey wrote the guest editorial for THE BETA ADMINISTRATOR, a publication circulated to high school principals and superintendents in 17 states by the National Beta Club. The editorial was entitled "The New Look in Regional Accreditation."

Century Milestone a Tribute for Murphy

The final score of the game had been posted on the scoreboard several minutes before the end: MTSC—28, MOREHEAD—0, and now, in gleeful exuberance, the squad was lifting the coaching staff on their shoulders (see photo below) for a memorable ride that won't soon be forgotten.

Mr. Charles Martin Murphy, head coach for the Blue Raiders since 1947, had just won his 100th game while at the helm, and the players, in true respect for this accomplishment, were displaying appreciation.

Minutes later in the dressing room after the celebration had subsided a little, Nicky Lynch, Alternate Captain of the team, presented the game ball to Murphy with these un-rehearsed words: "You don't want this ball anymore than we do, coach."

The only seemingly reaction besides the usual "thank you or, was a wary, sidelong glance from the headman as if to say: "which one has the soap!"

No, the squad didn't baptize him under the shower. The opportunity didn't seem to strike anyone; or, maybe, Coach Murphy just isn't the type of coach that you would do such a thing to.

Behind Every Successful Man

Going back over the years, Murphy thinks he had his first impression to become a coach during his senior year in college here at Middle Tennessee State in 1937. He says he does not regret in any way his final decision to do so. "I would not be happy doing anything else," he stated.

Asked if he expected to be around long enough to win 200 games, Murphy replied, "I expect to coach as long as the administration is satisfied with my work." And with only thirty-three losses plus seven ties to go with the hundred wins, it seems like he'll be around for a long time.

Displaying his sincere faithfulness as a family man, Murphy reveals that the "only disadvantage I have found in coaching is that you do not have the time to spend with your family." And then added to this: "If I did not have a fine wife, it would be rather rough at times."

A Supreme Effort

Recalling the teams he has so successfully directed, Murphy thinks the 1957 and 1959 squads were the most pleasing to him. Captained by Buck Rolman and Ralph Massey, the '57 outfit, as all true Blue Raider followers well know, rang up a perfect 10-0 mark to present Murphy with his

Last year's undefeated-but-tied Tangerine Bowl Champions provided the other half of Murphy's most memorable pair, and also presented him with the one single game that was the most satisfying during the regime.

The murderous Moccasin of the University of Chattanooga, well remembering the 20-6 loss to the Raiders in Murfreesboro in 1957, were returning with a glint of revenge in their eyes. "They were picked to beat us real bad," was Murphy's way of telling it, "and we so completely dominated the game."

It's no secret now that this was truly the best team win the Blue and White ever attained. Keyed to about the highest peak possible mostly through the inspiration of gritty little captain Bucky Pitts, the Raiders went out and did what is now history, but leaves Murphy with this sum-up: "the supreme effort of the boys were so outstanding in this game."

The Most Pleasing Experience

Magnanimous Murphy, now in his fourteenth year at the helm, has seen numerous football heroes perform heroic deeds for MTSC. As is so conspicuously revealed in the middle of this year's score books, a fine array of Middle Tennessee State graduates and ex-gridmen, are now serving Tennessee high schools in head coaching capacities, another tribute to Murphy's leadership qualities.

Through the years, Coach Murphy may well develop still more men of the same caliber, which will be all along the line of the most pleasing experience he receives out of his profession: "To see the young men that we have improve in their playing, and also in the feeling you get out of helping these fellows get a college education."

Mr. Murphy, we salute you on a job well done!

RAIDER ROUNDUP

By Ray Bailey
Sports Editor

"Hard Luck" Lean Year—

Raider fans expected somewhat of a lean year due to the loss of an entire backfield and several stellar linemen via graduation of the '59 season, but no one ever thinks of a team having a "hard luck" season. Of the four losses the Raiders have absorbed, only one has been a real sound defeat; and that was at the hands of a powerful Chattanooga combine. The losses to Jacksonville State and Western Kentucky may be attributed to injuries and bad breaks.

Last Saturday night the Raiders ran roughshod over the Florence State Lions for over three quarters and lead 6-0 as Jerry Pearson found paydirt early in the fourth quarter. The Raider offense was in Lion territory on several occasions but could not push across until the fourth quarter. The "hard luck" play that decided at least a tie was the wide boot for the extra point by Nicky Lynch.

The loss to Florence put three dampers on the MTSC squad: (1) The loss to the Lions was the first in five years. (2) The Raiders absorbed their first loss at home in 23 games. (3) It halted a determined Raider squad's bid to win their last five games and thus must win the remaining three for a winning season.

The brightest spot this season has been the play of our many halfbacks all of who will be back next season. Freshman Jimbo Pearson, Larry Whaley, and Phil Grammer have recently been alternating in the slot opposite powerful running Jim Nabors.

The Raiders have picked up considerably defensively, having only 7 points scored against them in the past two games. The linebacking play of Don Faulk and his alternate Billy Joe Evans could be the key to the recent rise. Ends Jerry Stapleton and Nicky Lynch also continue to be stalwarts in the defensive line.

Basketballers Open Practice—

Coach Ed Diddle, Jr. opened practice last week with only 2 players missing via graduation. Returnees Paul Holland, Eddie Newton Jackie McCauley, Bob and Raymond Burden, Paul Dailey, and Ralph Bryant, along with several members of the last season's freshmen squad, are preparing for the December 1 opener against Ed Diddle, Sr.'s Western Kentucky combine.

This and That—

Coach Charles M. "Bubba" Murphy notched his 100th win in the 28-0 triumph over Morehead State.

Florence State will be a powerhouse next year, losing only six seniors via graduation. Of these six only three were on the starting team.

Several thousand fans witnessed one of the most thrilling football games ever televised Saturday afternoon, as highly rated Ole Miss was pushed to tie LSU 6-6.

End Butch Williams who played a fine defensive game against Florence is on crutches with an ankle injury.

Veterans Club Visits

At V. A. Hospital

By Norm Martin and Bob Hardison
Last Wednesday, the Vets Club made the first of a series of visits to the V.A. hospital.

These visits are a continuation of a project started last fall. The response of the patients at the hospital has been very gratifying.

Plans for a homecoming float are underway, and the club's social committee is planning a dinner to be held at the American Legion for club members, wives and guests. The dinner will be held some time after homecoming.

ON THE RIGHT Larry Puryear, the 5-10, 185 pound senior from Dalton Georgia is demonstrating his powers as the "workhorse" of the Raider backfield.

Five-Year Raider Record Broken By Florence State

Middle Tennessee State played one of the better games of the season Saturday night but saw a five-year record of no defeats on the home field voided by a perfect PAT off the boot of Bobby Jackson as Florence State won 7-6. The touchdown came on Jimmy Brownlow's three yard sneak with 2 minutes to play.

The loss followed much the same pattern of the earlier OVC loss to Western. After three quarters of desperate headknocking in which the Raiders had twice threatened to score (stooped on the four and on the 18) the Blue knitted together running plays by the Pearson brothers, Puryear and Nabors with a Pearson-to-Pearson pass for a fourth quarter touchdown. Jerry Pearson made the last three yards but Nicky Lynch was wide to the right on the important PAT try.

Statistically, the Raiders dominated the play with 13 first downs to 10, 208 yards rushing to Florence 116, five of 13 passes for 43 yards and two pass interceptions.

The only two passes Florence completed were from Douthitt to Nowlow, which totaled 33 yards and put the Lions in business after it looked as though the Raiders had the game iced with a third down eight situation deep in Lion territory.

Again it was the frosh backs, Larry Whaley and Jimbo Pearson, who kept the spark alive, while Larry Puryear ground out 53 hard yards on 20 carries to register first downs when they were most needed. Larry whaley counted 51 yards in 11 efforts, averaging 33.8 while the Raider on four kicks averaged 39.9.

This week it will be Murray in the afternoon homecoming as Coach Murphy's try for a .500 per centage. Then the Raiders move to East Tennessee for another OVC game on November 12.

College Pool Opened For Students and Faculty

By Sue Lane

The college pool will be open every week-day from 4 to 5 and Monday night from 7 to 8. Saturday from 10 to 12 is reserved for faculty and students.

Friday nights the pool will be available for faculty only. Wednesday night the Aquatic Club meets from 7 to 8:30, sponsored by Mrs. Betty Littlefield. The club, in addition to beautifying the art of swimming, also promotes water safety, which is becoming increasingly important in this area of abundant man-made lakes.

Mrs. Littlefield, sponsor, is also swimming instructor at MTSC.

Murphy Hits 100 Mark In Morehead Victory

Victory number 100 as a college coach was registered by Charles Murphy in the 28-0 win over Morehead state for the second OVC victory of the current season.

The game was the best played of the season; and, according to the radio interview with a Western scout, it was a far superior performance to the 20-13 OVC lost to the Kentuckians two weeks ago. An East Tennessee State scout in the opposite press box said that the team effort was so superior to that of the Jacksonville State game that it would appear that an entirely different team was playing.

Indeed it was almost a new team. Every man who dressed participated in the game and at least five freshman came up with brilliant play. Jimbo Pearson took a Morehead punt on his own six yard line, retreated to the four and took off up the right sideline in a dazzling demonstration on broken field running, aided here and there by timely blocks. This 95 yard scamper is the longest run back of a punt since Bucky Pitts gamboled 80 yards against ETSC in 1958. In 1957 Buck Rolman ran a kickoff back 95 yards against Chattanooga.

Nickey Lynch played the most brilliant game of his career as a Raider. He snatched a 26 yard pass to start the initial touchdown drive and a 17 yard pass from Terry Bailey for the first score. He kicked three extra points. He made or participated in eight important tackles.

Larry Puryear was the night's chief ground-gainer, running for 63 yards and jumping from eight to fifth in the OVC rating in that department. His last run for three yards gave the Raiders the fourth touchdown after Jerry Pearson (who played an excellent game at quarterback) got 22 on a keeper and Puryear added 22 on a interior buck and cut-back.

Statically, the Raiders made

22 first downs to Morehead 12, picked up 235 yards rushing to 171, and completed 10 of 24 passes for 148 yards to five of 13 by Morehead for 108 yards. Defensively, the Raiders intercepted three passes and Pearson and Stapleton each ogt credit for a fumble recovery.

The third touchdown had resulted from a 10 yard pass from Bailey to Larry Whaley with 1:05 left to play in the second quarter. Wiggins kicked the fourth extra point.

Sixteen different backfield men participated in the game, including Bailey, Jerry Pearson, Denny, Kerr, Nabors, L. Whaley, Neal, Rice, Grammer, Jimbo Pearson, J. Williams, Puryear, Watson, Carr and Johnston.

Otis Johnson made his first appearance following an operation and Bob Kerr and Larry Denny also made a varsity debut. Kerr, from Chapel Hill, is the son of an all-time great Raider, Charlie Kerr. He threw two of the longest passes seen on the MTSC campus in many years.

Other Raider participating in the bench-cleaning job were Stapleton, Lynch, G. Wahley, B. Williams, Halliburton, Settle and Gann at ends and White, Butler, Wiggins, Law, Hayes and Anderson at tackles.

Ezell, Windham, King, Hallum, Pigue, Blair at guards, and Faulk, Evans and Ross at center also took part in the win.

There's a lot of good in most people--often because it never has come out.

Aviation Worship Set Here, Smotherman Named Chief

MTSC has been named as the center for the 1961 Tennessee Aviation Workshop for Tennessee teachers.

This is the third year the Tennessee Aeronautics commission has granted scholarship aid for this workshop at MTSC.

Major Kelly Bealer Smotherman, a member of the MTSC faculty, has been named as deputy chief of staff in charge of Aerospace Education for the Southeastern Region by the Civil Air Patrol headquarters.

Assigned to Major Smotherman as assistants are Major Frank L. Hendrix of the University of Tennessee faculty and Chief Warrent Officer Harold E. McNabb of Atlanta, Georgia.

Major Smotherman succeeds Lt. Col. L. L. Gore of Peabody College Nashville as the chief administrative officer for the educational program of the Civil Air Patrol for the Southeastern States.

Major Smotherman, who holds the Doctor of Education degree from Peabody College and is head of the audio-visual division at MTSC, has been the director of two highly successful aviation workshops conducted in the summer at Middle Tennessee State College in co-operation with the Tennessee Aeronautics Commission.

Co-incident with the announcement of Major Smotherman's appointment to the high post in the Civil Air Patrol came the authorization for MTSC to conduct a third workshop this coming summer with a strong indication of an expanded program.

Major Smotherman will leave Murfreesboro September 14 for a national conference of aviation educators.

"Convention Planning" Set As Coming Topic For SNEA Meeting

By Mary Rose Whittle

"Convention Planning" by Dr. Richard Carrigan, Mrs. Charlene Collier and Ben Platt and a lecture by Dr. Edward Baldwin on the geography field trip will be the topics of discussion during November for S.N.E.A. programs.

These are several in a series of talks given by MTSC faculty and guest speakers to the members of the Student National Education Association.

At the organization's meeting scheduled for Thursday, November 3, at 6:00 o'clock, Dr. Richard Carrigan, Assistant Secretary, NCTPES; Mrs. Charlene Collier, FTA-SNEA Consultant; and Ben Platt, SNEA National President, will present plans for the State Convention which will be held on the MTSC campus April 7, 1961.

Dr. Edward Baldwin of the social science department will be the featured lecturer November 17, at 11:00 o'clock.

Dr. Baldwin will present an interesting and informative talk on a field trip taken by his classes this past summer.

The Student NEA members seem to be appreciating the programs and will, perhaps, be better equipped to face the world as a result of them.

MTSC Bowling League Planned For Men, Women

By Art Fresen

Plans are being made for a HE and SHE bowling league to be bowled at Murfreesboro Lanes. The league is to be made up entirely of MTSC students. The coeds half of the league will consist of six teams of four bowlers each; the male teams will be identical—only in number.

Goal Surpassed For Givers Fund By MTSC Staff

Middle Tennessee State College exceeded the United Givers Fund Goal assigned by the Murfreesboro division of that community fund project by \$102.50 when President Quill E. Cope turned over \$1,850.50 in cash and pledges from 265 of the 271 full-time employees on the MTSC campus.

The social science department contributed \$243.50, the administrative staff \$193.50, languages \$148 and education \$147 to lead the 20 departments participating.

The department with 100 per cent contributing were administration, operation and maintenance, dormitory supervisors, agriculture, art, aviation, business, education, home economics, mathematics, music, science, social science, library, ROTC and Campus School.

The Manhattan Soloists will appear on campus in a special assembly program on November 11.

Substitutes will be needed for both coed and male student teams. These substitutes will be called upon any time a regular bowler must be absent.

Mr. Mike Meeks of Murfreesboro Lanes is acting as advisor coordinator and is rendering all assistance possible.

The HE and SHE teams will bowl side by side, and starting time for the league will be determined by the league itself. It has been suggested, however, that a mid-or late-afternoon shift be set up.

Special price rates are being made available to those students bowling in the league, which is to be ABC and WIBC sanctioned. Prices for league bowlers will be 35¢ per game and rental shoes will be furnished at no cost.

The league members will decide upon the amount of trophy money and fee to be paid the league secretary each week. Ten and five cents respectively, per week, has been recommended. This would bring the total weekly cost for each bowler to \$1.20. Trophies will be presented to the handicap winners at the season's end.

So what say!!! Let's go bowling each week. Join in the fun and exercise, keep your figure trim and bodies in top condition.

For complete information, contact Mr. Mike Meeks of Murfreesboro Lanes, TW 3-1394, or fellow students Pat Turner, TW 3-9761, and Henry Adler, TW 3-3442.

Teachers' Council Urges Three Recommendations

Three strong recommendations were made by the Advisory Council of the Associated Organization in Teacher Education of the American Association of Colleges in Teacher Education at the national meeting in Washington, D. C. this week, according to Bob Abernathy, a member of the Council.

Mr. Abernathy, director of extension at M. T. S. C. stated that the Council recommended that the Federal government provide grants for higher education and that grants be made available to train excellent college students for college teaching posts.

Another recommendation made by the Council would require college teachers to be highly trained in the subject matter taught and professional subjects. A similar requirement is now made of high school and elementary teachers. Many college teachers are not professionally trained to teach, according to the Council study.
