## ASB Hosts Pre-School Retreat At Hy-Lake

Members of the Associated Student Body held a three-day retreat September 9, 10, and 11 at Camp Hy-Lake to make plans for the forth-coming year. Led by ASB President Bert Wakeley, five general assemblies were held in addition to numerous group meetings.

Attending the retreat were Deans Martha Hampton, Chester Burns, and Robert McLean who took part in the various meetings and were featured in an "Ask the Deans" Assembly. President Quill E. Cope was also present on Friday evening as guest speaker.

A highlight of the meet was the presentation of five special goals for the ASB this year. They include initiating the student discount, service, strengthening school spirit, improving commun-

ications, increasing the jurisdiction of the Supreme Court, and promoting the image of the ASB.

Topics of campus-wide interest which were brought up in the various discussions were freshman week, school spirit, ASB budget, big name entertainment, welcoming of foreign students, communications on campus, and the possibilities of having a school-wide Booster Club to be sponsored by the ASB and also an FM radio station on campus.

Students attending the retreat included Barbara Freeman, Parker Sherrill, Ann Norman, Wayne Gensemer, Jeff Creek, Bill Baskin, Lou Baker, Jon Ballard, Ann Kennedy, Roger Brandon, Elinor Brandon, Dan Vroom, Bette Saunders, Judi Schrichte, Bob Hardison, Pat Duncan, Linda Richard-

son, Mel Black, Larry Blick, Frank Fly, Barbara Moore, Wilson Bommar, Larry Gregory, Paul Womack, Jim Gaines, Betty Jane Spry, Steve Jackson, Cathy Walker, Bert Wakeley, Pat Kyle, Anita Carr, Dick Call, Jay Fog, Theresa Frye, Harold Smith, Pat Hamby, Susan Shanfield, Beth Hudson, Jim Sutton, Allan Walton, Bill Rutherford, John Perkins, and Armin Windmueller.

**PLACEMENT REGISTRATION**  
Seniors and graduate students should register with the Placement Office as soon as possible in order to participate in the campus interviews scheduled to begin in October. Registration forms are available in Room 210, Administration Building.

EYES UPWARD—ASB officers view the upcoming year with upturned looks.

## Wakeley Heads ASB Officers

After heading a successful Freshman Week, the officers of the Associated Student Body are embarking upon carrying out their plans for the year starting with the big entertainment show Wednesday night. Led by President Bert Wakeley and Vice President Elinor Brandon and Harold Smith, other officers include: Frank Fly, Assistant to the President; Bill Baskin, Secretary of Student Affairs; Steve Jackson, Attorney General; Parker Sherrill, Secretary of School Spirit; Bill Rutherford, Secretary of Foreign and Transfer Students; Susan Shanfield, Assistant Secretary of Foreign and Transfer Students; Barbara Moore, Secretary of Communications; Barbara Freeman, Historian; Betty Jane Spry, Hostess; Luis Morales, Secretary of Treasury; and Roger Brandon, Chief Justice of Supreme Court. These officers represent leaders in our student body, and it is the hope of these leaders that they might serve the students of MTSU for the 1965-66 school year. Meet your ASB Officers now.

## Sidelines Notice

All students interested in working on the SIDELINES staff are invited to attend a meeting Tuesday afternoon, September 21, at 4:15 p.m. in the Sidelines office located in the basement of the new administration building.

## Rah! For The Cheerleaders

CHEERLEADERS for 1965-66 at Middle Tennessee State University include: First row, from left to right, Lela Baxter, Murfreesboro; Rita Pulliam, Hermitage; Judi Schrichte, Hermitage,

and Priscilla Palmer, Signal Mountain. Second row, from left to right, Bette Saunders, Shelbyville; Sharon Long, Chattanooga, and Captain Pat Kyle, Nashville.—By Jim Norton

## Another Opening - Another Year

by Bill Lewis

Welcome to Middle Tennessee State UNIVERSITY, conveniently located adjacent to Tennessee's SMALLEST large town, and handsomely housed in flat-sided, red - clay-brick buildings that blend beautifully into the flat, red - clay countryside of the region.

At the risk of deeply disappointing our dear fans of yesterday, however, and in direct contrast to the paragraph above, this column must report that we've found nothing worth getting ourselves really "fightin' mad" about, YET. We're not sure whether MTSU has improved, or we've mellowed, or both. We're also far from certain that this new-found truce will have a life much longer than that of the average U.N. ceasefire.

Thus, while the sun shines warmly on the heads of the Administration, let us say that the new buildings are quite nice — quite liveable — albeit rather antiseptic and impersonal. The miles (it seems) of freshly-laid asphalt are certainly a welcome sight to those of us who had feared that "ye olde swimmin' - hole" might become the traditional means of transportation here.

## ASB Presents Big Name Entertainment

The Associated Student Body is proud to announce its first big name entertainment show will be held tomorrow night at 7:30 p.m. in the Memorial Gymnasium. The "Music A Go-Go" Show lineup includes the Gentry's, Gene Simmons, Bobby Wood, and the Coachmen. Tickets are on sale in the basement of the Student Union Building and may also be obtained from any ASB dorm representative.

The ASB hopes to present several excellent shows in the coming year and in order for this to be possible, it is imperative that the attendance is good for this first show. In order to facilitate maximum attendance, the price has been lowered to \$1.75 advance and \$2.25 at the door.

And SIDEWALKS!! Thoughtfulness Unlimited!

Now. To the Freshmen: Do make a point, please, of becoming acquainted with the intelligent and charming members of the MTSU faculty and administration. Yes, they do exist, and one misses much if one does not get to know them.

To the Coeds: The rules and regulations set forth in "Coed Codes" are not the work, exclusively, of the office of the Dean of Women. Dean Hampton has simply entered the recommendations made to her by the Women's Dormitory Council, a group of students. Therefore, address your complaints to that group.

## Fulbright-Hays Awards Now Available

The Institute of International Education reports that the competition for U.S. Government grants for graduate study of research abroad in 1966-67, or for study and professional training in the creative and performing arts under the Fulbright-Hays Act will close shortly.

Application forms and information for students currently enrolled in Middle Tennessee State University may be obtained from the campus Fulbright Program Advisor, Mr. Clayton James, in the Social Science Department.

IIE conducts competitions for the U.S. Government scholarships offered under the Fulbright-Hays Act as part of the educational and cultural exchange program of the Department of State. This program which is intended to increase mutual understanding between the people of the United States and other countries, provides more than 900 grants for study in 54 countries.

Applicants must be U.S. citizens, who will hold a bachelor's degree or its equivalent by the beginning date of the grant, and who have language proficiency sufficient to carry out the proposed projects. Exceptions are made in the case of creative and performing artists who need not have a bachelor's degree but must have four years of professional study or equivalent experience. Social workers, on the other hand, must have at least two years of professional experience after the Master of Social Work degree, and applicants in the field of medicine must have an M.D. at the time of application.

## The Students View

By Paul Womack

This is to be a new column and for the next few weeks an experimental column. It was formulated due to a strongly felt need that the students needed a forum where their thoughts on the international and national problems of the day could be aired and discussed. The success of this venture, therefore, depends upon the reception of the interested students in such a column. If anyone would care to express an opinion on the major issues of the time, just send your thoughts to Box 2544 or leave such notes in the SIDELINES office. We shall attempt to air all opinions and we are willing to do so. The rest depends on the people's willingness to speak out.

## Concert Series Urges Student Membership

A rare opportunity to hear four internationally famous artists will be accorded students at Middle Tennessee State University this year, according to Dr. Kenneth Pace of the music department.

The Murfreesboro Community Concert Association will extend to MTSU students the privilege

## Creative Writers Invited To Join "les enfants"

Interested in creative work in the arts and humanities?

Then perhaps you should involve yourself with LES ENFANTS. . . no, it's not the French club.

"The infants" chose their name in reference to their age in the field of the creative arts "...to provide encouragement of, and appropriate vehicles for, the pro-

motion of creativity..." among the associates of Middle Tennessee State University. The youngest such organization on campus, LES ENFANTS began their work last year with the publication of two bi-monthly literary sheets. Administration and faculty support, two or more issues of L'ENFANT and a well-received anthology, THE CHILD, followed. In all cases LES ENFANTS utilized the best efforts and works made available, and in several instances graphic and written materials from L'ENFANT and THE CHILD have been given national distribution and recognition.

Again this year LES ENFANTS are scheduled to publish the bi-monthly sheets and the anthology. Meetings with, and lectures by, leading local authorities in these fields are anticipated. Meetings will be planned with emphasis on criticism of individual work and analysis of the philosophy of the creative arts. Membership is open to all affiliates of Middle Tennessee State University interested in the writing of prose fiction, poetry, essays and criticism OR in the graphic arts OR in the organization of any of the above.

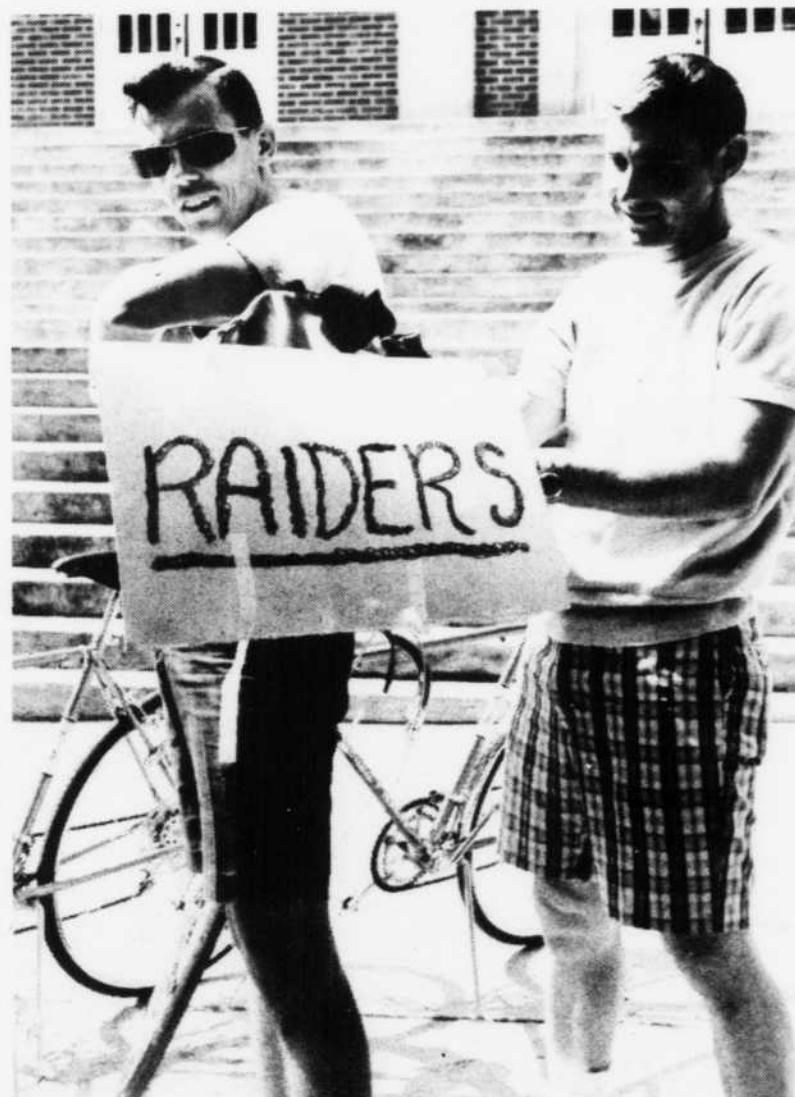

LES ENFANTS will meet Wednesdays at seven p.m. in dining room "A" of the Student Union Building. For further information contact Box 981. . . no, it's NOT the French club.

## NEW HOT CHECK POLICY

A new policy concerning returned checks was initiated with the beginning of the fall semester, according to J. W. Jackson, business manager.

Students will be allowed one returned check each year without penalty. There will be a service charge of \$3.00 per check on each check returned by the bank after the first.

All returned checks must be cleared within five days of notification. If a check is not cleared at the business office within five days of notification, the student will be recommended for suspension from classes.

YOU WANT TO SEE A FOOTBALL GAME the hard way to pedal 144 miles in 13 hours and 12 minutes, with two 12-minute breaks. Jerry Poulin, Westport, Conn., and Al Dodson, Newport Heights, Penn., led the freshman parade down town Friday afternoon and then took off on the twin ten-gear bicycles for Florence Saturday daylight. They rode home in triumph with the victorious Raiders.

SHOWN ABOVE are sixty-five new faces who have joined the MTSU faculty this fall as they met recently for orientation lectures by administrative staff members. On the first and second rows there are some more familiar (but not old!) faces of the MTSU administrative staff.

## 3 MTSU Cadets Receive ROTC Scholarships

Three Middle Tennessee State University cadets have been selected to receive the first two-year Reserve Officer Training Corps scholarships ever to be given by the Army. They are CADET PAUL W. LANDERS of Murfreesboro; CADET ROBERT S. HARDISON, JR., Columbia; and CADET ROBERT L. HUSKEY, Tulsa.

The awards are being made to outstanding ROTC students who enter their junior year of university work this fall, according to Lt. Col. James Chrietberg, PMS at MTSU. Each scholarship will pay his tuition, textbooks and fees and will provide recipient with an allowance of \$50 a month for the duration of his award.

The young men were nominated for the scholarships by the Professor of Military Science and university officials on the basis of academic and extracurricular record, performance during his first two years of ROTC, the scores he received on the ROTC

qualification test, his physical qualifications and interviews by Army officers and faculty members to determine that he is highly motivated toward a career as an Army officer.

The Army ROTC program provides approximately 85 per cent of the new officers entering the Army each year. This is approximately twenty times the number of officers commissioned at West Point annually.

This year about 11,800 ROTC graduates from 247 colleges and universities are being commissioned as second lieutenants in the Regular Army or the Army Reserve.

The scholarships were authorized by the ROTC Vitalization Act, which President Lyndon B. Johnson signed last October 13. It authorizes additional Army scholarships to be awarded each year until a maximum of 5,500 are in effect by the 1970-71 school year.

## Your ASB Presents . .

By Elinor Brandon

This year your Associated Student Body is going to bring some of the finest films available to MTSU. Our films are booked through several movie corporations to provide varied entertainment. Work has already been done toward securing the presentation dates, and correspondence with Twyman Films, Inc. has gotten our first three pictures. Just as the student is considered with each movie chosen — so is the price. Each person will be charged a mere twenty-five cents to see two hours of good entertainment.

Our next two show dates are September 24 and October 1. DEVIL AT 4 O'CLOCK starring Spencer Tracy and Frank Sinatra will premiere on our campus at 7:30, September 24. The devil volcano is the villain in this ad-

## Track & Sabre Opens Membership

The MTSU Track and Sabre Club is having its annual membership drive. Membership in the largest social club on campus is open to all male students enrolled in the ROTC program. Membership dues are five dollars which pays for the cost of the club's social activities.

The Club is a social-military organization which sponsors an annual Red Cross blood drive, hosts the Halloween Dance and the Military Ball, elects the sponsors of the Cadet Brigade, elects

the Military Ball Queen, and enters a float in the homecoming parade. Membership entitles the cadet to attend all functions of the club free of charge.

The Military Ball is the largest social event of the year at MTSU, and for the past two years the T&S Club has entered the winning float in the homecoming parade.

There is no rank in the T&S Club; all members have a voice in the planning of the activities of the club.

## Korean Dancers First Artists To Appear Here

Since the Associated Student Body is now bringing to Murfreesboro some "big name" entertainers in the field of television and theater, the Public Programs Committee at MTSU will this year concentrate on programs of a highly informative type.

On November 3 the president of the Republic of Korea will bring a group of 35 native musicians and dancers to the campus, immediately following their appearance on the Ed Sullivan Show and at Carnegie Hall. These KOREAN DANCERS will be at Middle Tennessee as one of their few appearances in the United States.

On the evening of February 15 HELEN SLENEYZNOKE, noted pianist will appear in concert.

During the spring semester SUPREME COURT JUSTICE WILLIAM O. DOUGLAS will be the first of five nationally known speakers on the general theme of "Civic Responsibility."

Also, BILL WADE will be the first speaker on Spiritual and Moral Values week in March.

## Teachers Conference To Host 2,500 Oct. 1

The effect of automation in our changing society, the success of instruction of the "initial teaching alphabet" and aviation appreciation in education will be among the current topics to be studied by the 2,500 teachers expected at the twenty - second annual conference of teachers and administrators at Middle Tennessee State University Friday, October 1.

Roy Simpson, chairman of the educational conference committee for the past 22 years, has announced six nationally prominent speakers scheduled to address the meetings which will be held in four different auditoriums on the campus. Grades one through three will meet in the campus school audi-

torium; grades four, five and six in the University Union Tennessee Room; junior and senior high school groups in the Memorial gymnasium and the Speech and Drama Building auditorium.

Dr. Virginia Mary Macagnoni, University of Alabama; Dr. John U. Sorenson, Ellington Air Force Base; Dr. Charles E. Scholes, ITA Publications, New York; Dr. Virgil M. Rogers, NEA office, Washington, D.C.; Dr. Sam H. Johnson, Memphis State University and Dr. Robert S. Fleming, assistant commissioner of education for New Jersey will be the principal speakers. They will be assisted by several consultants from the MTSU faculty and from the schools of the Mid-State area.

The girls' Raiderette rifle team will meet at the rifle range at 7:30 on September 27 with all girls interested in joining this year's team invited to attend. The Raiderettes will have 70 postal (home) matches this year and 5 or 6 trips away. The girls will shoot on Mondays and Thursdays each week.

## The Name Of The Game

The only change in the 1965 Blue Raider football team is that it is a little better than all of the past Blue Raider football teams.

To lead this year's offense the Raiders will explode with Bob Hlodan and Billy Warren as halfbacks. "The Bull," Larry Mathews will hold down the fullback position. Then, of course, "Thunderbolt" Teddy Morris will again be the field general who leads the Raider attack.

The line anchored by Bubba Randolph, Keith Atchley, Tom Fiveash, and Bobby Langford will be among the nation's best against the rushing game.

As of now, the only weakness that one can find is the defensive backfield, but this can change with the experience gained in a few games. With experience, the defensive backfield could become one of the best in the O.V.C.

Signs point to the 1965 Blue Raider team as being our best ever. It would be rewarding for the M.T.S.U. students to support this year's team as it has never been supported before. This can be accomplished by larger student turnout at all games.

## OVC

As for the rest of the OVC, the strongest challenge should come from East Tennessee, and their strong running game.

Austin Peay will again be tough if they can find a replacement for all-OVC quarterback Carlton Flatt.

Western Kentucky is big and strong; however, their problem is finding a quarterback.

Depth and speed will be Morehead's strong points.

With the loss of only nine lettermen, Murray may climb in the standings.

Not much, but some improvement over last year's 1-9 record is expected at Tennessee Tech.

Again the lack of a running game will hurt Eastern Kentucky.

This year as in most years the biggest test facing the Raiders will be Chattanooga.

## NATIONS TOP TEN

Alabama and Nebraska should battle for the top spot in the Nation.

I see the top ten as follows:

1. Alabama
2. Nebraska
3. Texas
4. Michigan
5. L.S.U.
6. Syracuse
7. Notre Dame
8. Penn. State
9. Purdue
10. Florida

## Summer Highlights

MTSU shotputter Brian Oldfield placed second in the shot put finals of the N.C.A.A. College Division track and field championships.

Oldfield had a toss of 56-3 1/2 second only to the 57-4 toss of Lee Johnson of Redlands University will be NCAA representative in sporting events next year. Dr. E. K. Patty has been named to the NCAA Golf Committee, and Bob Brooks was named to the NCAA Mid-east College Division Football Championship Games.

Tennis Coach G. R. Buck Bouldin was named OVC Tennis Coach of the Year.

FOOTBALL COACHES—Heading the Blue Raider coaching staff this year are, left to right, Don Lear, Terry Sweeney, Head Coach Charles Murphy, and Joe Black Hayes.

ASSISTANT FRESHMAN COACHES are Gary Whaley, Jim Harvey, Jack Armstrong, and L. E. Clayborne.

# Blue Raiders Trample Florence State 44-14

Defending OVC-Mideast NCAA champion MTSU defeated Florence State 44-14 Saturday night in a game featured by the Raider passing attack.

Three quarter backs, Teddy Morris, (who continued to break records each time he threw the ball); Billy Walker, (the Shelbyville sophomore) and Mickey Bowers, (the Knoxville freshman), fired five aerial bombs and collected a total of 336 yards as the Raiders dominated play.

University of Tennessee, Martin Branch, will be on Jones Field at 7:30 Saturday night. Last year the UTMB tied the Raiders 0-0.

Herbert Owenby was the most successful target for the passers. He scored on a 56 yard pass from Morris for the first touchdown and a 48 yard pass from Walker for the fourth. He also caught a 40 yard pass for a total yardage of 144 yards gained.

Jerry Smith, alternate captain was the most successful pass receiver — spearing five for 74 yards including a 20 yard heave from Walker for the third touchdown.

Bowers threw twice — each time a completion — one going to Char-

les Daniel for 14 yards for the last score.

Hlodan scored on a seven yard run and caught a 28 yard Morris pass. He picked up 84 yards rushing to lead the Raider ground attack with a six yard average. Walker ran the ball 11 times for a five yard average.

MTSU exhibited decided weakness on conversion attempts. Bush made two of five tries while two passing efforts for the two point conversion failed.

Florence scored twice early in the second half on an 82 yard punt return by Ernest Breland and a one yard sneak by quarterback John Bailey after the Raiders had

been penalized to the one yard line.

The Raiders had 20 first downs to Florence seven; 473 yards net to 147 and completed 15 of 26 passes for 336 yards. An excellent 42.3 punt average was made while only one ball was lost on a fumble. However the Raiders were penalized 85 yards, two early penalties stopping good drives and had two passes intercepted.

## NCAA Won By MTSU Linksmen

Last May MTSU golf team ended their season on somewhat of a sour note by finishing third in the O.V.C. Golf Tourney.

But the Raiders more than redeemed themselves by winning the NCAA College Division Golf Championship by a smashing 45 strokes over defending champs, Southern Illinois.

The Raider foursome, led by medalist Larry Gilbert, had a total score for the four round of 1,157.

Larry Gilbert was a six under par 281 to win the individual NCAA College Division Championship. The Raider senior fired rounds of 66-68-73-73 for his 281.

Another Raider, Bob Wolfe, finished in a tie for second place with a four round total of 284.

On the first day of the tourney the Raiders jumped to a six-stroke lead. By the end of the second round the lead was 17 strokes.

## Former Students Serve Peace Corps

Two former MTSU students, Robert Steven Bebb and David Franklin Karraker, Jr. have recently been named Peace Corp volunteers. Mr. Bebb is a 1964 graduate of Middle Tennessee where he was president of the Booster Club, a justice in the ASB Supreme Court, a member of the MIDLANDER and SIDELINES staffs, and Secretary of Freshman Affairs his senior year. He received the Bachelor of Science degree with a major in history, one of two subjects he will now teach in a secondary school in West Cameroon, Africa. He is the son of Mr. and Mrs. Russell H. Bebb, Sr. of Sweetwater, Tennessee.

Mr. Karraker is the grandson of Mrs. A. O. Cleveland of Lebanon, Tennessee. He was a history and social science major at MTSU and now plans to teach primary and secondary school levels in Liberia. At MTSU he was a member of the Glee Club, Varsity Chorus, and Presbyterian Youth Fellowship.

### LOST & FOUND

Mrs. Bass of the Student Union Building has found a brown pair of men's eyeglasses in the SUB which were lost sometime during registration last week. These may be picked up by the owner in Mrs. Bass's office.

## Two Attend Convention

Fay Gannon and Donna Gaither, members of Alpha Pi Chapter of Kappa Omicron Phi, national professional home economics fraternity, attended the national convention of the fraternity in St. Louis, Missouri on August 25-28.

As second vice president of the chapter of campus, Miss Gannon along with Miss Gaither, participated in convention meetings and model ceremonies. Miss Gannon served as a voting delegate for constitutional revision and the election of national officers.

Miss Gannon is the daughter of Mr. and Mrs. Homer Gannon, Sr. of Murfreesboro. Miss Gaither is the daughter of Mr. and Mrs. Winfred Gaither of Auburntown.

## Spend Holidays In Holy Land

An opportunity to spend Christmas in the Holy Land is being provided by the geography department at Middle Tennessee State University this year. Dr. Ed Baldwin, who for the past seven years has been conducting summer tours for geography students and others over Europe, Asia, Africa and South America will be in charge of the special Christmas tour.

The December 16 through January 3 tour has been set up to provide persons with limited time to make the tour with or without university credit at a price below the usual summer tourist cost.

The tour will include stops in Italy, Egypt, Lebanon, Syria, Jordan, Israel, Greece, and Spain. Rome, Cairo, Beirut, Damascus, Jerusalem, Tel Aviv, Athens and

Madrid will be among the cities visited. Classical ruins at the Roman Forum, Sphinx, Pyramids, Baalbeck, Jersah, Petra and the Acropolis will be studied as will the Lebanon mountains and the Jordan valley.

From Friday, December 24 through Wednesday, December 29 the party will be in the Holy Land. On Christmas Eve and Christmas Day there will be a tour of Old Jerusalem, the Church of the Nativity where Jesus was born, the Mount of Olives, the Garden of Gethsemane, the site of King Solomon's Temple, Mount Calvary and the tomb of Christ.

A special New Years Eve party has been planned for a Greek tavern following an all day tour of the Peloponnesos and the Acropolis.

Capable of speeds better than 2,000 mph, the YF-12A is the hottest aircraft around. Now Maj. Walter F. Daniel, test pilot for the YF-12A, answers your questions about the world's fastest manned airplane and America's Aerospace Team.

(Maj. Daniel, a test pilot since 1954, is a member of the Society of Experimental Test Pilots. He received a B.S. degree in Aeronautical Engineering from the University of Oklahoma. In February 1962, he set world class time-to-climb records in a T-38 jet trainer.)

**Is the YF-12A the world's fastest manned aircraft?**  
It certainly is. On May 1 of this year the YF-12A (formerly known as the A-11) reclaimed the world absolute speed record from the USSR. It was clocked at 2,062 mph over Edwards Air Force Base.

**How big is the YF-12A?**  
The exact dimensions of the YF-12A have not been released yet. But it's approximately 100 feet long, with about a 50-foot wingspan. That's half again as big as our present interceptors!

**Is the Air Force training many men as pilots these days?**

Yes, very definitely. In spite of all you hear about unmanned vehicles, the human pilot is still very much in the picture. As a matter of fact, the Air Force pilot quota is on the increase.

**What other kinds of jobs does the Air Force offer?**  
Since it's one of the world's foremost technological organizations, the Air Force has plenty of openings for scientists and engineers. There are also many challenging and varied administrative-managerial positions.

**What do I have to do to become an Air Force officer?**

Air Force ROTC is the best way to get started as an

Air Force officer. The new two-year Air Force ROTC program makes this method available to men who have already completed a year or two of their college education. For college graduates, if you did not take advantage of ROTC, you can still get started through Air Force Officer Training School (OTS), a three-month course open to both men and women.

**Can I keep up my studies while I'm in the Air Force?**

The Air Force encourages its men and women to continue their educations. For instance, you may qualify to study for a graduate degree during off-duty hours, with the Air Force paying a substantial part of the tuition.

**What kind of future do I have in the Air Force?**

A bright one. As we move further into the Aerospace Age, the Air Force is going to grow even more important. And you can grow with it!

### NCAA Won ---

Continued from Page 7)

By the end of 54 holes the advantage was an overwhelming 29 strokes. But even this was not enough for the Raiders. By the end of the fourth and last round the Raiders had built a record breaking 45-stroke bulge.

The NCAA Crown high lighted another outstanding season for golf Coach E. K. Patty. His linksmen have won 53 consecutive dual matches in the past six years.
