MTSU To Be Honored

Accidents Claim Lives Of Three MTSU Students

Unusual accidents have claimed the lives of three outstanding MTSU students during the past few weeks. They were Keith Duckert, William F. Driver and Kenneth Spann.

As reported in the SIDELINES last week Keith Duckert lost his life when the glider in which he was the instructor crashed near Lewisburg. The accident occurred just after the glider was airborne when a power failure occurred on the tow plane. Mr. Duckert was the son of Mr. and Mrs. Paul Duckert and was president of the campus Wesley Foundation. His father is a physics teacher at MTSU.

Last Thursday afternoon William F. Driver, a 20-year-old junior class member was kicked on the head while grooming a horse he was "boarding" at the Paschal Stables here. Mr. Driver died in a Nashville hospital Sunday. His father, William F. Driver was an alumnus of MTSU and pilot for Gen. Douglas MacArthur in

World War II. In addition to his father and mother he is survived by a sister, Martha Kathryn and a brother, Jimmy Driver of Winchester. His maternal grandmother, Mrs. Frank Parker, also survives. The funeral was at Winchester Monday afternoon at three o'clock with burial in the Lynchburg cemetery.

Kenneth Melvin Spann, 21, was asphyxiated when fire swept his home in Lawrenceburg Sunday morning. A graduate of Lawrence county high school he was a member of the MTSU baseball team. He had attended Martin College before coming to MTSU. He is survived by his parents, Mr. and Mrs. John M. Spann, a sister, Glenda and a brother, John C. Spann. His maternal grandmother Mrs. Della Rochelle also survives. He was a member of the Lawrenceburg Church of Christ where funeral services were conducted Monday afternoon.

ROTC Dept. Swears In 52 Cadets On September 29

On 29 September 1966, Lieutenant Colonel James Chrietberg, Jr., Professor of Military Science at MTSU, administered the oath of enlistment to 53 ROTC cadets entering their junior year of the advanced program. During the ceremony, Lt. Col. Chrietberg explained the obligations and responsibilities that go along with entering the program and receiving a commission in the United States Army. Colonel Chrietberg also explained the advantages which the cadets would receive, especially the monthly pay during their junior and senior years.

The 53 cadets sworn in are only a part of the new junior ROTC class of 75. The remaining cadets will be administered the oath as soon as administrative processing is completed. This new class is a record high in enrollment in the Advanced Program at MTSU.

These selected students are the end result of a freshman class of 700 men. They represent the best that this institution has to offer and have successfully passed rigid standards required for entrance into the advanced ROTC program.

Upon graduation these cadets will be commissioned and serve two years active duty in one of the 21 branches of the United States Army. As members of this program, their chances for advancement are unlimited and the training received, both militarily and academically, will better qualify them to assume an active role, whether it be in the Army or in civilian life.

Those inducted were: Lynn Parker, Silver Lake, Ind.; Larry Williams, Norene; Jimmy Breeden, Charlotte; James LaFavor, Murfreesboro; David Glover, Obion; Layton Dunbar, Murfreesboro; Gary Dyer, Manchester; Gene Haver, Lenoir City.

Jerry Howse, Chattanooga; William Dodds, Spring City; Walter Webber, Nashville; Jeffrey Wingo, Springfield; Rawlin Parker, Chattanooga; Jerald Baldwin, Chattanooga; Herbert Logan, Nashville; William Landers, Murfreesboro; Ronald Bancroft, Murfreesboro; Clarence Lamb, Shelbyville; Joe Nunley, Murfreesboro; James Lewis, Murfreesboro; Kenneth Bilbrey, Murfreesboro.

James Craven, Jasper; Max Head, Lewisburg; Billy Gannon, Nashville; Jim Allen, Murfreesboro; Iroquois E. Jernigan, Murfreesboro; William Tomlinson, Murfreesboro; Jerry Gilliland, Chattanooga; John Lowe, Nashville; George Marston, Lawrenceburg; Michael Knight, Miami, Florida; Joe Davis, Nashville; Charles Perry, Nashville; William Lappin, Nashville; Donald Lee, Nashville; James Beavers, Christiana.

Fred Brumback, Madison; Richard Dickins, Nashville; Mike Wilson, Huntsville, Ala.; Stanley Rawlins, Murfreesboro; Charles Zumbro, Murfreesboro; Charles Cotter, Springfield; Newton Molloy, Murfreesboro; Stan Hardison, Columbia; Howard Yates, Signal Mountain; Mike Gresham, Murfreesboro; John Barker, Clinton; Lawrence Anderson, Mt. Juliet.

Committee Establishes Guidelines For Fraternities

Last week the SIDELINES published the first portion of the report of the Committee on Fraternities. It was agreed upon by the committee and President Cope that it would be necessary to establish rules and regulations governing the fraternities and sororities in order to assure that they provide advantageous experiences for their members and to assure that those who do not wish to affiliate with them will not be the victims of detrimental experiences. Guidelines were suggested by the committee to assure the foregoing conditions. The criteria are to be employed for a three-year period at which time the fraternity-sorority system will be reviewed extensively.

The criteria set forth by the committee are as follows:

A. Housing or Meeting Accommodations

(1) Sorority Housing — Women students shall be housed according to present University housing regulations.

(2) Fraternity Housing — Male students shall be housed according to present University housing regulations.

(3) Meeting Accommodations — The University shall attempt to provide meeting places on campus for fraternities and sororities; however, if such meeting places are not available, these groups should be allowed to schedule meetings off campus in University-approved meeting places under University-approved supervision. The University should be sympathetic with the idea of fraternities and sororities providing their own permanent meeting places in the future. One possibility is a Panhellenic Building.

B. Sponsors and Advisors

Each fraternity and sorority shall have at least one University-connected advisor. All fraternity and sorority sponsors and advisors must be University approved.

C. Rushing and Pledging of New Members

(1) Qualifications of Rushes — To be eligible for rush, a freshman must have completed one semester (minimum of 15 hours) in residence, exclusive of summer session, and have attained a 2.3 accumulative quality-point ratio for total hours attempted at Middle Tennessee State University.

Students having completed in excess of thirty semester hours or equivalent would be eligible for rush if they attained a 2.0 accumulative quality-point ratio for the work attempted.

(2) Rush and Pledge Restrictions — No one shall be eligible for rush until he has completed one full semester at Middle Tennessee State University. Freshmen rush shall be deferred until

the first four weeks of the spring semester.

(3) Length of Pledgeship — Pledge training of freshmen shall terminate no later than May 1.

Pledge training of upper classmen shall terminate no later than December 1 for fall semester and May 1 for spring semester.

D. Control of Hazing

No student in attendance at the University or other person or persons shall conspire to or engage in hazing or committing an act that injures, frightens, degrades, disgraces, or potentially tends to do so to a person attending the University. Students involved in such action shall be subject to dismissal from the University.

All organized student groups must submit detailed plans for initiation practices to the Dean of Students well in advance of initiation period.

E. Racial or Religious Discrimination

No student organization which has any restrictive clauses with regard to race, color, or creed will be granted University recognition.

F. Financial Responsibility and Limitations on Cost

All University-approved student organizations must be prepared to submit a financial statement upon request of the office of the Dean of Students.

The University reserves the right to place on probation or withdraw its approval from organizations which operate outside the bounds of sound financial procedure or show other evidence of financial irresponsibility.

The University assumes no responsibility for indebtedness incurred by student organizations.

Every University-approved student organization must submit a statement of fees, dues, and assessments to the Dean of Students upon request.

G. Scholastic Qualifications for Pledgeship and Membership

To be eligible for rush, a freshman must have completed one semester (minimum of 15 hours) in residence, exclusive of summer session, and have attained a 2.3 accumulative quality-point ratio for total hours attempted at Middle Tennessee State University.

Students having completed in excess of thirty semester hours or equivalent would be eligible for rush if they have attained a 2.0 accumulative quality-point ratio for the work attempted.

Eligibility for initiation into fraternities and sororities shall be the same as the eligibility for pledgeship to fraternities and sororities.

(Continued on page 4)

\$50,000 Check Presented To Foundation

Presentation of a check for \$50,000 to the Loan Scholarship and Development Foundation of MTSU will be made at 12:30 Wednesday on Jones Field as a high light of "Appreciation Day". All students and faculty members are invited to eat free barbecue from 11 until 1:30 o'clock as a gesture of thanks, and good will from the people of Murfreesboro and Rutherford County.

Governor Frank Clement and Buford Ellington, Democratic nominee for Governor will be among the 445 invited guests who will participate in the dedications extended the University. Congressmen, state legislators, publishers, editors, city and county officials, educational, business and professional leaders from this area will be present.

The MTSU, the Central high school and the Fort Campbell bands will be present from 11 until 2 o'clock to provide music for the Appreciation Day.

Ross Spielman and Tommy Martin are co-chairmen of the successful \$50,000 drive.

This money will be used for scholarships and loans for deserving students from Rutherford County, according to John D. Hood, director of development at the university. The check will be presented to Dr. Quill Cope during brief ceremonies climaxing MTSU Appreciation Day Wednesday.

With plans now about complete for Appreciation Day, Robert S. Hoskins, President of Murfreesboro - Rutherford County C. of C., stated that all offices in the City Hall and County Court House will be closed between the hours of 11:30 a.m. and 1:30 p.m. on Wednesday in honor of MTSU and in order that the employees may attend the barbecue at Jones Field. Both County Judge James V. Threet and Mayor Hollis Westbrook urged the merchants and business establishments in the city and county to support MTSU Appreciation Day by attending the barbecue.

SNEA Plans Picnic

The SNEA is sponsoring a picnic for its members and those who would be interested in joining the SNEA, October 10.

The Round Up will be held at the picnic area on October 10 from 6 to 9 p.m. A well-known folk group from Nashville, known as the "Owl's Friends" will be present.

The World Is A Stage

Frequently, as editor of this newspaper, I will find among the piles of useless mail on my desk something which is really worthwhile. Such an incident occurred recently when I was asked to fill out a questionnaire regarding the role of the campus newspaper and the functions of its editor. All the questions were quite pertinent, but a few of them were particularly thought-provoking.

One of the questions which struck me particularly close to home concerned the subject matter of editorials. The inquirer wanted to know in what situations a student newspaper should commit itself to political endorsements and involvement in campaigns. This is one of the most touchy issues which a student editor must face.

Often, I am asked why I write on subjects which have no particular concern with the average MTSU student. Such subjects as the programs of our national government and certain observations on society in general are among those topics which are questioned. In this regard, I disagree with what I understand to be the traditional approach on this campus. Many seem to feel that since we are a public institution, our publications must be careful not to offend our supporters or others connected with the operation of this university. In addition, they feel that as a student newspaper, we should limit ourselves to matters concerning the campus itself and the students thereof. This is where I see a fallacy in reasoning. I feel that our students have a multiplicity of roles in our society and are not and cannot be considered exclusively as registrants and inhabitants of this university. We do not live in an artificial environment apart from the outside world. Therefore, since there are more matters of urgent importance taking place in the "world" than on our campus, it is not surprising that I should at times choose rather to address myself to matters of more lasting importance to this generation than to passing headaches of our current campus situation.

It seems to me that there is a very delicate balance which must be maintained between these two extremes. We cannot exclusively devote ourselves to either campus matters or to world affairs, but must choose to deal with only the most important issues from each category. The question of relative pertinence is not one which can be answered by any one rule or set of rules. It is directly dependent upon the individual charged with making the decision. The personality and philosophy of the person who sits in the editor's chair goes a long way toward determining what subjects are most suitable for discussion.

My personal editorial philosophy is not of such a nature that it can be codified and set down for all to see. Like the human mind and all things that continue to live and grow, my opinions are in a state of constant evolution. I have not always followed a predictable pattern in selecting subject matter because I have not intended to do so.

I will continue to believe that any subject which is of significance to society as a whole, to the nation, to the state, or to the community cannot fail to have a relevance for our students. Some students may find many editorial subjects which interest them and others may find none. This is unavoidable. I think I should select subjects in which our students ARE interested or SHOULD BE interested. Through human limitations, I do not always execute these goals satisfactorily. It has always been true that the most touchy issues are those of most lasting importance. Therefore, I will neither intentionally offend any person or group unjustly nor will I remain silent to avoid doing so.

I try to maintain a reasonable perspective. I find it impossible to become worked up over the fact that girls feel they are slighted by not having cigarette machines in the dorms and by the so-called "double standards" with which they are persecuted. How is one to be concerned with this when over half the world goes to bed hungry or has no bed to go to — when envy and hate keep us in war while the world says it wants peace — when American citizens are treated like beasts — and when rioting and lawlessness are spreading like cancer?

I cannot avoid dealing with problems of the here-and-now and I will not do so for fear of offending someone. I am no expert on these problems. My words are not written as authoritative answers, nor should they be considered as such. I can easily be wrong and often am. My aim is to arouse inquiry, to provoke thought, to stimulate discussion, and to elicit support for what I deem the proper course in specific situations. I strongly feel that politics on every level is of direct concern to the students. Therefore, the SIDELINES should be free to express opinions in this area and to endorse political candidates if it so desires. This should, however, be done editorially and should not spill over onto the news pages or into strictly factual articles. This has been and shall be my editorial policy and is my answer to this phase of the student editor's role. — T. P.

Letters To The Editor

FIRST NIGHT CLUB FOR MTSU STUDENTS

Sergeant B. L. King, proprietor of the James K. Polk Hotel Restaurant recently opened "The Blue Raider Room" in the Hotel Basement for MTSU students.

The club is open nightly. Cokes, coffee, and sandwiches are served at the counter. Three nights a week, one can dance to live music from 7 to 10:30 p.m.

Entertainment this week includes: Wednesday, The Mo Jo Band; Friday, Woody and the Woodsmen; Saturday, The Weejuns.

Sergeant King has met strong opposition from some members of the community. Students must support him if he is to win his fight for an "action place" for students. The school administration and the ASB wholeheartedly endorse Sgt. King's efforts, but it is up to the students to make or break "The Blue Raider Room."

DEPLORES APATHETIC SCHOOL SPIRIT

To the Editor:

September 29, — I have just returned from the pep rally (if by any stretch of the imagination one could call that gathering of non-participants a pep rally). I had hoped with the new blood of incoming freshmen that last year's deplorable lack of school spirit might be somehow miraculously improved. No such luck!

The attendance at the rally was fairly good, but never before in history have so many students made so little noise. I have heard more noise during a chemistry lecture. It was disgusting. To the FEW students who enthusiastically cheered, I humbly apologize for this letter. My hat is off to the cheerleaders, the members of the pep band, the Raider, and the flag waver (whoever he is) who tried hard to boost the rally.

I have noticed this same lack of participation in the last few years in public places during the singing of our national anthem. Have Americans become ashamed to display emotion in public? If so, then God help us.

I have observed at the football games that even in the student section one cannot always hear the cheers by the cheerleaders. I do not think this is the fault of the cheerleaders, but due to the fact that such a large open area has to be covered. I wonder if small transistorized megaphones would help?

The only good display of school spirit I observed at last year's games was at the Austin Peay game. Our team needs and deserves our wholehearted support whether they are winning or losing. Let's get behind our teams at pep rallies and sporting activities and show them that we appreciate their devoted efforts. Maybe then one would be proud to get up and say "Yes sir, that's my school — that's MTSU making all that noise."

Don Russell

There will be a very important Senior Class Meeting Tuesday, October 4, in Room 304 SUB at 11:00 a.m. Homecoming Float and Dance will be discussed.

Terry Morris,
President
"AS SENIORS WE LEAD"

Junior class officers will meet Thursday afternoon at 4:30 in room 201—SUB.

The Student's Voice

With approximately two weeks of school behind us, your ASB is preparing to activate all its facilities. Last week, the Senate met and approved the following people who are to serve on the President's Cabinet: (1) Secretary of Correspondence — Judy Bawcum, (2) Secretary of Communications — Jim Goad, (3) Secretary of Public Relations — Sandy Safley, (4) Secretary of the Treasury — Beverly Clark, (5) Secretary of Foreign and Transfer Students — Alice Marlin, (6) Secretary of Student Affairs — Mike Gallagher, (7) Secretary of School Spirit — Bobby Gardner, (8) Secretary of Freshmen Affairs — Mike Waggoner.

Other interestes on our campus that have been formed into committees are the social committee with Pat Graham as its chairman, the projects committee with Gary Bickford as chairman, and the Homecoming Committee with Larry Huddleston as chairman.

The remaining presidential appointees who will serve in the judicial branch of our government include the following: SUPREME COURT — Bobby Freeman, Chief Justice; DeWayne McCamish, Senior Justice; Tris Duncan, Junior Justice; Ann Farnsworth, Sophomore Justice.

The Attorney General will be Frank Fly and the Public Defender will be Tom Sparks.

I would like to commend the Senate for being concerned that the presidential appointees be well qualified. They have expressed their confidence in these people as evidenced by their approval.

The theme for Homecoming, which will be November 5 against Murray State has been officially established by the Senate as "Happiness Is —". It is hoped that this year's Homecoming festivities will be better than in past years. The senior class, under the leadership of its president Terry Morris, will do a fine job in preparation for Homecoming.

In an effort to better inform the student body of the activities of the ASB, I would like to give an approximate financial statement. With the changing of administrations last May, we inherited a deficit of approximately \$40. Since that time, we have sponsored several activities that have raised our financial position to a surplus of approximately \$2,000. Through the strong support of the students for seven ASB-sponsored fun nights, the enthusiastic participation of the freshmen in buying T-Caps, and the selling of ASB calendars, we have been able to maintain a stable financial condition. Our ASB Treasurer, Beverly Clark, has done a tremendous job in keeping the financial reports up to date. I believe we are extremely fortunate in having a student as well qualified as Beverly to be our treasurer.

The total expense of the ASB Pre-School Retreat that was held at Camp Hy-Lake on September 16-17 amounted to approximately \$1200. With the administration providing \$250 from the budget, the remainder of the expenses were paid by a registration fee from the 130 students who attended. Members of the faculty and the administration who served on a panel to answer questions from the students included Col. Chrietzburg; Sgt. Duncan, who showed the movie "Why Viet Nam?"; Mrs. Barbara Martin, representing the infirmary; Dr. Roscoe Strickland, representing the Faculty Senate; Mr. Lester Levi, representing the Faculty Social Committee; Mr. Charles Phillips, representing the bookstore; Mr. Willmouth, Director of Housing; Mr. G. O. Gist,

representing the business office; and Mr. Val Smith, manager of Slater Food Services.

Other faculty members and administration officials who visited with the students at Hy-Lake were Mr. Reza Ordoubadian, Dr. Ed Howard, Mr. Paul Cantrell, Mr. and Mrs. Mike Milholland, Mr. Sam McLean, Dr. James Huhta, Dean John Weems, and Mr. Everette Sams. Mrs. Phillips and Mrs. Cope were also at Hy-Lake with their husbands.

The first night at Hy-Lake was climaxed by Dr. Fran Riel as he conducted a folk and square dance session. The final evening at the camp was highlighted by a speech from Dr. Cope and a question and answer period between the students, Dr. Cope, Dean MacLean, Dean Burns, and Dean Hampton. We are greatly appreciative to the members of the faculty and administration for giving of their time to help make the retreat a success. We want to thank Mr. Val Smith, Larry Patterson, and his cooking staff for providing the fine meals.

Mr. and Mrs. Coverdale, the owners of Hy-Lake, aided the students in every way to help make our visit as pleasant as possible. We want to thank Dean MacLean, the advisor of our ASB, Dean Hampton, and Dean Burns for staying with us throughout the retreat.

I would like to congratulate Billy Walker and Larry Dotson on their selection by the coaches as the ASB Player of the Week in the Pensacola Navy and UTMB games respectively. Each week, a picture of the ASB Player of the Week will be posted on the ASB bulletin board. We are proud of our football team and its coaching staff for the fine job they are doing.

This year, our expenses of Freshmen Week amounted to approximately \$874. This included a hootenanny, a picnic, a mixer, and a Style and Talent Show. A final analysis of our financial statements concerning Freshmen Week reveals that we obtained a surplus of \$83. I believe Mike Waggoner, Secretary of Freshmen Affairs, and his committee did an excellent job.

The next projects sponsored by the ASB will be the selling of the Campus Pacs. The value of the pacs total more than \$1.50. They will be sold to the students for \$.50 at the ASB office and in the basement of the SUB.

Mike Gallagher, Secretary of Student Affairs, and his committee are working diligently to make final preparation for the Righteous Brothers Show on October 11 at Alumni Memorial Gymnasium. Tickets are \$2.50 for general admission and \$7.00 for reserved seats.

October 5 will be MTSU Appreciation Day. There will be a free barbecue lunch for all students of MTSU on Jones Field between 11:00 a.m. and 2:00 p.m.

On October 6 at 7:00 p.m. in the Tennessee Room of the SUB, there will be a meeting of all students who want to work in your ASB government. I hope we will continue to make our ASB progress through spirited and active participation.

BILL BONER
President, ASB

Student Union Parking Area will be closed to student parking for the Appreciation Day from six o'clock Wednesday through 2 o'clock Wednesday afternoon.

This temporary closing to those who park in this area will enable the 445 outstanding leaders in Tennessee to have a convenient parking area.

CIVIL SERVICE EXAMINATION ON CAMPUS: October 25

Service Representative Positions (GS-4) with Social Security Adm. Students will qualify for this exam with two years of college or one year of college and one year of appropriate work experience. Juniors and Seniors may also take the test. Interested students should notify the Placement Office immediately.

SUMMER EMPLOYMENT FOR 1967:

The U. S. Civil Service Commission has announced an examination for summer employment for office and science assistants. Weekly pay rates range from \$69 to \$92 for positions located throughout the U.S. The tests will be given on Nov. 26, Jan. 7 and Feb. 4. The FINAL DATE to file applications is JANUARY 9. Students may get additional information and application cards in the Placement Office.

Book Store, Post Office Aid Students

Two important services at Middle Tennessee State University for students are provided by the Bookstore and the college post office.

For many years the two were linked together and serviced by the same personnel. T. B. Woodmore, first as a student in 1927, and later as a full time employee operated the combined bookstore and post office on the ground floor of the Administration building.

At that time there were about 400 post office boxes and an inventory of approximately \$7,500 in books and equipment, including a donated saloon cash register and a "cracker box" safe that served both this office and the cafeteria. Mr. Woodmore also served as college bursar, succeeding J. S. Holmes, who had served in that post since 1912. Mr. Holmes continued as assistant bursar until his retirement on July 1, 1951.

With the surging enrollment after World War II a reorganization took place and the post office and the bookstore to a nearby room were moved across the corridor of the ground floor of the Administration Building and two young veterans returned to the college. James William Jackson became assistant bursar and Mr. Phillips bookstore manager.

After the completion of the Student Union Building the post office and bookstore were moved to the ground floor of that building. Continued expansion made it necessary, in the summer of

1961, for the post office to be moved to the lobby of the ground floor and hundreds of new boxes installed to supplement the increased number installed in the 1953.

The bookstore now occupies the entire north wing of the ground floor and some second floor storage space. The current inventory is about \$70,000. In addition to books and instructional supplies the store carries some college jewelry and novelties and a limited amount of toilet supplies.

Blue "Green Room" Becomes New Hue

Traditionally, the theatre has had a room off stage reserved for actors. This room is reserved for actors to relax and prepare themselves before their entrances and to receive visitors after the performance. This special room is known as the "Green Room," because actors ritualistically sipped green tea before their entrances. Today, coffee and cokes may be more in evidence, but because the theatre cherishes its traditions, the name "green room" has been retained throughout the centuries.

The green room at the MTSU Theatre was included in the architecture, but due to the oversight of someone, MTSU's theatre room was painted a clinical blue. This summer the Buchanan Players decided to remedy this by painting the green room green. Several personalizing touches were added including pictures of past productions, crests and symbols of our organizations and appropriate tragic and comedy masks. This is one of the most attractive rooms on campus. The drama department invites everyone to come and see it and also to attend Buchanan Players meetings held every Tuesday night at 6:30 in the Arena Theatre of the Dramatic Arts Building.

The players will open their fall season with "The Madwoman of Chailot" by Jean Giraudoux. Try-outs for this French classical comedy will start on the third of October on the University Theatre Stage at 6:30. Everyone is welcomed to try out. In February the Players, in cooperation with the Music Department, will produce "Die Fledermous" by Johann Strauss.

It is expected that this year will be more exciting than ever, due to the new students in the theatre department, an increase in interest of students throughout the University, and of course, the new GREEN ROOM, department officials stated.

Dean Issues Draft News

The following information from the office of John E. Weems, Dean of Admissions, is of interest to all students registered with the Selective Service System:

Manpower requirements for the Armed Forces is scheduled to increase at a substantial rate during the coming year. It will be necessary for each student hoping to secure a continuing deferment to furnish their Selective Service Board with as much information as possible.

Listed below are important items that should be of interest to you:

- (1) Be sure that you stay in touch with your local board so that you might have an accurate picture of your draft status.
- (2) It was necessary for you to have completed the two selective service cards in your registration packet. If these cards were completed, the school will notify your local board that you are currently enrolled. These cards are used in lieu of the Selective Service 109 Forms.
- (3) It is necessary for a student to be enrolled in enough hours to be making normal progress toward a degree. In the past this figure was 15 credit hours per semester. There is now some talk that this figure will be raised to 16 credit hours.
- (4) It is necessary to have earned the following number of credit hours to be considered as having made normal progress:
 - (a) Thirty (30) hours at the end of two semesters.
 - (b) Sixty (60) hours at the end of four semesters.
 - (c) Ninety (90) hours at the end of six semesters.
- (5) If a student feels that he will have difficulty earning the required 30 hours necessary for normal progress during the nine month period, he may state in writing to his draft board that he plans to carry a reduced load and attend school on a year round basis. If the student will make this statement early in the school year the draft board will probably allow attendance during the summer session to meet the requirement for normal progress. Any student that declares himself to be a year round student will be expected by his local board to attend school during the summer.
- (6) At the end of the school year in May you should request that your rank in class be sent to your local board. Failure to send your rank in class is sometimes interpreted by local boards as a lack of interest in continued deferment.
- (7) You should take the Selective Service Qualification Test and have the results submitted to your local board. These results should in no way lessen your chances for deferment, but can enhance them considerably.
- (8) At the present time students enrolled in Advanced ROTC are not being called by their local boards.

Thinclads Mystery At "Normal"

Although a 1914 issue of a Middle Tennessee State Normal publication showed twenty-eight Normalites dressed in uniforms bearing a resemblance to track suits, it is unknown if the school actually had track competition in the early days.

Joe Black Hayes organized the first track team during the spring of 1955. His teams have shown steady improvement since then, and each year have posted new marks in the school's record book.

Hayes' teams have finished second in the Ohio Valley Conference Meet for the past two years, and last season's squad won their first Tennessee Intercollegiate Athletic championship. Hayes 1961 team also placed second in the Chattanooga Jaycee Indoor Meet.

Committee - - -

(Continued from page 1)

H. Limitation of Number of Formal Social Functions

(1) On- or off-campus-group-sponsored social events shall be cleared with the Dean of Women a minimum of 10 calendar days prior to the date of the event.

(2) It is incumbent on organizations sponsoring on- or off-campus formal social functions to insure lack of conflict with ROTC Military Ball, Junior-Senior Prom, Spring Formal, and other prior scheduled campus-wide events.

The number of appropriate facilities both on and off campus will restrict the number of social events any organization may have during any given semester.

I. Standards of Social Conduct

It is recommended that the social standards presently prevailing on the Middle Tennessee State University campus be continued but that a committee consisting of the personnel deans, members of faculty, and student representatives be appointed to review and revise rules pertaining to students and student organizations.

J. Affiliation of Fraternities and Sororities

University - approved fraternities and sororities shall be local and unaffiliated. At the end of the three-year period, the fraternity-sorority system should be subject to total review.

OH WELL..

OPEN LETTER TO ALL FRESHMEN:

The officers of the Junior class would like to congratulate you on your enthusiasm you have shown at the "Big U". In the three years that we have been here, we have never seen more "T"-caps worn by a class. You, as well as the A.S.B. Freshmen Affairs Committee, are to be commended on your excellent display of your new loyalty to M.T.S.U.

Your class holds promise of being one of the best Freshman classes that has ever attended our campus. May you continue in surpassing past records on campus as well in the classroom.

Sincerely yours,
Officers of the Junior Class

President Sets Hectic Pace

Interested in campus politics? Planning to run for ASB president during your college career? Unless the hours you plan to devote to eating and sleeping can be counted on one hand, then you had better reconsider.

The life of the ASB President is probably the busiest of any student on the entire campus.

Just for a starter, let's look at the powers of the president as provided by the ASB constitution.

His executive powers include seeing that all laws are faithfully executed, presiding over the Inter-presidents Council, and calling and presiding over student assemblies. He is further empowered to appoint all officials, assistants, and committees necessary to discharge his duties, with the approval of the Senate.

His legislative powers are to present to the Student Congress, at the beginning of each regular semester, information as to the affairs of student government. He may also recommend legislative measures to the Student Congress as he deems expedient.

He holds the power of veto, but may be over-ruled by a two-thirds majority of the Student Congress.

The ASB President must take all approved legislation to the office of the University President for his signature before the bill becomes law.

Bill Boner, of Nashville, is the current ASB President. In a recent interview he was kind enough to list some of the things he did this past summer which came under the duties of his office.

Bill organized and co-ordinated student help for freshman pre-registration, made up packets, issued cards from the card bank, made I. D. cards, and sold T-caps.

He wrote a column, called The Student's Voice, for both issues of the school paper that were published this summer. He will continue to do this throughout the regular school year.

Bill was also chairman of the committee that arranged for the publishing of the freshman handbook.

He set up, co-ordinated, and organized the retreat at Camp Hy-Lake for the members of the Student Government. He also set up the ASB Picnic, a very enjoyable occasion.

During the course of the summer, he met with the Social, Homecoming, and School Spirit committees.

He was a member of a committee composed of students, faculty members, and administration personnel which studied the pros and cons of having fraternities and sororities at MTSU.

Bill was a member of the Faculty Disciplinary committee, although he had no vote. He was also a member of the committee that selected the male cheerleaders.

He worked with the Attorney General and Dean Weems about the possibility of voting by I.B.M. machines at the next student election.

A couple of times this summer, a number of pre-registering freshmen came in on the day before. Bill arranged a party for them on both occasions.

In addition to all of this, he still managed to meet with each branch of his Cabinet once during the summer.

This fall, Bill and a few other members of the Student Council will attend the Southern Universities Student Government Association convention in Florida.

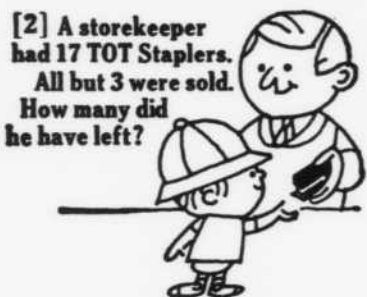

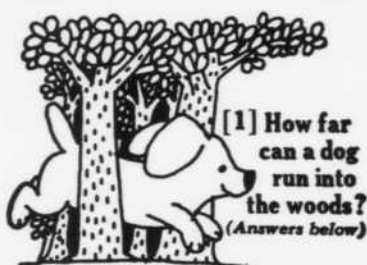

During the upcoming school year, Bill will get together with the Secretary of Student Affairs and obtain some big-name entertainment for MTSU. It is also his duty to meet with students and enlist help for special functions such as the MTSU APPRECIATION DAY coming up in the near future.

Bill Boner is another one of the outstanding leaders that have been elected by the students in recent years.

In addition to playing basketball and tennis on the Raider varsity teams, Bill was president of his freshman class, sophomore representative to the Supreme Court, has been on the Board of Directors of the Circle-K club, and assistant Intramural director.

When Bill was a sophomore, he won the Military History (ROTC) award. He is also the proud possessor of four scholarships and a 3.7 quality point average.

Swingline Puzzlements

This is the Swingline Tot Stapler

No bigger than a pack of gum—but packs the punch of a big deal! Refills available everywhere. Unconditionally guaranteed. Made in U.S.A. Get it at any stationery, variety, book store!

Swingline® INC.
Long Island City, N.Y. 11101

ANSWERS 1. Half-way. After that, he is running out of the woods! 2. Three. And, that's just about the story of the popularity of TOT Staplers. Students are buying them like crazy, because next to a notebook and a pencil, they're the hand-iest little school item you can own!

Debate Team Goes To KC For First Tourney

The MTSU Debate Squad will begin its most ambitious season in history when the squad travels to Kansas City, Missouri on October 14-15 to participate in a tournament conducted by Rockhurst College. Approximately 60 colleges, mostly from the Midwest, will compete.

MTSU representatives will be: Gary Bickford (Murfreesboro), Bob Freeman (Nashville), Frank Fly (Columbia), and Paul Womack (Chattanooga).

Tournaments this year will include: Mercer University (Macon, Ga.), University of Illinois at Chicago, Greenville College (Illinois), Emory University (Atlanta, Georgia), Harding College (Searcy, Arkansas), the Pi Kappa Delta Nationals (Whitewater, Wisconsin), Western Kentucky State College (Bowling Green, Kentucky), and two other tournaments to be announced later.

In addition, MTSU will host two intercollegiate tournaments. On January 6-7, the annual MTSU Junior Debate tournament will be conducted. In February, the annual State tournament will come to town.

Debate squad meetings are each Monday and Wednesday at 3:00 o'clock in room 214 of the Dramatic Arts Building. The debate proposition for the year is: "Resolved, that the United States

should substantially reduce its foreign policy commitments." Anyone interested in debating should attend one of these meetings before October 19.

Socratic Sponsor Draft Discussion

The first Socratic Program of the fall semester will be held Thursday night at 7:00 in room 304 of the Student Union Building. The subject to be discussed is "The Draft." Guest speakers are Major Donald Cole, Dean Everett Sams, and Mr. Ben Hall McFarlin of the Rutherford County Draft Board. All visitors are welcome.

EASTERN IS TOUGH

At the end of last season, some OVC coaches thought that Eastern had the best team in the conference. This judgment was based on their strong showing near the end of the season and their explosive offense.

The Maroons return many veterans from the 1965 club. The defensive unit has all but two starters back and should be the strong point of the club.

The man leading the Maroon offense will be Jim Guise, capable of being the greatest quarterback ever to play in the OVC. Guise is no stranger to Raider fans as he played an important role in Eastern's near upset of the Raiders last year.

The running game will be in the very capable hands of Herman Carter, 9.4 Negro sprinter. Carter gained 626 yards in 114 carries last season. If Carter ever gets past the line of scrimmage, watch out!

The defensive line is big, strong, and fast. It will be led by defensive end and line-backer Chuck Sieman, Coach Kidd's candidate for the OVC's best griddier. All - OVC safety Buddy Pfaadt will lead the secondary. This boy has already picked off five passes this season.

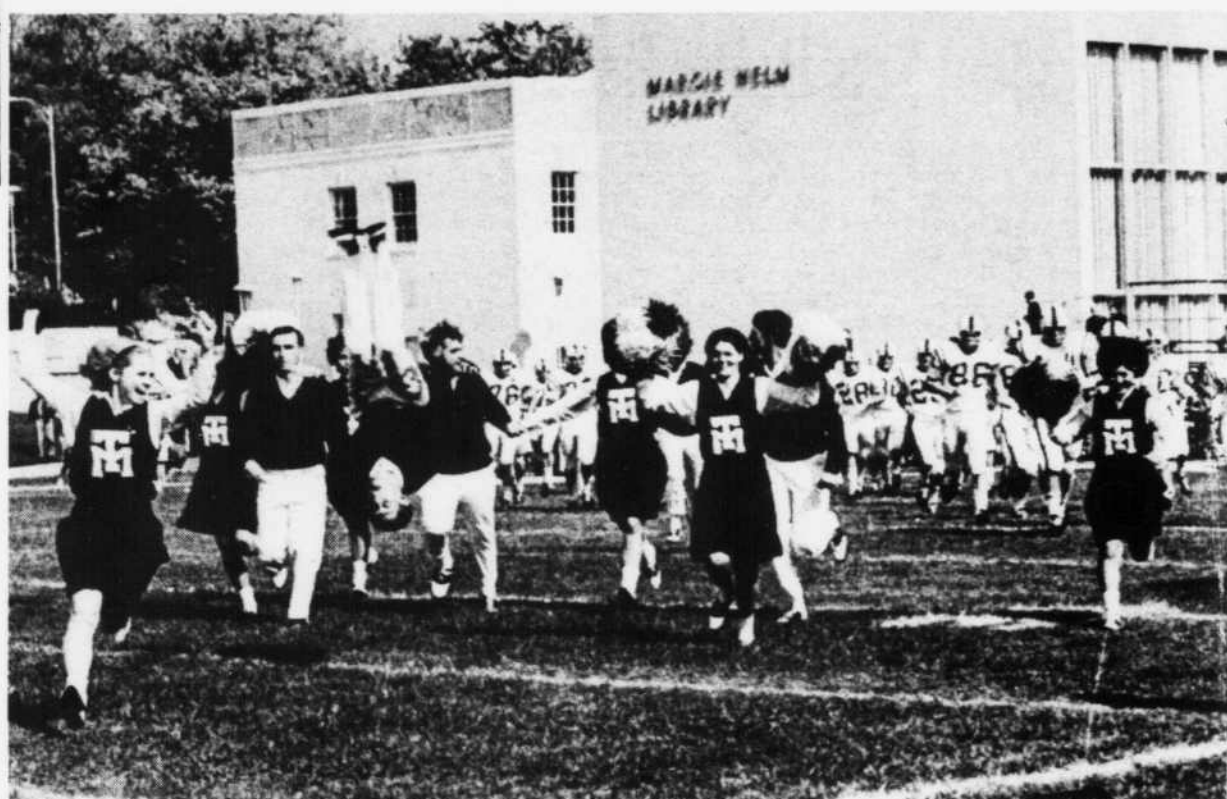

The offensive line will be anchored by sophomore tackles Bob Tarvin and Bob Brewer, both of whom did excellent jobs last season as freshmen.

While most of the running will be in the hands of Aaron Marsh, a Negro who can run the 100 in under 10 seconds. He is the boy who ran back a kickoff for a touchdown in the 1964 game against the Blue Raiders. This year he has already caught five touchdown passes.

This may be the first game for most of the student body, since the Pensacola game was played before school started. If you freshmen want to see one of the best small college teams in the country in action, come and see the Raiders beat Eastern Kentucky Saturday night.

THIS AND THAT

Teddy Morris is coaching football at Murfreesboro Central. - Jim Harvey, Blue Raider defensive back two seasons ago, is coaching at Columbia, Tennessee. - The Blue Raider Invitational Tennis Tournament will be played Friday through Sunday on the MTSU courts. Some of the top tennis players in the area will be in the tournament. - Jerry Smith, an end on last year's team, is coaching in Florida. - Bennett Jent, athletic director and basketball coach at Columbia State Community College in Columbia, Tennessee is a 1963 graduate of MTSU. East Tennessee State has scheduled four games for its freshman football team with junior college teams.

THE TENSION MOUNTS and so does Ron Van Vickie in the minutes preceding the MTSU-WKU game. —Photo by Lloyd Widner

Sports Briefs

Howell Is Elected Captain

Richard Howell, a senior outfielder from Columbia, Tennessee, has been elected captain of the 1967 MTSU baseball team.

The hard-hitting letterman batted 311 for Coach Jimmy Earle's Blue Raiders last season, and had a perfect 1.000 fielding average in 17 games.

Howell, who bats left and throws right, has also been called on for pitching duty for the Raiders.

Middle Tennessee defeated Tennessee Tech 23-32 Saturday in the opening cross-country meet for both schools.

Tennessee Tech's Lee Byrd was the individual winner, covering the four-mile course in 21:28.0.

MTSU's Charles Dahlgreen, formerly of Nashville East, placed second, touring the distance in 21:44.0.

The Raiders travel to East Tennessee State this Saturday for their next meet. The next home meet will be with Western Kentucky October 15th.

During the summer Coach Dean Hayes has signed some of the top track talent in our area. The boys are: Lonnell Poole — Chicago Heights, Chicago, Ill. 14.3 high hurdles, 18.7 low hurdles.

Paul Wallace — Marshall High, Chicago, Ill. 48.5 (440), 21.8 (220).

Terry Foster — Lewisburg, Tenn. 9.9 (100).

Steve Colquett — South High, Knoxville, Tenn. 160 ft. discus.

Star Summrel — Notre Dame, Chattanooga, Tenn. 45 ft. 7 in. triple jump, 13 ft. 6 in. pole vault.

Mike Miller — East Ridge, Chattanooga, Tenn. 14.5 (120 high hurdles) 19.5 (180 low hurdles).

Four MTSU athletic events will be seen live on WLAC this year. The Austin Peay-MTSU football

Action Shots From Raiders Win Over Hilltoppers

Raiders Defeat Western 33-9

MTSU opened its OVC season with a victory over Western Kentucky Saturday at Bowling Green. This marked the Raiders' 17th consecutive victory and their third victory this year.

FIRST QUARTER

MTSU won the toss and elected to receive. Atwood kicked off to Hlodan and Hlodan returned the football to the Raider 21 yard-line. After three downs, MTSU was forced to kick. A fired-up Western team took over on their 34-yard line and drove down to the Raider 15 where they were forced to try a field goal attempt. The attempt was off to the left. MTSU received the ball on the 20, but were forced to kick again. After Western Kentucky ran five plays they quick kicked and the ball rolled dead on the Raiders' four yard line. Western was hoping to cause the Raiders to fumble deep in their own territory and then they would have good field position. After two plays Larry Mathews quick kicked for fifty one yards and the Raiders were out of the hole. Western took over on their 38 and after six plays the quarter was over.

MTSU 0—Western 0

SECOND QUARTER

Western still had control of the football, and they had a drive started. With 10:10 remaining in the second quarter Johnny Vance, Western Quarterback, went in for the TD. After a five yard penalty Western was forced to try again for the extra point. Tom Atwood kicked the extra point and W.K. took the lead. Again Atwood kicked off for W.K. and MTSU began a drive of 66 yards to tie the score. There were two big passing gains to Owenby. With 6:10 left Larry Mathews scored from the one on a fourth and goal situation. Paul Barnes kicked the extra point and the score was tied 7 to 7. The football exchanged hands twice until Steve Edgings returned a punt for 75 yards with 0:27 seconds remaining in the first half. Paul Barnett's extra point attempt was off to the right, but MTSU had a lead at the half.

MTSU 13—Western 7

THIRD QUARTER

Paul Barnett began the second half by kicking off to Jim Sprinkle.

Sprinkle ran the football back to his twenty-six, but there was a ten yard penalty on the play. After a long drive WK was forced to give the football up on the Raiders' four yard line due to downs. After three plays the Raiders were forced to kick. Walker went back to punt. Wes Simpson came rushing in to block the punt. The football rolled out of the end zone for a safety.

MTSU 13—Western 9

Walker free kicked to Western Kentucky and Sprinkle made a return of 21 yards. After eight plays W.K. was forced to kick. MTSU took over on their own ten yard line. Three plays later Billy Walker threw a 76 yard TD pass to Herb Owenby. Walker's run for two was no good and the score was

MTSU 19—Western 9

Paul Barnett kicked off again to Western and after three plays Western was forced to kick. MTSU took over on the MTSU 37 yard line. On the second play Walker took to the air with a flare pass to Bob Hlodan — good for 63 yards and a touchdown. With 0:22 seconds left in the third quarter, Barnett kicked the extra point.

MTSU 26—Western 9

Paul Barnett kicked off to Western and on the first play Larry Dotson intercepted Vance's pass on W.K. 32 and ran it back to their 28.

MTSU 26—Western 9
FOURTH QUARTER

Five plays into the final quarter Billy Walker was being hit by two Western players on 15. Before he went down he was able to get the football to Bob Hlodan who ran in for the TD. Barnett kicked the extra point and the score was MTSU 33 and Western Kentucky 9. The football exchanged hands seven more times in the quarter, but the score remained the same.

Billy Walker had a great day, passing for 265 yards and three TD's. Bob Hlodan and Herb Owenby made some great catches and Hlodan scored two touchdowns and Owenby one. The defensive team also did a good job, and in the third quarter they stopped Western on their own four yard line.

The game this week will be the most important game in the OVC. Eastern Kentucky has won three straight games and have two real fast boys who are real good pass receivers. Game time is 7:30 and you better arrive early if you want a good seat.

'Fourth Prince Of Serendip' Is A New Twist

By WILLIAM JOHN ALLOWAY
Once upon a time, which is a very trite way to open a story, but the Fairy Tales Writer Union demands the classic opening, there were three princes of Serendip (whose tales have already been

told by Walpole) who journeyed far and wide discovering agreeable things, by chance or sagacity, that they did not seek. But unbeknownst to many are the adventures of the fourth prince, their little brother, who was born out

of wedlock to a serving wench in the kitchen by the aged king.

Unfortunately though, the fourth prince, Ralph by name, had a knack for discovering disagreeable things which he was not seeking, for he was a hedonist by nature and philosophy. Dedicated to the pursuit of pleasure and the fleeing from pain, Ralph was to have many adventures with angry husbands, fathers, brothers, uncles, and all types, sizes, and dispositions of male kin to females of all types, sizes, and dispositions. Ralph was a champion athlete of exceptional caliber in the high jump for which he kept in top physical form by vaulting periodically over highfences while struggling with various articles of attire and stimulated by the threat of traumatic experience if he had ever been caught.

These escapades, however, brought much displeasure to his venerable father who at that particular time had engaged a new Public Relations man to clean up his image. Ralph was serious about his vocation and so, paid little heed to the admonitions of the PR man. After a peculiarly involved transgression, it came to pass that Ralph was unconditionally ejected from the domain of Serendip with his fortune in his knapsack on his back and warned never to return on pain of extreme discomfort to be induced upon his body of Sherman, the sadistic torture master who commanded the dungeons.

And so, alone and innocent, Ralph set out to seek his fortune in the world. Before his glorious triumph in the winning of the kingdom of Hockey and the hand of the beautiful Queen Whop with the help of his faithful retainer, Grody, Ralph was to undergo many experiences of a strange and wonderful nature as for instance when he defeated in battle the dreadful and powerful ogre called Fred or captured the evil, noxious-breathed, killer Furd, which had terrorized the inhabitants of the principality of Dink who had been reduced to virgin sacrifices, which Ralph abolished. Also woven in the warp and woof of Ralph's tale, are his mighty contests with the wizard Bennie whose villainous machinations were to plague Ralph until the final hour of Bennie's weird death.

PLACEMENT REGISTRATION

Seniors and graduate students should register with the Placement Office as soon as possible in order to participate in the campus interviews scheduled to begin in October. Registration materials and interview calendars are available now in Room 210, Administration Building.

The Young Republicans Club will meet October 4 at 4:30 p.m. in room 303-SUB. All interested persons are invited to attend.

One social group all Juniors have in common is being part of the Junior Class. Watch for signs of your first class meeting!

Rodeoers Recall Active Summer

Members of MTSU's Rodeo Club remained active this past summer. The team members worked amateur and professional rodeos all over the South. Every member of the rodeo team won money in his respective events.

Jim Adcock, Jerry Bates, Corky Stone, Bill Adcock, and Roy Steele worked many of the weekly shows at Paul Hallcomb's arena at Rock Island, Tennessee. David Smith, Tommy Jackson, and Tommy Wright also made these weekly rodeos.

The rodeo club members expressed their gratitude to Mr. Hallcomb for giving them the chance to ride, and to learn, each week. Dorinda Hulen and Martha Bates did a fine job of working as secretaries for these shows. Jerry Bates was the regular bull-fighter, Corky Stone was arena director, and Harold Lynch announced two of the rodeos.

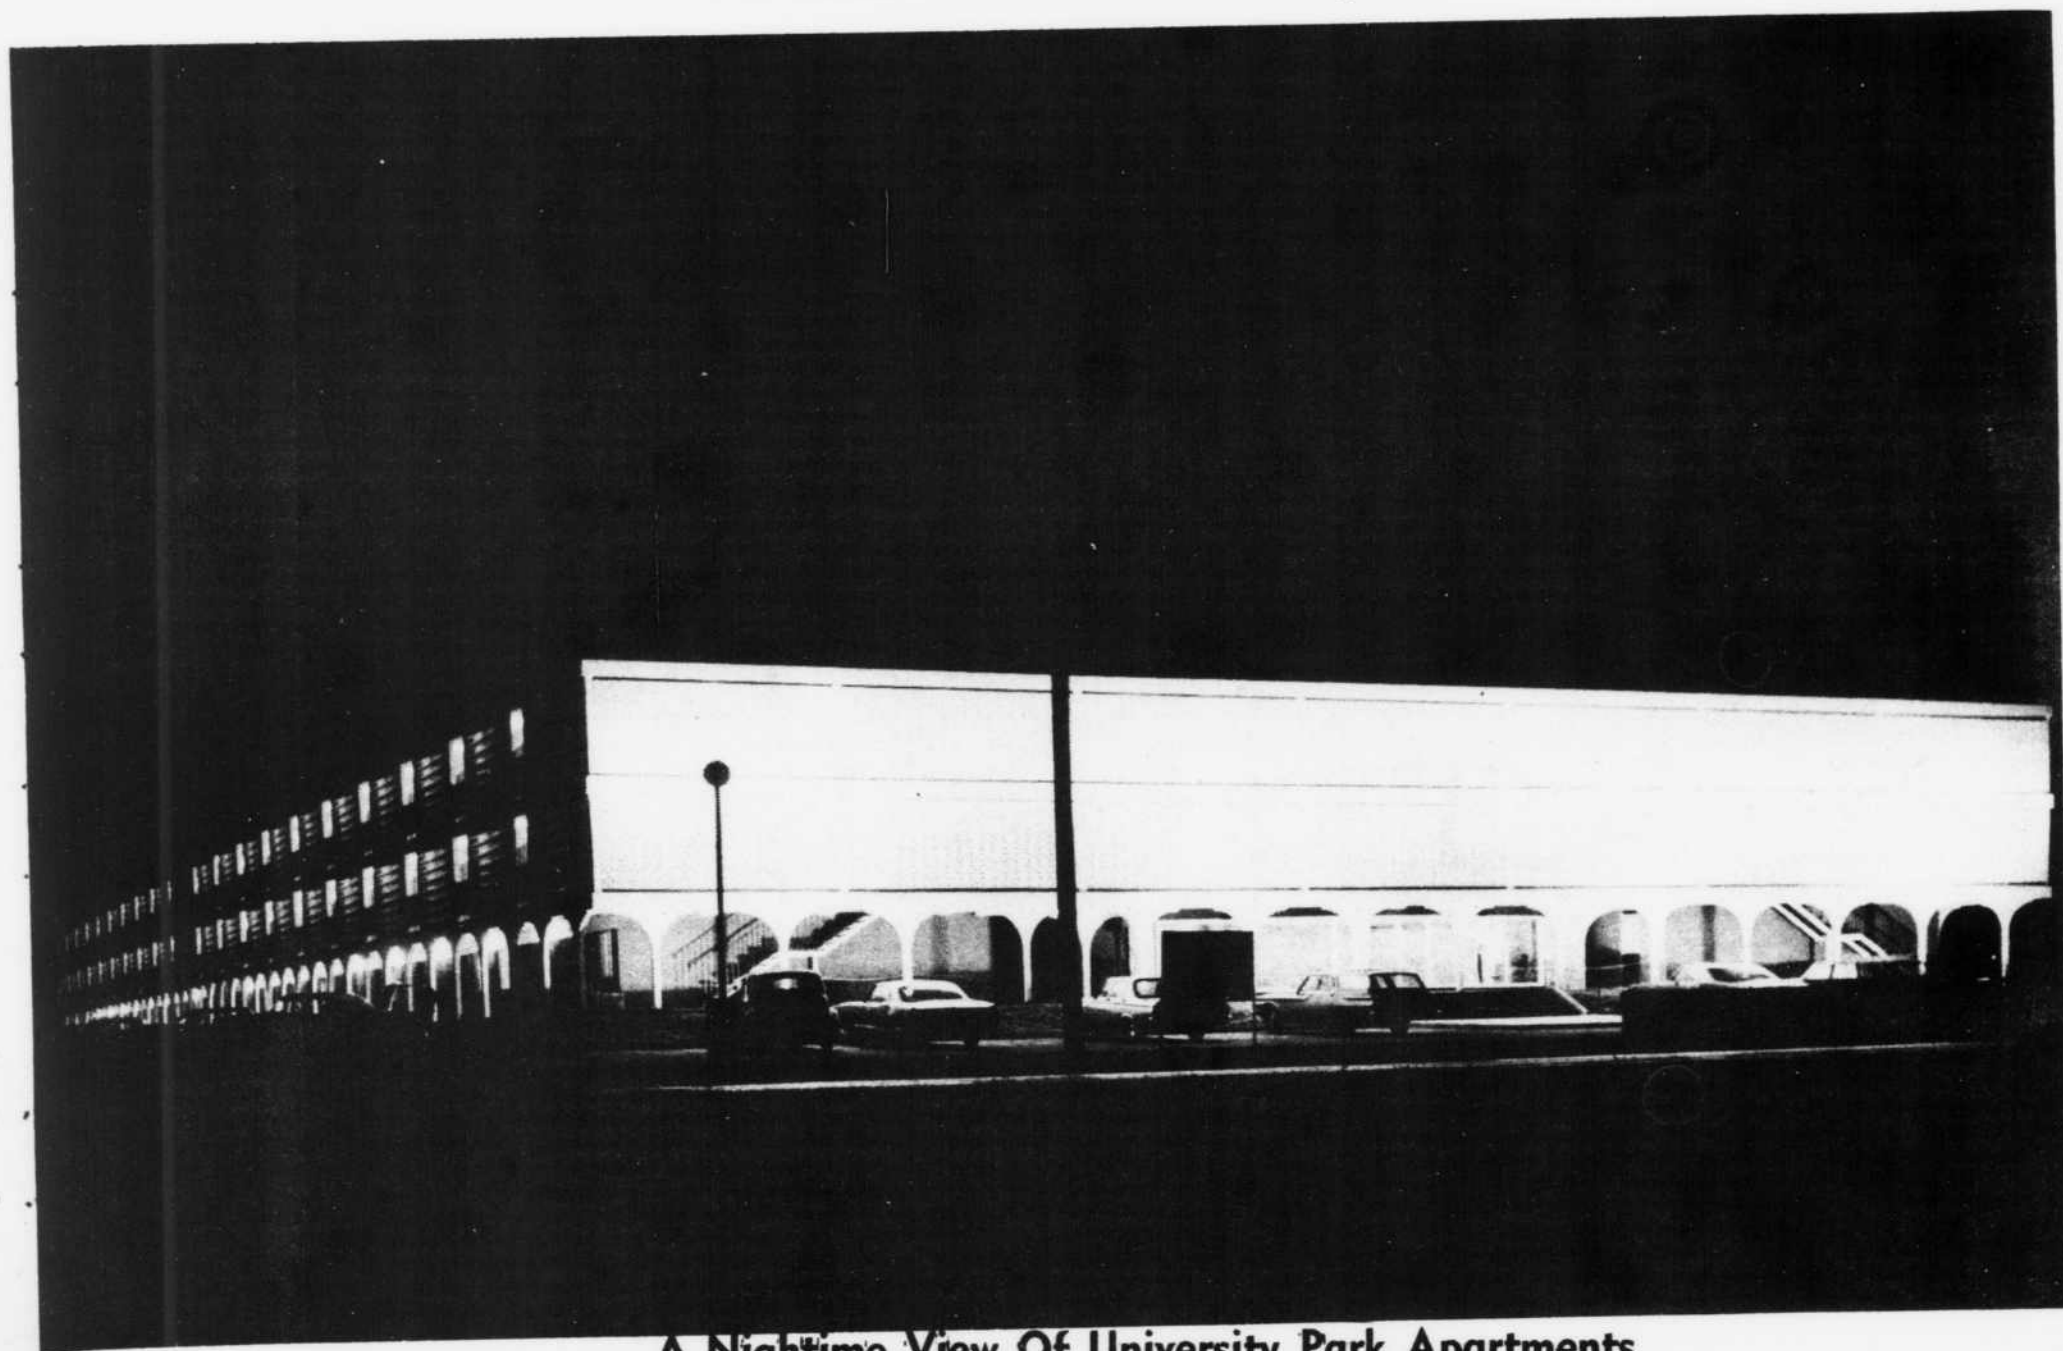

Preston Fowlkes, Jr. made all of his father's rodeos over the Southeast. Preston also won the steer wrestling at a Three Bar Rodeo in Madison, Kentucky.

Harold Lynch worked as a regular hand with Three Bar Rodeos, Inc., and also competed in bare-back bronc riding.

News Note

The MTSU Chapter of the Block and Bridle Club will hold its first regular meeting on October 4, 1966. Subjects to be discussed include an upcoming cattle sale at which the club will handle concessions, the Block and Bridle National Convention in November, the annual boot sale, and the bringing in of new members.

The meeting will be held at 7:00 p.m. in Room 4 of the Agriculture Building.

Do \$6 slacks
go with a \$75
ski parka?

Naturally
when they're
Lee-Präst
Leesures

*Lee-Präst Leens—now with permanent press

That \$75 ski parka hasn't got a thing on \$6 Lee-Präst Leesures. Those slacks have the quality, the look and the long, lean tailoring that go great with anything. And Lee-Präst Leesures have a new total permanent press that makes ironing a thing of the past. Shown, Lee-Präst Leens in Bob Cat Twill fabric. In Loden, Sand, Pewter and Black. Other Lee-Präst Leesures from \$6 to \$9.

LEE-PRÄST® Leesures® KORATRON

H. D. Lee Company, Inc., Kansas City, Mo. 64141. ALSO AVAILABLE IN CANADA.
