Letters To The Editor

To the Editor:

I am writing in response to the article in last week's "Sidelines" concerning the MTSU Frisbee team.

I am appalled by the fact that this is the first time during the Frisbee season that there has been any notice of the team's activities. I feel sure that many others, as myself, were unaware that such a team even existed on this campus! I think it is regretable that the efforts of Coach Hiram Truckee and such outstanding players as Right Backend Stan Pushett, Left Squareback Johnny Ray Gout, and Right Toe-end Bobby Price have gone unnoticed and unacclaimed.

With an unblemished record and a chance to go to the annual Frisbee Invitational Play-off at Princeton, I urge the enthusiastic backing of the MTSU Frisbee team by the student body and the "Sidelines."

Devoted Reader

To the Editor:

What is our supposed "point system" and is it being enforced on our campus? The Student Point System is a means of preventing any one student from holding too many of the important offices on the campus and to insure that no student shall become overburdened with responsibilities and work. The plan is as follows: (1) A max-

imum of (25) twenty-five points is all one student can hold at any given time (2) These points are not to be cumulative from one year to another year (3) The Associated Student Body Attorney General shall be responsible for enforcing this law (4) If a person is found to have over (25) twenty-five points, he will be asked to reside from the office of his choice. (5) If the person involved refuses to resign, he will be referred to the Associated Student Body Supreme Court (6) All organizations on campus shall be included in this law. (7) The table of points are set up in the ASB Congressional Bill #46.

Do our students know what the point system is and what it means? It seems no effort has been made to bring this to their attention. The old saying goes 'Given a chance, one will do a good job'. Under our present supposed point system, which could be good, everyone is given a chance; but for lack of enforcement, it is not being carried out. Do we as students of MTSU want this to continue? A law is no law until it is enforced!

Are Fraternities And Sororities Really Needed?

There is often much heated discussion among campus colleagues at the mention of fraternities and sororities at MTSU. But, I have a question to ask — "What important or unique contribution will a fraternity or sorority make to the MTSU student?"

We have a countless number of societies, clubs, and organizations on campus. Can they not serve the same purpose of working together for common goals and fellowship which is fostered by fraternities? Can the benefit to the individual not be as great from active club participation and other campus functions as that which he might attain from fraternities? What is so unique and important in a fraternity? Loyalty, comradeship, fun, devotedness, and achievement in doing something worthwhile can all evolve from active club participation.

I am not against fraternities and sororities, but I fail to see that MTSU students need or sincerely want them. Of course, there are those who argue that fraternities are a special part of college life. However, is this "special part" merely prestige and haughtiness that seems to elevate fraternity pledges above all other students? Do we desire true, worthwhile values or merely social prestige?

I sincerely believe that before we can initiate fraternities here at MTSU, we must first become an active, participating student body. A handful of students cannot successfully lead the disinterested mass. First, let us become active club workers and active and interested students. Don't be content to have your name on the roll of half a dozen clubs, but contribute something to that club through your membership. Don't be just a critic of others, but be a doer and go-getter. If criticism can be helpful, then criticize — but constructively and have grounds for your criticism.

Naturally, we will have cliques among us, but let us not permit loyalty to friends divide us and prevent our achieving the unity we so desperately need. Rivalries can never achieve the united spirit and cooperative support needed in our school. Let's band together for a common goal and strive to make MTSU's students a dynamic body working for the good of all concerned.

Start now to take an active part in campus affairs. Support, defend, criticize, or argue — but work with the student government. Don't just be a name on the roll of a few clubs or just attend the meetings, but take an active part in promoting the ideas of your club.

It is your task, your responsibility to accept your role as an MTSU student. Your responsibility is great and your help essential if we are to become a true university. Only through constructive participation can we achieve our goals.

Fraternities and sororities may eventually come to MTSU, but with the same support that many of our clubs now have from their members, they would not be valuable or lively groups. Bright lights, fame, and social prestige are not as important as the true citizenship qualities of cooperation, participation, and accepting and doing our part to make this a better university. — N.M.

The SIDELINES staff wishes to extend sympathy to Miss Catherine Clark and Dr. Homer Pittard, MTSU faculty members, for recent deaths in their families.

Dr. Pittard's father, John Pittard, died last week at Cedars Nursing Home in Lebanon following an illness of three years. Mrs. Frances Clark Romine, sister of Miss Clark, died at her home last Wednesday following an extended illness.

Gold And Fizdale Will Appear Here Tonight

The piano duo of Gold and Fiz-dale will appear Tuesday even-ing, February 22, at 8:00 in the MTSU theatre-auditorium in another of this year's Community Concert programs.

Anyone who can read English, Italian, German, Greek, French, Spanish or Russian can go through the scrapbooks of Arthur Gold and Robert Fizdale and find critics in each of these languages calling this pair the best duo-pianists in the world. Whether they are playing Mozart or Milhaud in Pittsburgh or Paris, audience acclaim for Gold and Fizdale is long and loud.

This is not a Public Program or free entertainment. Holders of Community Concert tickets will be admitted. Tickets for this and one other program may be obtained from the Bookstore for \$2.50 according to Lane Boutwell, chairman of the Speech Department.

Gold and Fizdale have recorded both in the United States and Europe many albums of major contemporary compositions. All the disc have received extraordinary praise: The American Record Guide called their recordings "superb" and hailed the team as "unique in our time", and the Washington Post's Paul Hume, reviewing a recent release, commented unequivocally, "This is one of the finest record albums any record company has ever issued or ever will issue". They are the only piano duo on Columbia rec-

How To Ready For A Formal

By Linda Hookey

Although there are no set rules and regulations concerning the problem of getting ready for a formal dance, certain steps have become almost standard pro-

The preparation begins many weeks ahead of time. For the boys, their major decision is deciding which lucky girls will be honored with their presence for a whole night. The girls start even before this, plotting for an invitation. If the Soviets had plans like the girls use, then the United States might already be a Communist country.

The next step for the boys is to casually find out what color of dress his date is wearing, so he can order flowers to match. (A hint to the boys - a sexy red dress is not complimented by yellow roses.)

The girls are left with the easy

decision of a dress and hair style. When the day of the formal arrives, the girls have the task of trying to outdo everyone else. Half of the day is spent in the beauty shop, glaring at the other girls that all seem to have the same idea. A beer rinse is applied to the hair. This makes the hair too drunk to move out of place. After the ordeal at the beauty shop, it is almost time to get dressed. While glancing at the clock every few seconds, you casually pace the floor, waiting to go shower. Even if there are four hours left before time for the dance, no one wants to wait in line for a shower!

With the dress finally on, it takes fifteen minutes to examine your perfume collection, before you finally decide to borrow some from the girl across the hall. Do not forget to be five minutes late, so your date will not think you are anxious.

The boys must remember to rehearse again their speech on telling their dates how lovely they look. We all know that it will be forgotten the minute he sees her and replies with that simple word, "Wow!"

Martha Lunn Chosen Miss Midlander

Miss Martha Lunn, a junior education major and home economics minor was chosen Thursday night from a field of 39 contestants to reign as Miss Midlander of 1966. Miss Lunn, a graduate of West End High School in Nashville plans a career as a department buyer. She was ROTC Queen in 1965 and is a member of the Booster Club and the Home Economics Club. She represented the Junior Class in the Midlander pageant. Martha will represent MTSU in the Miss Tennessee Pageant in Jackson this summer. The novelty of the state pageant and the pressure of competition should be dispelled by Martha's warm smile and winning charm which she displayed in capturing the title of Miss Midlander.

First runner-up in the contest was Miss Gail Weaver, a sophomore from Dalton, Georgia. Gail was the winner of the Miss Veterans Club crown in 1965. She represented Monohan Cochran Hall, Miss Gracie Aiken, a junior from Donelson representing the International Club, was second runner - up. Judy Baeur, the Schardt Hall representative and a freshman from Nashville, was third runner-up and Miss Marlene Howard, a freshman from Chattanooga was chosen fourth runner-up. Miss Howard was sponsored by Jones Hall.

Another very important honor, the title of Miss Congenialty, was bestowed upon Sis Jones by her fellow contestants. Miss Jones, a freshman from Murfreesboro, was presented a bouquet by Miss Kathy Edwards, 1966 ROTC Queen.

Mary Ann Blankenship of Christiana won the twenty-dollar prize for selling the largest number of tickets. Miss Judy Bawcum of Nashville was the recipient of the ten-dollar door prize.

Raiders Beat ETSU 102-96

RAIDERS BEAT ETSU

As the Raiders open their last week of cage play for the 1966 season, they have assured themselves of a better over-all mark than last year and a possible sixth place in the OVC race by defeating ETSU 102-96 Saturday night in the best offensive show of the season.

Four Raiders were in double figures in the final home game Saturday night. Jay Cole with 23 points and Gil Ford with 21 were high for the Blues, but got great shooting and rebounding support from Ed Cannon.

Cannon had 19 points and picked off 19 rebounds while Cole came up with 16 rebounds. Bobby Gardner was the fourth Raider in double scoring figures with 18 points.

East Tennessee was led by Bill Wilson and Bill Tipton with 26 points each while Tommy Woods, the nation's fourth best rebounder, picked off 24 for the Bucanneers.

The Raiders hit 43 of 97 field shots for an average of 44.3 while ETSU had 41 of 93 for a 42.2 percentage. The MTSU season mark is now standing at 7-14. A tie with ETSU in the OVC gives both teams a 3-8 in conference play.

Saturday night's game was tied nine times in the first half and at one point East Tennessee held an eight point lead. "Boom Boom"

Cannon hit to make the score 79-78 when the clock read 8 minutes and 11 seconds left in the game. The Raiders then remained in front for the remainder of the game.

BEST FRESHMAN TEAM EVER WINS OVER SEWART 104-61

The MTSU freshmen, now 15-5, will close their season with the best record ever by a Blue freshman court combine. They beat Sewart Air Force Base 104-61 Saturday night preceding the Raiders' big game with East Tennessee and the Baby Blue end their season this week in McMinnville against Vanderbilt. They have previously defeated the Vandy yearlings.

Six Blue Raiders scored in double figures. Tom Richards hit for 20 points, while Art Polk and Charles Daniels notched 14 each. Willie Brown had 13, and Bob Emerson and Bill Weldon each hit for a dozen.

MTSU shot 46 per cent from the field to raise its record to 15-5.

Raider Rifles Score Wins

The Raider Rifles defeated the Murray State Freshman Rifle Team on January 14, by a score of 1239 to 1219.

Despite the Raider victory, the high scorer for the match was Waska of Murray State who fired 270. Jerry Dunbar was high man for the Raiders with a total of 256.

This is the fifth shoulder-to-shoulder match of this season in which Dunbar has been high shooter. This puts him on the heels of Thomas Foster for team honors in this department. Foster has been high man in six matches. The other top shooters were: Jack Dickson, 246; Mike Compton, 246; Tom Foster, 241; and Terril Gregory, 240. This was the best balanced scoring attack by the Rider Rifles all season.

The Rifles gained revenge for the MTSU basketball loss to the University of Chattanooga on February 7, by defeating the Moccasins 1227 to 1177. This was the second time this season that the Moccasins have fallen to the Raiders.

The high score was fired by freshman Wayne Moore. The other top scorers were John Whitaker, 249; Ken Roy, 245; Jerry Dunbar, 240; and Thomas Foster, 233.
