

# Page Wins Over Garner, Coleman; To Reign at Homecoming Festivities for '54

## Pigg, Hackney, Duncan Will Direct Parade; Five Attendants to Ride With Queen

**WINNER OF THE HOMECOMING QUEEN ELECTION, Ruth Page, left; is pictured here with the other candidates of the race, Joyce Garner and Margaret Coleman. Miss Page carried the election by a landslide with a total of 366 votes out of the 591 ballots cast. Miss Garner was second choice with a total of 144. Miss Coleman carried the remaining 81 votes.**

Ruth Page, MTSC senior, carried Monday's election for 1954 Homecoming Queen with a total of 366 votes out of the 591 ballots cast.

Officials for the homecoming activities recently announced by Ross Spielman, ASB president are: Charles Pigg, grand marshal; Ted Hackney, parade marshal; and Katherine Duncan in charge of campus decoration.

Miss Page hails from Smithville, Tennessee, where she attended Dekalb county high. Since coming to MTSC she has been a member of the WAA, swimming club and recreation club. She has been a flag twirler with the band for two years. In campus religious groups she serves as secretary of the

Baptist student union and is secretary-treasurer of the Student Christian Union.

Ruth is majoring in business education and is secretary of the honorary business fraternity, Pi Omega Pi.

Joyce Garner, our senior attendant to the football queen comes from Old Hickory. A transfer from the University of Tennessee she has received the titles of Miss Campus of Tennessee and Queen of the ROTC. Joyce is majoring in English.

Our second senior attendant to the queen is Margaret Coleman from Fayetteville. At MTSC she has been Physical Education carnival queen an ROTC sponsor for company E. Miss Campus of Tennessee, a member of the Midlander

Queen's court and last year's representative from MTSC in the College Queen of America contest.

Margaret was recently initiated into Tau Omicron, honorary society for women. She is majoring in business administration.

Jo Ann Redding from Columbia will be sophomore attendant to the queen. She is a member of the FTA and the women's dormitory council. Her majors are education and biology.

Jo Ann Winingier is freshman attendant for homecoming this fall. A graduate of City high in Chattanooga she plans to attend MTSC two years while taking a business course.

## MTSC Farm Is Scene of Dairy Improvement Tests

This month dairy history is being made in the laboratories of the Middle Tennessee Dairy Farm. The dairy operation marks another step in the forward march of dairying in Rutherford County.

Rutherford county farmers assembled Tuesday to begin the activities of the MTSC program. The agriculture department has been designated as the central testing laboratory for the program, and Dr. Clifford Stark is serving as chairman.

### Need Recognized

The need for the program has arisen from the recognition of Middle Tennessee as the "Dairy Center of the South." Because of its topography Middle Tennessee is a natural livestock area with ideal land for hay and pasture. It is hoped that the program will last indefinitely.

Inaugurating the program was to make it possible for the farmer to test his cows at a low price. Dairymen may enter the program for a \$5 membership fee. As a non-profit program, it is trying to test the cows for only 10c per month. So far, with only 800 cows signed up, there are less than 1% of the cows in Tennessee being tested.

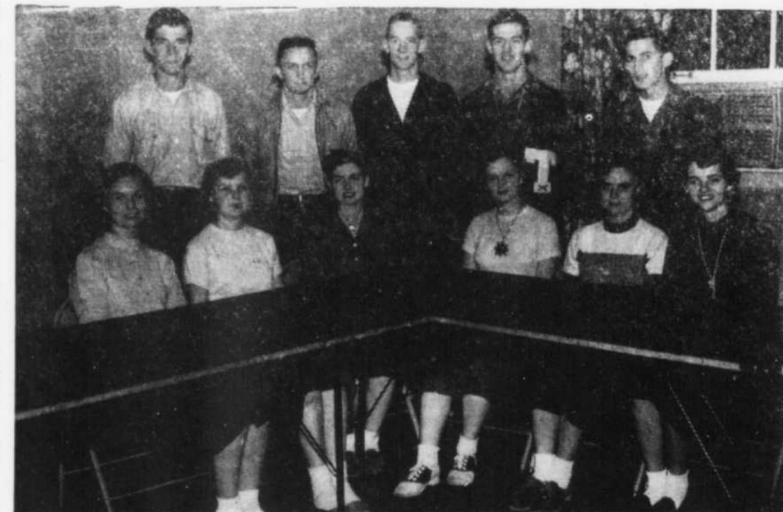

With the data gathered through the testing program it can be determined if the cow is a profitable one. Before anyone can know this, he must weigh the milk, know the butterfat content, and the amounts and prices of the feed. Then the production cost can be balanced against the sale price to see if the cow is profitable. This is where the testing program comes in.

### Number Is Large

James Dunn, industrial arts teacher in Shelby County; Mrs. Woodmore, formerly Ann Love, and Mrs. Bobby Badger, teachers in the Memphis City Schools; James Crawley, student at U.T. Medical School; Doiores Sorrels, teacher in

## Smith Installs ASB Congress for '54-'55

**ELEVEN NEWLY-INSTALLED CONGRESS MEMBERS** are left to right, first row: Martha Evans Harrison, Camille Murchison, Mary Lynn Wilkes, Peggy Towery, Eleanor Warmbrod, and Joyce Garner. Second row: Jimmy Chandler, Robert Arnette, Charles Pigg, Sid Corban, and Ronald McRady. The twelfth member, Tilman Harris, was absent when the picture was made.

The Congress of the Associated Student Body was sworn into office in ceremonies at the Student Union Building Monday night, October 18, with Vice President Marie Smith, South Pittsburg, presiding.

Chief Justice of the Supreme Court Jimmy Cranford, Columbia, administered the oath of office to eleven of the twelve congressmen, the lone absentee being Tilman Harris, Sparta, representing the Sophomore class. Harris was sworn in at private ceremonies later in the week.

The inaugural address was given by ASB President Ross Spielman, Hagerstown, Md., in which he impressed upon the new lawmakers the importance of maintaining the present school legislative system, the only one of its kind in the state and probably in the world.

Attendance Encouraged  
Having read the constitution and by-laws of MTSC and its student body, Vice President Smith then encouraged a perfect attendance of the members of congress to each meeting explaining that three absences will automatically constitute the impeachment of any congressman.

The vice-president expressed a desire to change the constitution during this school term by amending portions of the rules enacted prior to 1943—before the school became designated as MTSC. Exact details were not discussed.

### New Bill Advocated

Congressman Sid Corban, Springfield, advocated the enactment of a bill which was then explained by the vice-president and agreed upon by the entire congress. This bill, if it receives final approval after consideration by MTSC President Q. M. Smith, would authorize a wrestling team for the school in conjunction with the present sports and athletic program. The recommendation was signed and presented to the MTSC president on Friday. No final decisions have been made to date.

The only congressman to be returned for a second term was Rep. Charles Pigg of Petersburg.

New legislators other than Corban and Harris are Joyce Garner (Old Hickory), Jimmy Chandler (Huntsville Ala.), Peggy Towery (Springfield), Ronald McRady (Lewisburg), Mary L. Wilkes (Temple, Texas), Eleanor Warmbrod (Belvidere), Robert Arnette, (Murfreesboro), Camille Murcherson (Nashville), and Martha E. Harrison (Fayetteville).

## Knickerbockers To Be Featured In Third Assembly

The program to be presented by the Knickerbockers in College auditorium at 10:10 a.m. is one of the most attractive and unusual ever assembled. It features a large variety of specially selected and staged music of all types and periods, ranging from folk-songs to operetta and musical comedy.

The pre-intermission "Fledermaus," staged and sung in English, contains in concentrated form some choice portions of the inimitable score that has made "Fledermaus" a national favorite. The Knickerbockers have expertly blended Americans with a French pot-pourri; starting with a dazzling medley of popular songs inspired by New York—a "Knickerbocker Fantasy"—created especially for them.

Solos Blend  
Completely devoid of standard "solo groups," the entire show blends solos with group singing in first-rate music for everyone's taste.

Master hands behind the Knickerbockers are Donald Smith and Walter Terry, Smith, arranger and musical director, hails from Oberlin. He is assistant conductor at New York City Center and assistant musical director at New England's Cohasset Music Circus. Smith also had a hand in last fall's Romberg Tour.

Choreography Credits  
Gene Bayliss, choreographer at Cohasset, has credits at the Birmingham Opera Under the Stars, on Broadway, and on numerous TV shows.

Walter Terry, veteran oance critic for the New York Herald Tribune, devoted an entire Sunday column recently to Bayliss' staging, choreography and direction of "Ok-lahoma."

The Knickerbockers are Loraine Donahue, soprano; Ruten Pitts, alto; Adam Petroski, tenor, and Richard Brode, baritone. Donald Christmas is their pianist.

## Waggoner, Hay, Cooper Attend ACP Conference

Elizabeth Hay, Joyce Cooper and Amanda Waggoner represented MTSC's two student publications, the MIDLANDER and the SIDE-LINES, at last week's Associated Collegiate Press meet in Washington, D. C.

The two day annual conference was attended by over 350 representatives of college newspapers throughout the nation and 22 year-book staffers. Ten magazine editors were present.

The delegates came from 181 colleges and universities located in 34 states, the District of Columbia and Hawaii.

Following registration Wednesday, October 20, an opening convocation featured speakers James Russell Wiggins, managing editor of the Washington Post, and columnist Roscoe Drummond of the New York Herald Tribune.

Both editorial and business delegates chose between journalistic short courses and clinics for the remaining schedule.

Speaker for the conference banquet Friday night was Philip Potter, Washington correspondent of the Baltimore Sun. Fred L. Kildow, head of the Associated Collegiate Press presided.

### KIRKSEY IS WTEA SPEAKER

A featured speaker at the West Tennessee Education Association meeting was Dr. Howard Kirksey. The meeting was held Friday, October 15, at the Memphis Municipal auditorium.

## Alumni News . . .

### Finds MTSC Grads At Work Throughout Nation

Scattered all over the United States are the graduates of MTSC as they get into full swing with their various jobs.

Gloria Gattis is teaching piano, organ, orchestration and assisting with the freshman choir at Milligan College.

Stanley Sisson has been elected by the Bedford city council as city treasurer. He assumed his duties as city treasurer and clerk last week. A former Shelbyville Central high school faculty member, he taught choral music, business subjects and general science.

Jerre Smith is working as secretary-manager of Williamson county Chamber of Commerce.

Journalism Grad

Tom Hill is attending the University of Missouri. He is working on M.A.'s in journalism and agriculture. Tom graduated last August from MTSC with a major in agriculture.

Charles Abel is teaching English in a Montana high school.

Floyd Price has a job teaching Spanish at the North East high school in Maryland.

Teaching fifth grade for her third year in Columbus, Georgia is Linda Ledford.

Attend TEA Meet

Alumni from Middle Tennessee were prominent among those attending the recent meeting of the

Tennessee Educational Association, Western Division. Rex Turman, Principal of the Savannah High School and now President of the State Association, was in attendance. Three vice-presidents for the western section were nominated, and two of them were graduates of Middle Tennessee State College. They were Walton O. Warren, City Superintendent of McKenzie Schools, and William Osteen, Principal of Millington High School.

Others seen at the meeting included Jack Bennett, Principal of the Brighton High School; Herman Osteen, Principal of Arlington High School; Bob King, Principal of Central High School, Memphis; J. R. Ralston, industrial arts teacher in Memphis City Schools, and his wife, the former Harriet Holder; Orgain Sey and wife, who are now at Greenfield; William Wharton, teacher at Central High School, Memphis, and his wife, the former Elizabeth Perry; Tom Bell, Supervisor of Trades and Industries for Shelby County.

James Dunn, industrial arts teacher in Shelby County; Mrs. Woodmore, formerly Ann Love, and Mrs. Bobby Badger, teachers in the Memphis City Schools; James Crawley, student at U.T. Medical School; Doiores Sorrels, teacher in

(Continued on Page Four)

## ROTC Battalion Plans Open House, Demonstration Sat.

Open house will be the order of the day on Saturday, October 30, when the MTSC Reserve Officers' Training Corps battalion will be host to the people of Rutherford and surrounding counties in the new ROTC building. The unit's new home will be open to the public from 1:00 to 4:30 p.m. on that day; training facilities and all equipment and weapons will be demonstrated.

### Field Day Scheduled

At 2:00 p.m. a field-day type of contest will be conducted, each of the companies competing against the other. Some of the events will be: best drilled squad (one squad from each company competing), best training demonstration (by

seniors of each company), speed test on assembly and disassembly of rifles (two entries from each company—no seniors competing), and command voice.

### Ends With Banquet

The cadet officers of the ROTC and their guests will have a banquet from 5:30 to 7:00 p.m. The entire battalion will then form and march onto the football field prior to the game with Florence State college, at 7:30. The company judged outstanding in the field day competition will be recognized at that time. During the half-time period the MTSC band will salute the ROTC Unit.

All these events, except the officers' dinner, are open to the public. (Continued on Page 4)

Members of the MTSC Reserve Officers' Training Corps staff are, left to right, first row, Major Crawford Keith, PMS&T, Captain William H. Vail, assistant PMS&T, second row, M/Sgt. J. B. Farnsworth, detachment sergeant major; M/Sgt. R. L. Carver, maintenance; Sgt. 1st. C. James H. Kent, instructor; M/Sgt. N. B. Taylor, instructor; M/Sgt. Donald L. Licht, supply.

## Campus Drivers To Pay Fines For Violations

Dr. Belt Keathley, dean of students, has expressed appreciation to the members of the student body for the relatively fine response to the plea for more moderate observance of traffic regulations on the campus.

Dr. Keathley has called attention to the fact that on October 20 the 1100th windshield decal was issued to a campus car. This represents an increase of approximately 300 cars over the registration last year.

### Vehicles Increase

Anticipating the increased number of commuter vehicles President Smith had a new parking lot immediately to the rear of Jones Hall constructed this summer.

Monday, Wednesday and Friday mornings and early afternoons all the "old" parking space is in use. Students are asked to check the old tennis court area, (which accommodates about 100 cars), and the Jones Hall-ROTC area, (where another 150 may be parked) if there is difficulty in locating space. Both areas are closer to the majority of the classroom than the area behind the Union building and girls dormitories.

### Zones Violated

Some students are violating the five minute emergency parking zones, particularly those by the Union Building. Others have been overlooking the parking restrictions immediately behind the administration building and by the heating plant. Still others have not picked up their free parking permit in the office of Dean Keathley.

Those who persist in disobeying campus traffic regulations or park without sticker permits will be subject to receiving traffic tickets and fines, college authorities have pointed out.

## Dr. Stark Will Head Alumni Association

Dr. Clifford Stark, Middle Tennessee State College agriculture department head, was elected president of the Industrial Training School Alumni Association at Huntington Sunday.

About 175 former teachers of the school, which operated at Huntington from 1908 to 1918 returned for the two-day reunion.

## Buchanan Players Announce Cast of First Production

With the beginning of the Spring quarter the Buchanan Players went into full swing with the plans for this quarter's dramatic presentation. The first play of the season will be Patrick Hamilton's "Angel Street," a suspenseful Victorian drama. The play will open December 2 and will be presented on the nights of December 3, 6, 8, 9, and 10.

Martha Sue Williams, veteran actress of many MTSC drama productions, will have the starring role of Mrs. Manningham. Her leading man is Hal Christiansen, a newcomer to the dramatic field here, who is cast as Mr. Manningham.

Supporting members of the cast will be Eddy Jo Pults, Amanda Waggoner, and Duncan Everett. A freshman this year, Eddy Jo is also a newcomer to the MTSC stage. Amanda has been featured in the recent productions of "Bell, Book and Candle," and "Ladies in Retirement." Duncan was cast in the productions "See How They Run," "The Infernal Machine," and "Bell, Book and Candle."

The setting of the play is on Angel Street in the Pimlico district of London in 1880. The plot revolves around a man's attempt to drive his wife insane.

Curtain time is scheduled for 8 p.m., and the admission is 35c for children and 50c for adults. Student activity cards may be used to purchase tickets free for all college students.

## Seven Initiated Into Tau Omicron

Seven junior and senior girls were initiated into the Tau Omicron, women's honorary society at a dinner held at McKnight's restaurant October 15.

Those initiated into the society were: Janet Smith, Margaret Coleman, Eleanor Warmbrod, Eleanor Martin, Virginia Himes, Carol Hogan, and Lois Stedman.

Both informal and formal initiation ceremonies were held following the dinner. All the initiates performed individual stunts and made speeches concerning term papers they had written previously.

Other members of the Tau Omicron present at the meeting were: Elizabeth Hay, Amanda Waggoner, Ernestine Miles, Dorothy Ann Lewiston, Libby Ann Nicholson, Virginia Francis, Cornelia Swain, Miss Virginia Wilkinson and Miss Elizabeth Schardt, sponsors. Miss Margie Mitchell, a charter member of the society, was a guest of the group.

## Smith Announces Social Committee For '54-'55 Term

Marie Smith, vice-president of the student body, has announced the student social committee for 1954-'55. It include the following representatives:

Liz Hay, Monohan; Mary Joyce Williamson, Monohan; Peggy Towery, Lyon; Juanita Prince, Lyon; Martha Whitehurst, Rutledge; Bebe Drumright, Rutledge; Craig Fox, senior representative; Lynn Bands, Smith; Winston Bennett; Smith; Ed Baldwin, Jones; Ronald McRady, Jones; Bob Keathley, town; Ralph Wrather, town.

Two representatives will also be selected from Vet Village. Chairman of the committee is automatically the student body vice-president.

The first committee meeting was held Wednesday, October 6 in dining room "B" of the Union Building.

Ross Spielman, ASB president will meet with the committee throughout the year.

## Two MTSC Students, Two Others Are Week-end Wreck Victims

Four young persons, two of them students at Middle Tennessee State college, were killed early Friday morning when the automobile in which they were riding plunged down a 50-foot embankment near Bluff City, Tenn. They were en route to Washington, D. C.

Killed in the accident were Beverly Ray Bills, 21, Murfreesboro; William Gentry Pate, 20, Murfreesboro; Miss Sue Ann Durham, 21, Lafayette, and Miss Ruby Joy Stegall, 19, Lewisburg.

State Highway Patrolman Clifford Chipley said the car traveled about 175 feet along the shoulder of the sharp curve before it went off. He theorized that Bills was the driver, and that he might have fallen asleep at the wheel.

The fatal curve in U. S. Highway 11-E is marked by a small sign reading "danger" and bearing a curved arrow. Weaver said the night was clear and the road dry.

Weaver said eight others have been killed at various times on the curve, causing it to be known as "dead man's curve." The last fatalities were about four years ago, he said.

No tire marks were found on the highway, Weaver said. He said the patrolmen estimated the car was going "at a pretty good speed," but did not elaborate.

ing in Washington this summer.

Pate and Miss Durham were juniors at Middle Tennessee State College and Bills was a former student.

Miss Stegall was a daughter of Mr. and Mrs. William Stegall, of Lewisburg, and was a secretary at the Linton Pencil Company there. She formerly lived in Rutherford County. She was born in Oklahoma, and was a member of the Church of Christ.

Other survivors of Mrs. Stegall were two brothers, Randall and Wendell Stegall, both of Murfreesboro; another sister, Miss Sherry Stegall, Lewisburg, and her grandparents,

William Pate

Mr. and Mrs. Will Stegall, Murfreesboro, and Mr. and Mrs. R. C. Hare of Oklahoma.

Miss Durham was a daughter of Mr. and Mrs. Charles Wilson Durham. She is also survived by two brothers, James Durham, of the United States Air Force, and Charles Durham, Jr., Lafayette; two sisters, Lucy and Nancy Durham, Lafayette and her grandmother, Mrs. Minnie Cook, Lafayette, and Mrs. Susan Durham, Tifton, Ga.

Bills was the son of Mr. and Mrs. Dennis Bills of Franklin Road. He attended MTSC two quarters but

# Let's Look Ahead!

By Bill Cooley

The progress of our nation for the past 178 years has been due to the efforts of men and women who have continued to look ahead. Guided by the Golden Rule, Americans with the responsibility of leadership in every field of endeavor — religion, education, science, government, agriculture, labor and business — should plan for the distant as well as for the immediate future, keeping in mind that the development of the individual and the nation is a continuing process.

## LOOK AHEAD

We, as young men and women of vision, must look farther out in front and plan for 25, 50 and 100 years ahead. Our world is moving so fast and our national responsibilities are increasing so rapidly that it has become necessary for us to extend and broaden our vision. We must provide for the pro-

tection of all we have gained to date and enlarge the opportunities for improvement in every phase of American life.

## SEE OPPORTUNITY

In striving for world peace, we must all look ahead and see the opportunities to increase the standard of living for all peoples by encouraging and expanding world friendship. Armies and weapons seldom cross borders where friendship has been applied freely.

## ACCEPT REALITY

If we are to make thoughtful and constructive contributions toward the future of mankind, we must accept the world situation as it is this day, not as we should like to have it. Our incentive as individuals is the privilege of helping to build a peaceful world which will provide increasing economic, social and cultural opportunities for peoples everywhere.

# Hey Frosh! Midterms Are Here

Howard Murrill

Has anyone ever heard the word "midterms"? It's a naughty word for the exams usually suffered by college students in the middle of the quarter. Let's face it, they're almost here. But don't worry too much, there are a number of ways you can ease the pain.

Everyone is familiar with the practice of taking notes. For exams it is best to take a few brief notes on your wrist under your watchband. This method of note taking is not very highly recommended as there is some risk involved. Some girls have trouble with narrow watchbands, but this can be overcome by using a knee. Another way to beat the midterms is to mix midnight oil and coffee.

## ATOMIC SHARPENER

If you haven't seen Mrs. Peck's new atomic age pencil sharpener, don't wait another day. This mechanical marvel even holds the pencil for you and is completely portable.

By now you Freshmen military science students have learned left from right and the

difference between a stacking ferrel and an operating handle. It's amazing what you can learn in a few short weeks, isn't it! Many freshmen are making a hobby of counting the "goofs" made by the seniors trying to give commands.

Strange sounds issuing from Jone's hall turned out to be several barroom naritones harmonizing on a television commercial about an ambitious pig. Not much talent, but they're plenty loud.

## SERIOUS SIDE

On the serious side, plenty of people are asking where the Science Fiction department is in our library. The answer is simple. There just isn't one. This is good fiction and is recognized by at least part of our English department as such. Cheer up, the library downtown has a good selection.

One more gripe; every year the upperclassmen look to the Freshmen to give our almost-dead school spirit a shot in the arm. It never happens. Our football games are about as noisy as a junior high school home ec. class with a cake in the oven. Why doesn't someone start a crusade?

# Are Senior Couple

By Marguerite Cotton

Eleanor Warmbrod from Belvidere is our girl-of-the-week. She is a cute, dark-eyed Senior who has been active in many school activities.

Eleanor graduated from Franklin County high school in 1951. In high school she was a member of the band, Beta club, Future Homemakers of America, newspaper staff, annual staff, and as a Senior she was elected secretary of the student body.

Besides participating in the many high school activities, Eleanor was an active member of the 4-H club. She was in the Honor club, All Star, and won the Vol State award.

## Active In Activities

As a student at MTSC Eleanor has been a member of the Home Economics club and the Beta club. She has served as secretary of the Beta club, second vice-president of the Home Ec. club, secretary of the Home Ec. club, and senior representative to Congress. She was recently initiated into the Tau Omicron Honor Society for women. Eleanor also played in the MTSC band for two years.

Eleanor is majoring in Home Economics and Biology. She is a member of the Evangelical and Reformed church. Her hobby is reading, and her future plans include teaching or working as a home demonstration agent.

Our boy-of-the-week, Jim Satterfield, hails from Hartsville. He graduated from Trousdale county high school in 1948.

In high school, Jim served as president of his sophomore, junior and senior classes, president of the Future Farmers of America, vice president of the Beta club, Prophet of the Senior class, alternate football captain, football captain, "Most Valuable Football Player," alternate captain of the basketball team, and a member of the baseball team for two years.

## Transferred to MTSC

Following his graduation, Jim entered Cumberland University. In 1949 he transferred to MTSC. He is a veteran of one year's service in Korea where he served as a sergeant in the army. He was awarded the Bronze Star Medal for distinguished service.

At MTSC Jim has served on the dormitory and is president of the Boys' dormitory council, a member of the baseball team, and president of the Senior class. He is a member of the Baptist church.

## Hobby Is Golf

Jim is majoring in physical education and biology. His main hobby is golf. He plans to get his master's degree and to become a football coach.

# Six Young Misses Lead MTSC Band For 1954 Season

By BARBARA STEWART

At the first performance of the Middle Tennessee State College Band, you no doubt noticed those very attractive young ladies at the head of the procession as the band marched down the field. M.T.S.C. has long been noted for its majorettes and this year is certainly no exception.

Captain of the 1954 edition of the M.T.S.C. majorettes is a very talented and pretty native of Murfreesboro, Martha Dickens. Martha is a senior and she is beginning her fourth year of strutting before the college band. Before she entered college she was a high school majorette at Murfreesboro Central. She has light brown hair and brown eyes, and is about five feet six inches tall.

Three-Year Majorette Gena Nobel hails from Brentwood, Tenn., near Nashville. She attended Franklin high school where she was a majorette for three years. Gena is a darling little freshman with blond hair and green eyes. She stands five feet four, weighs one hundred thirteen pounds and has one of the friendliest smiles to be found on the campus. Gena plans to major in physical education. Miss Nobel is already well on the road to success at M.T.S.C. as she was recently elected vice-president of the freshman class.

Another very pretty majorette is Billie Cross, who is a graduate of Central high school in Shelbyville. Billie is also a member of the freshman class and this is her first year as a majorette. She says that she had no experience as a high school majorette. Billie, a music major, likes the friendly people at M.T.S.C. and enjoys dancing and reading.

Enjoys Dorm Life Marguerite Cotton, a blond, blue-eyed junior, is in her third year of baton twirling at M.T.S.C. Marguerite is originally from Columbia, Tenn., where she was a majorette at Columbia high school. She says that she enjoys the dorm life most here, and is very interested in sports. Marguerite is majoring in elementary education and is a member of the Aquatic Club, Sidelines staff, WAA, and SCU.

Anna Jane Myers, an attractive sophomore from McMinnville, claims band as her favorite subject at M.T.S.C. Anna Jane is five feet five inches tall, weighs one hundred eighteen pounds, and is blessed with brown hair and blue eyes. Anna Jane is a business administration major. Her chief interest is people. She was a baton

twirler at McMinnville, and was also a member of the Beta Club, and the Home Economics Club. She was also a member of the Beta Club, and the Home Economics Club. She was also a member of the Beta Club, and the Home Economics Club.

Dot Pistole, Anna Jane Myers, and Elizabeth Turner attended the Sorghum Festival at McMinnville last Thursday night.

Mary Lou Couch seems in high spirits this week. The person responsible for this is Bill Hix.

Our ears are growing much from eave-dropping, so we'll have to wait until next time for more gossip.

# What's My Line?

Shown here with our "WHAT'S MY LINE" girl for this week is Miss Mary Jo Mann, left, freshman co-ed from Nashville. The identity of the other person is contained in the answer to "What's My Line" column below. This is the latest feature for the interest of SIDELINES readers.

My job is not a skilled one, however it is a job not ordinarily done by a male person. It is a part-time job which requires my duties from 8 a.m. until 8 p.m. each Saturday. I have a direct contact with the buying public but seldom transact business with men.

By doing this line of work I help alleviate my school expenses at MTSC. I am a freshman living in Rutledge Hall.

My work is done entirely indoors and requires that I remain on my feet all day—this job does not consist of any "high pressure" selling.

People with less than a nickel coin can do business with me.

Persons doing business with me do not have to be wealthy to purchase our goods. It is established that I am somewhat of a salesgirl . . . the question is . . . WHAT'S MY LINE?

ANSWER: I am Virginia Ann Lee's 5 & 10 Cent Store in Murfreesboro.

## News Rustling . . .

# Gives Analysis, Dance Suggestion

CHEMISTRY . . . (ACP)—From the University of Rhode Island Beacon comes this chemical analysis of a woman:

Symbol: Wo.  
Accepted Atomic Weight: 120.  
Physical Properties: Boils at nothing and freezes at anything. Melts when perfectly treated and very bitter if not well-used.  
Occurrence: Found wherever man exists.

Chemical Properties: Possesses a great affinity for gold, silver, platinum and precious stones. Violent reaction if left alone.

Uses: Highly ornamental. Useful as a tonic acceleration of low spirits and an equalizer of the distribution of wealth—is probably the most effective income reducing agent known.

IN CASE OF ACCIDENT . . . (ACP)—From the Daily Nebraskan, University of Nebraska, come these suggestions on what you can do if you should fall on the dance floor during a fast number:

1. Just lie there—they'll think you've fainted.
2. Start singing—they'll think you're part of the act.
3. Start mopping the floor with your handkerchief—they'll think you work there.

## SIGN UP FOR WIENER ROAST

All science students are invited to attend the chemistry club wiener roast and hay ride Friday, October 29, Wednesday, that's today, is the deadline for signing up—so see a chemistry club member or stop by the department stockroom for details.

# Sharp, Gilbert Are Newest Additions To MTSC Faculty

By EMILY BELL

A short time after World War II, a group of young Germans and Americans met together for the purpose of exchanging ideas about their respective countries. It was in this group that Ortrun Engenhansen met a young American, James Wade Gilbert, who became her music pupil, and later her husband.

Mrs. Gilbert is now teaching music at MTSC, a great distance from Bremen, in the northern part of Germany, where she was born and received most of her education. She completed her education in Graz, Austria; Detmold, West Germany; and finally at the Birmingham Conservatory of Music. As an exchange student, she attended school in England and lived in English homes several times which aided her mastery of the English language.

## Arrived In '48

Mr. and Mrs. Gilbert came to America in 1948. While attending the Birmingham Conservatory of music she taught freshman German at Birmingham Southern College, an affiliate of the Conservatory.

"Germany is the singing country," says Mrs. Gilbert, and this is one thing she misses very much. She misses the genuine joviality of a large crowd. She said that at most American parties, the people gather around in separate little bunches. The German parties are not like that but the people have fun as one big group.

## No Class Distinction

"I like the complete absence of class distinction in America." Also, she likes the lack of stiffness in social affairs.

The eating habits of the Germans are similar to American habits, but due to the colder climate, they eat more starchy foods. They also eat more often—a total of five meals a day. At 7 a.m. they eat breakfast, and then have another breakfast at about 10 a.m. At about 1 or 2 p.m. they eat the main meal of the day then around 4 or 5 p.m. tea and cake. Finally, at 7 p.m. is the final meal, a light supper.

## Listens to Concerts

In Germany there was a concert of some sort nearly every night. Now, one of Mrs. Gilbert's favorite pastimes is sitting at home listening to records which remind her of the concerts.

James Wade Gilbert is also a new member of the MTSC faculty. The Gilberts have a 3½ year old son, Wade, Jr. Last year Mrs. Gilbert visited her mother and sister in Germany.

Although dry weather of the past summer brought misery to many people around here, it was rain that caused Hollie W. Sharpe, new addition to the MTSC, business depart-

ment, plenty of trouble. Last July 30, Sharpe was running to get in out of the rain. He slipped, fell, and broke his hip, although he didn't realize it at the time. After walking around on the fracture about 6 weeks, he went to a doctor and on being X-rayed he found out the extent of his injury. He was operated on about a month ago and will be in his wheel chair for about two more weeks.

## Teaches From Chair

Although in a wheel chair, he has taken over several classes in the business department.

Sharpe is from Hermitage, Tennessee, and graduated from Donelson High School in '45. He received his degree at Peabody, and this past summer attended Indiana State University.

He started teaching at Fayetteville Central high school where he remained for two years. From there he went to North East Louisiana State College at Monroe, Louisiana. He taught for two years at the Louisiana college and served as the assistant professor of secretarial sciences. He is a member of the Executive Board of Louisiana Education Association, and a member of the State Board of Christian Education of the Church of God.

## Former President

Sharpe is a former President of the Tennessee Business Education Association.

He is married to Louise Hendrix of Eagleville; and they have two children, Hollie Lynn, 2, and Deborah Kay, 1.

## Fall Fashions

# Add Brilliance

By MARGUERITE COTTON

This year's fall fashions give us a new spectrum of brilliance. To capture the new radiance there is no medium quite like wool. Wool's dimensional texture gives color a stirring contrast of light and depth.

Whether you want to go dining or attend classes—you can't go wrong with tweeds.

Fall and winter cottons are very popular this season. The French heels are again popular with tall girls—and short.

An old '20's accessory is quite fashionable—the rope beads. They come in many assorted colors and can be worn according to your own taste.

P.S. You might be interested to know that Dot Key of Monahan Hall, makes very beautiful earrings. Put in your order Now.

# Campus Capers Include . . .

Monahan Moans . . .

Marguerite Cotton — Martha Harrison

Congratulations are extended to Ruth Page, Joyce Garner, and Margaret Coleman for being chosen as candidates for our 1954 Homecoming Queen. A wonderful selection, don't you agree?

Why has Carol Williams been having these late dates? Could the answer be that "Tex" works late?

Helen Rhoten has been doing some very mysterious things lately; since she is spending most of her nights at the library, supposedly. For additional information, contact her friends on second floor.

## NEW ORGANIZATION

A new organization known as the TFA has been organized by Lois Stedman, Dolores Ross, Gail Clark, Betty Clemmons, and Joyce Harmon. Another member of the club, known as TLUDSS, is invisible to everyone except the members of the club. If anyone seems to feel that these girls are acting strangely, it is probably due to the behavior of TLUDSS.

Frances Ezell, Mary Haynie, Virginia Francis, Fern Ingle, Joyce Nokes, Edith Jo Lackey, Betty Williams, W. G. Johnson, Wayne Walters, Roy Hicks, Bill Smith, Elan Whitzell, Edgar Simmons, Buddy Baker, and Willard Davis had a wiener roast on Oct. 12. From what they say, they must have had loads of fun.

Haven't we seen Edith Jo Lackey and Buddy Baker in the lobby quite frequently lately? Hear they are dating occasionally—such as each and every night.

Eleanor Martin and Buck Rolman are a familiar twosome sitting in front of the dorm.

## RECENT EVENTS

Elected to the dorm council were: Joyce Cooper, Anna Cook, Dena Croft, and Pat Wilson. Congratulations girls, certainly would hate to have your job.

## Lyon Hall Prattle . . .

By Yvonne and "Dodo"

Things have really been popping in Lyon this week. I'm referring to the popcorn popper, owned by Eucla Mae Wallace. She seems to have many callers.

We are proud to boast of our Majorette from Lyon. She is Miss Anne Jane Myers, a transfer from David Lipscomb.

## BIRTHDAY PARTY GIVEN

Miss Joyce Staley was honored by a birthday party last week. I won't state her age, on the grounds that it might incriminate me. Those present were: Wilodene Mattingly, Sue Adamson, Lou Osborn, Betty Windrow, Peggy Felts, Mary Cook, Ruth Spraker, Earline Woodall, Inez Sandusky, Jeanne Young, Jeanette Chapman, Martael McArthur, Sarah

What makes a Lucky taste better?

# "IT'S TOASTED"

to taste better!

What cigarette do college students go for? According to the latest, biggest coast-to-coast survey, students prefer Luckies to all other brands. And once again, the No. 1 reason is better taste. Of course Luckies taste better. First of all, Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better. Try a pack. Maybe you'll be as fortunate as the student in the Doodle to the right, titled: Lucky smoker . . . faulty cigarette vending machine. Even if you're not, you'll enjoy the better-tasting cigarette . . . Lucky Strike.

STUDENTS! EARN \$25!

Lucky Doodles are pouring in! Where are yours? We pay \$25 for all we use, and for many we don't use. So, send every original Doodle in your noode, with its descriptive title, to Lucky Doodle, P.O. Box 67, New York 46, N.Y.

Bring Wrestling Back... New Resolution is Before Congress

By Don Jackson WHEREAS This college believes in intercollegiate athletics properly regulated.

WHEREAS During the past four years MTSC has fielded a wrestling team that has competed in intercollegiate matches with such colleges as Auburn, University of Chattanooga, Maryville, Emory University and Vanderbilt, successfully.

WHEREAS The past two years the MTSC wrestling team has captured second place in the South Eastern Conference Wrestling Tournament, which was held on the MTSC campus last year.

AND WHEREAS In the past students of MTSC have shown their interest in the sport by their support of the team to the extent that last year wrestling was one of the most popular sports on the campus.

THEREFORE Be it resolved that this Associated Student Congress hereby go on record as being in favor of reinstating wrestling as an intercollegiate sport, without the loss of any of the existing sports on the campus.

Tell Congressman The above is a copy of a Resolution now before your Associated Student Body Congress. If you would like to see wrestling return to the campus, act now and tell your congressman to vote in favor of this resolution.

The following will be in the form of a short history of wrestling here at MTSC. Coach Joe Black Hayes started wrestling in 1951. That year we had a 11-man squad. In 1952 we had a 16-man squad that won 2 and dropped 9 decisions. Individuals who had a good year were Captain Lem Vaughn, Bob Osteen, and G. P. (Continued on Page Four)

Raiders Reach Half Way Point; Look At Season's Record

by Don Whitfield Here we are at the halfway point of the 1954 football season. The record stands a two wins, two losses and one tie. After analyzing the picture all will agree that the record should read four wins and one loss.

In the season opener MTSC ball carriers made a path up the middle of Jones Field as they ran up a 52 to 0 score on the Airmen from Sewart. Next week something happened just what neither the coaches, players or publicity department is willing to say. The headline for that game with Eastern Kentucky looked something like this: Please don't send any flowers!

In Bowling Green, Kentucky the next week it was harrowing. The boys in Blue out battled the Toppers and for 50:59 seconds led 6-0. Then on the 60th second of the 59th minute Western scored the tying touchdown and after the game had ended the extra point was kicked giving WK the victory.

If you think that was close did you see the next week's exciting contest. Perhaps feeling a little over confident the Raiders took field against Austin Peay State and were presented with a tie. Although this tie

nevertheless in style because it was small and narrow! The Raiders did everything but cross the goal line a second time but had to settle for the 7-7 decision. Since only those things called touchdowns, field goals, safeties and extra points count, we only recorded one touchdown and one extra point.

Having been denied victory for three successive weeks the Raiders were hungry. The Morehead Eagles invaded Murfreesboro, and the Raiders mowed their way to their first collegiate victory of the 1954 campaign. At one time MTSC lead 14-0 and it looked as if the seasons opener would be duplicated but mistakes again took their toll and the

score ended 20-13.

It was a different group on the practice field Monday following the victory over Morehead. When players and their mistakes called to their attention they snapped back "I will get him next time coach" or "just give me one more shot at him." Maybe they enjoy that feeling of being victorious so much that 1954 can yet be salvaged from defeat and turned into one of the best. The big games are yet to come and a victory over Memphis State, Murray, Florence, and TPI would make 1954 as big a date to Middle Tennessee football fans as 1492 is to some of the historians around here.

IA Club Lists Members

Seventeen new members were elected to join the Industrial Arts club here October 18, Charles Pigg, publicity chairman, announced.

They are: William Cates, John Anderson, Robert Pederzani, Jerry Phillips, Michael Cox, Bob Garrett, Jim Henry, Carl McKnight, Clyde Bennett, Joe Miller, Robert Beasley, Lewis Moore, E. Dick Wyatt, William Jamison, Houston Clark, and Tommy Hays.

Also, discussed at regular meeting of October 18 were plans for the homecoming float by the float planning committee headed by Doyle Caffey. Johnny Sears heads the social activities committee of the club.

Raiders of the Week...

Choose Smith, Tribble

By BILL DAVIS For our first Raider Of The Week we have chosen Bobby Ray Smith, a senior and a physical education major.

Having been born and raised in Lawrenceburg, Bobby attended high school there where he played football and basketball for three years. In basketball he was acclaimed an "All State."

Bobby, his wife and small son live in the MTSC vet's village, where he enjoys his favorite foods, steaks and chess pie.

As a Raider Bobby is a rough and ready tackle. He is a three year letterman and plays a bang-up ball game. Favorite hobbies? Why, hunting and fishing, of course.

We are sure Bobby will do great as a draftsman when he leaves MTSC.

Clifton Tribble is our second Raider Of The Week. Clifton is a flashing freshman fullback for the

About the Raiders...

Ezell, Tribble, Akin Head Scores

By Don Whitfield

In spite of the fact that Clifton Tribble has been in only three games for Middle Tennessee State College thus far this season he has amassed a total of 380 yards in 38 carries for an average of 10 yards per try.

Barring injuries Tribble bids fair to break all existing MTSC ground records before he graduates. Should Tribble maintain his phenomenal running average he will challenge most of the ground records in the Ohio Valley Conference by the end of his junior year.

Other offensive leaders on the Raider squad are Garner Ezell (with 144 yards in 41 carries) and Travis Akin (with 126 yards in 22 carries). Although Ezell's average is not outstanding he is a valuable asset to the team. Under the leadership of this steady co-captain the team seems to function with greater efficiency. Akin is one of the smallest men in the OVC. He weighs only 155 pounds but makes up for his lack of size with ambition.

A big weakness in the Middle Tennessee offense so far this season has been in its passing. The Raiders have lost the ball through interceptions nine times, while completing only 14 for a total of 287 yards in five games. Jimmie Dunlap and Francis Reynolds handled most of the passing chores in the first five games.

Kicking Trouble Along with the lack of an effective passer Coach Murphy has had a difficult time finding someone to do the kicking. Dunlap and Reynolds have been used in this department along with tackle Bobby Ray Smith. Smith is the best punter of the three but was not in the game on several occasions when the Big Blue needed to kick their way out of trouble.

Scored Early The first MTSC score came early in the second period after a short punt by Hart went out of bounds on the Morehead 48-yard line. Only three plays were needed on the drive. Tribble carried once for 12; Ezell picked up three through the middle, then Tribble picked his way through the line, broke into the secondary and outstepped the Kentuckians for the TD. George Haley's kick was good sending the Raiders out front 7-0.

Midway of the same period Middle Tennessee tallied again. This time Travis Akin wiggled through the Morehead defense for nine yards and paydirt. The score was set up when Akin intercepted an Eagle pass, returned it to the Morehead 42 yard line; then on the next play Akin took a pass from Garner Ezell which was good for 25 yards and a first down on the 17-yard line. Haley again booted the extra and the Raiders led 14-0.

Bounced Back Morehead bounced back, and with less than a minute to play in the first half, Hart took a handoff and sweep left end for four yards and a touchdown. The play that set up the score was of the freakish variety. Morehead went into punt formation, but the center was high so Adkins decided to run the ball. After running the ball 12 yards he was tackled and fumbled. The fumbled ball was kicked around and finally recovered on the Middle Tennessee 19-yard line. The result was the same as if it had been a 36 yard run. Barkley kicked the extra and the teams left the field at half time with MTSC leading 14-7.

A fumble by quarterback Sid Corban set up the second Morehead TD. This time the Eagles flapped their wing and took the air. Three passes ate up 35 yards and moved the ball near the Raider goal. Three running plays and a penalty moved the ball to the one yard line, and halfback Adkins bucked across the "touch." Barkley missed his chance to tie the game when his kick went wide to the right of the goal post.

Ends Scoring Late in the fourth quarter the Raider's offensive machine began to roll once again. Tribble zipped 51 yards on an end sweep setting up the score; then fireballed his way across from the five for the marker. This ended the scoring and when the final whistle blew MTSC was the winner 20-13.

After Memphis State comes Florence State then Murray and that is the big one. This is the game that Middle Tennessee has chosen to recall as her old "grads". Murray will undoubtedly be tough as she always is for MTSC. Last year the Blue Raiders downed the Throughbreds on their own track in a nip and tuck affair. Gene Sadler grabbed a pass in the Murray end zone to give the Raiders a 28-25 win.

Murray started the season by winning two straight games then hit a rut and dropped a couple. They were downed by Eastern Kentucky and Memphis State.

A big day is in the making come November 6, 1954. A fitting climax will be Middle Tennessee victorious and Murray losers.

Raiders Tie Governors 7-7 In VSAC Title Try Oct. 8

Middle Tennessee State and Austin Peay State fought the VSAC football title race into a deadlock Friday night in a 7-7 tie that was as nearly even contest as one could imagine.

Each team made 11 first downs. Austin Peay gained 224 yards, MTSC 223. The Governors fumbled five times, the Raiders fumbled an equal number. Both teams recovered three of their opponents' miscues. However the Raiders fumbled away two good scoring opportunities, one on the one yard line, and had a penalty nullify a late fourth quarter drive that had moved them to the Governor's 17. Austin Peay also drew two successive penalties that broke a determined bid of their own. Most heart-

breaking play of the game from the Murfreesboro point of view occurred when Travis Aiken took a kick on his own 20 and returned to the AP 11 only to have it nullified by a clipping penalty.

Ray Lucas and Bob McClearn recovered a fumble on the Raider 16 yard line in the first quarter after Midwood had sent a beautiful 59 yard boot dead on the Raider one foot line. After the recovered Midwood took five through tackle, Alexander and Hill moved it to a first down on the six where Alexander on the third play moved over. Jack Midwood converted.

Clifton Tribble, Lebanon freshman, carried the ball 16 times for 143 yards Friday night. Sixty-one of these yards led the Raider touchdown drive in the third quarter with Francis Reynolds sneaking across from the one. Howard Haley converted the important boot.

T Club Elects Year's Leaders, Boosts Members

Election of officers and plans for a special meeting room and float were the agenda of the initial meeting of the month for the T Club.

George Haley was elected president of the club and Garner Ezell was named vice president.

Other officers were Winston "Wink" Bennett, secretary and treasurer, Howard Haley and Sidney Corbin, sergeants-at-arms. Coaches Bob Murphy, Billy Jones and Charles Greer are sponsors.

Secretary Bennett stated that this was one of the "finest clubs we have had the past year."

Bennett attributed this to the increase in membership which had risen to forty-seven students, and the willingness of everyone to work and the pride the members are taking.

Proceeds from football program sales will be used for remodeling a regular meeting room for the club.

Statistics table comparing MTSC and Austin Peay across various categories like First Downs, Yards Rushing, Yards Passing, Passes Attempted, and Passes Completed.

Both teams suffered numerous injuries—two of which will be crippling blows. Joe Hallum has a dislocated knee for the Raiders and Jack Midwood, whose play Friday night was sensational, will be lost for two weeks with a foot injury, according to Dave Aaron.

The Governors ripped the Raider tackles to shreds, led by powerful Ed Swiderski. The Raiders also had difficulty in turning the Austin Peay flankers to sweep their little backs clear of the line.

Top ground gainers were: MTSC, Tribble 143, Ezell 28, Aiken 26; Austin Peay, Alexander 67; Sands 41; Corso 23.

Raiders Pace Eagle Defense For 20-13 Score

Clifton Tribble ran up 168 yards against Morehead State College to give Middle Tennessee State its first Ohio Valley Conference win of the 1954 season. Tribble scored early in the second period on a 33-yard run and again midway of the fourth quarter as he paced the Raiders to the 20-13 victory.

Mistakes again kept the Big Blue in hot water throughout the contest. Raider ball carriers thrice coughed up the ball and on three other occasions handed the ball over to Morehead on pass interceptions.

The first MTSC score came early in the second period after a short punt by Hart went out of bounds on the Morehead 48-yard line. Only three plays were needed on the drive. Tribble carried once for 12; Ezell picked up three through the middle, then Tribble picked his way through the line, broke into the secondary and outstepped the Kentuckians for the TD. George Haley's kick was good sending the Raiders out front 7-0.

Midway of the same period Middle Tennessee tallied again. This time Travis Akin wiggled through the Morehead defense for nine yards and paydirt. The score was set up when Akin intercepted an Eagle pass, returned it to the Morehead 42 yard line; then on the next play Akin took a pass from Garner Ezell which was good for 25 yards and a first down on the 17-yard line. Haley again booted the extra and the Raiders led 14-0.

Morehead bounced back, and with less than a minute to play in the first half, Hart took a handoff and sweep left end for four yards and a touchdown. The play that set up the score was of the freakish variety. Morehead went into punt formation, but the center was high so Adkins decided to run the ball. After running the ball 12 yards he was tackled and fumbled. The fumbled ball was kicked around and finally recovered on the Middle Tennessee 19-yard line. The result was the same as if it had been a 36 yard run. Barkley kicked the extra and the teams left the field at half time with MTSC leading 14-7.

A fumble by quarterback Sid Corban set up the second Morehead TD. This time the Eagles flapped their wing and took the air. Three passes ate up 35 yards and moved the ball near the Raider goal. Three running plays and a penalty moved the ball to the one yard line, and halfback Adkins bucked across the "touch." Barkley missed his chance to tie the game when his kick went wide to the right of the goal post.

Late in the fourth quarter the Raider's offensive machine began to roll once again. Tribble zipped 51 yards on an end sweep setting up the score; then fireballed his way across from the five for the marker. This ended the scoring and when the final whistle blew MTSC was the winner 20-13.

### Music Department Names Ensembles

Five small ensembles of instrumental musicians have been organized on the MTSC campus this quarter. They will soon be ready to present local programs, recitals, and to play for schools on short tours. Several schools in middle Tennessee have asked the director, K. L. Pace, to bring groups to their high schools for assembly programs.

The ensembles and their personnel are as follows:

**BRASS SEXTET:** Basli Rigney, trumpet; James Claus, coronet; Norma Follis, French horn; Joyce Kidwell, trombone; Janice Kidwell, baritone; Fred Boswell, tuba.

**BRASS QUINTET:** Bobby McRae and Dick Turner, trumpets; Ed Baldwin, French horn; Donald Sain, baritone; Joe Nicholson, tuba.

**WOODWIND TRIO:** Elizabeth Nicholson, flute; Gena Noble, oboe; Jerre Keeton, clarinet.

**CLARINET QUARTET:** Robert Cheseman, Jerry Keeton, Jerry Phillips, Tommy Tucker, B flat clarinets; base clarinet, Tommy Tucker.

**SAXOPHONE QUARTET:** Jerry Williamson and Catherine Ray, alto saxophones; Bob York, tenor saxophone; Tommy Tucker, baritone saxophone.

### Home Economics Club Members, Old and New

Home Economics Club members pictured above took part in the Fall Quarter Initiation of new members held October 18.

### Home Ec. Club Holds Meeting, Initiates Members

The Home Economics Club met on October 18, at six o'clock in the drawing room of the Science Building. The main highlight of the meeting was the initiation of the new members by the president and officers.

The new members approached at the door, and upon knocking to seek entrance the club, were asked in. As they entered, they saw a table in the center of the room and chairs in front of the table. On the table were Betty Lamps and candles. The new members were given candles and shown to their chairs.

Marie Smith, president, presided, and presently another knock was heard at the door. It was the Spirit of Home Economics, who entered carrying a lighted candle. The lighted candle represented the light of service which will enable members to serve their community, home, school, state and even nation.

The officers and members lighted their candles from the candles lighted by this Spirit of Home Economics, and in so doing, filled the room with the warm light showing what all the girls working together can do to light a room, whereas one candle alone would hardly show up. This represents the objective of the group—working together for the good of humanity.

After this ceremony, the business was taken up and the girls looked at slides of floats to get ideas for one for the club. Discussion was held on the matter, and a definite idea was reached.

### Majorettes ...

(Continued From Page 1)  
twirler at Central high school in Home Ec. Major McMinville.

Last, but by no means least, to be spotlighted is another freshman, Sarah Yeager, whose hometown is Nashville. Sarah can be easily recognized on the field because she has beautiful shoulder length red hair. Sarah has brown eyes, weighs one hundred-twenty pounds, and is five feet five inches tall. She is planning to major in the field of home economics. She would like to be an airline hostess or teach home economics. Sarah enjoys dancing, football, and baton twirling.

With a bevy of pretty girls like these at the head of the band, how can we help but have a wonderful year.

### Wreck ...

(Continued From Page One)  
had dropped out of school and was working for the Carnation company here. He was a graduate of Central High School and was president in Future Farmers of America and 4-H Club work. He had won several honors as a junior dairyman. A native of Tullahoma, he was a member of the North Boulevard Church of Christ.

Surviving Bills, besides his parents, are a sister, Miss Gladys Marie Bills, Murfreesboro, and his grandmothers, Mrs. C. R. Tilford, Murfreesboro, and Mrs. M. S. Bills, Tullahoma.

Pate was a son of Mr. and Mrs. Dooley G. Pate of Barfield Road. He was a member of the FFA and the Track and Saber Club at MTSC. He did part time work for the Carnation company. He was a member of the Baptist church.

Other survivors of Pate are two

brothers, Gerald Stanley Pate, Camp Lejeune, N. C., and James R. Pate, of Murfreesboro, and his grandparents, Mr. and Mrs. W. G. (Doc) Pate, Murfreesboro, and Mr. and Mrs. T. N. Austin, Sparta.

Funeral services for Bills were held Saturday at Woodfin Memorial Chapel. J. Leonard Jackson and George DeHoff officiated and burial was in Tullahoma.

Double services for Miss Stegall and Pate were also held Saturday at Woodfin Memorial Chapel. Joe Netherland and Dr. Robert Palmer conducted the services and burial was in Evergreen cemetery.

Services for Miss Durham were held Sunday afternoon at Lafayette Missionary Baptist church. The Rev. William Birdwell officiated and burial was in Liberty cemetery.

### Alumni News ...

(Continued From Page 1)  
Memphis City Schools: Russell Tuck, who reported that his wife is recovering from an operation; Lowell Crane, who is now in the insurance business in Jackson, and his wife.

Mrs. Hester Ray of Jackson; Mrs. W. O. Warren, teacher at McKenzie; Charlie Kerr, member of the State Department of Education; T. A. Passons of Sparta; Basil McMahon of Murfreesboro; John Minor Stuart of Dickson; Arthur Jones of the State Department of Education; and Dr. H. E. Windrow of Peabody College.

Some news was learned of other alumni of this area—J. Bradley Lea has been in a serious condition in the Kennedy General Hospital but is recuperating at home.

### Wrestling ...

(Continued From Page One)

Long. In 1954 the team won 7 lost 2 and tied 1, and placed second in the South Eastern Tournament. Individual stars that year were Southern champion G. P. Long, and runners-up were Bill Porterfield, Bill Hix, David Leverette, and John Nickens.

### Last Year's Record

Last year the Raider Mat team won 8 and dropped 3 all by close scores. Led by Captain Bill Porterfield the Raiders again took second place in the Tournament. Bill Hix won the heavyweight crown and John Nickens won the 177 lbs. class and the title of outstanding wrestler of the tournament.

Wrestling is a good spectator sport

as well as a good one to participate in as any one who has wrestled or seen a match will be glad to tell you.

Even as you read this there is a petition going around the MTSC campus. If you would like to see wrestling this year sign it.

### HIX, MARKLE TO BE IRC SPEAKERS

Bill Hix and John Markle, members of the MTSC veterans club, will be speakers at this week's international relations club meet Thursday night at 7 o'clock.

### JACK WEBB AND BEN ALEXANDER

You know them best as Sgt. Joe Friday and Officer Frank Smith—stars of Chesterfield's award-winning "Dragnet" on TV and Radio. They're now starred in the movies, too, in Warner Bros.' great new picture, "Dragnet."

**WHAT A PAIR!**

**WHAT A BUY! Chesterfield regular and king-size. (Both at the same price in most places).**

Jack Webb and Ben Alexander want what you want from a cigarette. Relaxation, comfort, satisfaction. They know where to find it—because in the whole wide world, no cigarette satisfies like a Chesterfield.

Chesterfields are best to smoke because they alone have the right combination of the world's best tobaccos. Chesterfields are best for you because they're highest in quality, low in nicotine.

Try a carton of Chesterfields today.
