

The SIDELINES

VOICE OF MTSU, THE UNIVERSITY OF INDIVIDUAL OPPORTUNITY

Vol. 38—No. 27

Middle Tennessee State University, Murfreesboro, Tennessee

July 13, 1965

Staff Expanded As New Offices, Changes Made

The summer session and the beginning of the new fiscal year July 1, brought many changes in the staff and faculty to MTSU.

Among these are: Dr. Ralph Kirkman, dean of the Graduate school, succeeding Dr. Kirksey who continues as dean of the faculty; Dr. James Covington, assistant director of guidance and counseling; A. Chester Burns, dean of men; Everette Sams, assistant dean of admissions; Hixson Pugh, purchasing agent, a new post in the business office; Charles L. Pigg, assistant superintendent of plant and planning, to work with Mr. Voorhies and Mr. Jewell; Delmas Devoss, a recent MTSC graduate, as MTSU security officer.

After a two year tour in the Army Mr. Pigg has been employed by the State of Tennessee as a road design engineer.

Two of the expected forty new faculty members began work this summer. They are Dr. Billy G. Gunter in social science and Paul E. Ducker in physical science. Two other summer school faculty members are Miss Genevieve Gebhardt, assisting Miss Leneil Edwards in the library service courses and William Chester in geography.

Mrs. Audrey Ellis has resigned as a dormitory hostess and Mrs. Margery Cochran has been added. Mrs. Cochran has been a "floating housemother" at the University of Tennessee for the past two years. A hostess will be designated soon, according to Dean Martha Hampton, to be in charge of the Jones Hall, which will be converted to a women's dormitory this fall.

With Dean Keathley moving to the new post of director of loans and student aid a new secretary has been named for this office. She is Mrs. Mildred Grace Graves. Mary Elizabeth Hiller, who graduated in the May 28 class, has succeeded Anne Ellington Wagner as secretary for Dr. James Martin.

Other recent additions to the secretarial staff of the college include Mrs. Linda Matheny, business office; Mrs. Barbara Cook, business office; Mrs. Sharon J. Cuneo, mathematics department; Sherry McCrery, Bookstore; Janis Lynn Rhea, library; Linda Redmon, library. Judy Chumney has been moved from Physical Education to Home Economics and Education and Ann Smith has been placed on full time duty in Industrial Arts.

University Will Confer Over 700 Degrees in '65

Dr. Nat T. Winston, department of Mental Health in charge of the psychiatric services will deliver the commencement address at the August 20 convocation at five o'clock in the afternoon on Jones Field.

The 1965 senior class is the largest in the University's history. A total of 137 will have received the Master of Arts degree and more than 600 will have qualified for the baccalaureate degree. There are 99 candidates for the Master's degree on August 20.

Dean N. C. Beasley reviews the history of Middle Tennessee State University as the Associated Student Body observed "University Day" July 1. Other participating on the program are, seated from left, James Jackson, Ross Spielman, Representative John Bragg, Bert Wakeley, Senator Whitney Stegall, Monte Hale, Joe Jackson and Mayor W. H. Westbrooks. John Branham, master of ceremonies, and Wally Cantrell are barely visible behind Mr. Bragg and Allen Rowlett. "Mr. Raider" stands to the far right in Confederate uniform.

Winter Tour To Bethlehem Christmas

Teachers and students who can free two weeks between December 18 and January 4 will have an unusual opportunity to spend Christmas Day in Bethlehem as a part of the University tour to the Holy Land this winter.

Dr. Ed Baldwin of the MTSU geography division will be the tour director. The "short course" is a 17 day version of the six weeks tour conducted in the summer of 1964 by the University. The trip will be made by jet airliner. In addition to the Holy Land the tour members will visit Egypt in Africa, Greece, Rome and Spain in Europe.

Currently Dr. Baldwin is on the sixth annual summer tour sponsored by the University geography division for which both graduate and under graduate credit is given. This is the first time a tour has visited South America. The group left Rio de Janeiro, Brazil Monday of this week and are today in Port of Spain, Trinidad.

Those participating on the tour are Mrs. Dorothy Butler, Hamilton, Ohio; Jerome S. Butler, Hamilton, Ohio; Maruan Josephine Davis, Wabasso, Florida; Mrs. Emilee McPherson Dodson, Nashville; Miss Janie Homan, Chattanooga; Miss Judith Ann Kahn, Hawkinsville, Ga.; Mrs. Henrietta J. Lowe, Paducah, Ky.; Miss Emily Relfe, Chattanooga; George Sloan, Columbia and Miss Martha E. Wheeler, Mt. Pleasant.

Summer Enrollment Sets New Record with 2,633

There were 2,633 students enrolled for the first term of the summer school—largest number in the University history for a summer session. Of this number 589 are in the Graduate School.

There are 365 beginning freshmen, another record, for a summer school.

Final examinations for the first term are set for Wednesday of this week. Second term registration will be held July 15, with classes as usual for full session enrollees.

Five MTSU Coeds Seek Beauty Crowns

Two MTSU co-eds who are summer students are busy preparing to represent Rutherford county and reflect credit on the University in state-wide beauty contests later this summer.

Donna Hicks, a sophomore business major will be in the Jaycees contest at Jackson as a preliminary to the Miss America event. Mary Anne Blankenship, a major in animal science, in the agriculture department, will be in the State Dairy Princess contest.

Mary Ann will have competition from three other MTSU co-eds, Judy Wilson of Williamson county, Judy Morris of Auburton, Cannon county, and Anne Carroll of Mt. View in Coffee county in the state Dairy Princess contest. The contest will be held August 23 and 24 at the Ellington Agriculture Center in Nashville.

Donna is taking special courses this summer in acrobatic dancing, modeling and speech to enhance her chances for the Miss Tennessee title on July 19.

Faculty Members Have Bereavement

Four members of the MTSU faculty have been bereaved with the past few weeks. The mother of Dr. Robert Abbot and that of Dr. Elmer Raper died early in July. The mother of Dr. J. L. Fletcher died earlier in the summer. The father of Oakley Jennings of the science department staff passed away in the late spring.

The SIDELINES extends sympathy to members of these families and to that of Mrs. O. L. Freeman, whose father died recently.

Earth Turned For Married Housing Unit

Contracts have been let for two important construction projects on the Middle Tennessee State University campus, according to Dr. Quill E. Cope, president.

L. L. Poe Construction Company of Tullahoma has been awarded the contract for the three unit complex for married student housing to be located south and east of the new men's dormitories. The approximate cost will be \$400,000.

T. W. Frierson Construction Company of Nashville was the successful bidder for the renovation of the three floors of "Old Main"—the old administration building. The contract price was \$526,000. Work has already started on the salvaging of such materials as can be redeemed from the west wing of the building this summer.

Jones Hall is to be converted to a woman's dormitory this fall.

(Continued on Page 3)

'University Day' Marks Official Change In Status

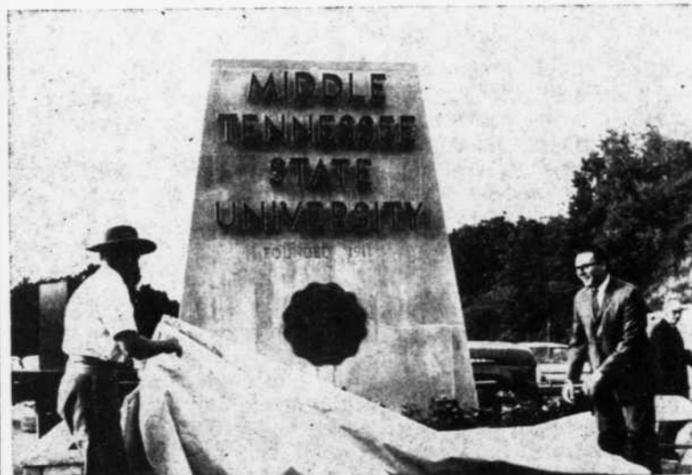

Although Middle Tennessee State has been called a University since the name was changed by the last General Assembly the Associated Student Body marked the formal change in name with brief—but impressive exercises, Thursday afternoon, July 1.

In an exchange of felicitations the mayor of Murfreesboro and the first president of the Associated Student Body of Middle Tennessee State University discussed the mutual advantages of the University of Murfreesboro and the "cultural and economics atmosphere" of the city conducive to the attainment of "maturity."

Mayor W. H. Westbrooks reviewed the advantages to the community of such an institution, pointing out the cultural, economic and social advantages incident to "Murfreesboro's greatest industry." Bert Wakeley, the Associated Student Body president, praised the fine atmosphere provided by the citizens of Murfreesboro for students. He pointed out that a student during a relatively brief but important period of their life could boast of being a citizen here.

Dean N. C. Beasley, who has been at the institution since 1926, spoke on behalf of the administration and faculty. He reviewed the periods of the development of the University from a two-year Normal School founded in 1911, through the stages of growth to a four-year teachers college, then to a multi-purpose State College and now to a University. Changing the name will not make a University, but any experience and better teaching, better students, better curricula will bring about a more decorative, a more marketable and a more satisfying experience worthy of the title of University, he said.

Representative Whitney Stegall and Senator Whitney Stegall, alumni of the institution and co-sponsors of the bill to change the title from "College" to "University" in the last General Assembly each spoke briefly. Each reviewed the contribution MTSU had made to their life. Senator Stegall stated that the University was a symbol of

MTSU's symbolic Raider (Allen Rowlett) and ASB President Bert Wakeley, two misplaced Yankees, unveil the MTSU obelisk on "University Day." Wakeley is a native of Canada and Rowlette, representing the Raider symbol, Nathan Bedford Forrest, is from Evansville, Indiana.

Randolph Wood, second from right, talks with Dr. and Mrs. Cope, and Dean Belt Keathley following the May 28 convocation. Mrs. Wood is seated center. The picture was made at the traditional barbecue supper following Mr. Woods address to the May section of the 1965 class. The new Wood Hall to be opened in September is named in honor of Mr. and Mrs. Wood, MTSU alumni.

Teachers From 18 States At 7th Science Institute

Dr. Kirkman Is Graduate Dean

Dr. Ralph E. Kirkman became dean of the Graduate School at Middle Tennessee State University July 1, according to the announcement of Dr. Quill E. Cope, president. Dr. Kirkman comes to MTSU from the post of academic vice-president of Mobile College in Mobile, Alabama.

Dr. Howard Kirksey has headed the Graduate division at MTSC since its inception in 1952. Under the new University organization he will continue in his post as Dean of the Faculty. Dr. Will Bowdoin is Dean of the School of Education, Dr. Clay Tucker, Dean of the School of Arts and Sciences, Dr. Firman Cunningham, Dean of the School of Business and Industry. Dean John Weems continues as Dean of Admissions and Robert MacLean, administrative assistant to President Cope, will also serve as acting Dean of Students. Miss Martha Hampton continues as Dean of Women. A. Chester Burns has recently been appointed to the new post of Dean of Men, effective August 1.

Dr. Kirkman comes to the University with a broad academic background and wide professional experience for the Graduate School leadership. Since 1963 he has been academic vice-president and dean at Mobile College. Prior to that he had served as director of institutional research, registrar and director of admission at Concord College, Athens, West Virginia.

He is married to the former LOSTEEN POOL. They have three daughters, Kathy 14; Jody 9 and Abby 4. They will live at 1419 Sherrill Boulevard in Murfreesboro.

Two Summer Students Die

Middle Tennessee State University's "family," which has suffered the loss of an unusually large number of students during the past 12 months sustained two more deaths during the month of June.

Albert Preston Long, a senior from Winchester, lost his life while fishing on Woods reservoir. Long was reputed to be a good swimmer but was fishing alone at the time of his death. He was the son of Mr. and Mrs. Frank Long and a physical education major and industrial arts minor.

Gary Neil Julian, 17, only son of Mrs. Doris Julian of McMinnville died in an automobile crash between McMinnville and Sparta on the night of June 25. Five others, including a friend, Jerry Haley, with whom young Julian was riding, were killed in the multiple death accident.

Julian had just entered MTSU as a freshman. He was most active in the work of the Mt. Leo Church of Christ where funeral services were conducted.

Other MTSU students whose death occurred during the past year were James D. Brandon, Elmus Clyde Fite, Paul Frank Ignatz, Norman Lee Miller, Charles Ray Neal and Robert Louis Rowland.

'65 Summer Workshops Attract 500

Middle Tennessee State University has six summer programs attracting some 500 students, the majority of whom are teachers, to the campus. Matriculation for classes in the last term of the regular summer school will be held Thursday of this week.

From a monetary standpoint the \$107,550 grant by the National Science Foundation for the seventh annual multiple-field institute in chemistry, physics, biology and mathematics is the most extensive summer program. Seventy one teachers from 17 states are participating in the 12 week program. All are graduate students and the majority of them have brought families to Murfreesboro. Dr. J. Eldred Wiser is director of the institute.

There are 133 Tennessee teachers participating in the twelfth annual Aerospace workshop under direction of Dr. Bealer Smotherman, which opened June 14 in cooperation with the Tennessee Aeronautics Commission, the U. S. Air Force, the National Aeronautics and Space Administration, the Federal Aviation Agency and the Tennessee Department of Education.

A new experience in summer programs at the University was the Agriservices Foundation Horse Science School and the corollary Farrier's School conducted June 21 to July 1. This is one of two such schools in the United States this year and attracted 77 persons interested in a short course for horsemen. Dr. R. A. Alexander was the co-ordinator for the university.

Finis Poole will be the university co-ordinator for Dr. John Lovegroves' two guidance and counseling workshops for in-service teachers. The two will operate simultaneously from July 19 through July 23. The "Career Development Workshop" for experienced counselors will have 35 participants and the "Beginners Guidance Workshop" will have 30 participants.

Dr. Ed Baldwin will return this weekend from a six weeks tour of South American countries with some 18 persons participating in the sixth annual field study course in geography. Fifteen South and Central American countries were visited.

On June 11-12 some 30 band directors from over the South participated in the Southern Directors Clinic which concluded two weeks workshop in drill techniques for bands, band directors and drum majors and majorettes which was in progress on the campus. The Brainerd and Tyner high school bands from Chattanooga, numbering about 131 performed the latest publications to conclude their six day stay on the campus. Joe Smith, director of the marching bands at MTSU assisted A. R. Casavant of Chattanooga with the operation of this intensive 12 day program.

Paul Roe Goodman, nationally known pianist of Lakeland, Florida, conducted a two-day piano workshop June 28-29. Forty-five mid-state teachers were in attendance. Margaret Wright was co-ordinator for the program.

Along with his scheduled classes, Harold S. Spraker is working with Rutherford County elementary teachers in a workshop. He has a workshop scheduled with the teachers of Tracy City and surrounding counties the last of July. Dr. Spraker is also to speak to a science institute group at Austin Peay State College this month.

Several members of the newly installed Zeta Psi chapter of Alpha Kappa Psi, national business professional society, are shown at the installation banquet May 28. Six faculty members and 30 students are charter members of the MTSU chapter, the 145th unit in the nation.

MTS Aerospace Workshop Again "Best In Nation"

A. Chester Burns Is New Dean Of Men

A Chester Burns, assistant dean of men at Ohio State University has been named as dean of men at Middle Tennessee State University, effective August 1, 1965, according to Dr. Quill E. Cope, president of the Murfreesboro institution. Mr. Burns will succeed Robert MacLean, who has been acting dean, since the transfer of Dean Belt Keathley to the post of Director of Loans and Scholarship. Dean MacLean will return to his duties as full time administrative assistant to president Cope.

Mr. Burns is a native of Jamestown, N. Y. and holds the Bachelor of Science in Engineering from Ohio Northern University and the Master of Arts degree from Ohio State. Since September 1961 he has served in the post of general counselor and assistant dean of men at Ohio State. Previous to that he was an industrial sales representative after spending three years in the Army. He retired from the Army with the rank of first lieutenant in 1946.

Mr. Burns is married to the former Patricia Anne Woods. They have three children, Bonnie Lee 14, Michael Scott 11 and Becky Lynn 8. Mr. Burns is an Episcopalian.

Faculty Members Have Varied Summer Activities

Middle Tennessee State University faculty members who are not teaching in the record breaking summer school are at work in various Universities over the country on doctoral or post-graduate programs.

Ed Voorhies, Calvin Duggan, George Johnson and William Fessmire, are at the University of Tennessee, working on the doctor's degree.

Lionel Prescott has been granted a fellowship by the University of Texas to study under the direction of Harold C. Bold, the famous American psychologist.

Walter Chatman, Billy W. Bolch and James Douthit are at the University of Alabama.

Larry Lowe has successfully defended his dissertation before his doctoral committee at Michigan State University. His topic is, "A Rhetorical Analysis of the Speaking of Robert A. Toombs."

William McCall is at the University of Mississippi. Harold Baldwin is attending Texas A and M. Charles Pinkerton is at the University of Kentucky.

"Thanks to a good president, a co-operative administration and more than all to a dedicated leader named Smotherman, Tennessee has the best Aerospace Workshop among the 225 such efforts offering instruction to 32,000 teachers this summer", John V. Sorenson, director of Aerospace Education, Ellington Air Force Base, declared Wednesday morning in addressing workshop members, school board members and county superintendents.

Mr. Sorenson paid tribute to Dr. Smotherman, Buddy Martin, director of the Tennessee Bureau of Aeronautics, the staff of the Middle Tennessee State University and members of the Workshop organization for the position of leadership that has been attained over the past several years.

"Aerospace is this nation's capacity to act beyond the earth's surface", he said. "Aerospace education pertains to the total impact of air space vehicles in our world". "We are not trying to teach people how to fly but in general we are trying to point up the peaceful use of this dimension in our world and to get more people in the air", Dr. Sorenson explained in outlining the work of such workshops as that at MTSU.

H. Howard Warf, commissioner of education for Tennessee, spoke to the group on the importance of such efforts, "This is one of the several efforts we are making to upgrade the instruction our children are receiving", he said. He pointed out that it was imperative for teachers to understand the importance of space in the world in which the children they are teaching would have to deal.

One hundred and thirty-three Tennessee teachers participating

(Continued to Page 3)

ROTC Lists New Officers, Tour Shifts

Changes in personnel for the military science department of the University have recently been announced.

Newly assigned to the MTSU unit of the ROTC are Captain James R. Dismukes, Birmingham, Ala.; Capt. James M. Tucker, Columbus, Miss.; Capt. Orlanda Zabalá, Puerto Rico; S/Sgt. Robert E. Overton, Buffalo Valley, West Virginia; S/Sgt. James R. Owenby, Cleveland, Tenn.; and Sp. 5 Franklin J. Holly, Bainbridge, Ga.

Personnel recently reassigned from the instructor group at MTSU include, Major John L. McConaughy to Korea; Capt. Benjamin L. Parsley, Ft. Benning, Ga.; S/Sgt. Elmon Presidio of Monterey, California and Sp. 5 Lanny R. Holmes, LaGrange, Ga.

Four Coeds Choose Major In Agriculture Fields

Women have invaded the man's world of agriculture on the north-east side of the campus. For years some MTSU men have been taking little home economics—one brave soul minoring in that field about 15 years ago. A few girls and women have been taking isolated courses in dairying, horticulture, or horsemanship.

This fall there will be at least six females majoring in Agriculture. Currently there are four so engaged. D'Leese Williamson of Jackson, Miss., is a pre-vet major. Susan Bryson, Woodbury, Doris E. Pinkleton, Waverly and Mary Anne Blankenship, Christiana are animal science majors.

Dr. A. A. Alexander, head of the agriculture department, is enthusiastic about the work of young women. He believes all girls should have some practical degree of self-sufficiency about farm work—particularly if she is to live on a farm.

He recently pointed out that women have made exceptionally good veterinarians, farm managers, herdsman, exhibitors, trainers and extension workers. There are other possibilities for the farm trained girl to increase her knowledge and be of real value to the agricultural

interests. There is need for qualified secretaries in all agricultural businesses, ag journalists, laboratory technicians, landscaping and garden consultants.

A girl who takes some agriculture courses can be a boon to her father or a valuable asset to a farmer husband—especially if she takes agricultural economics and courses related to the distaff side of the farm operation.

Dr. Alexander called attention to an article appearing in the current Farm Journal written by Carolyn Eckhardt entitled, "So Your Daughter Wants to Take Agriculture?" Miss Eckhardt is a June graduate of the dairy department of the University of Maryland. The editors of the Farm Journal, 230 West Washington Square, Philadelphia, Pa. 1901 are interested in receiving letters relative to the subject.

Neil Wright Named To Regional Music Post

Neil H. Wright of Middle Tennessee State University has recently been appointed Chairman of the Voice Division of the Southern Region, Music Teachers' National Association by Polly Gibbs of LSU, President of SMTNA. The Southern Regional Convention will be in Atlanta, Ga., March 27-30, 1966.

Mr. Wright has been for the past 19 years head of the Department of Music at the College in Murfreesboro. He was Charter President of the East Tennessee Vocal Association in 1940, he served for three years as President of the Middle Tennessee Vocal association in the 1950s and is Immediate Past President of Tennessee Music Teachers' Association. Mr. Wright attended Vanderbilt University and holds the B.S. and M.A. degrees from Peabody College where he has also done post-graduate work. He has served as Choral adjudicator in Tennessee, Florida, Georgia, and Kentucky.

He is a member of Phi Mu Alpha (Sinfonia)-honorary music fraternity, Kappa Phi Kappa, educational fraternity, the National Association of Teachers of Singing, Music Educators' National Conference and Music Teachers' National Association and Patron of Delta Omicron, international professional fraternity. At MTSU, he directs opera and oratorio, the university choir and teaches private voice.

"University Day"

(Continued from Page 1)

service to mankind and it "stands in the void between ignorance and education"—which he characterized as our nations greatest weapon.

Monte Hale, local radio personality and president of the Blue Raider Club characterized "University Day" as an exceptional opportunity to appraise the effect of the magic name "University" for thorough future learning.

Mr. Bragg, a former president of the Associated Student Body and college newspaper editor, spoke in a more reminiscent mood. "I learned in the General Assembly," he told the students present—that there is no "free lunches," no free items in any of our public education program. "It is imperative that youth take full advantage of the opportunity for education, for it is the one asset that one can neither lose or have stolen."

Ross Spielman, representing the former Associated Student Body presidents and a University Alumni, said that the institution had long stood for "instruction in knowledge, training in virtue and development of citizenship." He predicted that its new statue would offer wider range for "dedicated growth and development of alumni with a little more courage, thoughtfulness, wisdom and justice."

John Branham, a student, was master of ceremonies and outlined the contributions offered by the State, the county, the city, the administration, faculty and alumni in the location of a great educational institution. The invocation was by Wally Cantrell, president of the Student Christian Union and a former class president. Other former Associate Student Body presidents who were present and were recognized were Joe Jackson, Murfreesboro contractor and James Jackson, presently the business manager of the University.

The great stone obelisk, marking the double driveway onto the campus from Main street was unveiled, revealing the legend, "Middle Tennessee State University" Wakeley and Allen Rowlett, transplanted Yankee from Evansville, Indiana, was attired in the traditional uniform of General Nathan Bedford Forrest. Rowlett has been the "Raider" during 1964-65.

"We Can Beat Cong" Local Bronze Star Winner Declares

"Those people can be beaten," Captain James R. Dismukes, recent addition to the Instructor Group in military science at Middle Tennessee State University, stated in referring to the Communist Viet Cong. Captain Dismukes was awarded the Bronze Star and the Commendation Medal by Lt. Colonel James Chrietzberg in a brief ceremony at Forrest Hall Friday, recognizing the captain's recent distinguished service in that area.

Elaborating on his statement relative to the action in Viet Nam which brought him the Bronze Star, the Commendation Medal, the Combat Infantry Badge, Air Medal, and the Vietnamese Ranger and Paratroop Wings, Captain Dismukes said that the South Vietnamese soldier is as good as his leader, and when ably led, is equal or better than the Viet Cong.

Captain Dismukes was in action eight times against the Viet Cong, whom he described as being well led, extremely tough fighting men with high morale. Captain Dismukes served with a South Vietnamese Ranger Bn and headed an Advisory Team consisting of a U. S. Ranger Lieutenant and sergeant, a Marine sergeant, and an Australian Warrant Officer. He commended the fine work being done by the Americans and had the highest praise for our helicopter pilots. "They will come to the aid of an American in trouble under almost any circumstances. These pilots are the advisor's life line when on operations against the Viet Cong," Captain Dismukes commented.

Sixty Students Work At EOA Campus Jobs

Dr. Belt Keathley, director of scholarships and loans at Middle Tennessee State University, has announced that about 60 students are employed by a grant of \$28,046 allocated to the University under the Economic Opportunity Act for the summer term.

In an experimental program during the spring semester 21 students were employed on jobs in the library, the maintenance department, the farm, in departmental offices and the library. Switchboard and traffic control trainees are also among other work opportunities being provided with the government grant covering ninety per cent of the cost.

The summer grant was announced by Congressman Joe L. Evins.

ROTC Cadets Return From Fort Bragg Duty Tour

Twenty-five senior military science cadets from Middle Tennessee State University will return to Murfreesboro Saturday, July 29 following a six week ROTC summer camp at Fort Bragg, North Carolina. At the conclusion of the camp two of the men, Robert C. Moore of Bagdad, Kentucky and Jerry C. Pate of Fayetteville, will be commissioned as second lieutenants. These men completed the academic requirements for graduation in May of this year. The other members of the MTSU unit will return for their senior year of academic work in military science at the university.

Those attending the camp are James T. Bush, Livonia, Michigan; Howard T. Coleman, Millville, New Jersey; David M. Galanti, Durham, North Carolina; Rodney Gammill, Murfreesboro; Martin K. German, Murfreesboro; James H. Hewitt, Jr., College Grove; Edwin W. Horlacher, Jr., Nashville; David H. Jones, Murfreesboro; Clarence H. Joiner,

Five Points; Bryan T. Lifsey, Chattanooga; Kenneth P. Lord, Birmingham, New York; William D. Matthes, Nashville; Richard T. Mullins, Murfreesboro; James R. Murray, Tullahoma; James H. Payne, McMinnville; Joseph S. Renner, Cleveland; Robert C. Steelman, Jr., Shelbyville; Kenneth M. Shulman, Huntsville, Alabama; William E. Smith, Murfreesboro; William H. Sikes, Murfreesboro; James E. Thornton, Shelbyville; Jerry W. Walker, Watertown; and John H. Whitaker, Chattanooga.

Ten members of the instructor's group at MTSU are participating in the encampment at Fort Bragg. They include Lt. Col. James Chrietzberg, Jr., PMS at MTSU, and Captains D. J. Cole, D. F. Bratcher, Jr., W. C. Cook, W. B. Dillingham, B. L. Parsley, and R. G. Routt. Three noncommissioned officers from the local staff will also be on duty at Bragg. They are M/SGT O. T. Lewis, S/GT Ronald J. Ensley, and S/p5 L. R. Holmes.

Aerospace

(Continued from Page 2)

in the 12th annual Aerospace Education workshop at Middle Tennessee State University in Murfreesboro, Tennessee spent June 22-24 at Ellington Air Force Base where they toured the National Aeronautics and Space Administration's Manned Space Flight Center. The group were airlifted in Tennessee Air National Guard C-97's, according to Dr. Bealer Smotherman, director of the workshop.

The workshop is divided into five groups where problems designed for teachers of children of different age levels. Here these teachers are enabled to learn procedures for instructing children of elementary and high school age.

Members of the instructor's staff include Dr. Bealer Smotherman, director, Murfreesboro; Miss Emma Lou Asbury, first and second grades, Knoxville; Hascal Chesney, advanced workshop, Knoxville; H. Miller Lanier, director, advanced workshop, Murfreesboro; Miss Norma Peek, fifth and sixth grades, Nashville; Kenneth Reed, assistant director, Knoxville; Mrs. Georgia Robinson, librarian, third and fourth grades, Briceville; Mrs. Maxie Tuggle, junior high Memphis; Ernest Willoughby, assistant to staff, LaFollette; Major Orville Wyatt, USAF, Air Force lecturer and coordinator, Knoxville; and Mrs. Sue Messick, workshop secretary, Murfreesboro.

Lanier Announces

Annual Airport Tour

Miller Lanier, director of the advanced division of the Tennessee Aerospace workshop now in progress at Middle Tennessee State University, has announced the itinerary for the annual tour of Tennessee airports.

Thirty one members of the advanced course will leave the Murfreesboro airport for Lebanon at 9 o'clock Saturday, July 10. From Lebanon the group will fly to Crossville, arriving at 10:21. From there they will fly to Rockwood arriving at 12:06 Eastern standard time. Following lunch at Rockwood the group will visit Knoxville, Athens, and Chattanooga Saturday afternoon. Sunday morning the group will fly to McMinnville from Chattanooga, thence to Fayetteville, from Fayetteville to Shelbyville and will return to the Murfreesboro Municipal airport by 12:15 Sunday afternoon.

Several members of the second year class in the advanced workshop are working toward a private pilot's license this year. Linda Arnold, Jane Bush, William Hoover and Bob Sadler have already made their solo flights.

The tour of Tennessee airports is a part of the exercise the advanced workshop members make in the study of navigation and observation of airport facilities.

Those scheduled to make the flight are Miss Linda Arnold, Memphis; Miss Freda J. Bush, Kingsport; William E. Cortner, Normandy; Mrs. Dorothy O. Cox, Gallatin; Miss Wanda Crowder, Nashville; Mrs. Frances Cummins, Memphis; John Duldt, Goodlettsville; George P. Dye, Knoxville; Mrs. Irene K. Easterly, Knoxville; Bruce F. Fairfield, Strawberry Plains; Mrs. Caroline S. Francis, LaFollette; Miss Maxine Fulkerson, Jonesboro; Mrs. Doris K. Gann, Memphis; John B. Haynes, Chattanooga; Mrs. Martha W. Haynes, Chattanooga.

William D. Hoover, Bell Buckle; Miss Carmen Mitchell, Morristown; Mrs. Teresa Pyle, Duff; Mrs. Lucy D. Price, Memphis; Alonzo Randall, Jr., Nashville; Robert L. Sadler, Ashland City; Joseph L. Saleeby, Oliver Springs; Mrs. Margaret Salisbury, Murfreesboro; Miss Kathleene Sims, Memphis; Amon Snyder, Alexandria; Miss Ruby Spear, Lawrenceburg; Mrs. Florence V. Sublett, Murfreesboro; Miss Judith Surber, Knoxville; Miss Jane Turrentine, Nashville; Mrs. Alyce H. Williams, Knoxville; and Mrs. Carolyn H. Woods, Knoxville.

Members of the May class at Middle Tennessee State University who received commissions as Second Lieutenants in the United States Army are pictured in the traditional pinning of the bars ceremony by mothers, wives, and sweethearts following the swearing ceremony last week.

They are first row, from left to right, Cadet Edward G. Alexander from Sale Creek and Mrs. Alexander; Cadet Ronald R. Coleman, Murfreesboro, Mrs. Lynn Coleman; Cadet Ronald W. Cooper, Murfreesboro, Mrs. J. W. Cooper; Cadet James A. Ealy, Murfreesboro, Miss Donna Powers; Mrs. John D. Fuqua, Cadet John E. Fuqua, Nashville, Mrs. J. E. Fuqua; Cadet William G. Hill, Shelbyville, Mrs. Marion Hill; Cadet James A. Jacobs, Nashville, Mrs. Jacobs.

Second row, from left to right, Cadet Albert C. Ogles, Murfreesboro, Peggy Ogles Carlton; Cadet Jerry E. Owens, Doraville, Ga., Mrs. E. L. Owens; Cadet Tommy D. Ray, Donelson, Mrs. Ray; Miss Penny Fletcher, Cadet Mack R. Rhea, Nashville, Miss Mary Hill Stone; Cadet Samuel R. Weatherspoon, Nunnely, Miss Linda Duke; and Cadet Larry H. Williams, Chattanooga, Mrs. Williams.

Along The Sidelines

Ben Hurt, a 1957 Middle Tennessee State graduate, has been named first assistant football coach at the University of Houston.

The former Blue Raider guard and linebacker was alternate captain of the 1956 MTSC squad that earned a trip to the Refrigerator Bowl. Terry Sweeney, assistant coach at Middle Tennessee, served as captain of that team.

Hurt, who came to Middle Tennessee from Pulaski High School, earned both the B.S. and M.A. degrees here. Following graduation, he coached at Orange High and Nederland High in Texas, compiling outstanding records. His main assignment at Houston will be working with the linebackers.

New officers for the Blue Raider Quarterback Club have been elected for 1965-66. Monte Hale, assistant manager and news director for WGNS Radio was elected president of the booster organization.

Other officers will be Rollie Holden, vice-president; George Johnson, secretary; and B. B. Gracy III, treasurer.

Gary Draper, a Blue Raider football signee for next season, became the third Castle Heights athlete in the last 25 years to repeat as the "most valuable athlete."

Jay Cole, headed to Middle Tennessee State on a basketball grant-in-aid, was in the spotlight at the Martin Junior College sports banquet.

The 6-3 forward broke all scoring records during the past season at Martin, and was honored with his jersey (No. 12) being retired. This was the first time a jersey retirement has ever been made at Martin.

Coach Ken Trickey remarked of Cole, who will be eligible for varsity competition next season, "He is a real player. I might mention he will wear number 12 here next year."

Raider freshman basketball signees Bill Weldon (Murfreesboro), Wayne Pendleton (Maplewood), and Willie Brown (Father Ryan) will play in the EAST-WEST ALL-STAR BASKETBALL GAME in Nashville July 17. This will be a good chance to see some of the coming stars in action.

Two Middle Tennessee State faculty members will be NCAA representatives in sporting events next year. Dr. E. K. Patty has been named to the NCAA Golf Committee, and Bob Brooks was named on the NCAA Midwest College Division Football Championship Games Committee.

Dr. James Loveless, athletic director at DePauw University and chairman of the NCAA Midwest football games committee was a recent visitor on the MTSU campus. Dr. Loveless was in town to speak to various organizations in promotion of the Grantland Rice Bowl game to be played on Jones Field December 11.

MTSU's Brian Oldfield places second in the shot put in the finals of the NCAA College Division track and field championships.

Oldfield had a top toss of 56-5½, second only to the 57-4 mark posted by Lee Johnson of Redlands University.

Former Nashville East miler Charlie Dahlgren, who lettered last spring as a two-miler at Oklahoma Baptist, is reported to be headed to Middle Tennessee State next season.

Mr. and Mrs. Dan Lewis (he is a member of the Raider golf team) are the proud parents of a bouncing baby girl. Lone Renee Lewis arrived on July 9 at Rutherford Hospital. Dan's first comment: "She has long fingers. I'll bet she can hit that golf ball."

Blue Raider alumni now in collegiate football coaching ranks have been recent visitors to the athletic office. Latest members seen "discussing football" with the Raider football staff were Russ Faulkinberry, who received his M.A. degree here (head coach at Southwestern Louisiana), Ken Shipp (backfield coach at the University of Miami), and Ben Hurt (first defensive assistant at the University of Houston).

Coach G. R. (Buck) Bouldin was named "Ohio Valley Conference Tennis Coach of the Year" for his outstanding work with the Blue Raider netters last season.

Coach Joe Black Hayes is serving as President of the National Babe Ruth League in the Rutherford County baseball program this year.

Hayes Appointed MTSU Track Coach

Coach Joe Black Hayes has resigned his position as track coach for Middle Tennessee State University according to athletic director Charles M. Murphy.

Dr. Quill E. Cope, president of MTSU, announced Joe Black will be replaced by Dean Hayes (no relation), a 1959 graduate of Lake Forest College (Illinois).

The outgoing mentor initiated the track program at Middle Tennessee State in 1955 and has coached the sport every year since. He has produced some outstanding teams during his track reign including the Tennessee Intercollegiate champions for the past two years.

Dean Hayes will join the coaching staff in September. He is presently serving as assistant track coach at Lake Forest College.

The 27 year old mentor was an outstanding track man at his alma mater. He won four letters in

Three Peace Corps Exams Set For Nashville P. O.

Peace Corps placement tests will be held for Middle Tennessee State University students who desire to enter the Peace Corps on June 10, August 14 and September 11 at the main post office in Nashville.

Any citizen of the United States over 18 years of age with no dependents under 18 is eligible for service in the Peace Corps. Applicants must fill out a Peace Corps questionnaire which is available at the MTSU post office or may be obtained by writing Peace Corps, Washington, D. C., 20525.

track and was "Athlete of the Year" in 1958. His coaching experience includes one year in Minneapolis, Minn., and five years in the Chicago area high schools. The youthful Hayes is a member of the University of Chicago Track Club, competes in the middle distance events, and in 1959 worked in the Pan American Games.

Golf Team Wins National Title

**Larry Gilbert
NCAA Champion**

Larry Gilbert, a senior from Vine Grove, Ky., led Middle Tennessee State to the NCAA's college division golf championship recently.

The amazing Gilbert fired a six under par 280 for the 72 holes to take individual medalist honors in the college division classic.

MTSU's foursome had a 1,157 total for the four rounds and wound up with a 45-stroke edge on Southern Illinois University, the defending champion, with 1,202.

Gilbert was not the only Blue Raider to find the two Springfield, Mo. courses to his liking. Team mate Bob Wolfe battled to a tie

LARRY GILBERT WON THE NCAA individual college division golf championship with a six under par 280. The Blue Raider senior fired rounds of 66-68-73-73 for his championship total.

for the tourney's runnerup spot with Bob Smith of Sacramento State. Each fired a 284 total.

Other members of the Raider team to participate in the tourney were George Cogbill, Dan Lewis, Dan Midgett, and Jack Haley.

On the first day of the tourney the Bluemen jumped to a six stroke lead; led by seventeen on the second round; held a twenty-nine stroke advantage at the end of 54 holes; and broke a record with the forty-five stroke championship win.

This was the first time the Raiders have entered a full team in the NCAA. In 1963, Gary Head was the MTSU representative and brought home the low medalist championship. Jack Haley finished seventh last year as an individual entry.

The NCAA crown was the highlight of another outstanding season for Raider golf coach E. K. Patty. His linksmen have won 53 consecutive dual matches in the past six years.

SGT. ENSLEY WINS XII CORP GOLF CROWN

Staff Sergeant Ronald J. Ensley, Military Science Department, MTSU, is the recent winner of the 2nd Flight, XII U. S. Army Corps Golf Tournament.

The annual event, held at Fort Jackson, South Carolina, from 24-28 May 1965, featured 30 Army golfers from North Carolina, South Carolina, Tennessee, and Georgia. The tournament was divided into three flights: Championship 1st flight, and 2nd flight, of which S/Sgt Ensley was the winner.

There is to be a workshop in modern mathematics for elementary teachers held on campus the last two weeks of July from 8:00 to 10:30 daily.

These gridders will lead the Blue Raiders in the 1965 football campaign. Left to right: Jerry Smith and William Randolph (Alternate Captains), Keith Atchley (Captain), Coach Charles "Bubber" Murphy.

Raiders On OVC "Hot Spot" As Murphy Prepares For 19th Season

If the Blue Raiders of Middle Tennessee State University get the "hot spot" by pre-season Ohio Valley Conference championship prognosticators, it will be little surprise to anyone.

Coach Charles "Bubber" Murphy's teams have not finished lower than second place in the tough OVC for the past ten seasons. As a matter of fact, the Raiders have won 56 league games, lost only 15, and tied 2 since joining the OVC 13 years ago.

Murphy will begin his 19th season as head coach for Middle Tennessee. He has posted an astonishing record of 131-47-8 as chief mentor, and has either won outright or shared the league championship trophy six of the past nine years.

And, 1965 is expected to be another big year for the Bluemen. Twenty-two lettermen return from the '64 team that won both the Ohio Valley Conference and the Grantland Rice Bowl — NCAA Midwest College Division Football Championship.

The main problem facing the coaching staff will be replacements at the graduation riddled defensive halfback posts. Of the 12 lettermen lost, one-half dozen were from the backfield. Missing from the backfield will be Little All-American Jimbo Pearson, defensive aces Jim Harvey, Larry Whaley, and James Donnelly, and fullback David Petty.

Murphy remarked of the upcoming campaign, "We think we will be stronger on offense, but most of the defensive backs will be boys that haven't been under fire. We will miss

boys like Jack Armstrong, Ray Neal, Clark Maples, and Ronnie Camp in that line too."

But on the bright side of the ledger, the Raiders will be returning quarterback Teddy "Thunderbolt" Morris, who holds every total offense and passing record at MTSU. The 175 lb. field general chalked up 1,457 yards in total offense (999 passing—458 rushing) last season. His understudy, sophomore Billy Walker, showed in the Spring game that he is going to see plenty of action during the coming season also.

Bob Hodan, the 175 lb. speedster and "Most Valuable Player" in the Grantland Rice Bowl last season, will be back at the left halfback slot. He led the Raiders in rushing last season with 557 yards for a 5.5 average.

Junior Billy Warren is the probable replacement at right half for the departed Pearson, and Larry Mathews and Bill "The Chief" Robertson will alternate at fullback.

With the new substitution rule, the Raiders plan to work with defensive and offensive units. But, Murphy said some of his boys will probably see service both ways.

Another top scoring threat will be end Herbert Owenby, the sophomore-to-be pass catching ace from 1964. The 6-2 flanker grabbed 7 passes for 149 yards and four touchdowns in the final four contests last year.

New Parking Rules For Post Office

Something new has been added!! A "10 MINUTE PARKING" area to facilitate checking your mail. This area is located behind the Student Union Building and on the west side of the parking lot. The area will be clearly identified with "10 MINUTE PARKING" signs.

Obtaining the maximum utilization of this convenience will require the courtesy and cooperation of all the users. Please limit your parking to the absolute minimum necessary to check your mail so that others may benefit from these reserved spaces.

There will be no restrictions as to area decal and may be used by faculty and all students alike.

This area should eliminate the need for parking in prohibited areas or on the Loop Drive to "run into the Student Union Building for a minute."

**Delmar D. DeVoss
Security Officer**

Jimmy Earle, Alumnus, MTSU Baseball Coach

Charles M. Murphy, athletic director for Middle Tennessee State University, announced today that Jimmy Earle has been appointed head baseball coach for the Blue Raiders.

Earle will replace Ken Trickey, who assumed the head basketball coaching post for MTSU after the 1964-65 basketball season.

The new baseball coach joined the Blue Raider coaching staff July 1 as an Instructor in the physical education department. He will serve as assistant basketball coach in addition to his basketball duties.

Earle holds both the B.S. and M.A. degrees from Middle Tennessee State. He served as head basketball and baseball coach for Martin Junior College for the past four years.
