Dr. Carlston of Murfreesboro has taken over the job of Physician on the College Campus.

We have a newcomer in our midst, not a newcomer at MTSC but at least an newcomer to you. Girls if tis ill you are feeling now go to the infirmary and see the new doctor but hold your heart-strings because let me tell you that handsome young doctor is married.

Dr. Carlston was born in Murfreesboro, Tenn., and attended MTSC from 1945-1947 getting his pre-medical requisites. He entered the University of Tennessee Medical School at Memphis where he obtained that coveted Doctors degree in 1951. His intern period was spent at Nashville General Hospital from where he has come to Murfreesboro to set up a private practice and to take care of our coids, aches and pains.

## Wild Blue Yonder Beckon to Students

"Whee... let's go to the Airport." That is a familiar cry round about MTSC campus these days. The reason?? Everyone has gone Airport crazy and believe me it is wonderful.

A few very small people, tired of the grind of the Ad. building, decided to try a change of scenery and a change of curriculum for electives, and that started the fad... the aviation fad... Don't get us wrong, now. These aviation courses are far from erip courses. You have to work pretty hard for your grades... But what a pleasure it is to work at the Airport. Makes one feel like a pilot.

This quarter students have poured into the aviation department making one of the largest turns out in many a day, and creating a new interest... something completely different from Reading, Riting, and Rithmetic... And before long Flight Students will be enjoying the magnificent and gorgeous new Airport out on the Lebanon highway.

Miller Lanier, instructor, has been with us since 1945, and of course has greatly strengthened the department, which of course has created such an interest by the Students.

Courses in Radio, Navigation, Civil Air Regulation, Aircraft and Engine, and of course Flight are filled with new Students. Students taking these courses are: DeNelle Agee, Robert Young, Charles Wombell, M. P. Meadows, Charles Haynes, Jerry Bell, Joe Bean, David Burnett, Franklin Chambers, Mary Neil Collier, Ray Cross, Linda Denning, Milan Davenport, Bill Etter, Duncan Everett, William Fandrich, Howard Garner, George Hulsey, John Hettish, Mary Ann Harrison, Harold Hill, Leland Jennings, Dwight Journey, Bill Jagers, Carey Kennedy, Gerald Little, Jim Lyon, Jim Lincoln, Sammy McCormay, Douglas McDonald, Bertha McCord, Marvin May, Wayne Nicholas, Billy W. Two hundred and fifty five student assistant librarians from 45 Middle Tennessee high schools spent the day on the MTSC campus Friday April 18, studying problems related to the work of students who act as assistants in high school libraries.

Miss Virginia Rutledge, president of the organization, from Issac Litton high school in Nashville presided. Appearing on the morning program was the sponsor, Miss Lenell Edwards, and the advisor, Miss Johnie Girens of Austin Peay. Bob Abernathy, extension supervisor, addressed the group at the morning session and Dr. Leland Crabb of Peabody College was the speaker at the afternoon meeting.

High light of the student participation program was the panel discussion "Value of the Student Assistants" by members of the Lebanon high school under direction of Mrs. Helen Means.

Following Dr. Crabb's address the visitors were invited to be guests of the college at a baseball game between MTSC and Union University.

Dear Editor:

It has been called to the attention of the Student Body officers that a number of students are wearing school sweaters bearing the letters of other colleges or of their high schools. This is contrary to the traditions of Middle Tennessee State College and it also shows a lack of courtesy for the lettermen of our campus—and the southern states are supposedly noted for their courtesy.

How about watching those letters and snipping them off for safe storage until you're out of school or at least off the campus?

Thank you for your cooperation,  
Your ASB Officers.

Pictured above are the members of the Musical Production "Trial By Jury" The Production which made a dual presentation included members of the Sanderian Society. It was under the direction of Rubye Taylor Sanders.

## Unique Chapel Program of 1952 Present Saundarians Society's Version of Cantata

On Tuesday, April 8, in chapel and again on April 15 the Saundarian Society presented their version of Gilbert's and Sullivan's dramatic cantata, "Trial By Jury."

Its plot is around the court system of England during the 19th century. The opening scene is in a Court of Justice as the curtain rises on a chorus of spectators, attorneys and jurymen with a usher. This chorus, in sturdy song, makes known the course of events which take place.

The usher, having marshalled the note to the first bridesmaid, but when Angelina sings her graceful air, he shifts his attention to her. He even admits that he never saw "so exquisitely fair a face". For their part, the Jurymen profess a great admiration for the bridesmaids and address the defendant as "monster".

The defendant appears and explains that he once loved the Plaintiff, Angelina, but that having passed he was another lovesick boy. The Jury admit that once they too were like that but have since grown respectable and have no sympathy for the defendant. The Usher ciders silence for the Judge approaches. The chorus greets him with churchly song. Having thanked them, the Judge proceeds to relate how he reached his exalted station. When young, he confides, he was an impecunious lawyer. He fell in love with a rich attorney's elderly, ugly daughter.

The attorney turned plenty of cases over to him, and when he had grown "rich as Gurney's" he threw over the daughter. But now he is a judge, and ready to try this breach of promise case.

As the Judge ordered, the Usher swears in the jury and summons the Plaintiff, Angelina. The bridesmaids enter as her escorts. While they

This seems reasonable to the judge, but the counsel, referring to his books, finds that to marry two wives at the same time is a serious offence. This Dilemma is discussed in a splendid burlesque on an Italian opera sextet. The Usher having restored silence in court, Angelina proves her loss. She cries and embraces the defendant and says that he must pay for this.

The defendant counters this by saying that he is a bad lot, given to liquor, he's sure he would beat her, and she couldn't endure him very long; the Jury should remember this when assessing the damages. These conflicting statements are developed in a dramatic ensemble. The Judge accordingly suggest that they make the Defendant "tipsy" and see of the assertions are true. But to this proposition all save the defendant objects. The Judge is now furious, for he is in a hurry to get away. So he settles the case quickly by declaring that he will marry Angelina himself. And with this settled the curtain falls.

The cast consisted of Charles Anderson, the Learned Judge; Clyde Cromwell, Counsel for the Plaintiff; Ray Tanksley, the Defendant; Douglas McDonald, Foreman of the Jury; Aaron Powers, Usher; and Gay Jennings, Angelina.

The chorus was made up of jurymen Douglas Williams, Stanley Scissom, Dan Warmbrod, Thomas Darnell, Bob Cunningham, Paul Smith, Don Clark, Duncan Everett, William Blackwell, Jerry Phillips, and Billy Arnold. Also in the chorus were the spectators who were

## Plans Underway for Recreation Center In SU Building

The recreation facilities of the Union Building are still out of reach. Plans have been made but nothing definite can be published at this time as to the date when it can really become a student recreation center.

Of the equipment being obtained for recreation center the card tables and some games have already arrived, the ping-pong tables are being made and there is a reliable rumor that there will be two pool tables for the cue happy students to ply with.

The possibility of getting a record player for the recreation center seems pretty good but things like this take time so the students must contain themselves for a little longer for their use.

This is not a nice note to have to add to a news item of this kind but it does seem that the students at MTSC should give up their childish ways of destroying property not theirs. Yesterday walking through the newly furnished lounge in the Union Building I saw where an ash-tray full of butts and ashes had been dumped over on one of the new lounges. This happens quite often around the campus. When will such people grow up.

## Eleanor Sheid Ranks Among Top Six In National Forensic Tournament

Cobb, Gilliland Made Creditable Showing

Miss Eleanor Sheid, Tullahoma co-ed at Middle Tennessee State College, placed among the top six dramatic readers in the nation at the national forensic tournament at Fredericksburg, Va., last week. Miss Sheid's reading was from the Greek classic "Medea" by Euripedes, Miss Sheid won a plaque as being one of the finalists in the competition among 45 colleges and universities in America.

Ty Cobb and Boyd Gilliland of the MTSC debate team also made a most creditable showing among the 125 teams participating, although their final score did not place them among ten teams which were ranked in the final evaluation.

Lare Boutwell, head of the MTSC speech arts department accompanied the MTSC team to the meet. Following the speech tournament the group were guests of Congressman Joe Ewins in Washington where they were photographed on the capitol grounds.

The motor trip was made in a vehicle supplied by the Binford-Kearney Motor Company of Murfreesboro.

This marks the fifth straight year the MTSC team has had one or more of its representatives well up among the nation's top leaders in forensic competition.

Fourth grade: Mary Jo Dillon, McMinnville, Rachel Ann Miller, Dixon; Vivian Pilkinton, Columbia; Ilene Smith, Shelbyville, Sixth grade: Peggy Ambrester, Jasper; James Blackwell, Antioch; Jewel Higgins, Morrison; Cecil Taylor, Daylight.

Seventh grade: John Bennett, Tullahoma; Fred Shubert, Flintville.

Eighth grade: Elizabeth Dennis, Shelbyville; Johnnie Wadell, Murfreesboro; Nowlin Taylor, Shelbyville; Mary Yager, McMinnville.

## Sidelines Receive National Rating

The Middle Tennessee State College SIDELINES is described as "a good example of a student publication, that is an organ of public relations, information and a chronicle of recorded events. It has lively writing that informs and entertains its student body," judges of the Columbia Scholastic Press Association wrote in placing the MTSC bi-monthly as a "First Class" paper, among American College publications. This is the second honor accorded the 1951 editions of the SIDELINES. The Associated Collegiate Press had previously given the paper a "first class honor rating."

In the Columbia judging the SIDELINES scored 378 out of a possible 400 points on writing and editing, 275 out of a possible 300 points on content and 184 out of a possible

200 on makeup. However the rating was drastically cut by poor press work, printing and proof reading, scoring only 50 out of a possible 100 points on this count.

"Editorial matter thoughtfully planned, giving evidence of consistent policy" and "good journalistic English and composition" was rated almost perfect by the Columbia University judges. On the editorial page the paper ranked 48 points out of a possible 50 and on "good writing" the paper scored 24 out of 25 points.

Feature stories and interviews were classified as being "colorfully written, imaginatively treated, originality and humor developed and good taste maintained." Here again the SIDELINES scored high, rating 47 out of a possible 50 points.

The paper was highly complimented on the regular features that appear on the editorial page with the writing of Mary Killeen and Emily Pepper being singled out for special commendation as examples of "good feature work and good style."

"Elimination of questionable slang" rated a perfect score of 10 points. The use of pictures, cartoons, and display features was another section of the paper with a perfect score.

Criticized most severely was the lack of sound sports coverage; the lack of "spread" (i.e. three and four column heads); the failure to play up future events; the proof reading and sory printing.

The dual honors accorded the papers came to editors Lucy Tucker (spring and summer 1951) and the June Smith-Helen Warren combination of the fall quarter. Miss Tucker's

editorial job was classed best in the field of general news writing, feature coverage and makeup. Miss Tucker and Warren rated highest on their job of "stories and success and achievement, pictorial coverage and "exchange column."

Coverage of the General MacArthur visit to MTSC, on April 3, of last year was described as one of the best jobs of journalistic work by a college newspaper last year. The April fool edition of the SIDELINES in 1951 was also highly praised for its originality and combination of serious reporting with the seasons foolishness. (Editor's note: In this issue half of the paper was printed upside down with the usual April Fool coverage of burlesque straight stories. The other half was printed correctly.)

## ARE YOU IN THIS GROUP

Wood

One of the richest blessings in our American way of life is the privilege of free speech. Not only do we like to share our opinions with others but our criticisms as well. Especially do students here take especial delight in severely criticizing every phase of school life, clubs on the campus, faculty members, school publications and other important portions of school life. Nine times out of ten their complaints are unjustifiable and serve only to promote discontent and bitter arguments.

Do you really think it is fair to sit back and denounce a group or activity without being thoroughly acquainted with the reasons behind their actions or knowing exactly what they're talking about? There are many who are guilty of this and their influence tends to disrupt the ambitions of those who are striving to make MTSC stronger and better.

Granted we have a right to express our opinions whether favorable or unfavorable, but there is a great deal of difference in helpful criticism and criticism aimed at merely tearing down bit by bit honest work and effort put forth by those whose enthusiasm for improvement has not been dampened by idle discrimination—discrimination which does not have any factual basis to back it up.

Never be guilty of criticizing for the sake of criticism. When you find fault attempt to find a solution to go along with it. If you find that others insist on exercising their rights as a free American citizens by denouncing those things which at present cannot be helped, ask them to contribute a method that would improve the situation. Perhaps they will find more profitable things to do in the future.

## Meet MTSC Masters

By MARY KILLEEN

Again this week we have military masters featured. Our first military master is Sergeant W. F. Pinkerton, a Murfreesboro lad from way back. Master Pinkerton graduated from Lascassas High School and attended MTSC for a short while.

Prior to joining the Armed Forces in 1940 Sergeant Pinkerton worked for the NC&StL Railroad as brakeman. He joined the local national guard in 1940 and was assigned to the 115th Field Artillery and remained with this outfit throughout his period of service.

The masters service assignment took him overseas in June '42. During this time he spent 14 months in Iceland and eleven months in England and Wales. Then one year in Europe with the 3rd army and our master had totaled 37 months overseas in one stretch.

On discharge our master returned to work for the NC&StL Railroad, until February of 1947. He then became a full time employee of the local national guard as chief warrant officer. He resigned from this position in May 1951 and went to Alaska where he worked for a short period for the railroad there.

Back in the States the military master joined the reserves and was recalled to active duty; this time he was assigned to MTSC ROTC unit as maintenance specialist.

Since the death of Sergeant Lowry master Pinkerton has been given the position of supply sergeant.

A married man his wife is the former Kathleen Haskins. The Pinkertons have three children two little girls and one son.

Decorations you will likely find in Sergeant Pinkerton's possessions are Pre Pearl Harbor Ribbon, Good Conduct Ribbon, National Guard Commendation Ribbon, American Theatre Ribbon, European Theatre Ribbon, with four battle stars.

Hobbies are: the girls rifle team of which he is assistant coach and music, bill billy records.

Master Sergeant Robert J. Smith is our second master this week. Sergeant Smith was born in Georgia but moved to Chattanooga where he obtained his schooling.

Sergeant Smith began his army career on November 24, 1939, when he enlisted in Chattanooga and was sent to Fort McClellan, Ala. He remained stationed there for three years. Then to Fort Benning; then on to Fort Knox. In May of 1942 our master was sent overseas; he spent some time in Ireland, Africa, and Italy. Back in the U. S. in 1944 he was stationed at Fort Knox until June 1945; here came the only break in the masters military career. He resigned from the army and stayed out four months and twenty-five days.

When he reenlisted in October 1945 he was stationed at Fort McArthur, San Pedro, Calif. About this period he attended special non-commissioned officers school at Fort Knox after which he was assigned to the Tennessee National Guard for four years as instructor and stationed at Murfreesboro.

Relieved June 1950, reported to Fort Benning, Georgia, left the States in July for Korea and returned in October. His next assignment was Fort Bragg and in July 1951 the military man was assigned to the MTSC ROTC unit.

His profession was completely confined to the Armed Forces and summing up we find that Master Smith participated in six major engagements, two in Korea and four in the ETO. He also participated in two initial landings, Africa and Korea.

His decorations are: Two purple hearts, Unit Citation Badge, American Theatre Ribbon, European Theatre Ribbon, Korean Theatre Ribbon, Pre-Pearl Harbor Ribbon, good conduct medal with knot and clasp.

But meeting our master in his home we find that he is married and has three children, two boys and one girl.

### An Elegy on the death of Sgt. Lowery

The belated March Wind tears the lonely leaf from its penacle. To long cycle had ended and its throne of observance stood now in solitude stood lonely and naked in the midst of the Easter trees.

The leaf who had led the winds in symphony and rustled a call to the forlorn bird no longer furled its colors, for now the storm of season was over, and no longer did artillery shake its veins.

It had never seen a strange tree nor foreign shrub, but held a call for all the green-thief that had had once been as all buds are, now lies beneath its throne.

Those limbs did wave and wither and the wind moaned a mournful knell. The birds dropped to ground ever searching and green jackets lowered to blend regret and the sun warmed that bright color that lay beneath the mud.

Oh rain that gave the strength and color fall again upon that penacle and give to it strength anew, for it is death to life and life to death as ever the seasons grow.

### Stag Lines

by GUY NORTON, JR.  
Here I am back with more news from the Men's Dormitory. I want to thank you readers for the helpful suggestion in regard to this column.

Sure was glad to see such an active Stag Line operating at the dance, last April 10. Quite a crowd of students turned out and every one seemed to have lots of fun. Owen Bradley really has a hand!

The new horseshoe pits are almost finished. Avid horseshoe players are David Cullum, Don Stotzer, George Jenkins, Norwood Gant, and Ben Canada. I am sure they will appreciate the new horseshoe pits.

The dormitory recreation room now has two new ping-pong tables. It also has a good pool table which has taken quite a bit of the popularity of the ping-pong tables. Milton Bracy, Red Hensley, Charlie Lyons, Roder Jones, Otis Pack, Garnet Rafter, and Bobby (Arch) Porter are a few of the pool sharks.

Quentin Lane has sold his candy machine business to Earnest Adams. Quentin still runs the machines in Lyon Hall and in the Administration building, but Earnest will have charge of the machines in the Men's Dormitory. Speaking of machines, John Raymond Smith runs the Coke machine and is up every morning at 5 a.m. looking for stray bottles. Some life, eh?

I hear that Nowlin Taylor has presented his O. A. O. with a ring. Congratulations Nowlin!

Does Dick Lee live in the Dormitory? We sometimes wonder. But seriously we enjoy having you Dick. Joe Youree, one of our ex-residents surprised us with a visit a couple of weeks ago. He sure did look good in that sailor blue.

The boys on second floor have music for every occasion. One of the most complete record collections can be found in James White's room. They say he collects everything from box tops to airplanes.

Several of the boys from our dormitory are keeping steady company with girls from the other dormitories. A few of them are Jake Helton, keeping steady company with Ruth Youree, Glen Wakefield with Bertha McCord, Bob Cotler with Linda Dellinger and Bob Gardner with Ann Ledord.

That's all for now. Don't forget to keep on the lookout for new consignment on the big Open House and Dorm. Party that are coming up soon.

### LYON LINES

by PAT COPPINGER  
Easter is over, So are the parades, Now lets get started, On improving those grades.

Mid-terms are here but they seem to have little effect upon the girls because of that contagious Spring Fever. Such victims of this ailment are Betty Webb, Smoe Henson, Betty Wright, Ann Arnold, and Dimple Moncrief.

Jane Holland entertained the cheer-leaders and their dates in the Rebel Room last Monday Night. The party consisted of eating, and card playing. Chick Lannom seemed to be the handy man. He was seen cleaning up after the guests had left.

Jim Crawley is well on the way in becoming a member of the Sorority family. He spent the Easter week-end with Delores and her family in Petersburg. Heard that he visited the great Morgan school.

Bobby Cunningham has requested that anyone having guns to sell to please get in contact with him at once. Be on the watch, Betty.

Latest attractions seen in the lobby are: Nancy Shofner and Jimmy Holton of Lewisburg, Mary Jo Dillon and Joe Sloan, Louise Gribble and Ralph Daniels, and Liz Sine and Joe Bean.

Some of our Lyon girls are still quite youthful—Eugie Gilbert, Mary Yager, Mary Killeen, Mary Helen Bass, Peggy Marlin, and Jane Gillum entertained themselves with an Easter egg hunt on second floor.

While in town the other day, Dot Cude and Barbara Ketchersed came upon a big, after Easter bargain in the Ten Cent Store. They now have a large supply of lollipops.

Smyrna Air Base boys are still being attracted to Lyon. Virginia Carey, Dolene Burger, and Dewey Armstrong seem to be the main attraction.

Josephine Akins was seen in Dot Vaughn's room taking a picture of Ax Smith to the ceiling above Dot's bed. Dot can now relax and admire the picture.

Violet Vaughn Ognio is all smiles now. Bill, her husband has returned to Smyrna Air Base after having been sent to Texas for several weeks. By the way Violet and Bill plan to make their home in Atlanta after her graduation in June. Bye Now.

### Organ Pupil Appears In Music Recital At First Baptist Church

Miss Carolyn Nicholson appeared in student recital at the First Baptist church Sunday, April 20, at four o'clock. Miss Nicholson is an organ pupil of Margaret Wright and the daughter of Reverend and Mrs. A. M. Nicholson of Murfreesboro.

For the past three years she has occupied the organist's bench at Central Christian church and has recently become choir director.

On the campus Miss Nicholson has held offices in the college orchestra, band, chorus and Saundorian Society. She has served as president and vice-president of the Pi Mu Sigma honorary music fraternity and as dean of the Student Organ Guild. She is a member of the Sacred Harp Singers String Ensemble, and MTSC Women's Trio. She holds membership in Tau Omicron honorary sorority, Elizabeth Braswell Stephens Music club and was listed in this year's edition of Who's Who in American Colleges and Universities.

The program was as follows:  
Toccata in F, Merulo; Three Preludes, Praembulum Primi Toni, Praembulum Tertii Toni, Toccata, Toccata Quarti Toni, Frescobaldi; Rondo in G, John Bull.

### QUESTION OF THE WEEK

WHAT DO YOU THINK OF SUN BATHING?

Betty Wright: If they can get sun baths—more power to them.

Dick Lee: The students like the scenery whether the administration does or not.

Ramona York: Have you even seen me sun bathe? WOW!

Carol Balsh: If the boys like it, I'm sure the girls should have it. Harold Young: I'm for it!

Buford Hines: Just one long, low whistle.

Mary Will Cox: I don't think it should be cut out.

Mattie Lou Wilson: Nice for girls who want a romantic tan.

Jake Helton: I think it adds to the attractiveness of the campus.

Dan Warmbrod: I think girls look good with sun tans.

### CAMPUS CAPERS

Society, Sycophants, and Such  
By EMILY PEPPER

The Spring Quarter is in full swing now . . . which accounts for all the festivities 'round about. Gee, how we do love this Spring weather.

The "T" club took advantage of the lovely weather, and held a hayride for all members and their dates. For transportation they had jeep pulling trailers . . . the riding was a little rough, but that was the fun of it all . . . What is more fun than Cedar Forrest in the Springtime? Specially when you have such good food. The girls prepared lunches with their own lily white hands, and the boys all agree that they did their job well.

Rutledge Hall played hostess last Wednesday night, and held her annual Springtime Open House. The rooms were spic and span (aren't they always). Heard a remark that the boys inspection proved a big o.k. There just wasn't any dirt to be found at Rutledge on that night. The flowers were so pretty, and many rooms were marked with big bouquets from admirers. The punch and cookies were delicious, and all and all it was indeed lovely. Rutledge girls were proud of their dorm and themselves.

O. K. boys I won't forget you . . . The boys just have to show off their new dormitory, and we don't blame them. They claim their Open House will be the biggest and best yet! We are looking forward to May and your Open House boys, and we promise to be as thorough inspectors as you were in the three dorms which have previously held Open House. And we are looking forward to that Cider you have promised us, and the dancing too!!! It is up to the boys now!!!

Nobody in the world but Jane Holland would have thought of such a thing. The Cheerleaders and their dates were entertained by Jane not long ago in the Rebel Room. They had much fun, and enjoyed the

juicy refreshments . . . They say "That's Jane" . . . and we agree that you are pretty swell . . .

May will soon be here, and that means the ASB election. Be prepared Freshman and transfers for the biggest election you ever saw on one campus!!!

May also brings something extra special for the Juniors and Seniors . . . The Junior and Senior Prom sponsored by the Junior Class. The Townsmen will furnish music. Be sure and plan to attend Upperclassmen . . . this is a big event . . .

Wasn't the Spring Formal fine now? Didn't you have a super elegant time? Wasn't the music wonderful? Of course all the answers are yes . . . Hurrah for the Spring Formal . . . and the Junior for making it possible . . .

Was it a stampee? That was the question many were asking about two weeks ago when a huge crowd of girls representing the female population on the campus presented to President Smith their desire for the resumption of sun-bathing.

Three cheers for the Student Union Building . . . how, oh how did we ever manage without it? We have accepted it, and feel right at home now in the beautiful lobby and lunchroom. The grand Cafeteria is just taken for modernized, and the old Cafeteria and Lunch room are mere memories. We are really proud of our Student Union Building, though, and consider ourselves pretty lucky . . .

Orchids to April Adkins . . . the new addition to the Adkins family, and to the campus too. The parents are proud, the brothers are proud, and the students are proud! We are looking forward to having April with us before long . . .

Well, guess that all the news this time folks, but will see ya before long with more gossip and news of activities . . . So, be good . . . by sure and pass your mid-term exams . . . and I'll see ya soon . . . Bye!

## THIS 'n THAT

by EMMA JEAN McELROY

There are several girls to be congratulated for participating in local city governmental elections. Even though they were no able to vote, they helped out local candidates by work at the polls. Some of the girls who worked very diligently were: Iva Messick, Joan Jernigan, Carolyn Jarrell, Laura Ann Harris, Sue Davis, Joyce Nokes, and Maude Anna Wilson.

Don't forget the Spring Frolic that the physical education club is sponsoring. Proceeds go for the picnic that has become an annual affair here at MTSC.

The Writers Club sponsored the movie, "Viva Zapata" recently . . . believe that the Club wishes to express its appreciation to the students and faculty who supported them in their ticket sales.

Eleanor Shield reported that the group of MTSC students who went to the national dramatic meeting in Washington had a most wonderful time!

Spied Tommy Henegar back at MTSC visiting the night that the Saundorian Society presented "Trial by Jury." Always glad to see alumni return to the campus.

I heard a cute saying recently—might add that it is also true. "A man is like a cat. Chase him and he runs away. Ignore him and he comes purring to your feet."

What is this I hear about a group of MTSC students going to Nashville one night during the school week to attend a prominent club? Sounds mighty interesting.

Joyce Nokes and Edgar Simmons attended the Ice Follies in Nashville recently. Understand the Follies was wonderful and the costumes were lovely.

Nice to hear that Barry Smotherman is Attendance Supervisor at the First Baptist Church. Martin McCollough is Youth Pastor.

Congratulations to Price Snell who was recently elected president of the Drama Club. Other officers are: George Pidcock, Norma Littleton, Jo Akins, Eleanor Shield, Quinton Lane, and Laton Sissom. A bouquet of orchids should be given to this club for their activeness on this campus.

The tennis courts are being put into good use now. Showing signs of the tennis fever are: Bill Clark, Stanley Sissom, "Pro", and dozens more.

So long for now . . . and until next week and a few picnics later . . . Bye!

### RUTLEDGE ROUNDUP

by PEGGY AMBRESTER  
Believe it or not, Rutledge is still on the map, even after open house, Wednesday night, April 16; so take note of the latest and greatest from the halls of Rutledge.

Speaking of open house, the girls really deserve the applause. Everything looked wonderful through much effort on their part. We hope everyone else enjoyed it and will return again at this time next year. It seemed like old times week-be-week with the familiar faces of Ann Crahan, Murlene Drake, Sara Hancock and Ruby Avery back on the campus and in the dorm visiting old friends.

Jean Elmore's going around saying it's always a Gray day seems to be very true at times these days. But what I want to know is, why the capital letter on the word "Gray." What about that, Jean?

The Spring Formal was really an enjoyment for the girls and especially enjoying were the music of Owen Bradley and the singing of Dollie Dillard.

Hope everyone had a wonderful Easter and that that old Bunny Rabbit came on time with all the gold and silver eggs. I'm sure if anyone passed by here Easter Sunday, they could see all the girls decked out in their new frocks. Some of them being; Jeanie Rose, Nancy Summers, Mary Sue Paul, Lenora Barber, Loretta Tanksley, and Romana York.

Found in the lobby occupying her favorite seat every night is none other than Dot Kyker. Why? Well, just look on further and see who's beside her. It's Robert Reid.

The cheerleaders, Joan Bunley, Pat Trigg, Martha Sue Williams, Pat Lanius, Jannine Wood, DeNelle Agee, and their dates were entertained by Jane Holland at Lyon Hall, Monday night, April 14. All reports lead to the conclusion that all had a swell time, and that Jane and Lyon Hall are a wonderful couple of hostesses.

Margaret Tucker and Shirley Keyes traveled to the great city of South Pittsburg for a visit last weekend and found out that it was really in Tennessee and not in Pennsylvania. Congratulations, girls, you know they always say you learn something new every day.

It's time again to close this chapter of Rutledge Roundup; however, I'll be back again next time with another one.

### WOULDN'T IT BE FUNNY

Wouldn't it seem funny if—Jeanie were a Tulip instead of a Rose—Elizabeth were a Strawberry instead of a Cherry—Rachel were a Carpenter instead of a Miller—Dick were a Wolf instead of a Lamb—Betty were Snow instead of a Lamb—Maxine were Kitchens instead of Chambers—Charlie were Tigers instead of Lyons—Price were a Fish instead of a Snell—Anna Belle were an Orchard instead of a Grove—"Lib" were Literature instead of Grammar—Glenn were a Sleep-woods instead of a Wakefield—Robert were a Swallow instead of a Martin—Anita were a Maid instead of a Cook—Mary Lou were a Key instead of a Locke—Ray were a Triangle instead of a Cross—Betty were Buildings instead of Holmes—Gene were a Conductor instead of a Porter—Alton were a Walkaway instead of a Treadaway—Elizabeth were an Oldring instead of a Newbell—Norma were a Bigpond instead of a Littleton—Emily were Salt instead of Pepper—Elias were Caesar instead of Hamlet.

### FROSH FACTS

by FRANK AND LIZ

Greetings folks, read one and all the latest scoops from Jones Hall. Everyone is back after a wonderful Easter, with tales of how they spent their Easter Week-end. It seems as if everyone had the same idea about spending the Easter week-end at home; as a result, Jones Hall was our more dead place.

Frances Carter, we are surely sorry to hear about the accident that your family had Easter day while bringing you back to school. Here's hoping your mother who was injured will have a quick recovery. Ruth Beatty, you sure seem to be excited over a certain letter you received the other day. It wouldn't happen to be a letter from Harvey, would it?

Terri Brisan, who is this handsome J. P. I. man we have been seeing so much of lately? Better watch him, Jerri—lots of stray girls on the loose.

Inez Cantrell, that sure was a cute girl from Sparta that you had visiting you the other night. Boy, Sparta seems to have an abundant supply of cute girls. What about it, Martha Sorrell?

We are really glad to have Joyce Cooper back with us after a short absence because of the death of her father. Joyce, we extend our sympathy to you.

Martha Goodman, Mary Ervin, Dot Useton, and Vernis Pless, don't you ever tire of Rook? Which of you is the champ?

Sara Ketring, you really look good on the tennis court. Just keep up the good work and you will soon be a professional able to beat Knox.

Joyce Nokes, been seeing lots of you and Edgar lately. It must be wonderful having him so near this quarter. He seems to be quite popular with Jerri Brisky, Opella Troxler, Fern Jelli, and Babe Francis around supper time. We wonder why!

Fannie Wheeler, what's this we hear about your soldier coming home last week-end? From the looks of things Fannie, he has fallen pretty hard.

"Moan" Robinson, Cathie Nelson, and Ann Lamb, we never hear how much anymore. Is Spring having its effect on you?

"Jayne" Haynes, James is waiting for you" seems to be a familiar echo around here nowadays. Jayne, he must really be swell.

What's the latest on the Komer Klub. Sorry we don't know for those girls can really keep a secret.

Familiar twosomes that we see around and about are Sara Ketring and Knox Wright, Joyce Cooper and "Dude" West, Joyce Humphries and Frank Dillard, Lib Grammer and Hamlett, Carolyn Shelton and Charles Anderson, Margie Allen and Torrance McClarney, Katherine Knight and Bob Searcy, Jane Robinson and Gene Hale, Gwen Martin and Irwin Manning.

Joan Jernigan, who is this new heart throb we have been hearing about lately?

Bob went home with Katherine over the Easter holidays and we hear that they had a wonderful time. Seems Bob likes Dechard very well.

Well, believe that all for this time, but will see you next issue. Bye!

### Simpson, Wilkes Attend Principal's Conference

Mr. Roy Simpson, principal of Training School, and Dr. Joe F. Wilkes, Professor of Elementary Education, are attending the South-eastern Conference for Elementary School Principals, at Winston-Salem, North Carolina, this week. Dr. Wilkes is consultant for a group discussing "Techniques for Developing Citizenship."

## Eds and Co-Eds

By WILLIAM MAGGART

From Marshal County High School hails our vivacious, dark haired co-ed of the week, Avola (better known as "T") Whiteall. After Avola's graduation from high school she entered Columbia Business College. Upon her completion of a course in secretarial science, she accepted a position as Secretary of the State Department of Education. While working, she served as President of the Epsilon chapter of Beta Sigma Phi business girls sorority.

Since her entrance to these hallowed halls, where she majors in home economics, she has completed her college work in three years. "T" has not only been an outstanding student scholastically, but has participated in many of the school's activities. She has worked for the coaches in the Athletic Department since her entrance at MTSC. Among her many achievements, she has been a member of the Buchanan Drama Club, of which she has served as corresponding Secretary, a member of WAA, she has served as Vice President of the home economics club, a member of MSM, physical education club, Tau Omicron, Alpha Psi Omega, Treasurer of Rutledge Hall, Secretary of ASB, Secretary of senior class, Who's Who, and scholastically is among the top 15 of her graduating class.

Her hobbies are all kinds of sports, particularly horseback riding. She is an experienced rider and has

horses of her own.

After her graduation in June from MTSC "T" plans to do graduate work. At present her ambition is to teach home economics in college—but not for long.

The jovial lad that was recently elected "Most Versatile Boy" this is also our ed of the week. This is Stanley Sissom, a senior music education major from Shelbyville, Tennessee. Stanley graduated in 1948 from Central High School in Shelbyville. There he served as drum major for the band for 2 years, was captain of the band two years, cheerleader, a member of the glee club—and the Beta Club.

While here at MTSC, Stanley has participated in many of the school's activities and was this year elected most versatile boy. Besides this coveted honor he has served as president of the Saundorian Society, a member of Beta Club, FTA, Chorus and has served as drum major of the band for the past two years.

Stanley likes all sports particularly basketball. Among his other hobbies he likes to eat and work. Speaking of eating and working, Stanley is most likely to be seen behind the cash register in the cafeteria.

His ambition is to be a great politician. When asked about his future plans, like all the others he replied, "The army if Uncle Sam has his way."

# Raiders Start Baseball Season with Success

### Rader Diamond Men Try For Another Victory

## ALONG THE SIDELINES

By BOB HETTISH

As this edition of THE SIDELINES goes to press the Blue Raiders baseball team under the able direction of Coach Reil, has compiled an impressive 3 wins and 1 loss record. On April 7th the Raiders defeated Sewart Air Force Base 4-2 then repeated against the same Sewart team on April 8th in a ten inning thriller. The 9th saw the MTSC nine at Florence State and here they suffered their first defeat of the season, losing 4-3 in a loosely played game involving seven miscues in a disastrous eight inning.

The highlight of this young season was the defeat of Vanderbilt at the hands of the Raiders on April 16th on the Raiders home diamond. The Raiders came into the ninth with the score tied 3-3 and pushed across the winning run on singles by Garrett, and Hardison, a sacrifice by Brock, an entential pass to Gupton and a long fly to center by Bob Searcy. Garrett scored on what would have been a close play at the plate if the ball hadn't taken a bad hop and sailed over the catchers head. The winning of this game sure gave the Raiders a big shot in the arm. John Brock pitched a fine game in limiting the Vandy team to nine hits. The Vandy team didn't score an earned run in the game. Ralph Osteen welded the big stick for the Raiders getting 2 for 4.

In the field of tennis we had two matches played. The first match against TPI was rained out after two matches had been played. The Raider netmen were leading at the time the rains came.

The second match was a home affair which ended with the Raiders on the short end of the 8-1 match score. Rayburn and Porter teamed up in one of the doubles events and defeated the duo of Hooker and Wagner of Sewanee 6-6, 7-5, 6-3. This match accounted for the Raider point.

Two MTSC alumnus in military service are in the news at this writing. They are Capt. Henry F. Brandon, Captain of the Blue Raiders football team of 1947 who has been transferred from Cherry Point, N. C. to Korea, and Robert W. Ellison who is a Naval aviation cadet. Captain Brandon is a Marine pilot.

### Raiders Edge Flyers In 10 Innings

Coach Reils Blue Raider baseball team defeated the Flyers from Sewart Air Force Base for the second time in as many days beating the Flyers 8-7 on their own diamond on April 8th before a capacity crowd.

The raiders jumped off to a one run lead in the first frame, added two in the second, two in the sixth, nine in the fifth, three in the seventh and one in the tenth.

Going into the ninth the Raiders were one run behind a but overcame this deficit with a single by Martin Garrett, sacrificed to second by Bobby Hardison, took third on a passed ball and romped home on Harry Gupton's single.

The Flyers once again went into the lead in the top of the tenth but Marty Garrett's single with two men on board in the bottom of the tenth gave the Raiders the victory.

Charlie Lyon hit a round tripper in the sixth with one on and House of the Flyers hit one in the fifth with one mate aboard.

Winning pitcher was Lyons who relieved Whisenant in the tenth and the losing pitcher was Cosco.

### Raiders Defeat Murray

The Blue Raiders of MTSC defeated a Murray team on the Raiders home diamond on the afternoon of April 18th by once again coming from behind in the closing innings to gather six big runs in the bottom of the eighth inning after two men were out of pull a game out of the fire 8-6.

Gerald Johnson hit a home run in the first canto to tie the score at one apiece. The Murray nine had a big five run third when they solved the offerings of starter Dan Fuller. Big Jim Whisenant came in to put out the fire but Murray's six runs looked big enough to give them victory.

The game rolled along from this point with neither team putting up much of a threat until the Raider's half of the eighth. The first two men were put out easily and some of the crowd started to leave. As this point' Charlie Lyons doubled, Bob Osteen singled home Lyons. Garrett then Doublet. Price hitting for Hardison walked, filling the bases. Wake 'ield nitting for Whisenant, sent an easy roller to third that the third baseman booted then through wild to first plating two more runs. Hammerin Harry Gupton then came up with two mates on and hit a long drive to right field for a home run sending three runs in giving the Raiders their margin

### Raiders Defeat Commodores 4-3

On the 16th of April the MTSC Blue Raiders sunk a weak hitting Vandy nine 4-3 before a large but shivering crowd on the Raiders home field.

Vanderbilt scored a lone run in the first inning but the Raiders came back in the third to rack up three big runs only to have Vandy tie the score with single runs in the fourth and seventh frames.

In the Raiders big third Clutch hitting by Ralph Osteen and Mama Johnson plated the three runs. The Commodores had only one earned run with their other two coming about by misplays afield by the Raiders.

In the all important ninth Martin Garrett singled, Hardison was on an error, Brock dumped a third struck bunt in front of the plate sending Garrett to third and Hardison to second, Harry Gupton was passed filling the bases then Bob Searcy hit a long fly to center and winning run.

John Brock went the route for the Raiders allowing nine hits.
